REPORT ON ASSOCIATIONAL MISSIONS

The Beulah Association, like all other Missionary Baptist Associations, is composed of a group of churches, associated for the purpose of taking the gospel of Jesus Christ into the "uttermost parts of the earth, beginning at Jerusalem." Associational missions is to take care of the destitute and needy places, to strengthen the weak places within the associational boundaries, and to foster such activities as can best be done by combined effort. Organized associational missions, as such, has not been carried on in this association for some years.

The history of the Beulah Association was distinctly marked at the beginning by glorious missionary effort which brought great things to pass. The territory was large and the need great. Since then the territory has shrunk to two counties and the need does not appear to be so great. Yet even casual observation makes the need for associational missions apparent.

The increase in population with other attendant problems of industrialism makes it necessary for the churches to move together to occupy and hold the field for Christ. Some of the churches are endeavoring to take care of some of the needs, but can do so only in part. It seems that the time has come for the association to again apply itself to associational missions as such.

Respectfully submitted,
K. D. Stukenbrok.

REPORT ON PERIODICALS

Too many of our young people do almost no reading at all. Certainly one should keep himself informed of current events through daily papers.

One may attain to the highest degrees offered in our colleges and universities, but unless he continues his reading from day to day, he becomes ill informed, if informed at all. His mind grows stagnant to the world about him; the development that is necessary in keeping him.abreast of times of our day is lacking.

Then if reading is so very important, is it not equally important that we direct our reading to that end which will bring greatest dividends? If we are to direct the lives of our reading young folks for Christ, we must place before them literature that will be conducive to Christian living. If the drug store or newsstand ten cent novel has most prominent place in our libraries, then we may expect to develop ten cent minds in our boys and girls. Why not place before them denominational literature? Literature that has spiritual value.

We should count it a privilege to have before us such literature as the Biblical Recorder, the Charity and Children, the Royal Service, and such other periodicals as are designed for the use of the Y. W. A. and the R. A.

One of our greatest literary writers said more than 300 years ago that "All the world is a stage, and each person is an actor thereon." We know that what we read we are sure to act out in our daily lives. Are we willing for God or even man to see us act the things that we have become so much absorbed in reading?

Let us arrange in one way or another to have our denominational literature come into our homes regularly that we may better act on the stage of life our Master's work that He has assigned for us.

Respectfully submitted,
H. D. Young

FOREIGN MISSION REPORT

"Then all the multitude kept silence, and gave audience to Barnabus and Paul, declaring what miracles and wonders God had wrought among the Gentiles by them" (Acts 15:12.)

What a thrilling Foreign Mission Report that must have been, and how we would have enjoyed listening to those great missionaries. And yet, today, there are just as thrilling stories to relate of what great things God is doing throughout the world. The labors of our own Southern Baptist Missionaires have been marvelously blessed. During the past year there were 17,794 baptisms, bringing the total number of church members on the foreign field up to 204,-894. We now have 2000 self-supporting churches on the foreign fields, and 728 other churches that are being partly supported by mission funds. These native Christians contributed last year $370,075.66 for all purposes.

But more significant is the fact that 3,015 have been expelled from the churches for various reasons, showing that there is a real effort to keep their churches "pure and unspotted from the world."

Tidings come to us from all of the foreign fields of a spiritual awakening; and from China comes repeated stories of Pentecostal experiences and accounts of a great revival that is sweeping over China.

Truly, if this day, we could have our missionaries come before us and tell us of the marvelous things that God is doing today it would be no less thrilling than was the report of Barnabus and Paul.

May we not praise God for the great and marvelous things which He is doing in our own day and time.

Respectfully submitted,
W. F. West, Chairman

HOME MISSIONS

Home Missions might be defined as: (1) the preaching of the gospel to those who have it not in those isolated and neglected sections or areas outside the normal reach of the churches; and (2) any and all of the missionary and evangelistic tasks in the home land which either, because of their size, their universality or their difficulty, require the impact of the whole denomination for their solution and can, therefore, best be handled by a southwide agency.

In short, Home Missions is the denomination as a whole taking the gospel in all of its fullness to the people of the home land, Cuba and Panama.

There are now 149 workers in 504 churches and Mission Stations. The work accomplished during this year has been glorious. 76 new missions have been opened, 1777 souls won to Christ, 12 new churches have been constituted and so the work goes on in Christ's name among the 9 1-2 millions Negroes, the 900,000 Mexicans, the 600,000 French, the 500,000 Italians, the 265,000 Spanish-Americans, the 3,346,000 European nationalities (not listed above), the 9,503 Orientals, the 200,000 Indians.

As we do Home Missions we are so often also engaged in Foreign Missions, as now during recent years more foreigners have been leaving our shores than have come to them. May they who leave our sunny Southland for some foreign home, leave with the knowledge and love of Christ in his heart.

STATE MISSIONS

Through the years 1934 and 1935 there has been a substantial increase in the financial support of our Baptist people to the work of our State Mission Board. This increase has been due to the greater desire to give and also that our people had more to give.

The Morale of the Baptists of North Carolina is excellent. On every hand there is evident a new interest, new desire and a new will to cooperate in advancing His Kingdom.

Because of the renewed interest and increased ability of our people to give, resulting in increased contributions, our Board came to the end of 1935 with all debts paid and a cash balance of $5,500.

Along with the effort to get out of debt, we have earnestly promoted our Mission, Training and Benevolent Program.

The extensiveness of our State Mission Program is indicated by the year's work of our General Missionary, M. O. Alexander, by the assistance given our mission churches to the amount of $42,587, by the help in the payment of debts on church buildings, in the erection of new buildings, in the support of Rev. and Mrs. M. C. Lunsford in their work among the Indians of Roberson County and Mr. and Mrs. Fitzgerald among the Cherokees of the Western part of the state, and in the work of W. C. Somerville among the negroes, a work done with abandon and far reaching effect.

Mention should be made of Wayne W. William's distinguished work among the tubercular World War veterans at Oteen. His contact with the pastors of the Western part of the state has been helpful to the State Mission enterprise.

Our Board fosters Pastors' Schools and Conferences, 14 of which were held last year. 225 pastors attended these schools.

And finally our Board carries out that part of the Great Commission that commands us to teach, in its support of the Sunday School, B. T. U. and Students Work. Miss Cleo Mitchell is the only full time worker among all our Baptist students.

We are grateful for the support of our Board to work in our Association, and we urge its continuation, in the light of its growth.

Respectfully submitted,
V. E. Duncan

REPORTS GIVEN FIRST DAY; AFTERNOON SESSION

B. T. U. REPORT

No one here will deny that Christ and the Word of God demands service of every true Christian. That training is essential to efficient service our Master and all religious leaders recognize. Jesus was with His disciples for about three years teaching and training them in the things of the Kingdom—to be more efficient Christians.

We are now in a period when progress will be made in our local churches, and in Christianity at large, in proportion to the amount of training that our churches are giving. Our B. T. U. is the church at work training its every member from the youngest to the oldest. The only one who will not be helped by it is the one who already knows all that there is to be known.

The present number of churches in our Association with at least one organization is seven. There is one General Organization. The Associational Organization is at present complete.

We believe that the time has come for us to do something more than talk about our B. T. U. work.

In connection with this report we would like to submit the following recommendations:

1. That every effort be put forth to make Beulah Associational B. T. U. Standard by the close of this year.
2. That we hold at least one Associational and two group meetings during this year.
3. That we call upon all pastors, and all others interested, to assist in doubling the number of Organizations and the number of members enrolled within the next twelve months.
4. That the Executive Committee of the B. T. U. be given authority to fill any vacancies in Associational B. T. U. Organization.

STEWARDSHIP

"The earth is the Lord's and the fullness thereof, the world and they that dwell therein." These few words of the Psalmist lay the whole foundation for stewardship. The christian has no option in the matter. God is the owner and the controlling factor. The whole of our existence we owe to Him, yet, out of his divine providence He has seen fit to entrust us with his possessions.

Since "In the beginning God created the heavens and the earth" we, as christian stewards are responsible to Him. Adam and Eve were responsible for the keeping of the Garden of Eden,—this marks the beginning, but down through the ages we have not been entrusted with, or held responsible for less. The Old Testament teaches that He requires of us a tenth of our goods and a seventh of our time. Paul in I Cor. 4:2 puts it "Moreover it is required in stewards that a man be found faithful," also, in 1 Cor. 16:2, "Upon the first day of the week let every one of you lay by Him in store as God has prospered him." These instructions of the father make man's duty and responsibility definite and direct.

Although, God has pointed out clearly to us our duty in giving back to Him part of that which He has given us, His demand is not weakened by the trace of a promise, which is substantial and great. His message in Mal. 3:10 shows us wherein we will be rewarded if found faithful in His few and simple demands, "If I will not pour out a blessing that there shall not be room enough to receive it."

God's Word, if read and studied, would make stewardship easy. He divises the plans, He gives the directions, and His blessings are bountiful.

Respectfully Submitted,
N. J. Todd.

REPORT ON SUNDAY SCHOOLS

The business of the Sunday School is to teach God's Word to every available person. Jesus, the world's greatest teacher, placed great emphasis upon teaching. He said: "Go ye into all the world and preach the gospel to every creature, teaching them to observe all things whatsoever I have commanded you." Hence, our churches accept this command and seek to teach God's Word to every available person through the Sunday School.

It should be the desire of every Sunday School teacher to take the pupil as he is and so teach him from week to week that he will eventually become what God would have him be in due time. Guiding life as it develops is an important matter, and is a glorious task for the church as it seeks to promote the work through the Sunday School. Many evil influences have been counteracted in the lives of boys and girls, and even men and women by the teaching received in the Sunday School.

During the past twenty years Southern Baptists have enrolled more people in Sunday School than all other denominations put together, and yet there are ten and one-half million prospects for our Baptist churches. In North Carolina there are eight hundred thousand prospects for our Baptist Sunday Schools. Every Sunday morning there are three people at home for every one we have in attendance. In this association there are now 23 churches with 3,000 members. In these churches there are 21 Sunday

Schools with an enrollment of 2,500 pupils and 168 teachers. If the law of average shows that there are three people at home each Sunday that should be present for every one present, then we have in this association 6,004 people that are missing an opportunity to study God's Word every Sunday morning.

The Sunday School Board through its five-year plan is seeking to enroll 500,000 new pupils by 1941. North Carolina should enroll at least 50,000 of them. This association should enroll 3,000 of them. We call upon every church in this association to join our State Sunday School Department and the Sunday School Board in this effort to increase the enrollment in our schools, and at the same time increase the average attendance at least ten per cent.

In presenting this report we urge renewed acceptance by the churches of the Sunday School as an instrument in the hands of Christian people to magnify the church, to prevent crime, promote preaching attendance, keep Bible teaching under church control, win the lost to Christ, teach Missions and enlist in Missionary practices.

To aid the churches with their Bible teaching work the Baptist State Convention maintains a Department of Christian Education, which includes Sunday School, Baptist Training Union, and Baptist Student Union work. Rev. W. Perry Crouch is Secretary of Christian Education, and L. L. Morgan is Secretary of Sunday School work. Their services are available for training classes, conferences, Sunday School Revivals, associational conventions and many other types of meetings. The Department will furnish tracts on all phases of the work to any church or individual requesting the same of Secretary L. L. Morgan, 200 Biblical Recorder Building, Raleigh, N. C.

Respectfully Submitted,
Huel M. Gentry.

REPORT OF AUXILIARY TO W. M. U. WORK OF BEULAH ASSOCIATION FOR THE YEAR 1935

Eight years have passed since I entered your service as young peoples leader of Beulah Association. As we give a retrospective glance over the records and work done during these eight years it seems only as yesterday. They have held joy, happiness and encouragement.

As we sum up the years' labors there is a decline in the Sunbeam report, due partly to the epidemic of infantile paralysis that was prevalent in our state last summer. The Jr. G. A.'s and R. A.'s suffered alike at the hands of this disease, yet in spite of this difficulty these young people did splendid work. Our financial goal was $400.00. We went beyond our goal contributing $437.57.

Sunbeams contributing	$65.75
R. A.'s contributing	85.87
G. A.'s contributing	110.29
Y. W. A.'s contributing	211.66

The Auxiliaries that led in gifts are: Mill Creek Sunbeam, Roxboro R. A. Y. W. A. and G. A. Our quota for 1936 is $500.00.

1936 marks the fiftieth year of Sunbeam work. Let us try to organize more Sunbeam bands during this year and make the Sunbeams shine in the year of their golden anniversary.

Through the faithful work of our counselors we can report 37 active

Auxiliaries in 1935, 13 Sunbeams; 7 R. A.'s, 9 G. A.'s and 8 Y. W. A.'s. A comparison of last year's work reveals that several organizations were dropped and five new ones added making the number practically the same as that of 1934. Those claiming the honor of being A-1 are: Sunbeams, Providence, P.; Roxboro and Mill Creek; R. A.'s, Roxboro and Mill Creek; G. A.'s, Semora, Roxboro, Bethel Hill and Mill Creek; Y. W. A.'s, Roxboro and Mill Creek.

We had a number of young people to enter the 1935 Stewardship Contest. Three Sunbeams took part at the Associational meeting, Margaret Long and George Barrett. Margaret Long was awarded a Bible for winning first place. Roxboro R. A., James Jackson won and entered the State Contest. Also the G. A.'s, Ester Gentry, Annie Laura Barnett and Josephine Buchanan entered the associational meeting, Roxboro claiming first place and entered State Contest. Three Y. W. A.'s, Roxanna Gentry, Mrs. Mary Alice Long and Nellie Dunn, the latter getting first place. To these young people we extend congratulations.

There were 38 windows and world comrades in the hands of our young people last year. 16 study courses taught. Let us try to improve this record in 1936.

This is a report of your labors and the work of your hands. I am grateful to each of you.

As this brings to a close approximately 8 years as your Young Peoples leader of Beulah Association, joy and unspeakable happiness fills me to the brim as I think of the blessings received during these years. The counselors, pastors' wives, pastors and members of the association have been helpful, kind and cooperative in every way possible. May I express my sincere gratitude first to Mrs. R. L. Wilborn, our beloved superintendent, then our pastors and every one in the Beulah Association for every kind deed or act shown me during my work with you.

As each of you continue to lead these young people of Beulah Association "If you cannot leave your footprints on the sand of time, write your Master's Name on the granite of eternity. If you rear no palace for Him here, build in these young souls His temple which will out last time and be coeval with eternity." May we lead youth in the pathway of love, devotion and service for the Master.

REPORT OF W. M. U. OF BEULAH ASSOCIATION FOR YEAR 1935

The One Hundred and Second Session of Beulah Association has rolled around again. As we think of all that has transpired in those 102 years—the past, the present, the future, our hearts swell with humble gratitude that God permits us, His representatives in Beulah today, to be laborers together with Him.

We think of Beulah in the language of Bunyun in his "Pilgrim's Progress" after the weary Pilgrims had crossed the river and come into the beautiful country of Beulah to their earthly reward. "Entering the country of Beulah, whose air was very sweet and pleasant, the way lying directly through it, they solaced themselves there for a season; yea here they heard continually the singing of birds and saw every day the flowers appear in the earth, and heard the voice of the turtledove in the land. Here, also they were in sight of the city they were going to—Now as they walked in this land, they had more rejoicing than in parts more remote from the Kingdom to which they were bound and drawing near to the city, they had a more perfect view of it.

We are favored far beyond most mortals in this fair land of ours. We are pilgrims and sojurners here; like Abraham of old, we are travelling towards a heavenly city whose builder and maker is God. And as we gather here this bright beautiful summer day, bringing the sheaves of one more year's work for our Lord, our hearts do have more cause for rejoicing on this blessed mountain top than in parts of the earth more remote from the kingdom—and let us each one pray earnestly and silently that heaven come down, our souls to greet around this blest mercy seat and for the presence and the power of the Holy Spirit in our midst today.

Last year we read reports from 19 Woman's Missionary Societies. Today we add one more making us 20 in all. The following are the Churches in which we have organizations: Antioch, Bethel Hill, Baynes Chapel, Blanche, Clement, Ca-Vel Village, Ephesus, Kerr's Chapel, Lambeth Memorial, Lea Bethel, Milton, Mill Creek, Providence P, Providence C, Roxboro First, North Roxboro, Semora, Shiloh, Theresa and Yanceyville.

We have no Baptist church at Milton, it's true, but faithful Mrs. F. P. Tucker keeps her missionary torch brightly glowing with generous contributions each year.

We had to drop one society from our list as they did not report for a year, Trinity. We trust that the good women of this church may catch a fresh vision of the missionary fields and opportunities they are passing by and reorganize anew a strong society.

Ca-Vel Village is our new society for 1935. Perhaps some of you do not know about this church. One of our new ones in the Association and this was made possible by the coming to Roxboro of a large velour-velvet mill, established by Collins & Aikman of Philadelphia, and where all mills are, there are the workers, as if by magic sprang up the Village of nice, new, neat homes. Hundreds of new people among us who needed ministering to spiritually. Bro. West and Bro. McGregor saw the opportunity, took a census, found the majority of them Baptists, so a church was organized with Rev. J. C. McGregor as pastor. He kindly gave your superintendent great encouragement for a missionary society. So one was organized. Starting off with 20 members and already these have grown into 30.

In all we raised $2501.85. The Young People gave $473.57 of this. Raleigh has us credited with only $2330.44 as you have perhaps seen if you have followed their figures. Our books show this difference and we report as our women report to us.

Our quota from headquarters in Raleigh was for $2000.00. So you see we went over by more than $500. This is a great and vital fact right here. Our women are thinking more seriously and honestly about stewardship, they are tithing more, and the result is a deepening of the spiritual life. "The more you give the more you live." You are partaking more of that divine bread and water of life and not taking the refreshment selfishly all for yourself but are feeding it to others. This is a great spiritual truth and test, if you give your money then along with it just naturally goes your strength, your thoughts, your interest, your deeds of loving kindness and tender mercy in personal service of ministering to those who need you. Your prayers, your tears, your all—yourself.

Six Societies were A-1 in the Standard of Excellence—Antioch, Bethel Hill Lea Bethel, Mill Creek, Roxboro First and Semora.

We have two A-1 Churches in our W. M. U. of Beulah. An A-1 Church is one that has a Woman's Missionary Society and the four Junior organizations, Y. W. A., G. A., R. A., and S. B. and all five of these are A-1 in the Standard of Excellence for societies. These Churches are Roxboro First and Mill Creek.

We hope to read out more next year and heartily congratulate these two fine Churches and their faithful and capable leaders in this splendid achievement.

Through the influence of Rev. and Mrs. L. V. Coggins and their good church at Semora we had a most enjoyable and profitable Mission Rally there. We had the great pleasure of seeing in person and hearing Dr. and Mrs. McCall, Supt. of our Cuban Mission work, tell about the work in Cuba. Supper was served on the grounds to a large crowd from our churches and societies.

We traveled 1400 miles, wrote 263 letters and postals, visited all the societies, attended many missionary meetings, addressed the women of Flat River W. M. U., attended Raleigh State W. M. U. meeting. Your expense fund provided for this and it is gratefully acknowledged a great help to your Superintendent.

Thus endeth the record of one more year's work for Jesus. Many of us are often bored with reports but, ah, my dear friends, think of each one of these organizations. The faithful president, often on her frail shoulders is the entire responsibilty of it all and the faithful women meeting in rain, snow, sleet or sunshine. This record means many prayers, tears, smiles, discouragements and encouragements. So, one and all, I thank you for your loyal co-operation.

We appreciate our faithful pastors, their help, support and encouragement.

We also appreciate our fine Young Peoples' Leader, Miss Mary Gentry. Our Junior work has grown greatly under her capable leadership for eight years. Let us remember we are their mothers and help and encourage them in every way we possibly can.

If you sit down at set of sun and count the deeds that you have done, and counting find one self-denying act, one word,
That eased the heart of him that heard;
One glance, most kind, which fell like sunshine where he went,
Then you may count that day—Well Spent.

Respectfully submitted,
Mrs. R. L. Wilburn, Supt.

REPORTS GIVEN SECOND DAY, MORNING SESSION

REPORT OF STATE BAPTIST ORPHANAGE (1936)

An Orphanage cannot take the place of broken homes but it is an earnest effort in that direction. For more than fifty years Baptists have considered the care of Orphans a definite part of the program of Jesus which has been committed to them. So the cry of the helpless child no longer falls upon deaf ears. Today there about 5,000 children in the Southland who are living in the security of Baptist love and care. A great many North Carolina Baptists are joyously accepting this Christian responsibility and are caring for about

1,000 children through the work of our Baptist Orphanage at Thomasville and Kennedy Home at Kinston.

The needs of all dependent children are not the same. Many of them have lost both father and mother so they need a home. A sad thing is that there are always many more applications than can be taken in. Those who can be cared for are not only happy but nearly all of them turn out to be successful in after life. Sometimes a child whose parents are both living is a child in need. There are others whose mothers are living but unable to care for their little ones and earn wages at the same time so these families receive "mother's aid" and the children are cared for at home. Thus do Baptists meet the needs of the different classes of dependent children.

The Orphanage counts on an offering once a month through the Sunday School and a special offering at Thanksgiving from all the churches. We urge that we seek gifts from more Baptist members for this worthy cause and that every church in our Association send an offering once each month as well as at Thanksgiving. Jesus said to those on His left hand, "Depart from me into everlasting torment, for I was hungry, naked—and ye did not." However, it is glorious to hear Him say to those on the right, "I was sick—I was hungry—inasmuch as ye have done it to these, ye have done it unto me."

Respectfully submitted,
L. V. COGGINS.

HOSPITAL

There are touches that affect us in Mark 5:25-34 as a marvelous illustration of the teaching and service of Jesus. We as Baptists may have felt the virtue go out through our sacrificial service, but as we hear Jesus go in peace we become strong soldiers in the Cross of Christ in supporting this great institution, our hospital.

People come from all over the state to be ministered unto. The most touching of all are the little ones who remind us of the flowers so fresh from Heaven whose lives have been blighted by disease. They are restored to health and happiness and to know the joy of childhood.

Truly the lame have walked, and the blind received their sight. The great touches of Science have made us feel the nearness of the great Physician, the sympathizing Savior.

During these thirteen years of service our Baptist Hospital has touched and ministered to 31,394 patients. Out of this number 15,000 were charity or part pay patients. There were over 4,000 patients treated last year.

Surely we as Baptists can hear the Master say: "Go in peace—Not my will but thine be done."

Respectfully submitted,
C. H. STANFIELD.

MINISTERIAL RELIEF AND ANNUITY

This department of our work holds for us another report that is not gratifying to us in the light of stewardship.

This year there are 72 ministers and 55 widows, a total of 127 receiving aid from the board. This is 18 more than we had last year on the list. Therefore the allocations have been reduced from $6.65 to $4.75 for men per month and it is a few cents less for women. Two foreign missionaries were aided by the Board last year. Receipts of the Board from North Carolina last year for Relief Fund $5,128.34. Amount dispensed in the State $6,881.64, so you see we are a liability. There are three on the waiting list for aid.

The figures also tell us that inspite of improved conditions that North Carolina contributed 75 per cent of the amount the year before, and only four-fifths as much as it received from the Board.

The following comparison only darkens the picture. According to statistics collected by Secretary Watts, Southern Methodists with only 8,000 active ministers, have 3422 on their relief rolls, while Southern Baptist with 22,800 ministers, have less than 1,500. Northern Baptists with 11,400 ministers are paying relief to 2,100. Southern Presbyterians with one-tenth as many ministers as we have, are paying relief benefits to one-third more veterans than we are. These comparisons are indeed odious so much so that it grieves me to present them. However, we hope that such shame will compel us to worthy action.

The Relief and Annuity Board is offering a plan whereby the churches and pastors working together can establish an Annuity. Space does not permit an explanation, but you can secure leaflets and explanation from Dr. J. T. Watts, Dallas, Texas.

We need to cultivate a denominational conscience on this matter commensurate with other phases of work. Give a Sunday morning service once a year for the subject in churches. Secure free literature, dramas from the Board free and get this vital matter before Baptists.

RESOLUTIONS

We, the members of Beulah Association, offer the following resolutions:

First. We wish to express our sincere appreciation and our deep gratitude to our friends of Baynes Chapel, as host, and the surrounding community for their matchless hospitality to this Association assembled in its 102nd annual session.

We have derived temporal comforts and spiritual blessings. Our material needs have been supplied with a gracious courtesy and a bounty, and, as we have partaken of these we have had a feeling kin to that we would have experienced had "Jesus our Saviour" broken bread for us and with us.

Second. We would give thanks for the faithful consecrated pastors of the 24 churches in the Association—Brethern West, Todd, Israel, Coggins, Coley, Stanfield, Worrell and Sullivan, for the privilege of being laborers together in our Lord's Kingdom work and for the growth which He has given us.

For our Moderator, Bro. J. W. Noell, and his competent and good natured, presiding over this meeting. For the presence and help of Bro. K. D. Stukenbrok in our midst. For the visiting pastors and for all the officers of this Association.

Third. Especially are we grateful for the great, inspiring message brought us by our General Secretary of the Baptist State Convention of North Carolina, Mr. M. A. Huggins. We wish to always remember the four great missions he impressed upon us with impassioned earnestness and eloquence, admission, submission, commission and transmission. We would recommend that the Association include all four missions in each church and community. We express heart felt thanks to all the other visiting brethren who brought us great messages. Mr. Terrell of the Biblical Recorder and Dr. Hagaman of the Baptist Hospital at Winston-Salem, and Dr. Arch McMillan of our Orphanage at Thomasville.

We thank our handsome young ushers for good service and Mrs. Harralson for the beautiful flowers.

We mourn the loss of one of our most faithful and devoted pastors, Bro. J. C. McGregor, who did a great work in the growth of this Association.

We cannot help missing his kind, cheerful presence. He will always be missed in every way in this Association. Our Heavenly Father, in his infinite wisdom, knows best and whatsoever He doeth is kind and good and we humbly bow in submission to His will.

Therefore, be it resolved: That in giving this expression to our clerk for spreading in the minutes we subscribe our abiding interest in all things worthwhile.

Respectfully submitted,
MRS. R. L. WILBURN,
MRS. CHARLES PATILLO,
MISS REBA VERNON.

TEMPERANCE RESOLUTION

That Whereas the liquor forces of this State secured the enactment of a bill in the last General Assembly legalizing liquor stores in seventeen counties in North Carolina,

That Whereas this has caused an increase of immorality and crime as shown by our courts and other public institutions;

That Whereas the liquor forces are seeking by every effort and means to secure legislation in every county of our State to provide legalized liquor;

Therefore be it Resolved that the Baptists of Beulah Association pledge our personal effort and influence in every honorable way possible to prevent the enactment of a liquor law allowing liquor stores, or allowing it to be sold legally in our State, and to secure the repeal of the present liquor law by which liquor is being sold in our State. That we pledge our united support financially to the United Dry Forces of North Carolina, which has done a valiant and effective work, and to the W. C. T. U., to the end that the remaining dry counties be kept dry and that the shame and disgrace of the seventeen counties now selling liquor be removed.

That a copy of this resolution be sent the Biblical Recorder and one copy to the United Dry Forces of N. C.

REPORT OF HOME MISSIONS

The Lord spake unto Joshua saying; Every place that the sole of thy foot shall tread upon that have I given unto thee. —Joshua 1:3.

That promise is to us today as it was to Joshua of old, and we shall answer to God as to our faithfulness. We are to preach the Gospel to the whole creation. We are to possess the land fully. Our ultimate task is the creation of a Christlike social order. Every province of our thinking, every area of our attitude and conduct, every region of the relation of industries, classes, races and nations to each other must be brought under the sovereignty of Christ. This is the task of the whole denomination. The specific task of the Home Mission Board is the possession of the homeland for Christ.

There remaineth yet very much land to be possessed.—Joshua 13:1.

There are in the Home Mission fields lost provinces, unevangelized millions, and vast unoccupied areas.

The ratio of christians to population in this country is about the same as it is in the whole world, and yet we call this "Christian America." There are five hundred millions of Christians to fifteen hundred millions of population in the world. The density of unbelief varies in sections in America as it does in the rest of the world, but the ratio of professed christians to non-christians hold about the same. In America we have a type of worldliness and spiritual indifference found in no place else in all the world.

Roger Babson in a recent report said: "According to the statistics gathered by my organization at least 60 per cent of our people never attended any church protestant or catholic.

This is a tragic statement. It means that hundreds of thousands of people here in the homeland are just as completely lost as are the idle worshippers in so called pagan lands. In some cases there are churches near these spiritually stranded people, but in cases of hundreds of thousands of them there are no churches, in no instance is there an adequate mission program. There are large groups here in the homeland that have never heard the Gospel, they are cut off from our services by social, economic, and racial barriers also language barriers, these effectually isolate them from the saving power of Christ.

The fields are only partially possessed. The Home Board is working in our cities, among the Indians, foreigners, and negroes, in Cuba and the Panama Canal. The work that is being done is only a small part of what should be done. We have only one missionary to 500,000 Jews, eleven missionaries to 650,000 French speaking Americans, seven missionaries to 300,000 Spanish speaking Americans, eight missionaries to 600,000 Italians, two missionaries to 7,000 Chinese, six missionaries to 2,900,000 Europeans, forty-four missionaries to more than 800,000 Mexicans, seventy-one missionaries to 2,500,000 Cubans, eight missionaries to 150,000 people in the Canal Zone and Panama, eighteen missionaries to 10,000,000 Negroes and twenty-four missionaries to 200,000 Indians. Taking the entire church group of 46,000,000 people in the Home Mission fields we have on the average only one missionary for every 170,000 people.

We have here in the homeland a great missionary need. In our fields millions of souls are dependent upon the Home Mission Board for the Word of Life. Our brothers in black 10,000,000 of them right at our door are looking to us for help. 5,000,000 foreigners spiritually marooned on our shores are a challenge to our passion for lost souls. On every hand there is a plea for the under-privileged. The man without a chance here in the homeland gropes his way in spiritual night. In Oklahoma and New Mexico more than 150,000 Indians will never know the story of Jesus unless we tell them. The 225,000 Spanish speaking in New Mexico will never know about Jesus unless we send our messengers to tell them. The great acadian section with more than 600,000 souls are our responsibility.

There is much land to be possessed. As we run so shall we attain.

Respectfully Submitted,
J. H. Griggs.

FOREIGN MISSION REPORT

Sometime ago Dr. Maddry wrote an article which contained facts that I think we all should know and should be recorded in the history of our association. Because of this I am filing his article as my report on Foreign Missions. Reads as follows:

Foreign Missions

For ninety-two years the Foreign Mission Board has been busy sowing beside all waters. As a partial result, we now have 2,089 churches in the sixteen foreign fields in which the Board is working, 1,115 of these being self-sustaining; 3,293 outstations; total membership in all the churches, 239.985; total baptisms during the past year, 16,196. The Board now has 415 missionaries in active service. Five died during the past year and three others resigned. The Board employs 944 ordained native workers and 1,437 unordained.

For the calendar year 1936, the Board received from the several states of the Convention $959,794. In addition to this, from income on endowment funds, bequests, and miscellaneous sources, $46,003; from the sale of property and special gifts for debts, $34,766; grand total, $1,040,574. Since January 1, 1933, the debt has been reduced from $1,110,000 to $367,500 and the interest rate from 6 to 4 per cent. $101,500 was paid the last calendar year on debt.

The Lottie Moon Christmas Offering by the W. M. U. has reached $291,761. Of this amount $100,000 has been set aside for the salaries of 100 missionaries, and the remaining $191,761 has been given for the support of W. M. U. work in foreign lands, Bible Training schools, seminaries, hospitals, debts on institutions and churches, and the building of missionary homes.

Durng the decade of 1925-1934, few, if any, missionaries were appointed. Since January, 1933, the Board has appointed 90 new missionaries and reappointed 28, making a total of 118 replacements. There are 56 emeritus missionaries on pension. On the present active roll of missionaries there are 63 who are 60 years old and over.

The Board now requires that a candidate for the foreign field must be a graduate of a standard college and the seminary, sound of body and mind, with right spiritual attitudes, and between the ages of 24 and 32, before he can be considered. He must go to Richmond for final medical tests under the guidance of Dr. James Asa Shield, a noted psychiatrist.

Secretary Maddry has been instructed by the Board to visit our mission work in Africa this fall. During the 87 years of our mission work in this country, not one of our secretaries has ever visited this field.

Address, A. J. Vining, Toronto, Ontario

Dr. Vining represented the Western Mission Board of the Baptist Convention of Ontario and Quebec, Canada, of which he is the Secretary. When in 1869 the great western territories, now known as the Provinces of Manitoba, Saskatchewan, Alberta, and British Columbia, were added to the old Provinces of the East, Canada became a country equal in extent to that of the United States and quite as rich in natural resources. In 1875, the Baptists sent their first missionary to the west, who organized a church in Winnipeg, which has become the mother of several thriving congregations.

The thing we need to do is to give more money and pray more for

Foreign Missions. We men need to inform ourselves better, so we will pray more for Foreign Missions.

Let us pray that some of our young people may answer the call to Foreign Missions. How about setting as a goal four young missionaries going out from Beulah Association within the next ten years. As we pray we must help to prepare them.

STATE MISSIONS

We have moved up for another year and the goal of 1936, of the State Missions was reached with a nice surplus. We believe the people are more interested in these financial items of the Mission program. There are two reasons perhaps, for this increase. People have more to give, and interest is greater among those who give.

The Kingdom is strengthened through this increase and progress both in the fields that receive and the fields that give.

The project laid out by a committee of the Board to reach out in the Prison Camps of North Carolina, can easily be realized and perhaps has been through our progress.

We must not forget the "Service of Supply" of the state mission board, but our goal is to reach all objects of the Board, such as the Pastor's school, Sunday School work, Hospital work at Oteen, work among the Indians, and Church extension.

We are grateful for the work and support of the Board in our association, and our efforts are for its continuance for the advancement of the Kingdom.

STEWARDSHIP

Stewardship is more than money. The word steward is lowly origin, but it has come to fill a big place in our everyday speech. Among our primitive ancestors the hog was, as it is today among the peasants of Ireland, the chief domestic animal, and its pen was carefully protected against anything or anybody that might harm the beast within. Hence the name "Steward" came early in English history to be applied to any one entrusted with the care of another's valued property.

We do not, however, comprehend the meaning of the name as applied to those who guard the possession of Christ Jesus until we have gone to the original text of the New Testament, for therein we find a Greek word which is so significant that it makes us forget the lowly origin of our Anglo Saxon term. In Luke 16: 2-8, He called him and said, I hear this of thee, give an account of thy stewardship. The Steward said, what shall I do. I cannot dig to beg I am ashamed. I am resolved what to do. When I am put out of the Stewardship, they may receive me into their houses. From this we get our English word, economics. It means literally a housekeeper. Moreover it is required in Steward that a man be found faithful, 1 Cor. 4:2. Minister the same one to another, as good Stewards, of the manifold grace of God 1 Peter 4:10. We have no right to waste the things that God has given us or to dispose of them save as directed by God.

Stewardship means a Steward is a disciple ready to learn and to do all that Jesus would teach him about the spiritual use of his material possessions.

REPORT ON SUNDAY SCHOOL

In the consideration of Sunday School work there are three points from which one can and should view the task. The territory of the Southern Baptist Convention, the State of North Carolina, then these two counties that comprise the Beulah Association. The latter is that about which in these meetings we are most concerned.

In our State there are over 800,000 possibilities for our Baptist Sunday School with an enrollment of 391,000. In the Beulah Ass. we have a total of 6885 possibilities with only 2250 enrolled. Due to a revision of the enrollment of some of our schools, the total is less this year than last.

Your Associational Superintendent is grateful for the privilege of serving the Association in this capacity. In the six months as Supt. there have been held 12 district Sunday School group meetings and two Associational wide meetings. The attendance at these meetings has not been what we had hoped for as representing churches, but a fine spirit was evident in all of them. The plan calls for a County group meeting each month. The churches of each County are urged to send representatives. Our programs have been instructive and inspirational.

Under the leadership of our State Sunday School Supt, L. L. Morgan, we had a very successful enlargement campaign. With only two exceptions, there was a worker in each church. Meetings for study were held in each church each night. The attendance on the first night was 599. On the last night there were 1008. Conversions were reported in some instances. On the first Sunday of the campaign there were 1329 in Sunday School. On the following Sunday there were 1880 in Sunday School. The day meetings were characterized by great spiritual power. We praise the Lord for their work in our midst.

The following recommendations are urged:

1. That the Association in annual session elect an Assistant Sunday School Superintendent.

2. That a committee be appointed to name a Superintendent for each department from Cradle Roll through the Adult Class to be voted upon by this Association.

3. That each church make a special effort to be represented at the County monthly meetings and Associational Quarterly meetings. Person Group on 1st Sunday afternoon. Caswell Group on 3rd Sunday afternoon. Associational meeting each fifth Sunday.

4. That each Sunday School make a special effort during the year to attain the standard of excellence. Let us during the coming year lay ourselves out unreservedly in the great task of reaching the last man in our Sunday School work.

Respectfully,
V. E. Duncan

ANNUAL REPORT OF THE BAPTIST ORPHANAGE OF NORTH CAROLINA

To the one hundred and third session of the Beulah Association. About 52 years ago the Baptist Orphanage was organized by the help of God and J. H. Mills to care for orphan children. On Dec. 31, 1936, we had in the Mills Home, 460; in Kennedy Home, 136; making a total of 596. With a great number being cared for through Mother's Aid and yet a great number are being turned down each year because of not having enough funds to support them. We should all feel it is high time the Baptist of N. C. should arise and go forward. We pray for the Holy Spirit to open our eyes to this great need. Can the Baptists of this state say with Christ, "Suffer little children to come unto me and forbid them not for of such is the Kingdom of Heaven.

REPORT ON HOSPITAL

Jesus said of his ministry, Mark 7-22. The blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the Gospel is preached. He gave his desciples power and sent them out to preach the Kingdom of God and to heal the sick, (Luke 9:2) And he that believeth on me, the works that I do shall he do also, John 14-12.

North Carolina Baptists responded a long time ago to the great Commission found in Matthew 28, 19-20. But until recent years have we awakened to this imperative command, to heal the sick and minister to the physical hurt of humanity, and even now our efforts are far too feeble. Let us remember how much of The Masters time he gave, while on earth, to ministering to the physical need of mankind, and arouse ourselves and give more of our time to this worthy cause.

REPORT ON MINISTERIAL RELIEF AND ANNUITY

Our nation today is socially minded and much of our thought and substance is being devoted to social security—Old Age Pension—Unemployment Insurance—Relief for the Old Aged and Dependent Children, Etc.—All of these are very fine, but in all of this there is no provision made for the Ministers of the Gospel. This fact grew out of the insistence upon the seperation of church and state, and that the churches should not look to the government for support for its aged ministers.

If any provision is to be made for the security of our ministers and any plan to take care of them in their old age it must be done by our churches. The Relief and Annuity Board of our Southern Baptist Convention was brought into existence for that very purpose; that it might minister unto the needs of our aged ministers and denominational servants.

An excellent plan has been wrought out whereby the churches and pastors in cooperation can make provision against old age and that time when their earning powers have ceased.

Every church in our association ought to participate in this plan so that our pastors may be cared for as well as people from all other walks of life.

We hereby recommend that a campaign be put on in our association for the purpose of enlisting every pastor and church in this worthy cause.

B. T. U. REPORT

We read in the 6th chapter of Ephesians, Paul's exhortation to his Christian brethren, "Wherefore take unto you the whole armor of God, that ye may be able to withstand in the evil day, and having done all, to stand. Having your loins girt — having on the breast plate — feet shod — the shield of faith — helmet of salvation and the sword of the Spirit."

In our regular army, months of training preceeds actual service.

In our Christian army the same should be true. A Christian Soldier without training would not even know how to put on the "Armor of God," neither would he know how to use it defensively and offensively. B. T. U. trains the Christian Soldiers to put on and use "The Whole Armor Of God."

In our local churches, and in our Association, a great and efficient teaching program must wait for a great and efficient training program.

REPORT ON PUBLIC MORALS

The hour is come when we observe with fear and trembling certain tendencies of our time, which with careful consideration brings a challenge. Had we been alert in defense of the holy principles of Christianity, perhaps the condition with us would be different today.

One of these is Sabbath desecration, and is a matter of grave concern. Christian citizenship is the highest citizenship. The best Christian citizenship depends on worship, and active support of the church and her activities. Sabbath desecration is destructive to the highest type of citizenship, thus handicapping the church in her efforts to Christianize the social order by developing Christian character to function in society. Automobiles and good roads should have greatly enhanced developing Christian character. Yet these have turned many away from the church and Sunday School. Approximately fifty per cent of our church constituency attends Sunday School regularly, and a smaller per cent attend church worship.

Divorce itself is a symptom of the more radical evils. Ever increasing and ever lowering the sacred union. The home, one of the great institutions is becoming more and more unstable. Christian principles alone can save the family and the home for the high and holy purpose. This fast age in which we live is commercializing everything, and making the home just a place where we eat and sleep. No time to read the Bible, no time to teach the children. Therefore we hear the suggestion that the Bible be dismissed from the courtroom. That we no longer need to express our trust in God on the national coin.

The present liquor situation in the United States is tragic to the extreme. The ever increasing, free use of the brewer's and distiller's money, and false propaganda to put liquor on legal sale throughout our country. Eighteenth amendment repealed, and the U. S. Government then becomes the advocate of the liquor traffic, openly fostering the use of alcoholic liquors for the sake of revenue, knowing that for every dollar that has been collected as revenue from liquor, that the government has spent three dollars curbing crime caused by liquor.

One other astonishing fact in the trend of the time, is the tremendous increase in crime. Organized gangsters operate on a scale hitherto unknown. During the past decade the number of persons confined in penitentiaries and reformitories have more than doubled. The cost of fighting crime and protecting society against criminals is said to reach the staggering annual total of $14,000,000,000. A Christian nation, leading many of the great nations of the universe in crime.

"Therefore we ought to give the more earnest heed to the things which we have heard, lest at any time we should let them slip."

Prayerfully submitted,
Rev. F. L. Israel

MILTON BAPTIST CHURCH

The Milton Baptist Church had ceased to function for the past twelve years. But on June 21, 1937 through the aid of the Beulah Association and the pastors, a revival was begun which lasted for ten days with the Rev. A. F. Yarbrough of Martinsville, Va. doing the preaching. On June 28th the church was re-organized with six members, with the following pastors present: Revs. Isreal, Coggins, Worrell, and Yarbrough. At this time the church called Rev. Yarbrough as pastor.

At the close of the meeting the membership had grown to eleven plus eight for Baptism. Following the revival we had a Sunday School revival which meant much to the church. Also had four additions to the church on Sunday afternoon July 18th. A large crowd gathered on the banks of County Line Creek near Milton, N. C. when twelve followed their Lord in Baptism. Total membership at present 27. On the third Sunday in July we organized Sunday School with 31 present. The following Sunday we had 33 and last Sunday 47.

The church wishes to express its thanks to the Association and pastors for its fine spirit of cooperation.

We the Milton Baptist Church wish to be recognized as a member of the Beulah Association.

Rev. A. F. Yarbrough,

CHRISTIAN EDUCATION

One of the most dominating forces in the world today is that process of shaping and reshaping human lives and human experiences called "education." Moreover, it is one of the earliest and most continuous processes in existence. Yet, there is another force equally as dominating. It is that penetrating, character-building force known and recognized as the Christian influence. A combination of these two powers can be made to become the most complete and constructive factor in that process of building the personalities and characters of this age. Men are always endeavoring to explore the mental and physical resources to attain greater personal and external glory. In the spiritual world our needs never cease to increase, but our wants can almost always be satisfied. To combine these programs into one, Christian Education is the answer.

It is a known and recognized fact that the home is the most important influencing agent in the life of an individual, especially in the early years of the individuals' life. The first educational pursuits are begun in the home — however simple they may seem. Sometimes they are merely attitudes or moods. Other times they are definite and well balanced programs.

Likewise, the home should be the very first place through which the Christian influence is introduced, because it is here that Christian characteristics are first needed and used.

Gradually the interests of the individual broaden and the center of interest is transferred from the home to the community. The public school is the primary influencing agent during this period of the individual's life. The child begins to form definite ideas and ideals for hs own life. To be able to tolerate the opinions and individual peculiarities of others he must be thoroughly saturated with a sound program of Christian endeavor. Then there is an increase in the physical, social and mental needs and the spiritual life must not be neglected.

After a person is old enough to enter college to prepare himself for a definite vocation in life we begin to unconsciously separate the mental life from the physical and spiritual natures of man. In a program of Christian Education this cannot be done. We must link the phases of our life with the dominant factor of all true life and work toward that end which assures the most benefit. Our Baptist colleges and schools provide a well balanced program of education whereby the experience of the soul is not separated from the experience of the mind, but is coupled with the everyday life of the individual. To this end there is the culmination of the primary factors through out all education, and the model for living is a life like Christ, for we know the true essence of living is life in Christ. After all the greatest exponent of Christian Education is an educated christian.

PROMOTION COMMITTEE REPORT

Realizing the need of enlisting the co-operation of our churches in a progressive and worthwhile program the Promotion Committee has had two meetings, one last September and the other in June of this year.

Last fall, meeting in various centers in the association with representatives from various churches, coming together, Rev. M. O. Alexander rendered excellent service.

Immediately following these meetings Stewardship and Mission Schools were held in the churches. The every-member canvass was taken and church budgets were adopted.

The past spring in order to get the men more interested in the program, several meetings were held for men only.

The Sunday School Enlargement Campaign held in the association recently helped to show in a vital way our need of better equipment and better teaching and the great number of unenlisted possibilities in our churches.

The pastor and members of the committee sponsored the reorganization of the Milton Church seeking to form a field and placing a pastor.

Looking forward to the Promotion work and every member canvass for this fall the preliminary meeting has already been held at the Semora church. A splendid representation of all different organizations of our work in all the churches of the association was present. Our General Secretary, Mr. M. A. Huggins came to lay before us needs and goals for the future. Mr. Huggins was greatly pleased with response of church leaders and wrote back at that time that it was the best meeting of its kind he had attended in the five years of his State work.

Some objectives for the coming months:

1.—All church rolls revised or the unenlisted brought to life.

2.—Stewardship and Schools of Missions in local Churches.

3.—A club of Charity and Children in every Sunday School and Budget plan of subscription for Biblical Recorder in each church.

4.—Every Sunday School and church contributing to Orphanage and every Sunday School remitting to Orphanage once each month.

5.—Every church contributing through the co-operative program fund and remitting to convention treasurer once a month.

6.—Give Mother's Day offerings to Hospital on second Sunday in May.

7.—Every church and every field of churches co-operate with Relief and Annuity Board to provide annuity for our old ministers when no longer able to work.

We are making progress. Let us talk with God more. Let us do more.

Respectfully Submitted,
L. V. Coggins.

RESOLUTIONS

We, the visitors and delegates to the one hundred and third session of Beulah Baptist Association, desire to express our heartfelt thanks to the members and friends of Bethel Church and community for the hospitality extended us.

Especially do we thank the pastor, Rev. N. J. Todd for his gracious words of "Welcome" that "Rang True" and was further evidenced with smiles, and hearty hand-shakes by the members. Truly we have come to Bethel and have been blessed with a feast of good things, both spiritual and material.

Allow this committee to live over again, this moment with you the stirring devotionals conducted each of the four sessions by Rev. W. F. West, using as his theme, "The Ministry of the Holy Spirit," and discussed under the following sub-heads: "Convincing the World," "Illuminating the Mind", "Enrolling the Soul", and "Empowering for Service."

Words are inadequate to express the high regard and esteem of our moderator, Bro. J. W. Noell, I think we are safe in saying he is "Matchless."

We are greatly indebted to the program committee for making it possible to hear the touching address by Rev. Mr. Osaki, a native of Japan, and Rev. Harold Schaly, a native of Brazil. Their presence and messages have lifted us, and many expressed a determination to give more to missions for having heard these native converts. Mr. Osaki and Mr. Schaly are both enrolled in our Baptist Theological Seminary.

Rev. John W. Lowe, a missionary from China, brought us information from his field of service. At the conclusion of his address a number of young people dedicated their lives for foreign service and the congregation stood, pledging a more loyal support of our mission work.

We each consider it a special privilege to hear our General Secretary of the Baptist State Convention of N. C., Mr. M. A. Huggins. His messages are always full of information and inspiration, but it can be truly said of this time, the "last was the best."

We wish to express thanks to all the other visiting brethren for their messages and especially do we thank Dr. Covington, representative of N. C. Baptist Orphanage for bringing us information concerning the one thousand children being cared for in the Mills Home at Thomasville and the Kennedy Home at Kinston. Have we done our best for these children? Can we bear not to do it?

These resolutions would be incomplete if we failed to mention our sincere gratitude to God for our consecrated pastors in this Association and for the addition of Bro. Al. Yarbrough and the Milton Church to our roll and last but not least we are grateful to our faithful and efficient young clerk, Mr. Walter Gentry.

Respectfully Submitted,

Mrs. S. O. Garrett, Semora.
Rev. Al. Yarbrough, Milton.
Mrs. W. W. Morrell, Longhurst.

RECORD OF PROCEEDINGS

FIRST DAY: MORNING SESSION

The one hundred and fourth annual session of Beulah Baptist Association convened with Beulah Baptist Church at 9:30 o'clock Thursday morning, July 28, 1938 with the Moderator, J. W. Noell, presiding. After singing a song, Brother J. L. Coley led in the first of a series of very inspiring Devotions on the subject "Evangelism."

After the adoption of the printed program it was found in the enrollment messengers that most all of the churches in the Association were represented. No visitors were present.

The first report given was the report on Periodicals by Mrs. R. L. Wilburn.

Following the adoption of this report the report on Hospitals was read by the Clerk in the absence of Mrs. L. V. Coggins, after which Dr. Hagaman from the Hospital, discussed the work that is being done by the Hospital.

At this time a motion was made and carried that someone be appointed to write up a report on the Orphanage in the absence of Bro. Huel Gentry. Brother Duncan was appointed. This time was very well taken by Brother Greer from the Orphanage.

Following Brother Greer a little miscellaneous business was taken care of. Rev. W. F. West made a motion to the effect that a Biblical Recorder Committee be appointed. Thus Mrs. R. L. Wilburn was elected Chairman of this Committee. Then the Moderator appointed Rev. L. V. Coggins, W. S. Humphries, and P. F. Sutton to serve as a Committee on the committee. At this time announcements were made regarding lunch by the Pastor, A. F. Yarborough.

Following the singing of a song, Rev. A. F. Yarborough preached the morning sermon. After the sermon the Association adjourned for lunch.

AFTERNOON SESSION

The meeting was called to order by the Moderator. After a song Rev. J. L. Coley lead the second of a series of devotions discussing at this time "Mass Evangelism."

The first report of afternoon was given by Rev. C. E. Sullivan on Relief and Annuity. The report was discussed by C. E. Sullivan, P. T. Worrell, and W. F. West and later adopted.

In absence of R. B. Griffin no report was given on "Christian Education."

Rev. Israel, who had no report on Sunday Schools, agreed to write one and send it to the clerk. At this time Sunday Schools were intelligently discussed by Rev. Israel, Duncan, and Todd.

Following the Sunday School discussion the report on "Stewardship" was given by Brother Yarborough and discussed by several. Mr. Noell discussed the fact that the First Sunday offerings in the Sunday Schools take care of 50 per cent of the children at the orphanage.

Then a report on "Public Morals" was given by Rev. W. F. West who gave us a very good discussion of the subject. Report was adopted.

Mr. West, also, made a motion that Mr. Griffin write a report on "Christian Education" and send it to the clerk for Minutes. And that motion was carried.

At this time a few items of miscellaneous business was taken care of. Reverend N. J. Todd gave some suggestions as to how we can increase the interest in our Association.

Mr. J. L. Coley offered resolution regarding Brother Todd's suggestion as to the change of the time of the Associational Meetings and was signed by all the Pastors. A very lengthy discussion was carried on. Mr. West suggested a change of program as well as time of meeting — thus a motion was made that the Moderator appoint a Committee to study the situation of time, program, and place of Association and report on the following day. Rev. J. L. Coley, Stanfield, and Mrs. Garrett were appointed.

After this the report of Committee on Committee was given by Brother L. V. Coggins.

Following a discussion by Mrs. R. L. Wilburn with Committee on Biblical Recorder, the Association adjourned until the evening service.

EVENING SESSION

The meeting was called to order by Reverend W. F. West in absence of the moderator. After a song Brother Coley discussed further "Evangelism" with the Young People leading the evening devotional.

The B. T. U. Report was given by Miss Nina Rogers of Antioch church, after which Mr. P. T. Worrell was recognized for discussion. He lead a very interesting discussion with most of those present taking part. Three subjects were discussed, first: "What has B. T. U. meant to you?", second: "What has B. T. U. meant to your church?" and third: "What has B. T. U. meant to your community?"

After the adoption of report a song was sung and meeting came to a close with a prayer.

SECOND DAY: MORNING SESSION

The second day session of Beulah Baptist Association was opened with a song, after which Reverend Coley lead in a devotional.

Following the devotional the miscellaneous business was taken up. Brother Coley recommended that the resolution mentioned the first day regarding the time of meeting of Association be adopted. Also Mr. West amended the resolution by changing the days mentioned from Thursday and Friday to Tuesday and Wednesday after the fourth Sunday in September. But this resolution was postponed until 11:30 o'clock.

At this time some visitors were recognized: Brother Terrall and Brother Young.

The first report of the morning was that on W. M. U. given by Mrs. Wilburn. Following this, Miss Davidson gave the Young People's report. After a discussion of the camp meeting by Rev. L. V. Coggins, the report was adopted.

Then the "Mission" reports were given. In the absence of Bro. Knight, his report on "Home Missions" was read by the clerk. Then the report on "Foreign Mission" was given by Brother Coley. Finally, the report on "State Missions" was given by Rev. Todd. After a discussion by Mr. Todd, Brother Morris, from the State Mission board was recognized, and he spoke on Evangelism as given in the great commission. The reports were adopted.

At this time the miscellaneous business was taken up, and again the committee presented the resolution on change of time of Association with substitution made by Brother West. After a thorough discussion the time of the Association was changed. From this time on the end of the Associational year will be June 30th; also the place of Association was settled with the decision to rotate alphabetically from county to county as the years pass.

At this time the nomination of program committee took place, and Rev. W. F. West, H. D. Young, and L. V. Coggins were appointed.

The morning session came to a close with the annual Missionary sermon preached by Mr. West. But before the sermon a song was sung and collection of $18.53 was taken for Beulah Baptist church.

EVENING SESSION

Meeting was called to order by the Moderator, and after a song the final devotional on Evangelism was given by Rev. J. L. Coley.

The report of Promotion Committee was given by Rev. Coggins, and it was adopted.

Following this the digest of letters was given and was adopted.

Then the report of the treasurer was read by the Moderator and was adopted.

Also a report of Committee on time, place and preacher was given and adopted.

Under the head of miscellaneous business came a few more items. A resolution was given by Brother Worrell to place a marker at Brother Lamberth's grave, who was a prominent Baptist minister of the Association in past years. The resolution was adopted and the executive committee was appointed to look after this. Brother Todd also made a motion that clerk write all church clerks of the Association a letter to be read before each church regarding the program of financing the Association. The motion was adopted.

Again Rev. Coley made a motion that Mrs. Wilburn have a report on W. M. U. printed in Biblical Recorder. Motion was adopted.

In the election of officers the report of the Nominating committee was adopted, and Brother Noell appointed delegates to Southern Baptist Convention, State Convention, and Baptist World Alliance.

The report of Committee on Resolutions was given by Rev. P. T. Worrell, and adopted.

The report on Obituaries was given by Rev. V. E. Duncan, and was adopted.

After a few remarks by the Moderator the one hundred and fourth Annual session of Beulah Baptist Association came to a close with a prayer for the bereaved of the Association by Rev. W. F. West. And finally by singing the song: "Blest be the tie that Binds."

REPORT ON PERIODICALS

At the opening session Thursday A. M., Mrs. R. L. Wilburn represented the Biblical Recorder. She spoke in the highest terms of this, our State Baptist paper, giving Dr. Truett's great testimonial quoting it: "When I was a boy on the farm my father subscribed to Biblical Recorder and if I have ever amounted to anything I give the credit to my mother, the Recorder and Christ Jesus." Such a testimony should make us all get the Recorder, a weekly visitor, in our homes. Mrs. Wilburn paid tribute to her father, Rev. C. A. Woodson, a life-long subscriber to the Recorder, active in the ministry of the state many years ago. He left editorials and articles he had written for the Recorder in a large scrap book which his daughter now owns and prizes most highly.

A sample copy of the Recorder was briefly gone through, reading excerpts, a poem here — State work there — winding up with a good clean joke or two from Spice box.

Mr. Huggins, was quoted as saying, "Our people are going to read something, they are informed on what is going on in the world — sports, political things in general — why not give them the best in information possible of Baptists and their work in a good paper at a reasonable price and disseminate it among the Baptists as much as possible. There are at least 100,000 Baptist families in our State, and present figures show that one out of every eight families gets the Recorder. Let us make it our aim to have 25,000 families subscribing to Recorder. Making it one out of every four families subscribing. And the best way to put this across is through the club plan for Associations. And that plan is, in as few words as possible: 10 per cent of the resident membership of a church forming a club of Recorder subscribers making it a bit simpier, if you have 100 members in your church and only about 50 are active in the work of your church you should have 5 subscribers to Recorder. This would make your club and each one get his Recorder for $1.50 instead of $2.00 per year.

The Association plan puts this on in every church with a general chairman representing the Recorder in the Association and a chairman in each church to attend to the business of the club subscriptions and report to the general chairman. A Religious Literature Sunday to be held in every church with the support of the Pastor and all other officials of the church.

Beulah Association only has 75 or 80 subscribers to the Recorder now. This plan would bring us up to about 200 — and 100 per cent in the club plan per Association.

Mrs. Wilburn then recommended this report and plan for adoption by the Association. Upon its unanimous adoption she distributed to every church its per centage of subscriptions with Pastor and information about Religious Literature Sunday.

We feel that this is a great forward step for our Association and will put us in the foremost ranks of supporters of this, our State Baptist paper.

Respectfully Submitted,
Mrs. R. L. Wilburn

HOSPITAL REPORT

We have the promise from Dr. Smith Hagaman, of our North Carolina Baptist Hospital at Winston-Salem that he will be present and bring a personal message to our Associational Meeting. In view of this we submit a brief report and ask that our clerk add some of the facts brought by Dr. Hagaman.

A report of our hospital work says that in many ways last year was the greatest in its fourteen years of work — "greatest in number of churches contributing and in amount contributed."

An addition to the Nurses' Home has added much to the efficiency of the School of Nursing which now has about 48 in training and 20 graduate nurses. A staff of 66 doctors has helped the hospital to render $160,000 worth of free service during the year. About one-seventh of this amount, or $22,651 was returned to the Hospital through our Mother's Day Offering. During the year the hospital returned 1,000 mothers to their homes, treated more than 100 preachers, missionaries and members of their families — most of which was free. Of the 5,000 people applying for treatment, about 1,000 could not be taken for want of room. The need for enlarging the hospital is very urgent.

The hospital gratefully acknowledges receipt of hospital linen, loads of vegetables and canned fruits from W. M. U.'s and other church organizations also the growth in interest and support, reminding us that it is still depending upon our Mother's Day Offering to be used in their free service work.

Respectfully Submitted,
Mrs. L. V. Coggins

REPORT ON MINISTERIAL RELIEF AND ANNUITY

We are taught in the word of God to be prepared, all of our hopes should cling to that one word — PREPARE. With this thought in mind I know of no worthier person whom should be cared for than our aged ministers of today. As our State and Churches are separate the government has made no provision for our aged ministers.

With the cooperation of our churches the Relief and Annuity Board of our Southern Baptist Convention can be easily carried out and our aged ministers and denominational servants will be well prepared for. Let us not be slothful in carrying out this vital plan.

May we purpose to enlist every pastor and church in this worthy cause.

Respectfully Submitted,
C. E. Sullivan

STEWARDSHIP REPORT

Regeneration is the salvation of the soul, Enlistment is conservation of the life, Stewardship is the utilization of the powers and possessions that God has given us.

In the beginning God created the heavens and earth, we as Christian stewards are responsible to him. Adam and Eve were responsible for keeping the garden of Eden, down through the ages men have been responsible for what has been entrusted to them. Paul in I Cor., 4:2 put it: "Moreover it is required in stewards that a man be found faithful." Also in I Cor., 16:2, "Upon the first day of the week let every one of you lay by in store as God has prospered you."

These instructions that we find in God's word make man's duty and responsibility definite and direct. If we would follow God's plan, Stewardship would be easy.

Respectfully Submitted,
A. F. Yarborough

REPORT ON PUBLIC MORALS

The subject of Public Morals is a very broad one, and covers a host of allied and related subjects. Social evils, such as drinking, gambling, dancing, immorality, the divorce evil, social inequalities, and racal prejudices. In the economic realm, we have industrial strife, unjust practices, a declining sense of business integrity. In the political realm, we see an ever increasing amount of corruption and graft, and the principles and ideals for which our forefathers fought and died are being cast aside.

The Committee of the American Bar Association on Law Enforcement made a report to the convention in Indianapolis, this week, in which it was stated that crime was the greatest problem before us today. It, also, stated that one out of every 37 persons in the United States are criminals, and that 200,000 of the living citizens of today will commit murder during their life time. The report went on to say that crime is now costing the United States $15,000,000,000 a year. The most significant thing about the report is, that there was no solution offered.

It is evident in light of all the prevalent evils that there has been a moral lapse, and as a result our very Christian civilization is on the verge of collapse.

However, our purpose is not to point out facts which are already so self evident, but rather suggest some things we as Christians should do in the light of these facts:

First — The Gospel of Jesus Christ alone contains the message of salvation for all mankind; therefore we should give ourselves to a more faithful and earnest presentation of that message.

Second — The hope of mankind lies in the moral and spiritual regeneration of the individual, and that can be achieved by Christ alone. The one and only problem is that of character and conduct, for when a man's heart is right all of his acts and relationships will be all right. Christ Jesus came into the world to make men right.

Third — The Church of Jesus Christ needs to take a positive stand on the matter of public morals, demanding that its members walk circumspectly before the world, witnessing to the world their new found grace through faith in Christ, which enables them to live as he lived.

THE B. T. U. REPORT OF BEULAH ASSOCIATION

In the Associational Baptist Training Union the Association has a unique and very important means of carrying out a major part of its complex program. The Training Union is an organization of Church members. Its major objective is that of training christians in service, developing their personal abilities, stimulating them to grown grace, and deepening their spiritual lives.

At the beginning of the year there were the following organizations of the B. T. U. of Beulah Association: Story Hours 3, Junior 4, Intermediate 6, Senior 6, Adult 2. Several B. T. U.'s were organized during the winter months.

During the first week in July visiting workers in a Training Union Enlargement campaign in 17 churches of the Association. As a result of the effort the number of unions was greatly increased. Many new leaders, sponsors, and officers were enlisted and many persons were enrolled in classes of study.

"Study to show thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the word of truth." Let us join hands, hearts, and prayers and go forward in the work of our master.

WOMEN'S MISSIONARY UNION REPORT

For the Golden Jubilee Year 1938 — "Ye shall hallow the fiftieth year for it is a jubilee; it shall be holy unto you" — "Make the trumpet sound through the land — with trumpets make a joyful noise before the Lord, the king"

With the sound of the trumpet the W. M. U. of the Southern Baptist Convention ushers in its Golden Jubilee year. In 1888, in Richmond, Va. 50 years ago the Union was formed. And at the close of 50 years of service it is most fitting that Woman's Missionary Union pause to express gratitude to God for His blessing upon His work through the Missionary organizations of Southern Baptist Women's Young people and children; to review the work of the past 50 years and pay homage to those brave pioneer women upon whose foundations we are building today — and to make plans that will yield, a bountiful harvest of spiritual blessing to those who will follow us — plans that will also yield material blessing to the program of W. M. U.

Why does W. M. U. celebrate its Golden Jubilee? Anniversaries are like peaks in the highway — They are commemorative of both joyous and sad occasions. Every little child looks forward to his birthday; it symbolizes growth which is the law of life. Wedding anniversaries are dear to us because they mean growth in love, in understanding and in sacred companionship. Anniversaries of organizations are most important in which we can check up on how much growth is evident. This is the purpose in these annual meetings of our Association and W. M. U.

In the beginning of Missions women were sharers as disciples of the Lord in spreading the good news of the kingdom. He proclaimed — They helped in the acts of the Apostles — The beginnings of the modern Missionary movement included the home of a widow opened for meetings to talk about and plan for the sending out of missionaries to other lands.

The missionary awakening in America included women for there are sure evidences of their activity in study, prayer, and the collection of money to help support those early missionaries.

When Luther Rice went up and saw the land lightening the mission fires the women caught his spirit and organized societies and trained their children in missions. The Societies grew, and multiplied and feeling the need of Union for strength after much careful planning were at last recognized by the Southern Baptist Convention as a great spiritual force with boundless promise for future development in Christian growth and service — So in 1888 the Union was formed.

It is this event we celebrate in 1938—, and more — much more — in the growth of interest in missions. The training of our young people in missions — we remember holy hours of prayer, with the bringing of extra offerings to meet direct needs in carrying on the missionary program of our beloved denomination. We earnestly desire a deepening of our own individual spiritual lives, a more zealous devotion to winning the lost to Christ. And thus enlisting more women and young people to work with us.

Our watch word for the year is, "Give unto the Lord the glory due unto His name — bring an offering and some in to His courts." Bring an offering means not only money and material possessions, but much more — it means a life offered upon God's altar — wholly surrendered unto Him — a full recognition of His ownership and right to our time, talents and possessions — in token of the great privilege granted to us by God of fellowship with Him through Christ Jesus.

Coming on down through these 50 years is an innumerable host, some of whom are singing their Jubilee of praise today in the heavenly throngs because the hand of some gentle christian woman opened for them the gates of the beautiful city — and many, many others who are now "Pressing on the upward way" — shedding their light of faith and love in the darkness of sin — pilgrims of the light which shines in the face of Jesus Christ. A great company of the redeemed marching onward and upward blessed through the faithfulness and love of the Lord's women.

The women and young people of Beulah W. M. U. count it a privilege to be a part of this great band of women. We are thankful for our part in the great onward march of God's kingdom work. We feel so grateful to those fine Christian women in our Association who laid so strong a foundation for us who follow them. May, we too, be faithful to our trust as we labor together with Him to build wisely and well and lovingly His kingdom work in Beulah Association.

Fifty years from now other lips will read our reports — other hearts and minds and eyes will be carrying on the work. To those women we pass the golden trumpet and the flaming torch that has proclaimed our devotion to a great cause. May its notes of praise linger and make sweet the glad chorus they will sing in their Jubilee year:

"Come women wide proclaim,
Life through your Savior slain!"

We have 24 churches in Beulah Association and a Woman's Missionary Society in every one of them except 2. "Thompsonville and Trinity." We read these out every year and I shall never lose hope for organizing a Missionary Society in each church. If any of you dear people are here today from these 2 churches I pray that the Lord may lay it upon your hearts that you may think and pray and talk it over among yourselves, that you may feel the NEED of it in your christian lives — that you may hear the cry of lost souls all around us for help. That you may be the kind of christian that when he hears the call, he answers and then does something about it. That you may have a part in the great onward march of the kingdom work. Let us all covenant together to pray that this may come to pass and before another year rolls around these two churches will have joined our ranks and are doing their part to help in the greatest job on earth — Our Master's work. This would make us 100 per cent for God for the great Jubilee year! Women at work in every church!

We have 6 societies that are A-1 on the Standard of Excellence for societies — Blanch, Clement, Lea Bethel, Mill Creek, Providence (p) and Semora. Seven in class B: Antioch, Bethel Hill, Lamberth Mem., Providence (c), Roxboro First, North Roxboro, and Yanceyville. Four in class C: Baynes Chapel, Kerr's Chapel, Milton, and Shiloh.

We have four churches with all the W. M. U. organizations that is a W. M. S., Y. W. A., G. A's, R. A's, and Sunbeams — 5 organizations in all, and these are: Roxboro First, Semora, Mill Creek and Bethel Hill. These are called full-graded churches.

The W. M. U. raised in all $2,458.37. The Young People raised in all $348.54 making a total of $2806.91 given by the women and young people in the mission work of our Association. Our financial aim is a 10 per cent increase in gifts for the Jubilee year. We earnestly pray for a deepening of each ones' spiritual life and that more women and young people may be enlisted during the coming year.

We traveled more than a thousand miles, wrote 316 cards and letters, make the 10 points in the Associational Standard of Excellence, held four meetings, visited most of the Societies, taught four mission study classes and attended State W. M. U. meeting in Charlotte.

All Societies reported each quarter except one but not all on time.

I wish to take this opportunity to thank with my whole heart every president and officer and woman in every Society for their help, their prayers, their encouragement, their co-operation and their fine spirit of loyalty to the cause. May God richly bless each one of you as we turn our faces hopefully towards the future for another Jubilee. We older ones will not be present in our natural bodies, but with that innumerable host of those who have gone before us our spirits will be hovering near to help strengthen and encourage those who are giving their report of W. M. U. work in Beulah Association in the year 1988.

REPORT ON MISSIONS
STATE MISSIONS

The report of the State Mission Board as submitted by Mr. M. A. Huggins, General Secretary of the Baptist State Convention, brought to view the fact that we were operating on an enlarged budget which uses the balance left on hand at the close of preceding years.

The work of the State Mission Board has an enlarged task of mission endeavor. These mission activities in our State of North Carolina include General Missionaries, Missionary Pastoral Assistance, Church Building Aid, Work among the Indians, Work among the Negroes, the Oteen Mission, Aid to the Deaf, Sanatorium and Samarcand, Pastors' Circulating Library, and Pastors' Schools and conferences.

There are two general missionaries, Mr. M. O. Alexander, and Mr. J. C. Pipes, who engage in such activities as Church revivals, Stewardship conferences, Attendance to Associational W. M. U. and B. T. U. meetings, and supply for church pastors in general missionary efforts throughout the state.

Also in this missionary program is a similar situation in which 71 missionary Pastors serve 145 churches in the state. Through their efforts more than 1,441 conversions have been made during the year.

The Board is extending every aid possible to a few churches as they attempt to build, lift debt and provide needed repairs. Years ago a program was begun to erect a first class church building in each of the educational centers in the State. The church at Chapel Hill is the only one of these projects completed.

In the work among the Indians Mr. and Mrs. M. C. Lunsford are working in Roberson County. These two have held religious discourses, prayer meetings, preaching services and organized Sunday Schools.

Work among our Negro Brothers has not been neglected. Rev. W. C. Somerville and Rev. J. C. Clanton are giving full time support to this program. They are organizing the Negro Baptists into a State program with departments of Religious Education, Missions, Training, Benevolence, Women's Work, Publications, and Evangelism. Sunday Schools and Ministeral Conferences are aiding greatly in creating racial good-will toward all Baptists in North Carolina.

The Board is making an appropriation of $660 for the work among the sick at the Oteen Mission. Rev. Wayne Williams continues his service to those in this western North Carolina Tubercular Institution for Veterans of the World War. The work of this mission is more of a comforting influence of Christian gospel than actual cure for physical disabilities.

Similar to this is the work with the deaf, and those persons at the State Sanatorium and the girls at Samarcand. Visits are made to the institutions, Bibles given and the Gospel of Christ preached.

State Mission materials and information are furnished Pastors through the Pastor's circulating library and Pastors school and conferences.

Thus it is evident that our State mission program is one of service which produces an inevitable advancement in mission efforts.

REPORT ON HOME MISSIONS

It is with profound gratitude to God, that we have been watching the progress of the Home Mission Board during the past few years. Under the wise leadership of Brother Lawrence the Board has not only kept the interest paid on its bonded indebtedness, but has greatly reduced its indebtedness, lived within its income, and borrowed no money, but has actually expanded its program in a most worthy way.

The field of operation of the Home Board is the "Samaria" of the great commission found in Acts 1:8. "Ye shall be witnesses unto me in Samaria." Its principal work is evangelism among the Jews, the foreign element, the Indians, and the Negroes. The scope of the territory also includes Cuba, and Panama.

An outstanding movement that is being launched by the Board is the South-Wide evangelistic effort by the Department of Evangelism. The plan is to see that an evangelistic meeting be held in every church in every city, town, village, and in the rural churches during the Convention year; and also hold meetings in villages and districts where there are no churches. Every church, and every pastor, and all the various Societies and organizations are to be enlisted in this Biblical, Christ commanded task, of winning the lost to Christ. Surely the Holy Spirit is moving amongst us in answer to prayers for a great revival to sweep the Southland, and the whole country, to turn this nation to God. Now is the time to pray earnestly to God for victory. It is going to take something besides planning and organizing. Surely we are on the main line in this most glorious undertaking.

REPORT ON FOREIGN MISSIONS

The Holy Spirit said in Rev. 3:4 — "Thou hast a few names even in Sardis which have not defiled their garments". It is most encouraging to know that there are still some in the churches today who still believe that Jesus meant what he said when he gave the command to "Go ye into all the world, and preach the gospel to every creature."

A great host, but not all, of Southern Baptist churches, are heeding the command of our Lord. During the year 1937, there was received by the Board for all purposes, the sum of $1,077,996.34 which represents the stupendous sum of a fraction over 23 cents per member for a whole year among Southern Baptists, who proclaim in loud terms, and with box-car letters that they are the true New Testament church. As we ponder these figures here today, can we from the depths of our souls say, "We represent the true New Testament church in the world today? I meant to say Churches. Think of it! 23 cents per member for Foreign Missions for one whole year!

The debt on the Foreign Board has been reduced from $771,510 in 1933, to the sum of $316,000 in 1938. During this whole period the Board has not borrowed any money, but has lived within its income.

As a result of the terrible war in China, our Foreign Board has lost heavily. The best estimates places the total loss at $225,000 in property. In central, interior, and North China, our Missionaries are not even allowed by the Japanese to inspect the property.

The Foreign Board has a total of 413 Missionaries on the various fields. There are 59 on pension. Since the organization of the Board there have been 1,078 Missionaries appointed and sent out.

Beginning January first this year, the Board launched its new Foreign

Mission Periodical "The Commission." The subscription price is $1.00 per year. It should be in the homes of our people. The ignorance of our people concerning our Mission work is most appaling.

Our greatest task as pastors, teachers, and other servants in the churches of our Lord, is to pray for a deep seated conviction on the part of God's professed people that Christ Jesus Our Lord meant what he said in Matthew 28:19-20; and Mark 16:15-16; and Luke 24:45-48. The best way to go about it is to get out people to pray for a Baptism of the Holy Spirit.

PROMOTION COMMITTEE REPORT OF BEULAH ASSOCIATION

The Promotion Committee realizing the need of enlisting the cooperation of our churches in a progressive and worthwhile program has tried to encourage the churches in the revitalization of every phase of their work.

The Sunday School Enlargment Campaign held in the Association and the Baptist Training Union Forces in our churches recently helped to show in a vital way our need of better equipment and better teaching and training and the great number of unenlisted possibilities in our churches.

Looking forward to the promotion work and every member canvass for this fall the preliminary meeting has already been held at the Lambeth Memorial Church. A splendid representation of all different organizations of our work in all the churches of the Association was present. Our General Secretary, Mr. M. A. Huggins, came to check up on what we were doing and to lay before us needs and goals for the future.

SOME OBJECTIVES FOR THE COMING MONTHS

1 — An enrollment of all the members of all the churches in a program of spiritual living and Scriptural sharing.

2 — All church rolls revised or the unenlisted brought to life.

3 — A Stewardship Revival in every church.

4 — At least 3 per cent of the membership of the churches enrolled as members of the Baptist Hundred Thousand Club.

5 — A club of Charity and Children in every Sunday School and Budget plan of Subscription for Biblical Recorder in each Church.

6 — Every Sunday School and Church contributing to Orphanage and every Sunday School remitting to Orphanage once each month.

7 — Every Church Contributing through the cooperative program fund and remitting to convention treasurer once a month.

8 — Give Mother's Day offering to Hospital on Second Sunday in May.

9 — Every church undertake to reach the suggested goal for cooperative program and the Hundred Thousand Club.

RESOLUTIONS

All of us appreciate the fine interest and sacrificial contributions of the late Sidney Lee Lamberth. We understand that he had a large part in the building of Lea Bethel, Lamberth Memorial, and maybe other churches. We understand further that he financed the education of one of the prominent Baptist ministers who has labored in our Association in the past, Brother Lamberth, and that he also endowed Wake Forest College about $1000.

He was buried at the Beulah Baptist church and there is no marker at his grave. It seems that this is the height of the lack of ingratitude. His unmarked grave cries out to us as Baptists. We recommend that a committee be appointed by our Association to see to it that funds be raised and a suitable marker be placed at his grave in appreciation of his life and service.

RESOLUTIONS

We, the visitors and delegates, to this the one hundred and fourth annual session of the Beulah Baptist Association wish to express our appreciation for the many good things we have enjoyed together the past two days.

We congratulate the pastor of the host church, Rev. A. F. Yarborough, for his courageous start toward rebuilding the new, but, ever old Beulah church, and pray God's blessings upon him and his members as they go forward with this great work.

Our hearts have been deeply stirred with the touching messages brought to us concerning our Baptist hospital at Winston-Salem, N. C. which was represented by Dr. Smith Haggaman, and Dr. Greer, representative of The Mills Home at Thomasville, N. C. The reports of these able speakers inspired us to be more loyal to the institutions they represented. On Friday we were again spiritually filled when the Rev. B. E. Morris from West Durham Baptist Church brought a great message. Mr. Morris' subject was Evangelism in our Lord's Commission, which emphasized the subject which has been so ably handled by the Rev. J. L. Coley.

We also welcome our Biblical Recorder representative Dr. R. F. Terrell, who presents our Baptist organization in such an efficient way.

Our resolutions would be incomplete without expressing our appreciation of our beloved moderator, Bro. J. W. Noell.

We have enjoyed Spiritual food and fellowship.

We thank both Pastor, members, and friends for comforts provided for the inner man.

Signed,
Rev. P. T. Worrell
Mrs. S. O. Garrett
Mrs. Ella Y. McAden

RECORD OF PROCEEDINGS

FIRST DAY: MORNING SESSION

The one hundred and fifth annual session of the Beulah Baptist Association convened with the Clement Baptist church at 9:30 o'clock Tuesday morning September 26, 1939, with the Moderator, J. W. Noell, presiding. After a song, led by V. E. Duncan, the devotional was conducted by A. F. Yarborough. The Association was then called to order.

The Moderator then called for the church letters, which revealed a representation from all but three churches.

J. W. Noell was re-elected Moderator and V. E. Duncan, clerk. The Moderator then appointed the Committee on Committees.

COMMITTEE ON COMMITTEES

W. F. West, P. T. Worrell, Miss Addie Hester

By motion of W. F. West, the printed program was revised by placing the annual sermon on the morning of the second day, in order that Dr. I. G. Greer, Supt. of our orphanage, Mills Home, might present the work of that institution. The assembly was deeply stirred by the address of Supt. Greer.

Motion passed that thirty minutes be given to Bro. Kale K. Burgess, representative of the United Dry Forces of North Carolina. After a strong presentation of the temperance cause an offering of $24.76 was taken.

After singing "Onward Christian Soldiers", the Association was impressed with the presentation of State Missions by our secretary, M. A. Huggins. One of our returned missionaries, Dr. A. R. Gallimore, presented the situation in China.

After a brief statement of the work of the host church, by the pastor, Bro. L. V. Coggins, a cordial invitation to enjoy their hospitality was extended.

The Association was adjourned by M. A. Huggins, to reconvene at one-thirty o'clock.

WOMEN'S MISSIONARY UNION REPORT

The year 1938 was known as our Jubilee year since it marked a most important milestone in the history of the W. M. U., auxiliary to the Southern Baptist convention. Fifty years of service since its organization in Richmond in 1888. All missionary societies observed the jubilee by a marked increase in every department of the work and in inspiring programs.

The W. M. U. of Beulah held its jubilee session with Antioch church. With the bugle corps of McGregor Memorial church playing the assembly call, the 37th annual meeting was called to order by the Supt, Mrs. R. L. Wilburn.

Mrs. Ira D. S. Knight, Supt. of Greensboro Division, Mrs. Edna Harris, State Executive Sect., and Mrs. J. S. Farmer, jubilee chairman, were present and made most inspiring addresses during the day.

The Supt. reported an increase in the work in mission study, personal service, stewardship of tithing, subscriptions to religious periodicals, enrollment and gifts.

All gifts for the year amounted to $2848.02. The Young People of the Association, that is, Y. W. A's, G. A.'s, R. A's and Sunbeams gave $400.15 of this amount.

The jubilee year marked another important event in the history of the W. M. U. of Beulah. For years it has been our aim to have a Woman's Missionary society in every church in the Association. This year of 1938 that dream came true. We have 24 W. M. S's in the 24 churches of our Association. The women feel justly proud of this achievement as it enrolls the women of every church to have a part in so great a kingdom work and is the only union in the State 100 per cent organized, and, so far as we know, in the south, to have this honor.

We have nine societies A 1, on the Standard of Excellence: Antioch, Bethel Hill, Blanch, Clement, Mill Creek, Milton, Roxboro First, Roxboro North and Semora.

We have six in Class B — just missed one point: Baynes Chapel, Lamberth Memorial, Lea Bethel, Providence, Caswell, Providence Person, and Shiloh.

We have three churches fully graded with all W. M. U. organizations: Mill Creek, Semora and Roxboro First.

To all those laborers together with God who helped bring this about, our love and gratitude go out. May God be gracious unto us and cause His face to shine upon us as together we face the new year of 1939, the first year of another fifty years of service.

Mrs. L. V. Coggins, our capable young people's leader for the Association, is training a splendid band of young missionaries to catch the torch from our older hands as one by one we answer the summons. God grant that it may be, "Well done, thou good and faithful servant", for each one.

We who gather the golden harvest from good seed sown all through these fifty years feel blessed beyond measure to be permitted by our Lord to reap what was sown often in tears.

You, who are privileged to gather in the next fifty years' harvest in 1988, we pray God's richest blessings upon you. May your faith and courage never waver.

The hand of the Beulah W. M. U. Supt., for the past ten years, humbly pens these lines. It, as well as the bodies of my co-workers, will long since have crumbled to dust when you read these words fifty years from now. But thank God who giveth us the victory through our Lord and Saviour, Jesus Christ, these corruptible and mortal bodies shall become incorruptible and immortal! And we shall be near in the spirit to comfort and cheer you.

Ten thousand times ten thousand
    In sparkling raiment bright,
The armies of the ransomed saints,
    Throng up the steps of light.
"'Tis finished, all is finished!
    Their fight with death and sin,
Fling open wide the golden gates
    And let the victors in!"

Respectfully submitted
Mrs. R. L. Wilburn, Supt.

An Appreciation of Rev. N. J. Todd by the Womans' Missionary Union of Beulah Baptist Association

The W. M. U. of Beulah Association wish to take this method of expressing our respect, esteem and appreciation of Brother Todd who so recently has gone to his heavenly home.

We missed his genial full and ready wit, his fervor and his eloquent zeal in our recent Associational meeting.

His place and ministry in his churches where he labored so many faithful and fruitful years, will be hard to fill.

Brother Todd always had a kind and encouraging and appreciative word for Woman's Missionary work in all the churches. This encouragement has helped, in more ways than one, the work to go forward.

Not only will the Association, the churches and the W. M. U. miss Brother Todd, but the whole community, because he always backed anything that was for the good of the people.

Our hearts go out in sympathy to the dear old mother, the faithful wife, the fine children and may we not just pray God's help and richest blessings upon them but let us earnestly and actively remember that pure religion and undefiled before God is "To visit the fatherless and widows in their affliction". Let us show our love and appreciation of Brother Todd's good life and christian works among us by substantially remembering and looking after the loved ones he left behind.

Mrs. R. L. Wilburn

REPORT OF ASSOC. W. M. U. AUXILIARIES

W. M. U. Auxiliary work during 1938 was very encouraging. Six new organizations brought the total number to 47, the largest the Association has ever had. About 500 members are in these organizations. Gifts reported for the year were $400.15. There were 61 subscriptions to the various program magazines, 18 mission study classes with 83 awards and 28 tithers. Eight auxiliaries made all points on the standard of excellence.

The Associational Y. W. A. council had two general meetings, also we had the regular annual meeting of the G. A's, R. A's and Sunbeams. The attendance at these meetings was about 50 and 75 Y. W. A's at their respective meetings and more than 300 at the G. A., R. A. and Sunbeam rally. We feel that interest in this phase of our young people's work is growing and that better work is being done.

Mrs. L. V. Coggins, Assoc. Leader

Respectfully Submitted,
L. V. Coggins

REPORT OF RESOLUTION COMMITTEE

We, the members of Beulah Baptist Association, who have met with Clement Baptist Church in our 105th annual session, Sept. 26-27, 1939, feel deeply grateful for the privileges which we have enjoyed during these days of fellowship together.

To all those who have in any way contributed to the harmony, happiness, and inspiration of this meeting, we wish to express our appreciation:

To Clement church and its pastor, Rev. L. V. Coggins, for their generous welcome and liberal provision for our comfort and well being; to the local committees, with Miss Bessie Hester, O. R. Yarborough, Charlie Hall and Clifton Dunevant as chairmen, for their thoughtful planning, which expressed itself in the shining cleanliness of church building and grounds, the lovely flowers, the rest room and cots for mothers with little children, the easy parking of cars, and otherwise smooth handling of this large gathering; to each individual who has helped in carrying out these plans; to friends of other denominations who have helped make this meeting a success; to the program committee, led by Rev. W. F. West, for a program of unusual breadth and interest, and to all who have contributed to this program by means of spoken word, music, song, and prayer.

The messages of inspiration and information have stirred our hearts with new determination to meet the challenge of our calling. We gratefully acknowledge the blessings brought to us through the presence and discussions of our leaders, — Dr. Arthur Gallimore, for 21 years a missionary to China; Dr. I. G. Greer, Supt. of Mills Home; M. A. Huggins, general secretary of our State convention; Kale Burgess, state temperance leader; J. M. Hayes, field representative of Meredith College; K. D. Stukenbroke of 1st church city mission work, New Bern; Mrs. R. L. Wilburn, W. M. U. superintendent; Mrs. L. V. Coggins, leader of our young people; Dr. Smith Hagaman, superintendent of the Baptist Hospital in Winston-Salem; Dr. A. C. Reid of Wake Forest College; Dr. L. E. M. Freeman, of Meredith College; Rev. P. T. Worrell, who delivered the annual sermon, and to A. F. Yarborough, J. L. Coley, V. E. Duncan, and W. F. West, who led our devotionals, also to our Moderator, J. W. Noell, and clerk, V. E. Duncan. These messages have brought us fresh insight into the work it is our privilege to do, and have impressed upon us the need of whole-hearted consecration and service.

While deploring our shortcomings in many directions, we rejoice in reports of advance along various lines in the work of the Association — for example, the 100 per cent enrollment of churches in the Woman's Missionary enterprise, marked development in our young people's work, increased interest and enrollment in Sunday Schools, one new church building erected (Lea Bethel), one church remodeled for Sunday School rooms (Clement), one church in process of building (High View), two additional churches admitted to the Assoc., (Old Lea Bethel and Lambeth Hill), and one mission Sunday School, Milesville mission, near Burlington.

In view of these privileges and blessings we hereby resolve, with God's help

1. To consecrate our lives anew to our Master's service.

2. To make more full and joyous use of our Christian fellowship as means of grace and growth.

3. To endeavor to show by our daily lives and work what it means to be consistent christians.

4. To give more faithful and whole-hearted support to the Cooperative Plan of our Convention.

Respectfully submitted,

Miss Ella Graves Thompson, Chairman

Mrs. A. F. Yarborough

Mrs. Charles Barnwell

REPORT OF COMMITTEE ON OBITUARIES

We honor the memory of those members of our churches who have departed this life.

May we all be strengthened by His Spirit to live lives of Christian devotion, as we are encompassed about with so great a cloud of witnesses.

STATE MISSIONS

A great responsibility was given to the disciples when Jesus commissioned them to go.

Yet no greater honor could have been placed upon the disciples than to be united with Jesus in promoting his kingdom. It is a glorious privilege for every christian to have the blessed assurance they are included in this work witnessing for the Master.

Much is being done to promote missions in our state under the leadership of our executive sect., Mr. Huggins. Space will not allow me to mention all the various places, yet there are fields in our state badly in need of mission work.

May we as disciples have a clear knowledge of the word "Go", first to proceed, second "Move", third "Circulate". If we bear these words in mind, more mission work will be done in our state in the future than has been done in the past.

As individuals blessed with knowledge, may we use it in fulfilling our part in the "Great Commission". — Mark 16:15.

REPORT ON HOME MISSIONS

"The past year has been a year of glorious achievements for Home Missions". So reports Dr. J. B. Lawrence, secretary of our Home Mission Board which directs the work of Home Missions in our 18 Southern states and District of Columbia. During the year, 40 new missionaries have been added which brings the total to 411, the largest number of workers we have ever had in our Home Mission work. Ninety-three new mission stations have been opened and 14 pieces of property acquired. All of this has been done without increasing the debt which goes to show that receipts were the best they have been for many years as Dr. Lawrence reports. Plans have been made by which the entire debt will be wiped out by 1945 if receipts do not drop below those of the past year. This will be a great victory.

When we consider the scope of territory covered, the many different phases of work carried on, the wide range of nationalities, languages, classes of people, etc., it is truly a miracle that so much can be accomplished with the comparative small sum of money. Nothing more clearly shows the hand of divine guidance and blessing. The work extends from Baltimore to Florida, Cuba, the Canal Zone, Texas, Arizona and all the intervening states. There are missionaries to the Indians, Negroes, mountain people, the deaf, Jews, Chinese, French, Italians, Cubans, Mexicans and other Spanish-speaking groups, residents of the Canal Zone, sailors and seamen, rescue missions, good will centers, Hungarians and other European groups, people who live in the congested areas of large cities and people who live in the new Government residential projects.

In all of the work done, soul-winning and evangelism are strongly emphasized and as a result over 9,000 people have been won to Christ during the past year.

To all this marvelous program of giving the Gospel to lost people, the total gifts to Home Missions from all the churches of our Association last year were only an estimated $780.00. According to our minutes nearly half of this amount was given by the women in our special offerings during our Home Mission Seasons of Prayer. Can we be satisfied with so small a part in so great a work? Surely not!

Mrs. L. V. Coggins

FOREIGN MISSION REPORT

Nearly nine and a half decades have come and gone since our Baptist fore-fathers met in Augusta, Ga., and launched the Foreign Mission Board; over a century has passed since the beginning of the Beulah Missionary Baptist Association. The years of missionary efforts have brought forth rapidly increasing fruits. The smile of God has been upon us.

It will be noted with gratitude that we are planning for a debtless denomination by 1945. The money that we have been using to pay interest on our debts will be used to expand the work.

The Foreign Mission Board has four hundred and fifty five active missionaries witnessing for Christ for us in sixteen lands across the world.

God has richly blessed the little we have endeavored to do, and challenges us by the marvelous results achieved with such half hearted efforts, to pledge ourselves anew to the biggest work in the world, that of bringing the lost of the world to Christ — the Savior of the World.

A new challenge is being given us today, that of not only carrying forward and expanding the work which we have begun, but also taking up the mission work of the British Baptist. Their missionary program has suffered dreadfully as a result of a devastating war. They call to us in their suffering to help them to carry on their missionary efforts. May we hear and heed their call and the call of God to do our best for Christ's Sake.

P. T. Worrell

REPORT ON PERIODICALS

The type of literature that a people reads goes in large measure to make the ideals of that people. The vital influence that reading has on a people is far beyond our most extravagant imagination. Literature builds the ideals that remain with and govern us as essential principles of life. Our Baptist periodicals are serving a very useful place in our denominational life. The Baptist papers in North Carolina are, in their fields, among the best in the South. We may be justly proud of them. They have a long and renowned history behind them, and they are today proving themselves entirely worthy of that past.

Our Baptist papers are both informational and very inspirational, and should be read by all of our people. We should know the things that are being planned and accomplished by our Baptist people, both in the State and Southern Conventions and throughout the entire world.

Our youth are going to read some type of literature. Let us furnish them with the right sort of reading material. Good literature helps to purify the soul; whereas trashy magazines tend to corrupt even the purest minds of youths. As true christians, it is our divinely endowed privilege to place before our young people the opportunity of instilling in their minds those ideals which will sustain them in the hazardous journey of life that is certainly facing the youth of today, as has never before confronted a people coming into the responsibilities of living in an age so fraught with anxiety and distress.

When our people are better informed of the needs of the Kingdom, both in our state and elsewhere, there will be a more gratifying response to the calls attendant upon the Master's work. But where there is no knowledge of the need, there can be no adequate response in support. "An informed people is a cooperating and supporting people."

The Biblical Recorder has made it easy for every one to have access to its inspiring pages. Recorder clubs are being formed in churches where until recently it was an unheard of thing for our Baptist paper to find its way into these homes each week. The Committee on Periodicals recommends that every church in the Beulah Baptist Association form a Biblical Recorder Club, and thus help to bring this added joy and inspiration to all our members. There is no church too limited in finances to have the Recorder reach its members through the club rates.

Charity and Children, the organ of our Baptist Orphanage, also should reach every home. Certainly our Baptist people should keep in touch with our own orphanage and its progress and needs. It would be a fine thing for every church when making out its budget for the year, to provide for the weekly distribution of the Charity and Children among its constituency.

Mission periodicals are also very helpful to us if we would do our best to fulfill the Master's last request to carry the Gospel to all the world.

Let us not disappoint our Master by failing to learn of His work in its present golden opportunities. Let us urge our people to seek to grow into the knowledge of the Master's Work to the extent that they will follow faithfully in "The Way" which He has ordained for us. Our Baptist periodicals will play a most important part in this right directing of our people.

REPORT ON SUNDAY SCHOOLS

The Sunday School work during the past year 1939-40, has been very encouraging. We have had an associational meeting each month except June, 1940. Meeting with a different church each time. After each meeting we feel more encouraged to go on.

We have a Sunday School in every church, all doing good work. However only one standard school has been reported.

On June 29th, our Associational Enlargement Campaign started. We had been looking forward to this since February. Our workers were met and carried to their churches on Saturday afternoon. On Sunday we started our work by taking census in each church community, finding many out of our school. Owing to this work we did not have our monthly meeting.

Twenty three of our churches had a worker and were greatly benefited by this week of work. There were many new classes added and new cradle-rolls started.

As we begin our new Sunday School year, let's ask ourselves these questions:

Is our Sunday School doing its best work?

Is the Bible being taught in such a way that it will make better men and women?

If not let us resolve during the coming year —

1 — To attend our Associational meetings,

2 — That we make a greater effort to enlist every person in some department of our Sunday School.

3 — That we make the Standard of Excellence our goal.

4 — That each Sunday School have at least two study courses during the year.

5 — That we observe each denominational program as stated by our Board.

Mrs. Errol D. Morton, Assoc. Supt.

REPORT OF MISSIONARY UNION

The fifty-second annual meeting of the Womans Missionary Union, Auxiliary to the Southern Baptist Convention, met in Baltimore, Md., June 8-11, 1940. It was in this city, the home of our first corresponding secretary, Miss Annie Armstrong, and many of our pioneer leaders, that our organization had the beginning of its existence and work. Our dynamic president, Mrs. F. W.

Armstrong, presented the program in a most forceful way. The keynote taken from the 67th Psalm, the purpose of our W. M. U. — "That Thy Way May be Known Upon Earth, Thy Salvation among all Nations". This is a revelation of God's love, and will, that none should perish. "A vision—a motive—a task". In these days of suffering and confusion, nations "Being bathed in blood and tears", may we pray for undaunted faith and courage to "Go forward." May our women and young people be united in prayer, that the Prince of Peace, will be enthroned in every heart in all the world. This year our W. M. U. has launched an Evangelistic Crusade, which we hope will bring this result.

Lord, teach us to pray, that we may realize our personal responsibility and seize our greatest opportunity of service. Lord teach us to study thy word. Our mission study courses are a mighty force — "To know, to share, to serve."

Quoting from the biography of Lottie Moon, "May we choose the task which most taxes our highest power and serves the worlds deepest need. Perception of need, willingness to go, conscious of something to give. The world is the field, womans work for Christ is where a soul is to be redeemed. In all the villages, where once she sat teaching Christ, the life of Lottie Moon lives on." "To live in hearts we leave behind is not to die". Lord teach us to give our bodies — holy acceptable and be faithful stewards in all we possess. In addition to our regular gifts, this year our W. M. U. has joined in a proposed effort to clear our denomination of debt by 1945. The objective of our WMU is to raise one million dollars. Hear the words of Miss Fannie E. S. Heck: "Debt is disgraceful." Dr. W. A. Carver says of our new building for our training school: "It is a spirit of love, faith, praise and hope". We praise God for our WMU of Beulah Association. For our Supt., Mrs. R L. Wilburn and young peoples leader, Mrs. L. V. Coggins, for their consecration and faithfulness. They report progress along most lines — these inspire and encourage. Mrs. Wilburn was presented to our state convention for her accomplishments in having a WMU in every church in the Association. She reports twenty five in number. Nine are A1 on the Standard of Excellence, there are six full graded societies. In 1939, $3,117.97 was given, of this amount $554.69 was given by the young people, through their auxiliaries.

"May we be steadfast, always abounding in the work of the Lord", however humble will not be in vain. We pray that the radiance of Christ's personality, His love and redeeming power, may be projected through us to all the world. This being our united prayer, "That Thy way may be known on earth, Thy salvation among all nations". His kingdom will come in great triumphant glory. "If we do not fail God, He will never fail His children".

BEULAH BAPTIST ASSOCIATION

To the churches that compose the Beulah Baptist Association being appointed at the 1939 session to report on our Orphanage work in the Baptist churches, I do not know a better subject to present than the teaching of the scripture.

We find in James, 1st chapter, 27th verse, the following words: "Pure religion and undefiled before God and the Father is this, to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."

This should be true to every Christian man and woman, that know their deceased Brother and Sister that have children in our orphan home. We have several hundred in the Baptist Orphanage in our state. I want to impress upon every Baptist to strive to send a greater amount to our Orphan Home in the future than we have in the past. We want to remember that Thanksgiving is set apart for a special offering. May God fill the hearts of every Baptist in the Beulah Association that may give cheerfully, for God loves a cheerful giver.

RELIEF AND ANNUITY

Long before the social security program of our government came into existence, Southern Baptists were dealing with the problem of caring for our aged ministers. At first we were concerned only with giving relief to the aged ministers and their widows who were in needy circumstances. This was more or less of a dole or charity fund, and the recipients were looked upon as objects of charity.

Out of this early attempt to take care of those who had sacrificed all for the Master's Kingdom has grown our present Ministers' Relief and Annuity plan. The plan under which the Baptists of North Carolina are now operating provides that through the cooperation of the pastors, the churches which they serve, and the Baptist State Convention, a sufficient sum is laid aside to provide an annuity for the minister who has become 65 years of age or who has become disabled before reaching that age.

There is a bill now before Congress which would compel all of the churches to submit to the Social Security act — this means that the Federal government would step in and .tax all of our churches, thus destroying what our forefathers fought and died for — the separation of Church and State.

The most effective way in which to prevent this is, by every church entering our Relief and Annuity plan which is far superior to the Social Security plan.

We urge that every church in our association which has not entered the North Carolina Relief and Annuity plan, to do so at once. Any information which may be desired will be gladly furnished by our secretary, Mr. M. A. Huggins.

BAPTIST HOSPITAL

The Baptists throughout the South are realizing their opportunity in christian service in the way of caring for the sick. As are quite a number of other southern states the Baptists of North Carolina are operating a hospital. This hospital is located in Winston-Salem, having been established in 1923; since that date we have been able to give hospitalization to almost 50,000 patients.

But the sad part in connection with our hospital is the fact that each year it has been necessary to turn away from its care about 3,000 patients because of lack of room. But we hope that in the provision of the desired addition to the hospital, this deplorable situation will not continue to obtain. More than one-third of the patients are able to pay little or nothing toward defraying the expenses of their hospitalization. Some 90 per cent of these come from outside of Winston-Salem.

There are those whose philosophy seems to be, "Live and let live"; there are others who say, "Live and help live". This latter view conforms with the Christian responsibility with which the Master has blessed us. When Christ was on earth He manifested great compassion for the sick and afflicted. Surely it is a privilege and joy for us, His professed followers, to follow His noble example in caring for those who are suffering, and who with our help could be restored to health and happiness again. "And he sent them to preach the kingdom of God, and to heal the sick". Here is a great opportunity to heal the body and reach and win the soul to Christ.

Another forward step in the hospital program is the provision made by a friend of the institution for a pastor who will be located at the hospital permanently, and who will surely help much in promoting the spiritual life of both the hospital workers and the patients. This generous provision should serve as a challenge to all Baptists of North Carolina to do more for the hospital than they have ever done before. The committee wishes to submit the following recommendations: First, that we be more generous in our offering for our hospital on Mother's Day; Second, that we inform our people more thoroughly, relative to the needs of our hospital; Third, that we pray and work more faithfully for the success of this institution.

Mrs. Frank Rogers

REPORT ON PUBLIC MORALS

Morals is the theory of right conduct. Ethics is the science that treats of the principles of human morality and duty. If this be true we are living in the midst of an unethical world. History and observation unite in an effort to prove to us that the moral standard of a nation, home or individual life determines its future success.

What kind of statesmen have we? What is the standard of their morals? If we have consecrated God-fearing men for our leaders, then we may hope for spiritual prosperity. No stream can flow above its fountain head. So will the moral and spiritual forces go no higher than our leaders. I'm not suggesting that the church go into politics, but that christians should unite their forces in demanding a higher standard of official conduct.

There are many evils tolerated by modern society that I might mention, but a few will serve the purpose here: The Lord's day was set apart by God himself to be kept holy. Today, Sunday is the most abused day of the seven. There was a time when one could tell by the very atmosphere that it was the Lord's Day, but now we have to watch the calendar to tell when Sunday comes. Sabbath desecration has become the rule rather than the exception. Many business enterprises look forward to Sunday for their biggest business. They are inviting our boys and girls and furnishing entertainment that appeals to youth.

The sale and use of whiskey is an ever-present menace. Thousands of our church members support and drink legalized whiskey. Most of these claim to want legalized whiskey for the revenue it brings in, but I think they would come nearer the truth if they would confess that they want it to satisfy their own lust. As long as we tolerate whiskey we will have its associated evils: drunkeness, profanity, gambling, revelry and wreckless driving.

REPORT ON STEWARDSHIP

Stewardship, defined, is being intrusted with the property of another and administering the same for its increase and for the benefit of the owner. If we would be good stewards we must pracice the larger stewardship which includes not only our material possessions but everything that enters into our lives.

We must be faithful stewards of our personalities, like the Corinthians first giving ourselves to the Lord and devoting all the powers of personal charm that we may possess to His service.

We must be faithful stewards of our talents, using all our endowments — mental abilities, skills, artistic, domestic and business accomplishments — for the extension of the Kingdom of God.

We must be faithful stewards of our influence, realizing that others are watching what we do and say and by the light of our shining lives may be led to glorify our Father who is in Heaven.

We must be faithful stewards of our time, looking on the days of our lives as a sacred trust, not to be wasted out to be filled with useful activities, a generous portion being consecrated to the service of the Lord.

We must be faithful stewards of life, realizing that life itself is a sacred trust from God, intended to be used for His glory and for the building of His Kingdom. Faithful stewardship of life spells consecration.

The question arises — Is stewardship being generally practiced? Let us examine some figures regarding the tithe.

At a very conservative estimate — the tithe of Southern Baptists would be about 135 million dollars a year. In 1939 we gave a little over 37 million, a per capita gift of $7.50. Our gifts to missions were less than seven million dollars, a per capita gift of $1 27. All of this proves that we are very poor stewards of our possessions. Only about one-fourth of our tithes are going into our Lord's treasury. This means that blessings are being withheld, that we are not the spiritual force we ought to be and that thousands of souls are being eternally lost who might have been saved.

If the payment of the tithe is not practiced, it is obvious that stewardship in general is not practiced.

The Beulah Baptist Association:

Greetings from the North Carolina Baptist Orphanage Alumni Association!

You have come together to review your denominational activities and accomplishments of the past year, and to set goals towards which you shall strive during the coming year. Along with other activities and objects to which you give attention, assist and support, is your orphanage, which for more than fifty years by the Grace of God and the loving contributions and interest of His people, through the assistance it has rendered to thousands of needy, deserving children, has grown until it has become of great importance to the Baptist denomination, and to our state and nation.

The orphanage realizes no profit from any of its operations other than the "job department" of the printing shop. All other money received comes through gifts and contributors. Do your Sunday Schools send a once-a-month offering to the orphanage, and do your churches annually take a Thanksgiving offering of "one day's wage" for the orphanage?

"Charity and Children" is the official news organ of the orphanage. It bears the news of the orphanage and its alumni, as well as articles of denominational interest to its readers once a week, we want you to read it and know the orphanage.

The alumni of your orphanage are grateful for the assistance it has given them through your loyal support in the past, and pray that you may see fit to make it possible for the orphanage to render its God-sent assistance in the future to an ever greater number of children whose homes have been wrecked and who are deprived of any future hope of a home with father and mother. In token of their gratitude and appreciation, the alumni, by applying to their lives, the counciling received while in the orphanage, have and are continuing to become dependable and often leading citizens in their church and community. Be assured by the finished products of your institution that it is well worth your increased support in the future.

Obediently yours,

A. M. Buchanan, President

RESOLUTION REPORT

1—First, we would be most ungrateful if we do not appreciate the splendid way in which the Blanche church has ministered unto us. So many things have been done by this church to make us comfortable and happy that we cannot enumerate them. For whatever has been done to make our stay here so pleasant we are deeeply grateful.

2—In this report also we would like to express the appreciation of the Association for each one who has had a part in the program. This has been a very spiritual session . . everyone who has spoken has spoken with sincerity and truth. So whether the speaker was one of our own number, or a visitor, we wish in this way to say "Thank you" to each one.

3—Finally let us by a rising vote express our appreciation to everyone who has had any part whatsoever in making this one of the finest sessions that Beulah Association has ever held.

After a short address by the Moderator, the association was adjourned to meet with Kerr's Chapel.

STATE MISSIONS

The worthy citizens of any state will give serious concern to the state's educational interests, its commercial interests, its agricultural interests, its manufacturing interests, its political interests — with the purpose of lifting the state into a commanding position — and the intelligent citizenship are pledged along all lines of work, cooperating for the general weal of the state and using every means possible for the uplift of the commonwealth with one object in view, the making of a great state where liberty and life shall be protected and every citizen share in the prosperity of all.

The overmastering, all prevailing sentiment on the part of the Christian is to bring all of these material interests of the state into subjection to Christ and this we call State Missions.

The object of our Baptist State Convention is set forth in the Constitution as follows:

"The object of the Convention shall be to promote Missions, Education, Social Service, the distribution and the study of the Bible and sound religious literature; and to cooperate with the Southern Baptist Convention in its work.

Our Baptist State Convention is making a worthy contribution to the well-being of our state by its program is Missions, Education, and Benevolence.

Our schools and colleges, our orphanages and hospital, and the host of Godly men who are preaching the gospel all over the state are making a profound impress upon the citizens of our state by magnifying the teachings and principles of Jesus.

Such a noble ambition and such a worthy cause deserves our undivided support and our wholehearted cooperation.

HOME MISSIONS

Our Saviour has given unto us the commission to be His witnesses both "in" and "unto". (Acts 1:8). Obviously, if there had been no witnessing "in", there would have been no Pentecost; if there had been no Pentecost, there quite likely would have been no — or at least a very limited "unto". As there were people "of every nation" at Pentecost, so are there people of every nation in our land today. If we would carry forward the great commission entrusted to us by our Lord, let us prove ourselves Christian in our homeland; and from this base may be projected a missionary program which will reconcile men to God, reaching to the foreign shores of many nations now without Christ and salvation. In our own realm are more than 5,000,000 foreigners. If we preach Christ to these souls and win them to Him, there will be quite an added impetus to our efforts beyond our homeland.

Our Home Mission Board majors on carrying the gospel to the Indians, the Jews, the Negroes, and the foreigners in the congested centers of our land, and in Cuba and Panama, etc. Great success is being achieved on all these fronts, with new churches and mission points being established and many souls being brought to a saving knowledge of the Lord Jesus Christ. The United States Army Camps located in the southland give a new opportunity of service to Home Missions. It is estimated that within five years there will be in these camps for training some 5,000,000 men. This new challenge is beyond the ability of the local churches, and so this great work must be undertaken by Home Missions. Will we rally to its support in this great task of keeping before these men the gospel of Christ, nourishing their souls and indeed reaching many who have never known Jesus as Saviour and Lord!

In the territory of the Southern Baptist Convention are 26 nationalities. (One third of the entire population of the U. S. is either foreign born or of foreign parentage; there are more than 108 different languages spoken in the U. S.) In many of our largest cities are sections in which the English language is scarcely ever spoken. In recent years more than 100,000 foreigners have left the southland to return to their native countries. If we have evangelized these foreigners, we would now have in foreign lands 100,000 missionaries who would not cost us a single cent!

The statistical report of the Home Mission Board for the past year shows progress in every field. The following figures may serve to indicate something of this progress: Total receipts from all sources, $560,168.09; number of missionaries, 391; number of churches and mission stations, 915; new mission stations opened, 71; number sermons preached, 31,403; number of persons touched in personal work, 77,440; number making profession of faith, 5,375; number of Bible and Testaments distributed, 4,443; number of tracts distributed, 724,505. These figures only constitute a mere framework of what has been done, for it is impossible to place a material value upon the conversion of even one soul. We can never evaluate by statistics the extended good that may ultimately result from this mere nucleus of mission effort.

Another great effort of the Home Mission Board is that of city-wide campaigns in soul-winning in the larger cities of the southland. Dr. Roland Q. Leavell, superintendent of evangelism, is promoting this splendid work, and God is giving marvelous victories, with many souls being won to Christ.

Timely and inspiring news of the good work being accomplished on the Home Mission front is contained in the Southern Baptist Home Missions, which every Baptist should read, and which costs only 25 cents a year, twelve issues.

The churches of our association have helped surely in the worthy achievements in the realm of Home Missions. But may the Lord inspire us to redouble our efforts in witnessing for Him "in" and "unto" the uttermost part of the earth. May we faithfully honor the great commission which He has given to us. May we do our best "till He comes."

REPORT ON FOREIGN MISSION

Ninety six years ago the Foreign Mission Board of the Southern Baptist Convention was created for the purpose of giving the gospel of Christ to all nations. The following resolutions were adopted by the delegates to the first meeting of the Southern Baptist Convention meeting in Augusta, Ga. on May the 8th, 1845.

RESOLUTION — We the delegates from missionary societies, churches and other religious bodies of the Baptist denomination in various parts of the United States met for the purpose of organizing a plan for combining, and directing the energies of the whole denomination is our sacred effort for the spread of the Gospel, Resolution was adopted.

For the first time in several years we are able to make a more encouraging report concerning our foreign mission work. Despite the threats of war, the foreign mission board is able to report that the convention year just closed was one of the best of its long history of 96 years.

Through its 457 active missionaries and the nearly 3000 native workers, the board has been doing the work of teaching and preaching in 16 countries of Africa, Asia, Europe and South America. Church membership was increased by 18,542 who came by baptism. 251,734 members contributed a total of 379,896.00.

BOARD INDEBTEDNESS—When Dr. Maddry assumed the duties as the executive secretaryship, the board was in debt to the amount of $1,110,000. At the present time indebtedness is $165,000. It is expected that the Foreign Mission Board will be a debtless institution when its 100th anniversary is observed in 1945 at the meeting of the Baptist convention. Last May in Birmingham the executive committee recommended that the convention meet in Augusta, Ga. for its centennial session in May, 1945, which was adopted.

WOMEN WORK — Vitally related to the achievement mentioned herein are the women of the Southern Baptist Convention. Year by year their Lottie Moon gifts have increased until last year they reached the height of $363,743.00. The Lottie Moon Christmas offering for December 1940 surpassed by far any previous year, the increase of the offering over that of 1939 was $29,575.00.

OUR MISSIONARIES — We cannot close without saying a word about the self sacrifice spirit of our missionaries. They have assumed the burden which has been laid upon them. Problems which arose in the early churches were largely questions of missionary procedure. Every book in the New Testament was written by a foreign missionary. Every epistle in the New Testament that was written to a church was written to a foreign missionary church. Every letter in the New Testament that was written to an individual was written to a convert of a foreign missionary. The first three chapters of the book of Revelations was addressed to the Seven Foreign Missionary Churches of Asia. Disciples were first called Christians in a foreign missionary community. Of the twelve apostles chosen by Jesus except one, became a missionary, the only one among the twelve apostles who did not become a missionary became a traitor.

CHRISTIAN EDUCATION

Christian education is thought of as the progressive search for truth in the name of Christ, and for the service of humanity.

Since the beginning of America's history, Christians have led in establishing schools. Although our demonimational colleges furnish only one-third of the college graduates, two-thirds of the college graduates in Who's Who in America come from denominational schools.

In the Southern Baptist Convention ninety per cent of our christian leaders attended denominational schools or colleges.

North Carolina Baptist State Convention owns five colleges. These institutions are Woke Forest, Meredith, Mars Hill, Campbell and Chowan and help support Wingate Junior College and Boiling Springs College.

We have about twenty five students from the Beulah association attending these denominational schools.

Let us stand by our schools by supporting the State Mission program and by observing christian education day in the Sunday School.

The Sunday Schools, Baptist Training Union, and Baptist Student Unions, these activities are thought of as christian education in the churches.

Christian education also should be carried into our homes where the Sunday School training is supplemented by home teaching from the family Bible and restoring in the homes, "Grace at Meals".

REPORT ON SUNDAY SCHOOLS

During 1940-41 our Sunday School work has shown improvement, having had more cooperation and interest from the various churches.

During the year we had 12 monthly meetings, meeting each month with a different church. The attendance averaged 45 with an average of 4 superintendents, 15 teachers and about 3 pastors. One superintendent from Providence, Caswell, attended every meeting with officers and teachers from his church.

There were only 5 churches in association that were not represented in one or more monthly meetings. Reports are hard to get. However, we averaged 7 or more each month.

In December we met with Lamberth Memorial church, having a Christmas program at this meeting, eleven churches having part on the program. All were there and ready except one. We all agreed it was so good we would have one each year for our December program.

In March we had an all-day associational meeting at Roxboro First Baptist church. With us that day we had Mr. and Mrs. Baucom from Concord and Mr. Townsend from Raleigh. We elected associational officers for the different work and set goals for the year. The churches represented setting their goals and the association setting its goals.

Also in March we had an all-day 5th Sunday meeting, this taking the place of our regular 4th Sunday meeting. We met with Theresa church, having an attendance of 88 with 11 superintendents and 5 pastors.

Then in July 19 from Beulah association attended the South Wide Sunday School conference at Ridgecrest.

Providence, Caswell, having 13 from her Sunday School with the superintendent leading the crowd.

Let's all try and have a crowd from our church there next year.

REPORT ON STEWARDSHIP

We Baptists have long been proud of the fact that the Bible was the sole foundation of all our faith and practices.

We have preached long and loud on salvation by Grace through faith. Immersions as the only scriptural way of Baptism. Only Baptized believers at the Lord's table, etc. But it took a long time for us to get around to declaring the whole Gospel. The doctrine of stewardship lay hidden from our preachers a long time. And it is taking a still longer time for it to take on our laity.

However it is very encouraging to note that at least some of our churches are awakening to the importance of stewardship and tithing. Awakening to the fact that the same gospel that says He that believeth and is Baptized, shall be saved. Also said, Let every one of you lay by him in store on the first day of the week as he may prosper. Bring the whole tithing into the storehouse. Brethren, lets preach and practice the whole gospel.

THE BAPTIST ORPHANAGE OF NORTH CAROLINA

The Baptists generally are loyal to all of the various departments sponsored by the Baptist State convention, but I believe the statement can be made without fear of contradiction, that the Baptist Orphanage is nearer the heart of the denomination than any other cause.

For many years there have been around seven or eight hundred cared for at this institution, and at no time has it been necessary to go around with your hat in hand begging for money with which to support these children. The Baptists, and other interested friends, have always responded generously and the children have been clothed, fed and educated. While these boys and girls come from varied and sundry kinds of homes they are no different from the general run, but it has been my good pleasure to have an eye on the institution for more than thirty years, and I KNOW by far the larger part of them have made men and women of whom we, the State, and all who are interested in them are proud to say "there goes one of our boys."

Just one suggestion: I would that every Sunday School in this association would make it a rule to give one Sundays collection to Orphanage every month. Please, brother superintendent, see that your Sunday School adopts this method.

Respectfully submitted,
J. W. Noell

REPORT OF BAPTIST ORPHANAGE

Of all our Baptist Institutions, I'm sure that no one deserves our attention more and presents a greater challenge to our loyalty and support than our Mills Home at Thomasville.

He who is devoted to the service of sheltering the homeless, clothing the needy and feeding the hungry is in a great business indeed. However the Baptist Orphanage of our state has gone further. The plan to furnish the children with the necessities of life is not the ultimate goal; they also wish to give them the care and the training that they would receive in a Christian home. Thus, by considering their need of physical, mental and Spiritual attention, can there be complete service rendered.

There are several classes of children who make up the population of our Orphanage. There are those known as full orphans, others as half orphans and still others who are victims of desertion and wrecked homes. The Home is not only prepared to supervise the care of those who come under its direction but it also maintains a group of case workers who endeavor to make adjustments with the children and their parents, neighbors or relatives. They thus contacted more than 1,200 children in one year's time.

With such a large number to care for and an average of 45 applications every month in one year, it is obvious that such accommodations run the expenses into big figures. To be exact, the average cost of running the Orphanage is a little more than $500 a day. However I'm glad that our contributions are not, by any means, put to an unwise use, but are, many times, placed as investments to increase its actual value. The farms produce small grain, corn, milk, eggs, hay, vegetables and meat in great abundance every year. Also "Charity and Children" nets approximately $5,000 annually. So we see that the children, among other things, are taught to work.

Jesus gave His estimate of children. He plainly demonstrated His love for them. In Luke 18:16 He said "Suffer little children to come unto me, and forbid them not: for of such is the kingdom of God." The needy circumstances of widows, who were probably unable to provide for their childrren, gave rise to the first board of deacons in the early church. (See Acts 6:1-6). The Apostle James says that "visiting the fatherless and the widows in their affliction" is a part of pure religion. (See James 1:27).

I am sure that each one of you is glad for every contribution you have made to the Mills Home. However, with these facts and God's word before us, let us exceed the amount that we have ever given before and make the special offering of this Thanksgiving a record to remember.

Respectfully submitted,
W. T. Smith

REPORT ON HOSPITAL

Much of the public ministry of Jesus was devoted to relieving human suffering. We are His followers, and as such must do whatever we can to relieve suffering today.

We are proud of the fact that the Baptist in N. C. have a hospital and that now with the enlargements that have been made, we can care for more people than ever before.

We are proud of the fact, too, that our association voted to raise one hundred and fifty dollars ($150.00) to furnish one of the new rooms.

I am personally grateful to N. C. Baptist that they provided for me a place in their hospital as a patient for three weeks. Nothing than I can say for the hospital is too good.

In closing there are two recommendations that we would make to the association.

1. That every Church in the Beulah Association give liberal offering to the hospital on Mother's day.

2. That as soon as possible the one hundred and fifty dollars ($150.00) be raised and sent to the hospital for the "Beulah Association Room."

REPORT ON PUBLIC MORALS

There are many evils tolerated by modern society. I shall make mention of a few.

The Lord's day was set apart by God himself to be kept Holy. Today Sunday is the most abused day of the week.

There was a time, when one could tell by the very atmosphere that it was the Lord's day but now we have to watch the calendars to tell when Sunday comes.

Another growing evil in which many of our church members engage, is the senseless habit of using profanity. If we could realize that we shall surely have to give account of every idle and profane word that proceeds from our lips, especially when God's name is taken in vain, would we not be more temperate in our speech.

We deplore the spirit of gambling, that is so prevalent even among church members today. We commend a number of our judges and officers in taking a firm stand against slot machines, and other form of gambling.

Too much power in the hands of a few people, is dangerous. Most men with too much power abuse their own power.

Three hundred homes in North Carolina were broken up last year by strong drinks. Seven hundred orphans were cast off from these homes upon the mercy of the world by the manufacture and sale of liquors in North Carolina both legal and illegal. In most every community, undernourished and neglected children are seen. What will we do about it? Will we arise as a strong denomination and as a Christian force, in the name of the Lord, put this liquor traffic down?

Prohibition is coming back.

Respectfully submitted,

A. F. Yarbrough

REPORT OF W. M. S. OF BEULAH ASSOCIATION

1940

Our theme: "OUR CONTINUING TASK ... MAKING HIS WAY KNOWN", coming from the watchword for the year "THAT THY WAY MIGHT BE KNOWN UPON THE EARTH, THY SALVATION AMONG ALL NATIONS" offers a great challenge to us, His disciples, that we continue in our witnessing for Him in the task set before us. A wonderful privilege is ours, to be laborers together with Him in these marvelous and terrible times in which we live when the warring nations of the earth need to know His way, the way of truth and righteousness, as never before. "Whereunto we have attained, let us walk by the same rule."

We have 26 churches in the Beulah Association and 25 Woman's Missionary Societies, all but one church have organized W. M. S. Work. Our chief aim is: 100% for Christ in Woman's work in our churches. We are praying to report in 1941 reaching this great objective.

Our gifts for all objects amounted to $2,812,88. The Young People of our Associational auxiliaries gave $520.47 of this amount.

We have 7 Graded Churches, that is: a W. M. S.- Y. W. A.- G. A.- R. A.- and S. B. Band in each of these churches. Not all are A-1 on the Standard of Excellence, only two gained this honor.

We have 8 Woman's Missionary Societies that are A-1 on the Standard of Excellence.

We wrote 470 letters and cards, travelled 900 miles, made 23 visits, held 2 meetings. We have 115 subscribers to the Biblical Recorder, 170 to Royal Service, 36 to Window of Y. W. A. and 41 to World Comrades. Tithers 216, membership of all organizations 1208, approximately, and 50 mission study classes. All societies reported every quarter, except one.

Mrs. L. V. Coggins is leading our Young People in a really wonderful way. She has 53 organizations in all. A separate day is set apart for the G. A.- R. A.- and S. B. auxilaries together, while our young women meet at a separate time and place with a banquet, speeches, toasts, stunts, reports, games, and refreshments, making a delightful evening.

Mrs. Coggins goes the extra mile with her young people,never sparing herself for their good and pleasure. She and her preacher husband have a camp every summer in the beautiful grove and woods that surround Clement Church, for the Junior Auxiliaries. This lasts a week, here the Word is taught, great inspirational addresses are made, mission study classes taught, delicious eats for healthy young appetites, stunts, contests, games, and rest make this camp-week looked forward to during the long cold winter months by all our young people in the association. Mrs. Coggins is sowing good seed in the hearts and lives of these dear young folk that will spring up and bear fruit a hundred fold in the future harvests and Kingdom workers in Beulah Association.

We face future attainments hopefully, for our God has promised to be with us in whatever we undertake in His name. Let us pray and work towards the enlistment of every man, woman, and child into the service of our King, that our whole association may stand together four square for God and His Kindgom work here at home and abroad.

Respectfully submitted,
Mrs. R. L. Wilburn, Supt. W. M. U. of
Beulah Association.

The Ministers' Retirement Plan

The Relief and Annuity Board of the Southern Baptist Convention has done a magnificent piece of work during the twenty-three years of its existence.

The Annuity Board was organized in 1919 with assets amounting to $106,428.53. The report of the Board at the Southern Baptist Convention in 1941 showed that the assets had grown to $5,407,277.87, with a net gain for the past year of $320,614.63, which is a notable achievement and reflects the unusual business ability of those administering the affairs of the Board.

At the close of 1941 there were only 310 active members in the Ministers' Retirement Plan in North Carolina. This number is far too small. All of the churches and their pastors should be urged to take advantage of this splendid safeguard against the possible disability and the inevitable old age and necessary retirement of the pastors, so that no hardship may be improsed upon either the churches of their pastors.

It is earnestly hoped that every church and pastor in the Beulah Association will seek admission into the plan at the earliest convenience.

Our State Secretary, Mr. M. A. Huggins will be glad to furnish any information which may be desired.

Respectfully submitted,

W. F. West

Report On The Baptist Hospital

The last three years have been eventful in the expansion of the hospital. Three years ago the hospital had a bed capacity of 100 and by overcrowding, we were caring for about 4,000 patients per year.

Today, we have a modernly constructed and equipped hospital with a bed capacity of almost 10,000 patients annually, and now caring for about 650 patients per month.

We shall have this year not less than 2,500 service or free patients. This will represent, including hospital and medical service about $250,000 in free service for this year.

The hospital has a staff of 26 internes and about 100 doctors practicing in the hospital. In addition it has the free service of the entire staff of the Medical School whenever desired for consultation and diagnosis. Every department is thoroughly organized to give most efficient service possible.

The equipment, as well as the building, is entirely modern. The hospital recently added $20,000 worth of new instruments to the operating rooms and $44,000 worth of new X-Ray equipment, making an X-Ray department "None better in the South."

The hospital, in conjunction with the Medical School, has a floorspace of four acres and represents a value to the denomination of $2,000,000 with only a very small amount of indebtedness.

The purpose of the hospital shall remain as ever — to give hospital treatment to those who are unable to pay for same, educate nurses with Christian ideals. It is the abiding purpose of the management that it shall be definitely a Christian Institution with all that it implies.

This greatly expanded service which is growing more and more into every section of the state, of course, requires an increased support. This, we are glad to report, is growing year by year. In addition to the Mother's Day offering by the churches and Sunday Schools, which has increased in the last few years from $11,600 to about $38,000 this year, the hospital linens contributed by the W. M. U.'s and other church agencies has increased year by year.

Report On Public Morals

The subject of public morals is a very broad one and covers a lot of social evil. One is social card games helping to make gamblers out of some friend. There is a moral courage, the courage of conviction, the evil of social drinking, it might be you could take a drink and stop but your friend couldn't do that and alcohol keeps bad company and makes bad company, it is the companion of idolatry violence, dishonesty and the greatest sin of which God's people are victims.

Alcohol lowered ideals throughout the centuries. The record of alcohol has been of indecency, adultery destitution, misery, murder, loss of happiness, the wrecker of homes, the breaker of hearts and the foe of religion. I think it time that God's people should take a stand for right living.

Report On Christian Education

Herbert Spenser defined education as "preparation for complete living." All history proves the everlasting reality of religion in human nature. The logical conclusion is that the only complete education is Christian education. With the increasing secularization of education, there has come a bewilderment in the minds of educators themselves. President Hutchins of Chicago University confesses: "Our confusion is so great that we can not make clear even to our own students what we are trying to do." But Christian education includes teaching the facts, principles, and ideals of Christianity for the developing of Christian character, and moulding civilization after the plan of Jesus.

Dr. Hugh Miller in his book, "Christian Truth in History" says: "We must emancipate ourselves from our secular school books. Another generation or so will presumably have brought well nigh every department of our lives under political control." He warns of the challenge of the totalitarian state and of irreligion. The remedy for this situation is a revival of religious faith in the home, in the church, and in the schools.

Baptists are what they are largely because they have believed in and supported, although quite feebly at times, missions, benevolences, and Christian education. Wake Forest is only four years younger than the Convention, the Convention being organized in 1830, while Wake Forest was founded in 1834. During the years as Baptists have grown ,other, institutions have come into existence, namely Chowan, Mars Hill, Meredith, Campbell, Wingate, Webb Gardner, Jr., College. Baptists have always believed in the necessity for trained leadership, and have provided the means through the above schools.

We wish to report that all our schools are making progress, although they are working with poor equipment and utterly inadequate support. The most recent report reveals the fact that the total enrollment of college students in the institutions named above for the past year was 2,949, plus 175 high school students, and an additional summer school enrollment of 783. It is interesting to observe that among this number there were 234 listed as ministerial students and 154 as student volunteers. Another gratifying fact is this: The total net property value, including endowment funds, plants, etc. is $8,097,409.93. The Convention once owed for these schools about $1,200,000.00. The debt now stands at about $400,000.00. Thus it appears that the property owned is about 20 times as great as the amount of money *owed*.

No real Baptist church worthy of the name can afford to say that the welfare of these schools is of no concern to it. Never in our history has there been a greater need for Christ-like leadership as we face a world torn and bleeding, and well nigh pagan in a large portion of it.

Respectfully submitted,
Mrs. J. F. Funderburk

Report On Periodicals

Paul in his letters to young Timothy was always urging upon him the importance of sound and thorough intellectual development as well as a life of uprightness—"When thou comest bring with thee the books, especially the parchments." This is one of many such injunctions. "Neglect not the gift that is in thee." "Give attention to reading." "Study to show thyself a workman that need not be ashamed, rightly dividing the word of truth"—separating the vital and essential from that which is mere ornament and trimming.

There is much reading that will be done by all of us. But the purpose of this report is to suggest a list of periodicals that should be found in every intelligent Missionary Baptist home. At the head of the list is the Biblical Recorder, price $1.50 per year. That is if three people out of a church with a membership of one hundred, subscribe. Surely not a church in the Beulah Association will fail to join a Recorder Club now. Also a copy of Charity and Children should be in every home. A single copy is $1.00 per year or ten copies or more for sixty cents per year. The Sunday School should place a copy in every home. and pay for it out of the treasury just like they furnish the other Sunday School literature. Also every pupil should have a quarterly and see that every teacher has a copy of The Teacher and that the Superintendent has the Sunday School Builder. The B. T. U. literature should be paid for by the church. Every home by all means should have The Commission $.50 and Home Missions $.25 per year. Then the W. M. U. Magazines are very important and helpful for progressive church work. There is Royal Service, Window of Y. W. A. and World Comrades.

All these periodicals—Biblical Recorder, Charity and Children, The Commission, Home Missions, Window of Y. W. A.'s and World Comrades all summed up on only amount to $4.75.

Report On Sunday Schools

During 1941-42 we had an Associational Sunday School meeting each month until May. At our April meeting it was decided to discontinue our monthly meeting until gas and tire shortage improved and have quarterly meetings.

During the year our average attendance was 65 with an average of 5 Superintendents, 3 pastors and 10 teachers. One Sunday School Providence C having reached the standard with others only a few points to make.

In December our monthly meeting was held at Lamberth Mem. This meeting was a Christian program with 10 churches taking part on program. There were 14 Churches represented, with an attendance of over a hundred.

In March our Annual Meeting was was held at Roxboro. Meeting at 4:30 o'clock serving supper at church with a night meeting. Mr. James Morgan was in charge of meeting. Rev. R. H. Anderson brought the inspirational message and Miss Naomi Braswell, group leader. Goals were set for the churches and Association for the coming year.

There were 10 churches represented with a large number of officers and teachers present. All present having gained new visions voted to go back to their various churches and do better work than ever.

Stewards of the manifold, grace of God. If we have received these gifts, we must minister the same one to another.
1 Peter: 4:10

Teaching. Jesus told his Disciples in Matt: 28 19-20 to teach all nations in the name of the Father and of the Son. He promises to be with us always if we will only do what he has commanded.

Enthusiasm. To be good stewards, we must be enthused in God's work and be willing to do the job. Whether it be large or small, let us all do our best.

Work. We as Christians are commended to work. God has no place in his plan for idleness. Are we working, or are we sitting idle and saying, "I can't"?

Awake. You remember when Jesus and his Disciples went up on the mountain to pray and how they fell asleep and said to them could they not watch with him one hour. God wants us to be awake and doing his work. Are we awake, or are we asleep?

Reliable. De depenedable when you are called upon to do something. Do your best! Do not say you will, and then not be present at the proper time. Be reliable!

Diligent. If we make a success in anything, we must be constantly on the job. Never satisfied with just working a little but ever at our place in Church, Sunday School, B. T. U., or any other place we can serve our Lord.

Study to show thyself approved unto God. 2 Timothy: 15. We need to study our Bibles. Learn more of God's word. Bible study will make us stronger Christians. Read your Bible every day.

Humility. One of the first things Jesus taught his Disciples was to be Humble. I think one thing Jesus had in mind when he said "Except ye become as little children," was Humility. No high headedness.

Idleness; Are you in this category? If you are, you are just where Satan would have you be. Satan wants us as Christians to sit idle, while his forces are on the job. What are you doing?

Prayer. The most important thing to a Christian. This is the only way of communication with God. Jesus while on earth went off to himself to pray. We need to pray daily, if we would be strong Christians.

State Missions

The object of State Mission has ever been to win the people of North Carolina to Christ, and to an acknowledgement and demonstration of the Lord-ship of Jesus.

Under the splendid leadership of our General Secretary Mr. M. A. Huggins, and his staff of co-workers, who visit many of the churches each year teaching Stewardship and Missions, seeking to lead the people to adopt a progressive program in the support of all that the Baptist is trying to do.

The State Convention came into being in 1830 and since that time State Missions has had a steady growth in expanding Christian activities. A large number of our Churches has been helped through State Mission. In 1830 when the State Convention came into being there were about 15,000 baptists in North Carolina, today there are more than 525,000 Baptists in the State.

But as we turn our thought to the future we see a greater need for State Mission than ever. With the going of so many of our people to the Army, and to the defense areas. Surely it is our responsibility to provide a Christian program for our people where-ever they are. We need to life up our eyes and look into the fields that are white already into harvest.

Mr. Huggins has outlined in his book Kingdom building in North Carolina a program that seems to meet the need. It is up to the Baptists of North Carolina to see to it that his program is carried out.

Home Missions

We have been led to believe that there is no front more vitally important than the home front. The things that count for most are those things that happen at the home base. If we are weak here we are certain to be weak elsewhere.

Our task as a dnomination in America is to prepare our homeland spiritually to meet its obligations to the world with the gospel of Christ now and when peace has been declared and order established in the world. Whatever else we do, the evangelization of our land and the mobilization of our homeland for the world's evangelization must not be sidetracked. This is the task to which the Home Mission Board has set itself and for this task it is girding its strength.

There are many signs of progress in the Home Board field. During the past year 31 missionaries have been added to the force, 64 new mission stations have been opened, 13 new churches constituted; Missionaries have distributed 17,258 Bibles and Testaments and portions of the Scripture; They gave out more than 735,000 tracts; they preached 35,000 sermons; they led more than 7,000 people to accept Christ and received into the membership of the churches 2,863 members.

The Home Board is now preaching the gospel to the Indians, Mexicans, Spanish, Jews, Italians, French, Cubans, Chinese. the underprivileged in the crowded industrial sections in the slums of the cities, in the neglected mountain areas, to the millions of Negroes in the homeland and are carrying Christ to the camps in our service to and with the chaplains. The Board has also begun a City Mission Department which will be enlarged when the Board's debts are paid. Furthermore, it has begun a program of revitalization of the country church, which if carried out, will make the rural church a more potent factor in our denominational life.

The Board is enlarging its mission work and at the same time paying its debts. Last year it paid $355,000 on the principal of its debt and at the end of the year the obligations, amounting to $495, 000, were refinanced on a 2 1-2 per cent interest basis, with Southern Baptist integrity the only collateral asked for. If the present rate of debt payments can be maintained the Board will be out of debt before the end of 1943.

The Board's monthly magazine, Southern Baptist Home Missions, had an average circulation during the past year of 53,678 copies, which represented an average increase per month over the previous year of 1,050. Income from magazine subscriptions and advertising and book sales netted a small profit to the Board above cost of publication of the magazine and some 60,000 mission study books. This profit was $1,085.40. Total receipts from all sources last year amounted to $782,251.82, which represents an increase over the previous year of $222,083.73.

Foreign Missions

Let us not get the idea that because in many places our Mission work has been halted because of the war, that the need for Foreign Missions has ceased. There are many sections where our Mission Work is still being carried on. There are still many missionaries on their jobs in many places in the world. Their work is more important than ever before. Valuable services are being rendered by them to thousands of souls in distress and many souls are being won to our Savior and Lord.

Let us also look ahead to the time when all of this bloodshed is over. The need for funds will be greater than ever. Much of our work will have to be rebuilt. Besides this the greatest challenge ever offered us will be given us for expansion—going into new territories—entering new doors. Christ's command is still "Go ye."

Respectfully submitted,
P. T. Worrell.

Report of Executive Committee

The Executive Committee of the Beulah Association met on three different occasions to plan for the work of the Association.

February 2nd, several worthwhile projects were undertaken, an Associational-wide Sunday School Clinic at Roxboro on March 5th; which was well attended.

During the ten days following the 5th Sunday in May as Associational-wide Evangelistic Campaign was waged in co-operation with the General Board. There were 13 churches represented. Rev. D. M. Branch directed the campaign. The results were satisfying.

Another project fostered by the Association was the organizing of an Associational Brotherhood which is now functioning, and has made its first report at this session of the Association.

A Vacation Bible School Clinic was also conducted at Roxboro under the direction of Mrs. A. M. Burns, Accredited worker from Fuquay Springs.

The Executive Committee also passed on the application of churches to the General Board for past period. The churches applying were: Theresa and Highview; Milton; Beulah; Blanche and Ephesus. These applications were all passed upon favorably.

The Executive Committee also directed the securing of a room at the Baptist Hospital in Winston-Salem, which has been furnished by and dedicated to the Beulah Association.

Resolutions

We, the delegates and visitors to the one hundred and eighth session of the Beulah Baptist Association wish to express our gratitude to Rev. and Mrs. P. T. Worrell and each member of Kerrs Chapel for the gracious hospitality shown us while in their midst and also for the pressing invitation to spend the night in their homes which carried us back to the good old days when this was the custom.

We wish to praise them for the care and preservation of their lovely old church which has been recently painted inside and out.

We appreciate the service of the young men as ushers, also the beautiful flowers which adorned the church and long tables in the church grove where the bountiful lunch was spread.

We wish to thank the Program Committee which arranged the interesting and worthwhile program for this Session.

We are grateful for the opportunity to hear inspiring messages from Dr. Leonard who talked so earnestly of his work in Manchuria which he hopes to return to ere long. Dr. Leonard very ably represented the Commission and also our Southern Baptist Home Mission Magazine. Dr. Haggerman brought greetings from our Baptist Hospital in Winston-Salem, as did Dr. I. G. Greer, Supt. of Mills Home Thomasville. Our State Secretary Mr. M. A. Huggins challenged us to go "Forward in Kingdom Work". Dr. L. L. Carpenter the new Editor of The Biblical Recorder with his friendly manner and zeal in this, his new work made his hearers want to subscribe to The Biblical Recorder.

Mr. Basil Watkins of Durham, a Trustee of Wake Forest College ably discussed Christian Education and Mr. Browning, of Asheville, N. C., who represented the Brotherhood in North Carolina. The great missionary message by the Rev. L. Bunn Olive, who returned from China four weeks filled our hearts with a new determination to give Christ to the world.

To those who brought the inspiring devotionals we express appreciation.

We wish to thank the Rev. R. W. Davis for his matchless sermon using as his text "According To The Riches of His Grace."

We wish to express deep gratitude to our consecrated Moderator, Mr. J. W. Noell for his efficient service and also to our capable Clerk Mrs. Virgil Duncan who has served us so faithfully.

We also express appreciation of the Vice Moderator Mr. Sutton.

Obituary Report

With humble submission we bow to the will of God as we think of the home-going of 28 of our beloved members since last we met. We sorrow to be separated from them for a time but we rejoice in the life that is promised to those who live and die trusting in the Lord. As fellow Christians, may we resolve to be more loyal to the cause they loved, more kind to our fellow man and more Christ-like

in our every day life. We feel that,
"They are not dead who live
In hearts they leave behind;
In those whom they have blessed
They live a life again,
And shall live through the years—
Eternal life— and grow
Each day more beautiful
As time declares their good,
Forgets the rest, and proves
Their immortality."

Report of W. M. U. 1929-1942

When, in 1929 you elected this humble servant as your Supt. of Woman's work in Beulah Association, what I felt was too deep for words. The honor was appreciated, the responsibility overwhelming, the privilege wonderful, the challenge of the opportunity for Kingdom service so great, the realization of unworthiness so deep. but, remembering the words of our Lord as He gave the great Commission to His disciples to go spread the gospel. "Lo I Am With You Always, even until the end of the World," we accepted the call.

This promise has indeed been fulfilled in our midst during the past 13 years, with the help, co-operation, prayers, work, sweat, tears, smiles, friendship of the fine women in this Association, we do feel that much has been accomplished. New territory invaded and taken for our Lord; much sacrificial giving, numberless deeds of loving kindness done, much studying of the word and missions. spirit filled meetings together, our hearts burning within us as we listened to the message of great Missionaries both from Home and Abroad.

But with all this accomplished and the past behind us, much more remains to be done, more territory to conquer, more people to enlist. This presents more challenge and opportunity for future service.

We appreciate more than can be expressed the loving help and co-operation of every pastor in our Association, the men and the women and the young folks who have helped build to this glad day of another meeting of our Beulah Association. It could never have been done without you and the Lord—as a little girl said upon being commended for a good deed "Me and God did it," so can we say of us all.

In 1929 we had 19 churches and 15 Woman's Missionary Societies functioning actively in Beulah Association. The churches were Antioch, Bethel Hill, Blanche Baynes Chapel, Clement, Ephesus, Kerr's Chapel, Lamberth Memorial, Lea Bethel, Mill Creek, North Roxboro, Providence, Person, Providence Caswell, Roxboro First, Semora, Shiloh, Trinity, Thompsonville and Yanceyville.

The societies were, Antioch, Bethel Hill, Blanche, Clement, Lea Bethel, Lamberth Memorial, Mill Creek, Milton, Providence P., Providence C. Roxboro First, Roxboro North, Semora, Shiloh and Yanceyville.

Seven churches have been organized since then, High View, Theresa, Cavel, Beulah, Milton, reorganized, Lamberth Hill, Lea Bethel, New Church—making 26 churches in all in our Association.

We have organized and revived 10 new Societies—Kerr's Chapel, Ephesus, Baynes Chapel, High View, Theresa, Cavel, Trinity, Thompsonville, Beulah and old Lea Bethel—making 25 W. M. S. in our Association in all. Showing a slow, steady and healthy increase and growth.

Our work for this year, 1942, will not be finished until the last day of December so we report only on work done in 1941—Mrs. Coggins our capable young peoples leader will report their work, so my report is for W. M. S.

Membership of all organizations about 1,066.

Full Graded Unions 4, Tithers 192, Mission Study Classes 48. Biblical Recorders taken 107.

We haven't time for the personal element of many, many deeds of loving Christian service done by womanly hands and youthful hands. They are recorded by one who said, "In as much as ye did it unto one of the least of these my brethren, ye did it unto me."

We, the present officers who are passing the torch on to our worthy successors, wish to thank every body for every thing. It has been a joy and a pleasure and privilege to serve you. We wish to pledge to you and our successors our abiding interest, our prayers, our loyalty, our co-operation and help in any way we can serve you and our Association. May God richly bless us all as we labor together with Him.

Respectfully submitted,
Mrs. R. L. Wilburn

This poem was inspired by the cover design of hands holding an uplifted torch painted by Mrs. R. L. Wilburn on the programs for W. M. U. meeting at Roxboro First Church, June 16, '42. Mrs. Robert Whitfield wrote the poem on the back of a church envelope while the meeting was in session.

To bear the torch with hands that are strong
That others may see the steady flame,
How much greater than silver and gold,
How much dearer than empty fame.

The torch uplifted that sheds its light,
To the lowly places the dreary and sad,
To help make the hearts of others bright;
To make the lives of others glad.

This is our task to carry the torch,
Do not fail, or the light will dim;
All that you light on the upward way
Will be an added torch for Him.

An Appeciation of Mrs. Wilburn

We, the women of the Beulah Association wish to express our appreciation to Mrs. R. L. Wilburn for the splendid way in which she has led the W. M. U. work of our Association for the past 13 years.

Surely no one could have been more faithful, more untiring, nor more prompt in all the details of work. In the face of a miltitude of other calls for her service, she never neglected the W. M. U. She did not spare herself in any way, giving unselfishly of her strength, her ability, her talents and her consecrated enthusiasm. Her interest and helpfulness in the work of the young people has been most unusual. Her personal letters each quarter were a joy and inspiration to the leaders in the local churches and the Associational officers. Her personal contacts with churches and pastors were most helpful.

Through her efforts, the record of our Associational W. M. U. reached an enviable place in our whole state and was given due recognition by our state leaders—that of having an active Missionary Society in every church in the Association.

All regretted Mrs. Wilburn's resignation but she could not be persuaded to do otherwise. We just want to record it publicly, Mrs. Wilburn that in whatever place you continue to serve the appreciation, love and good wishes of the women of the Beulah Association will always follow you.

7. The Committee on Committees was appointed as follows: J. F. Funderburk, Chairman, L. V. Coggins, P. F. Sutton.

8. The report on Hospitals was given by Rev. A. F. Yarbrough. The report was adopted, with further discussion to be given later.

THE BAPTIST HOSPITAL

The Baptist Hospital has completed a full year with its enlarged facilities. Instead of caring for 4,000 patients as formerly, we have had 12,000 the past year—1942. It is again becoming increasingly difficult to provide for the growing numbers of sick who come for treatment—an average of 33 each day.

Of these 12,000 patients who were treated last year, 4,000 were service patients; that is, were unable to pay a hospital bill. These are the sick for whom our Mother's Day Offering is made. It is also interesting to note that 4,000 of this 12,000 patients were mothers who had, here and there in our state, 12,000 children waiting anxiously for her return. We had also about 175 ministers, returned missionaries, ministerial students and children from our orphanage for whom no charge was made.

The Hospital Training School for Nurses has 116 students in training, 51 staff and graduate nurses, with an addition of 22 nurses and Red Cross Aids, making a nursing staff of 189.

It is one of the functions of the Baptist Hospital to educate as many nurses as possible with the Christian ideal of service. These are always selected so as to represent as nearly as possibly every section of our state.

Although quite a number of our Medical staff are constantly going into the service of our country, we still have a staff of about 75 doctors, almost all of whom are specialists in the several fields of medicine and surgery.

These two institutions—Hospital and Medical School—represent a money value to the denomination of $2,000,000.

It is with a just pride, we trust, that the American Medical Association has given the Baptist Hospital the highest rating of any hospital in the entire south, save one.

The hospital desires to express to the members of this association their appreciation for the best Mother's Day offering ever, and also to the W. M. U.'s and other church agencies this same appreciation for their generous contributions of hospital linen.

This hospital was built and has operated for these 20 years with one great fundamental purpose: That it shall be an institution through which the half million Baptists of our state may render a definite Christian service to sick and suffering humanity who could not, in most instances, have hospital treatment otherwise. It is the purpose of the denomination and the management that it shall forever remain true to this one purpose in addition to its wider service.

Respectfully submitted,

A. F. YARBROUGH.

9. The report on Orphanages, written by Coy F. Patillo, was read by the Clerk at the suggestion of the Moderator. Dr. J. A. McMillan was then recognized and brought a very forceful and touching message in regard to our duty as loyal Christians toward the unfortunates, who are our responsibility; they being our children, and Christ expects us to do our part in looking after them. The report was adopted.

REPORT ON THE ORPHANAGE

We have come together to review our denominational activities and accomplishments of the year, and to set goals toward which we shall strive.

Our North Carolina Orphanage should be among the first considered. I am glad to report that the work of the Orphanage has gone forward in a great way in the past year under the Christian leadership of caring for nearly eight hundred children.

Our Orphanage is supported by the continuation of the monthly offerings from the Sunday Schools, and the many friends who love it with their mighty Thanksgiving offerings, whose echoes are still ringing in our hearts to give more this year than ever before.

To make worthwhile men and women of the dependent boys and girls is our task, and we may realize this through prayer and the united effort of every one interested in this institution.

We recognize that more noble blood has not been shed in the II World War than has gone out from The North Carolina Baptist Orphanage.

Respectfully submitted,

COY PATILLO.

10. The Moderator then called for the report on the Baptist Training Union. This report was given by J. W. Green, who also discussed the report very ably, saying that our faith was wavering, that we should put forth more effort and manifest more interest in our youth. The report was adopted.

BAPTIST TRAINING UNION REPORT BEULAH ASSOCIATION

September 28, 1943

BROTHER MODERATOR, LADIES, AND BRETHREN:

It is my unhappy duty to report that all is not well with Training Union in Beulah Association. Our total enrollment is less than when I reported to you a year ago. Our goals set at that time have not been touched. Our activity in the majority of our unions has not been nearly what it should have been.

We could attribute this to any number of things:
Curtailed Transporation.
Loss of a great number of our young people.
Almost mass migration of workers to defense areas.
Shortage of industrial labor.
Imposition of more work and strain on those remaining.
A general disinterestedness especially among young people.

And all of these things are true. But I believe that I can safely and truly say that these are only an outcropping of the real underlying reason.

I believe that there has been a general wavering of Faith among our adults and leaders. I believe that if we could superimpose the attitude of the disciples immediately following the Crucifixion of Christ upon our attitude today we would see marked similarities. They thought all was lost. There was nothing left. They could only sorrowfully think what a great thing Christianity would have been had it only been real. They, in their dilemma, must have thought that all those glorious experiences were only pretty dreams with an unhapy ending.

But all was *not* lost. For He had said "Behold I am with you alway, even unto the end of the world."

Nor is all lost to us. Just yesterday I heard this story. A lady was making a connection at a busy train terminal. She had ridden many hours, and was almost exhausted. She had not eaten sufficiently to ward off the fatigue of travel, and at this particular place was attempting to get a little needed nourishment. She hastened to the lunch counter and hurridly ordered a sandwich. While she was practically swallowing this whole in order not to miss her train a man sitting next to her watched her sympathetically, and in a calm and reassuring voice said "Lady, you don't have to be in such a hurry. You see, I'm the Engineer on your train. It won't leave without me. Just keep your eye on me, and you'll be all right."

What a lesson we might take from this story. *All* is *not* lost. The Great Engineer has said to us "Just keep your eye on Me. Lo, I am with you alway."

So, many of our leaders have left us. Jesus said "If these should hold their peace, immediately these stones should cry out." How much more surely will he raise up new leaders among us.

So, we do have a shortage of laborers. Jesus said "Pray and Faint not." "The fields are already white unto harvest." "And the Laborers are few." Yet He did not despair.

So, we do have problems of transportation. Jesus walked 30 miles to be baptized.

And maybe there is a trend toward disinterestedness. Jesus said "Go out into the highways and byways, and *compel* them to come in."

Right now we have the greatest challenge before us that probably ever confronted a Christian People. The whole world is in flames. Our youth have been scattered to the four corners of the earth. 64% more girls under twenty years of age have been before our courts than at any previous period of our history. Juvenile crime has run rampant.

AND YET— ALL IS NOT LOST.

"Behold I am with you alway." Let us renew our faith in God—in Prayer—in Work. Let us "Compel them to come in."

Let us as delegated representatives to this Associational conference take back to our Churches these recommendations and resolutions:

That we place special emphasis on our adult activity—for we believe that the adult department is a thermometer of the activity of the entire Union.

That we sincerely *TRY* to enlist the remaining Young People in our midst, for we are inclined to think because some have gone, the remaining don't merit our attention.

That we earnestly work and pray with our Intermediates, for they have been forced to assume responsibilities beyond their years.

That we love and keep close to us and God our Juniors, for many of them have never known a peaceful world.

That we pray that our Story Hours shall not remember a world so filled with strife, and greed, and selfishness.

"AND LO, I AM WITH YOU ALWAY."

J. W. GREEN, *Associational Director*

11. At this point Rev. J. F. Funderburk presented the cause of the American Bible Society, making a strong plea for our support of this worthy organization in its extensive work for the Master.

12. In the absence of the Treasurer, M. B. Berry, Rev. W. F. West read the report of the Associational Treasurer. The report was adopted.

13. Rev. J. F. Funderburk brought the report on Public Morals. After reading the report the author very ably discuss-

ed the moral situation confronting the Church and the world today. He made a strong plea for a return to the morals upon which nations and permanent civilizations are built. The report was adopted.

PUBLIC MORALS

This report on public morals can serve no useful purpose other than to remind you of the dire need for action by those whose moral standards of living are higher than those set up by the world. If we see immoral living every day and do nothing about it, how shall we be expected to do anything about it by merely being reminded that it exists? Almost we are made to wonder whether there is any moral standard of any kind left, to say nothing of the high standards of living set by our Lord Himself. Chastity and sobriety apparently are fast going the way of the world. Our Lord set high standards of living for His people, and I am quite certain that He expected His Church to keep them high. Is it not both logical and reasonable to expect that if high standards of living are maintained, Christians must first live them?

Roger Babson, in his syndicated newspaper column, says: "If this war is fought to a finish it will end only when we repent of our sins, readjust our wasteful standards of living, and once more make God the ruler of our homes, schools, business, and nation."

Never in the history of the world has the Sabbath Day been so desecrated as now. The world skillfully argues that the picture show, baseball, football, etc., are needed to keep up the morale of our soldiers and our people on the home front. Those who thus argue are interested in the almighty dollar, rather than the soldier and his soul. Commercialized sports and liquorized law-makers have turned the Sabbath into more of a holiday than a Holy Day. "Remember the Sabbath Day to keep it holy," is fast being antiquated, and if the trend is not soon checked, ere long it will come to be the most unholy day of the week. The world, in this terrible struggle through which we have been called upon to go, is finding ample opportunity, with but little opposition, to give full vent to its immoral nature. Jesus said: "Ye are the salt of the earth." I think the meaning of that striking figure is, that Christian influence should counteract the natural tendency of human society to become corrupt. I think the influence of righteous people is the only thing that can prevent putrefaction and save society from decay.

The crime wave sweeping over our country is appalling. Liquor and crime are like Siamese twins, inseparable. These two unholy children of the world are on the march. J. Edgar Hoover, director of the Federal Bureau of Investigation, tells us that the trend of crime is downward, that is, the most of the crimes committed now are committed by youths. He says, "The number of youths under twenty-one arrested for assault has increased 17.1 percent; for criminal assault, 10.6; for disorderly conduct, 26.2; and for drunkenness 30.3 percent."

We have always thought of the delinquent girl as coming from the environment of morally degenerate people. But this is far from the truth now. Many of the delinquent girls of today are from the best homes of our country. Consequently, immoral living and venereal diseases are undermining the moral structure and health of our generation.

Respectfully submitted,

J. F. FUNDERBURK.

14. It was now time for the Annual Sermon; and after the assembly stood and sang "Faith of Our Fathers," Rev. J. N. Bowman read a part of the 24th chapter of Matthew and a part of the 8th chapter of Romans, using as a text Romans 8:37, and employing as his subject, "Kingdom Expansion in the Midst of Conflict." He brought a timely, stirring message which was appreciated by all. Rev. W. F. West then led in prayer.

15. The Moderator recognized the host pastor, Rev. C. E. Sullivan, who made announcements relative to lunch, after which the Association adjourned until 1:45 p. m.

AFTERNOON SESSION

16. The Association reconvened at 1:45 p. m. and after singing "Where He Leads Me I Will Follow," Rev. C. H. Stanfield led the devotional, read from the 11th chapter of John. Prayer was offered by Rev. John Gamble of Gibsonville.

17. The Moderator recognized the following visitors: Rev. W. S. Tilman, of Virginia; Rev. E. R. Harris, of Flat River Association. Both had formerly been pastors in Beulah Association.

18. Mrs. Errol D. Morton was not present, and Rev. W. F. West introduced Miss Ruth Franklin, Associational Intermediate Sunday School leader, who spoke in the interest of promoting the Intermediate work in the churches of the Association. The report on Sunday Schools was sent in later.

REPORT ON SUNDAY SCHOOLS

During the Sunday School year 1942-43 we had one Associational Meeting. This was held on the evening of March 31st, at Yanceyville Baptist Church. There were 69 present, with 7 pastors, 5 general superintendents, and a number of teachers—nineteen churches being represented. Our speaker for the evening was Mr. J. T. Edmunds, from the Baptist Sunday School Board of Nashville, Tenn. Goals were set for the coming year and we left feeling sure that we were going to do great things in our Sunday Schools.

In June we had an enlargement campaign for the Association. For one week these workers were in the First Baptist Church of Roxboro, then in the different churches in the Association. There were workers in 10 churches, each church having a study course during the week.

Three Standard Sunday Schools being reported—Providence (Caswell), Antioch, and North Roxboro; hoping there are more that have not been reported. Have had reports from ten Sunday Schools.

Hoping our 1943-44 Sunday School year will be the best we have ever had.

Respectfully submitted,

MRS. ERROL D. MORTON, *Associational Superintendent.*

19. The following brethren discussed the Brotherhood work in the Association: Revs. W. S. Tilman, P. T. Worrell, W. F. West, R. W. Hovis, A. F. Yarbrough, and Mr. P. F. Sutton. Bro. Sutton was asked to submit a formal report to be incorporated in the minutes of the Association, which report would be read on the second day of the session.

20. The report on Christian Education being next in order was presented by Rev. L. V. Coggins. Bro. Coggins brought an inspiring discussion on Christian Education, stating that we should live our Christian Education in such a way as to glorify Christ each day. Rev. West also made some remarks relative to the crisis now facing our children and our schools. Adoption of the report followed.

REPORT ON CHRISTIAN EDUCATION

This is the greatest educational period in the history of the world. All of the governments of the world in the Global War recognize the necessity of trained men. Civilization in its march around the world has found its strongest support in Christian Education. Christian Education begins in the home and goes out into life. Its ever enlarging field is found in the teaching and training in our churches.

The Christian College is an agency for the promotion of the Kingdom of God here upon this earth. No longer does the necessity for Christian Education have to be argued anywhere. No country can survive long and live indifferent to her Christian Institutions. Civilization is not carried on the backs of its people. It must be planted in the heart. Religion and education are the two great forces in the world. But the two must be blended if our Christian civilization is to survive. Knowledge is power any time, anywhere. But without the Christian spirit it may be a dangerous power. We see demonstrations of that going on in the world today. What is taught in our institution is not half so important as the spirit and atmosphere of the institution. Our youth need education, but they need education of the right sort.

"Christian Education is a Christian Atmosphere." Unless the individual is willing to take advantage of the spiritual training offered him, it will do no good. These and other agencies are about him for his spiritual growth—the Sunday School, the Church, the Training Union, Missionary Society, the Brotherhood, and denominational schools and colleges. But with all these influences for good working for individual spiritual development, it is still up to him whether or not he is to be benefitted. As Benjamin Franklin aptly said: "When human science has done its utmost and when we have thought the young worthy of honor, yet still we must recommend them to the Scriptures in order to complete their wisdom, regulate their conduct through life and guide them to happiness forever."

Respectfully submitted,

L. V. COGGINS.

21. Stewardship was then discussed very convincingly by Rev. J. N. Bowman and P. F. Sutton. Bro. Sutton to submit the report on Stewardship on the second day of the session.

22. The reports on Woman's Work were read by Mrs. J. F. Funderburk and Mrs. L. V. Coggins. Mrs. Funderburk gave an interesting address on the W. M. U., and Mrs. Coggins appealingly discussed the Auxiliary work of the W. M. U. with the young people. Both reports were adopted.

THE REPORT ON WOMAN'S WORK

The task to which the women of the Beulah Association have called me is a place of large responsibility. I am deeply conscious of it and need the constant prayers of all concerned. It is a place of large responsibility because it is God's work, and the best of which we are capable will be none too good for His cause. Again, it is a place of large responsibility because they have asked me to do it, and they are worthy of the best that I can give. Yet again it is a place of large responsibility because the pattern of my office has been made so by such a noble person as my predecessor, Mrs. R. L. Wilburn. God has been good to Beulah Association in the gift of such a talented and consecrated woman to lift high the flaming torch. I am grateful for the splendid help she has been to me.

And so it is that when I come to speak of the honor conferred upon me, I am overwhelmed by the magnitude of the task for the reasons just mentioned. I do appreciate the confidence of everyone and cherish each expression of love and trust, and pledge of prayers which many have so sweetly made by word of mouth or by letters. Pray that I may prove faithful to the trust committed to my heart and hands. I have endeavored to do the work to the best of my knowledge, and even though there were errors made and delays in some instances, I am sure they were oversights and not willful negligence. I am often reminded that the Heavenly Father rewards us for our faithfulness rather than what others may term success.

In reporting the work of the Woman's Missionary Union of Beulah Association, I am reminded of these words of St. John: "I sent you to reap that whereon ye bestowed no labor, other men labored and ye are entered into their labors." I am truly in that position when I recount the labor and achievements of Mrs. Wilburn, who resigned in June of 1942 but continued to serve until January 1, and her faithful co-laborers. December 31, 1942, marked the close of the fortieth year of woman's Missionary work in Beulah Association—another year of opportunities, joys, disappointments, and heartaches. But through the seeming darkness that permeates the whole world, we have followed the gleam of the flaming torch as it cast its beams over the dark shadows of a tiny part of a world entrenched by war and bloodshed. Times are troublous, uncertain, insecure, and those seeking an alibi are apt to fold their tents, ship their oars, coast along, and just take it easy. Looking to the glowing achievements of the past, we are prone to parade previous victories with a fanfare of trumpets. Pride in the past history of our work is pardonable. But while we are justly proud of our past achievements, surely all will agree that it would be suicidal to our robust mother organization to unhitch her wagon from her star, to lower her ideals and her aims and to slow her advances by simply resting on our oars. To stagnate is not only to die, but to become offensive. Let us rise with courage and enthusiasm, faith and love, and genuine interest, remembering that our Saviour never chose the easy way. Let us resolve to celebrate sacrificially our supreme vow that there shall be no spiritual blackout in Woman's Missionary work. War and complex conditions may change our skies, but our hearts remain the same.

With joy and gratitude to Him who has guided and blessed the W. M. U. work of Beulah Association, we make the following report: The Association attained the Standard of Excellence. There are 25 W. M. S.'s and all reported last year except one. There were 5 full graded Unions; 40 Mission Study Classes held, with only 18 seals awarded and 331 recorded in classes; 151 Royal Service; 116 Biblical Recorders; 153 tithers; 547 women enrolled in societies; 529 unenlisted women and young people; membership of all organizations approximately 1,082.

The following is our honor roll: Class A-1, Clement, Kerr's Chapel, Lea Bethel, Mill Creek, Providence C; class B, Bethel Hill, Milton, Providence P; class C, Blanch, Lamberth Memorial, Roxboro First, Semora, Yanceyville.

The statistical report is as follows: Gifts to the Cooperative Program, $1514.84; Annie Armstrong Offering, $196.11; State Missions Special, $215.86; Lottie Moon Christmas Offering, $351.16; Hundred Thousand Club, $429.60; State W. M. U. Expense Fund, $28.80; Heck Memorial, $47.63; Hospital, $87.43; Training School, $45.67; Orphanage, $251.97. Other gifts, $4.25. Total gifts, $3173.32; Young People's Gifts, $856, making a grand total of $4029.32. This was $836.39 more than was given the year before.

The following poem I wish to dedicate to Mrs. R. L. Wilburn:

THE FLAMING TORCH

By MRS. J. F. FUNDERBURK

A torch was given to me one day
Lit by toil-worn hands;
Hands that kept the torch aflame
For thirteen years in Beulah land.

Not without tears, not without fears
Did they pass the torch so bright;
Not without love, not without prayers
Did those hands release the light.

We grasped the burning torch,
Its flame we held aloft;
Christ led the way, we followed Him,
We counted not the cost.

To you who helped to light that torch,
Join hands with us and fight;
The sins of earth are closing in
To overpower and dim the light.

Hold high the torch's flaming light,
March onward—heed the call
Light other torches—speed the work,
And crown Him Lord of all.

Respectfully submitted,

MRS. J. F. FUNDERBURK.

25. The Association reassembled at 10:00 a. m., Wednesday, September 29, and after singing "We're Marching To

Zion," the devotional was conducted by Rev. C. E. Sullivan, the host pastor, reading a part of John 15, and then leading in prayer.

26. Minutes of the previous day were read and approved.

27. No report having been prepared on State Missions, Rev. A. F. Yarbrough was delegated to submit this report.

STATE MISSIONS

The object of our Baptist State Convention, as set forth in the constitution, shall be to promote missions, education, social service, the study of the Bible and sound religious literature and to cooperate with the Southern Baptist Convention in its work.

Our State Convention was organized in 1830. Since that time State Missions has played a large part in our Baptist work. We learned through our State Secretary, Mr. M. A. Huggins, that more is being accomplished through State Missions now than ever before. Our people are giving 30% more money this year than we gave a year ago, which sounds encouraging in these dark days through which we are passing. Our people need the gospel more than ever, for the gospel will help us to have faith in the better things.

One of the large things that is happening among Baptists is that we will soon be out of debt; with our debts behind us we can move on to larger things. Mr. Huggins says that large things are happening among Baptists. May we ever keep the good work going.

Respectfully submitted,

A. F. YARBROUGH.

28. The report on Home Missions was sent in by W. C. Pulliam, and was recorded.

HOME MISSIONS

We are constantly reminded there is no front more important than the home front. We cannot build strong outposts if we all are weak at the home base. Our responsibility as a Christian and denomination in America is to spiritually rear and train the people of our home land. Our missionary endeavor is two-fold, the cities and the country. We regret that our preparation for pre-war missions failed, because we did not make definite the dire need for immediate enlargement of every phase of our mission work here at home. Let us do our utmost while we are planning to save the rest of the world. To launch a gigantic sacrificial effort to save America. A saved America is the hope of the world. If we lose America to Christianity we have lost the chance of evangelizing the world. America needs to be evangelized quickly. We have reason to take courage. Many new missionaries have been added to the Home Board. Our missionaries distribute Bibles, New Testaments. Preaching and teaching in our cities, camps, hospitals and among the Indians, Spanish, Mountain Regions, Italians, French, Negro and Jews. The country churches are also coming into their places and if we fail not the country or rural church will become a more potent factor in our denominational life. The Board has enlarged its mission work. This should be only the beginning. We should undertake greater things for the Master. With the marvelous program of our Home Missions Board of giving the gospel to lost people; we as Christians have fallen far short of our Best. Can we be satisfied with so small a part in so great a work. It's a challenge! May the day soon come when no church can derive its missionary satisfaction from the glamour of a distant horizon, but when the triumph of the missionary enterprise all around the world will be the supreme glory of the home churches.

Respectfully submitted,
W. C. PULLIAM.

29. The report on Foreign Missions was read by Mrs. L. V. Coggins, who also spoke most inspiringly to the report, urging that prayer be made that other missionaries might be sent unto the fields, white already unto the harvest.

The Moderator read a letter from Dr. J. W. Lowe in connection with the report on Foreign Missions. An offering was taken for relief of starving people of the world, the amount of this offering being $20.77.

It was urged that pastors give churches of the Association opportunity to participate in a similar offering in the near future.

The report on Foreign Missions was adopted.

REPORT ON FOREIGN MISSIONS

"For whatsoever is begotten of God overcometh the world: and this is the victory that hath overcome the world, even our faith." 1 John 5:4.

Dr. Charles E. Maddry, Secretary, says that for ninety eight years the Baptist churches of the South, through the Foreign Mission Board, have been trying with some measure of fidelity, to make Christ and His saving gospel known to some of the heathen and pagan peoples of portions of Asia, Europe, Africa, South America and Mexico. During these years more than 2,000 missionaries have served to make Christ known.

How wonderful that the churches of our Beulah Association can have a part in all this through prayer and gifts to the Co-operative Program! No doubt some of our churches have contributed to this cause during all of these past 98 years. What blessings of reward will be awaiting them in Heaven in addition to the joys they have had in the giving!

Though many of our present force of nearly 500 missionaries have had to be transferred to other places on account of war, their work continues. Some are temporarily located in defence plant and camp areas where they are doing a splendid work. We are privileged to have 6 of these in North Carolina. Others are working in various states conducting special mission classes, preaching missions, etc. A few are working with American citizens of Japanese ancestry in Hawaii and in re-location centers here in the States. The vast majority of our missionaries are still at their posts in South America, Mexico, Africa and China, where opportunities of service are simply overwhelming them. What will it be when peace comes! Meager reports trickling through from occupied countries say that in spite of terrible difficulties most of our Baptist mission churches are still carrying on.

Starvation and want is everywhere in China and Europe. Our Board is urging that we continue to add our gifts to the already hundreds of thousands of dollars used for Relief work. It is almost criminal for us to enjoy so much food while thousands in the world are actually dying of starvation every day. In China, children die on the streets and their bodies are hauled away by the truck load. Could not each church in the Association take another special offering for Relief? Send it to Mr. Huggins, who will forward it to the Foreign Mission Board.

Everywhere there is great need for more Scriptures, especially in the work in prison camps and refugee camps.

THE COMMISSION continues to be the splendid magazine of the Foreign Mission Board with a new Editor, Mr. E. C. Routh. All its thrilling pages of facts, stories and pictures are worth far more than the subscription price of 50 cents per year. Churches are urged to put it in their church budget or get clubs of subscribers, as well as our own Bibical Recorder. Also our Board has a new Headquarters home in Richmond, a new building bought with funds donated for that purpose some years ago by Mrs. Geo. W. Bottoms of Arkansas.

We all rejoice that the Foreign Mission Board is now out of debt. Dr. Jenkins, President of the Board, tells us that in order to stay out of debt and yet meet the pressing calls that are already coming and that will increase many fold when war ends, we ought to begin building up a reserve fund upon which to draw. Also there will need to be many new missionaries and workers. Many of these need to be in training now in order to be ready for first calls. For this purpose, Mr. J. W. (Bill) Marshall, a young man specially fitted for such work has been called to be Personnel Secretary of the Board. His work is to contact young people who feel God's call to mission work and help in their preparation for such service.

We have had to send away fine young men from the churches of our Association, along with others to be trained to KILL and DESTROY. Let us *now* build ideals in the lives of the boys and girls who remain with us that will make them want to BUILD and to SAVE lives and souls. In other words let us help *them* to hear God's call to service as we pray and give. Let us saturate every activity of our church with the spirit of missions! Only thus can we build a world after God's own heart. "For whatsoever is begotten of God overcometh the world."

Respectfully submitted, MRS. L. V. COGGINS

30. The Moderator recognized State Secretary M. A. Huggins who spoke to the assembly stressing the two significant things before Baptists today, as follows: a. Big things are happening among us now. b. Bigger things should happen among us. Baptists are getting out of debt, and they should attempt greater things in evangelizing the world.

31. Dr. L. L. Carpenter, Editor of Biblical Recorder, was recognized, and spoke briefly in regard to the Recorder, its expansion, and usefulness, stressing that attempt be made to put club of subscriptions in every church.

32. It was now time for the Missionary Sermon, and the Moderator presented to the assembly Dr. John T. Wayland, pastor of Temple Baptist Church, Durham. Dr. Wayland read II Cor. 4:1-7, and brought a strong sermon, stressing the fact that "Our World is One World in Missionary Opportunity." His message was very appropriate and much appreciated. His prayer closed the morning session.

AFTERNOON SESSION

33. The afternoon session was opened by singing "Standing On the Promises," and the devotional was conducted by Rev. B. B. Knight who read a part of Luke 19 and led in prayer. He brought an inspiring message, urging that "Jesus Calls Us to Follow Him."

34. The report on Stewardship was submitted by P. F. Sutton; it was adopted.

REPORT ON STEWARDSHIP

Stewardship in the past has been discussed in the main as giving to God that which belongs to Him of our means; in other words, Tithing. But we are coming more and more to realize that Stewardship means far more than that. If we are to consider ourselves God's Stewards, we *must* recognize the fact that God has entrusted us with something that belongs to Him. He has given us life, a body, a mind; strength and power to get wealth; the power to do good or evil. Then if we are to be good and faithful stewards, we must use all those things that God has entrusted to us for His glory and for the good of our fellow man.

We must present our bodies a living sacrifice upon His altar and also all that we have, or hope to have, because it is all His. The Lord has entrusted those things to us, and is coming back one day to take a reckoning of our stewardship. So let us be diligent in handling the Lord's goods in such a way as not to be afraid to render an account of our Stewardship when He comes.

Respectfully submitted,
P. F. SUTTON

35. The Clerk submitted report on the state of the churches, which showed that substantial gains were realized in most phases of the church work during the year. Also submitted report relating to funds received for minutes and current expenses, which amount was $108.35. The report was adopted.

It was moved and seconded that statistics displayed on wall chart be inserted in permanent minutes of Association this year. The motion carried, and was so ordered.

36. The report on The Baptist Brotherhood, as requested the previous day, was submitted by P. F. Sutton and the report was adopted.

REPORT ON BROTHERHOOD

The Baptist Brotherhood is comparatively new in our association. I think this is the first report on the organization that has been offered in this association.

The Brotherhood is a group of consecrated Christian men banded together for the purpose of learning together more about the work that Christ commanded us to do, and doing this work in systematic and wholehearted way.

We think that the churches that have a good brotherhood organization are experiencing a deepening spiritually, and a deeper realization of responsibility for carrying on the work the Master started while on earth.

Let us as an association begin to work toward the organization of a Brotherhood in every church within our borders.

Respectfully submitted,
P. F. SUTTON

REPORT ON PERIODICALS

In the year 65 A. D. Paul wrote a letter to his young friend, Timothy, and gave him this bit of advice, "Till I come, give attendance (attention) to reading, to exhortation, to doctrine—for in doing this thou shalt save thyself and them that hear thee." I Tim. 4:13, 16. Paul was responsible for the conversion of the young man, and therefore Paul had high ambitions for him. If Timothy was to be all that Paul had hoped for him to be as a Christian leader, Paul knew that Timothy would have to "Give attention to his reading." Even more so it is true that in the present day men and women, boys and girls need to "Give attention to their reading." If we are to live up to the high expectations of Christ, we must read proper literature. This is where our responsibility as pastors, parents, Sunday school teachers, and leaders begins. We need to place before the youth of our association the very best literature that we can provide.

One of the great needs of our people is that they be informed, trained, and enlisted in the whole program of the Church and the Kingdom of God. The following literature is of immense value in this great cause:

1. The Biblical Recorder, Dr. L. L. Carpenter, editor, is our State Baptist paper. The report on the Biblical Recorder is very encouraging this year. The circulation has increased rapidly, at present being well over 26,000, which means a net gain for the past year of approximately 8,500. For this increase we are grateful to God, and to the pastors and leaders of North Carolina Baptists who have supported the paper and have done a splendid work in getting it into the homes of the people. In Beulah Association we have 21 churches having clubs with 266 subscribers. The aim of the Biblical Recorder is for a good, wholesome, attractive weekly that will be of marked interest and help to the whole family circle, and at the same time being a solid, substantial denominational journal.

2. The Commission and the Southern Baptist Home Missions—both magazines are helpful in the W. M. U. meetings, and also make good reading in the home. The Commission gives the news concerning our missionaries on foreign soil, while the Home Missions deal with the work here in the homeland.

3. Charity and Children—edited by Dr. John Arch MacMillan—gives us the news of our Baptist Orphanages. Also, there is a section called the "Children's Corner," which gives stories and poems for our boys and girls.

4. The W. M. U. Magazines—The Royal Service, The Window of Y. W. A., and The World Comrade—which are very helpful in preparing programs for these different organizations, also are splendid contributions for general reading in the home.

May we as Baptists heed Paul's admonition to Timothy and "Give attention to our reading."

Respectfully submitted,

MRS. R. W. HOVIS.

6. The report of the Executive Committee was given. The Committee recommended that the Associational year close on August 31, rather than on June 30, thus bringing the statistics, etc., more up to date than formerly. The recommendation was accepted by the Association.

7. The Moderator appointed J. F. Funderburk, L. V. Coggins, A. F. Yarbrough as the Committee on Committees.

8. The report on Stewardship, sent in by Miss Ruby Lee, was read by the Clerk. J. N. Bowman spoke *in re* report. It was adopted.

REPORT ON STEWARDSHIP

There is great need of stewardship study in our churches. Comparatively few of our members are regular in attendance, faithful in service or liberal in contributions. The vast majority fail to take their religious obligations seriously.

Stewardship requires that all of life be lived according to the will of God. The first recorded words of Jessus are an expression of his stewardship: "Wist ye not that I must be about my Father's business? (Luke 2:49.) That expresses conscious stewardship. We are not to be stewards because he made us, but because he redeemed us. We must be stewards of our time, talent, personality and income. How valuable time is and yet we squander it. We declare our lack of time to do God's work. "Seek ye first the Kingdom of God and his righteousness; and all these things shall be added unto you." (Matt. 6:33). We should be using our time, our opportunities. We must be awake to the thought of redeeming the time because the days are evil. Service is the rent we pay for our room on God's earth. God's work must be done by God's people in God's way. So many idle folded hands, and the harvest fields are white.

It is not the size of our talents that counts with God. It is our willingness to develop them. God has blessed every individual with some talent—are you using your talent or have you wrapped it up and laid it away?

The Old Testament lays special stress on possessions. Good stewardship is based on honesty. Are we honest with God? What halts the progress of missions?—a shortage of funds in God's treasury. The age old financial plan. Bring the whole tithe into the storehouse. Tithes and offerings are not only the test of our honesty and obedience and the proof of our love, but they are our one chance of being rich toward God. The unpaid tithe is helping to clog the stream of salvation. We tithe in recognition of God's ownership of the whole; the tithe is paid not simply because it is the Lord's, but because all one has, or acquires, is his. Paying tithes does not constitute a man the owner of the nine-tenths that are left. God's rights in the remainder are just the same as before the tenth is paid. Paul writing to the Corinthian Christians about giving said; "See that ye abound in this grace also." Every act of offering to the Lord is an act of worship. A stewardship revival is our greatest need. No revival is genuine that does not go deep enough to reach the pocketbook.

Christians who do not tithe are breaking three of the Ten Commandments. They are breaking the first by placing their money before God. They are breaking the eight because they are stealing from God. They are breaking the tenth because it is covetousness that keeps them from tithing. No Christian is better spiritually than his attitude toward money.

The minutes of 1943 of Beulah Association carry appalling figures; out of 4478 church members there are only 250 tithers. Will a man rob God? Let us give individually, regularly, proportionately, cheerfully, liberally and sacrifically. This we will certainly do if first of all we give ourselves and in so doing we shall cultivate the beautiful grace of liberality and become more like him who gave himself for us.

Respectfully submitted,

MISS RUBY K. LEA.

9. The Moderator recognized Dr. John Arch MacMillan of the Baptist Orphanage at Thomasville.

10. The reports on Missions were called for and given as follows:

a. Report on State Missions was read by J. F. Funderburk.

REPORT ON STATE MISSIONS

State Missions ought to be a major concern to every Baptist in the state. The far-reaching benefits accruing are shared by all even those who are not Baptist. The program carried on by our State Mission Board touches almost every phase of human life. It seeks ever and always to lift the state into a more commanding position.

The activities of our State Board are many and varied. It supports General Missionaries who go from one end of the state to the other with their helpful ministry. These Missionaries assist the General Secretary in organizing association-wide evangelistic campaigns, visiting churches needing help, marking strategical points where Baptist work has been neglected, and in promoting Schools of Missions, and rendering many other helpful services.

During the last two or three years the General Board has been encouraging the employment of full-time associational Missionaries, generally, paying one half of their salaries. Furthermore, for many years now the Board has been giving, in very limited amounts, financial aid to Missionary Pastors. I am thoroughtly convinced that in this phase of our work lies the Board's greatest opportunity to do some permanent work. The most of us are agreed that strong rural Churches form the nucleus for a stronger and better Baptist Denomination. We have in our own Association at least six Churches that could, with a little encouragement and financial aid from the Board, become full-time Churches. I am persuaded that there is no work that the Board can do that will yield greater returns.

Other than in the above mentioned activities the Board helps in the purchasing of building lots, promotes Christian Education in our Churches, extends its ministry to other races such as Negroes and Indians, it ministers to the sick, conducts Pastor's School and Conferences, works around the camps and defense areas, and gives support to the Allied Church League. Certainly, this is a worthy and far-reaching program. Every Baptist in the state should give full and hearty cooperation in these worthy efforts.

Your committee recommends that the Beulah Association, as soon as practicable, employ a full-time Missionary with a salary commensurate with the demands of the task.

Respectfully submitted,

J. F. FUNDERBURK, *Chairman.*

b. Report on Home Missions was read by J. N. Bowman.

REPORT ON HOME MISSIONS

The Home Mission Board now has 514 Missionaries working in 1050 churches and mission stations in the territory of the Southern Baptist Convention, in Cuba and Central America. In 1943 these Missionaries received 8,200 members into the fellowship of the Baptist churches, Seventy Four Missionaries have been added since January the First, 1943.

Missionaries of the Board are working among the Spanish Indians, French, Italians, Negroes, Jews, Chinese, and Japanese. Works are supported in mission churches by the Home Mission Board. More than 125 Missionaries are serving in Cuba and Central America.

The Home Mission Board is now cooperating with the respective State Mission Boards in the selection and support of workers for the City Mission Program. Work is now being done in thirty-one cities throughout six States. The Home Mission Board is challenged to help to establish and maintain a strong spiritual front at home from which the Gospel may be effectively sent to the ends of the world.

To meet this challenge the year of 1945 which is the Centennial year of the Southern Baptist Convention which meets in Atlanta, Ga., May 8th, 1945, other Southwide Boards and Agencies are joining the Home Mission Board to make this an all-out soul winning effort. Dr. M. E. Dodd, pastor of the First Baptist Church of Shreveport, La., has been chosen to lead in this great crusade for souls.

We rejoice that the debt which so burdened the Board for many years has been paid and the freedom from debt has made possible an enlarged Missionary Program, and for the edifying of the body of Christ and the knowledge of the son of God and in the fullness of Christ.

Respectfully submitted,

J. N. BOWMAN

c. Report on Foreign Missions failed, W. F. West, selected to give the report, being absent. Moderator appointed Mrs. L. V. Coggins to write this report.

REPORT ON FOREIGN MISSIONS

One wonders just what should be included in a substitute report, written after the adjournment of the Associational Meeting in order that the work of Foreign Missions should not be omitted from the printed records of our Association. With all the 88 pages of interesting and informative material given in the Foreign Mission Board's Report to the Southern Baptist Convention and the current numbers of the Board's magazine, "The Commission," at hand, one feels that it is such a big and such an important work that it is unfair to the cause to write about it hurriedly.

The basic thought running through the Board's Report as given by Dr. Charles E. Maddry, Executive Secretary, is "The Future's Broadening Way." One is almost staggered at the presentation of future opportunities, yet given hope of realization and a desire to live and take part in the marvelous work ahead of us as Southern Baptists through our Foreign Mission Board. Dr. Maddry believes that the present dark hour of war, destruction and starvation in Europe, Asia and part of Africa "is the darkness before the most brilliant dawn Christian missions has known in nearly two thousand years." With the Board out of debt and income from the churches increasing, careful planning and preparation is being made that it may be known just what tasks to undertake and what outlay in men and money will be needed.

Many of our more than 500 foreign missionaries are now in the States on enforced furlough but will go back to their respective fields just as soon as war conditions will permit. In the meantime they are serving as pastors, as workers in Camp areas, doing mission work in re-location centers and serving in various phases of home and state mission work.

A new work in the Hawaiian Islands has been firmly established, also much work in free China opened up and many new missionaries sent to Latin America. Several young people who have had all the other necessary preparation are now in language schools in this country preparing for future work in China, Russia and even in Japan. A few are still in occupied China. One of our missionaries, Rev. Rufus F. Gray, made the supreme sacrifice in a Japanese Internment Camp in the Philippines.

There is still a great need for World Emergency Relief funds and just now a call is being made for clothing. Paramount to this is a need for volunteers among our finest and most capable young people who will answer God's call and begin their preparation to meet the unparalled opportunities that will be presented in the near future. Recognizing the fact that "missionaries are born in mission-minded homes" fathers and mothers as well as pastors are being urged to make our homes recruiting stations for Foreign Mission work. What greater honor and more real happiness could come to our Association and to its young people than to thus have a part in this great business of making Christ known to all the world? God grant that Beulah Association may take its rightful place in this great hour!

Respectfully submitted,

MRS. L. V. COGGINS.

J. N. Bowman then spoke to report on Home Missions.

Moderator and Mrs. Ryland Wilburn spoke briefly *in re* report on Foreign Missions.

Dr. E. N. Gardner of Henderson, in behalf of State Secretary; M. A. Huggins, of Raleigh, spoke most earnestly on State, Home, and Foreign Missions. His address was greatly appreciated by the audience.

11. The Committee on Committees at this juncture made its report, which was accepted.

REPORT OF COMMITTEE ON COMMITTEES

Nominating Committee: Mrs. L. V. Coggins, J. W. Green, E. O. Foster.

Committee on Resolutions: Mrs. S. O. Garrett, Mrs. R. W. Hovis, Mrs. Tennie Shotwell.

Committee on Obituaries: Mrs. A. F. Yarbrough, Mrs. Ernest Foster, Mrs. Ryland Wilburn.

Committee on Time, Place, and Preacher: W. R. Wade, W. G. Thacker, Ralph Vernon.

12. The congregation stood and sang, "Standing on the Promises."

13. It was decided to transfer the report on the Baptist Orphanage to this point in the proceedings, and J. W. Noell read the report. Dr. John Arch MacMillan spoke most interestingly relative to the methods employed and work being accomplished with the boys and girls at the Orphanage. His address was thoroughly enjoyed by all.

REPORT ON BAPTIST ORPHANAGE

Every one who is at all acquainted with the Baptist Orphanage of North Carolina, and its workings, is proud of it, and well they should be. We venture the assertion that no institution of any of the many connected with the Baptist State Convention is more ably, wisely or economically managed than is the Baptist Orphanage. During the many years it has been our pleasure to have a little to do with this institution; at no time has it run so smoothly as it is doing today. From top to bottom it is well officered, each one striving to do the very best possible, and never do we hear of any one of them demanding more money; in fact they are not working for money, but solely interested in the business of making men and women.

The Beulah Association is loyal to this institution. We note with pride that almost every Sunday School takes a collection monthly, and it is usually pretty liberal. One thing we wish to urge, please see that your collection is forwarded to the Treasurer promptly, do not hold for a second collection. We urge every Superintendent to urge the Treasurer about this. It is important.

Respectfully submitted,

J. W. NOELL.

14. The time had now arrived for the annual sermon, and Rev. B. C. Lambe read a part of the first chapter of Philippians, using as a subject, "Unity and Faith in the Gospel," and employing Phil. 1:27 as text. It was a good sermon and should be helpful to all present. Dr. E. N. Gardner led in prayer and the Association adjourned for lunch.

AFTERNOON SESSION

15. The afternoon session was opened by singing, "Blest Be The Tie." An inspiring devotional was brought by J. H. Hughes of Providence (C) Church.

16. B. B. Knight spoke very stirringly on Public Morals; said he would submit written report to Clerk later.

PUBLIC MORALS

I find that a great percentage of the people have let down in their morals. Crime has been on the increase since war started. It is up to the preachers and church members to live for Christ and work for the advancement of God's Kingdom. We can't sit idly by and say it is not our place to fight the devil and try to improve the morals of our neighbor.

$1,800,000 was spent for intoxicating drinks since the opening of the whiskey store in Durham county. That money could do much to build churches, schools, play grounds and win souls for Christ.

This war is an out-come of people forgetting God and turning to sin.

A great many people and church members gamble, drink and break God's laws. What our neighbor does certainly has a bearing on our community. I see drinking, gambling, taking God's name in vain, breaking the Sabbath Day, immorality and the other commandments broken.

We preachers and Christians must not only go on record opposing bad morals, but we must do something about it. It is our duty to try and stop shows, dancing and operating business, or anything that does not keep the Sabbath day Holy. We must fight the sale of intoxicating drinks, gambling, immorality or anything that lowers the morals of people. We must take an active part even if we have to elect Christian men to hold our public offices.

Respectfully submitted,

B. B. KNIGHT.

17. L. A. Martin of Allied Church League of North Carolina spoke enthusiastically on Public Morals. His address was thought-provoking and helpful.

18. The report on Hospitals was read by A. F. Yarbrough, who also spoke briefly to the report. It was adopted.

BAPTIST HOSPITAL

The Baptist Hospital was established by our denomination for the purpose of providing hospital facilities for the sick of our state who are not financially able to pay for treatment. In normal times, about one-third of the population of our state is found in this class.

It was the purpose of our Baptist brethren that this should be rendered as a great Christian service, by the entire denomination, to these unfortunate poor.

Since the opening of the hospital in 1923—a little more than 20 years ago—about 77,000 patients have been treated to date. Of this number about 28,000 were of these for whom the Institution was primarily provided—service or charity patients. During these years the hospital has rendered—in most instances, free service to about 1,650 ministers, missionaries and ministerial students. Last year—1943—10,333 patients were treated. Of this number 3,444 were free patients or paid little. This free service last year represents a cost of $145,509.76. The free service of the hospital for the little more than 20 years of its history represents a cost of about $2,302,000.00. This cost was covered by one dollar per day per patient from the Duke Foundation, a little profit from pay patients but largely from the Mother's Day offering by the churches.

The Mother's Day offering by the churches this year amounts to date to about $90,000. The largest ever. This includes hospital linen donated by the W. M. U's. and other church agencies in the amount of about $2,000 so far this year.

The Training School for nurses has an enrollment at present of 119. Of these, 101 are "Cadets." That is, they receive certain expenses for their training from the National Government in consideration of their needed service in the present war emergency.

Notwithstanding, the recent expansion of the hospital's facilities, it is constantly over-crowded, which makes it impossible to render prompt and much needed service to all who apply.

About two-thirds of the patients who come for treatment are pay-patients. They provide their own doctor as they may choose, and pay their hospital bill.

About one-third of the population of our state, in normal times, fall in the class that cannot pay for hospital treatment.

This Institution is attempting to keep uppermost in mind always the purpose for which it was created, primarily the treatment of the poor in a Christian Institution.

The hospital, in cooperation with the Medical School, has a staff of doctors capable of treating almost any condition of physical ills.

Respectfully submitted,

A. F. YARBROUGH.

19. Reports on Christian Education were called for, and J. W. Green submitted the report on B. T. U. and spoke comprehendingly *in re* B. T. U. work. The report was adopted.

BAPTIST TRAINING UNION REPORT

As your associational director, I have the happy privilege to report to you that Training Union has taken an up-turn in Beulah.

I speak not so much of increase in enrollment or attendance, but more from an angle of attitude and trend. This movement, (for Training is a Movement), like other great undertakings, cannot be judged by single instances of success, or partial success, or by superficial appearances. We did not lose the war with the catastrosphe of Pearl Harbor. Neither can we count complete success with the reoccupation of France. Nevertheless, the TREND is toward VICTORY. Such is the TREND with Training Union.

A short while ago I had the happy privilege of assisting in a small way the organizing of Training Unions in Providence (Person), and Ca-Vel by Brother Bowman. Only by having been present can one imagine the enthusiasm and determination shown by these people in this great undertaking. Since that time I have repeatedly inquired of Brother Bowman and members of these Unions about their progress. Every report has been most favorable. They have shown a consistent and commendable growth, both in enrollment and interest.

Brother Bowman relates that one of his members, after having taken a part on the program, confessed that it was the first time in her life that she had ever attempted to make a talk in public. She was most joyful in her accomplishment. SURELY if we are to witness for Christ to our fullest possibility we cannot afford to miss this valuable training.

More recently I had the pleasure of attending a Training Union social as the guest of Brother Lambe and his Providence (Caswell) group. There I found the same interest prevailed.

Everyone was most enthusiastic in the work. Nor was this enthusiasm an illusion created by the copious amount of home-made ice cream and cake—served even to the third and fourth helping. Nor by the almost unbelievable capacity of a certain Pastor's wife in disposing of these refreshments. Nor even by the keen interest shown in the wholesome and educational games played.

No. This was genuine enthusiasm in Training Union work, for the social side of our religious lives is rightly recognized by B. T. U. as a necessary part of our activities, rightly deserving recognition, and promotion, and above all, direction.

Here at this same meeting I was requested by a guest from Semora to assist them in re-organizing their Union in her Church.

On other occasions I have spoken to Brother Hovis, to Brother

Funderburk, to Brother Coggins, to Brother Yarbrough, and to others of our Baptists in the Association. They all report a renewed interest in our work.

All this despite the fact that a considerable number of our churches are without Pastors. Despite the fact that we *are* at war; despite the fact that our travel is limited due to rationing; despite the fact that we have lost many of our members—even our leaders; despite the fact that we have had restrictions due to the polio epidemic; and despite the fact that Training Union probably requires more effort on the part of every individual than any other department of our Church.

Yes, the TREND of Training Union in our Association is upward.

May I make this prediction, and will you help me to make it a reality? *That 1945 shall see Training Union make such strides in advancement as Beulah Association has never before seen.*

Respectfully submitted,
J. W. GREEN, *Training Union Director.*

Rev. R. H. Satterfield, Field Representative of Meredith College, brought a great message on Christian Education, emphasizing the work being done in our Baptist colleges, and showing the importance of Christian Education to permanent Christian civilization. "The school room is a more powerful instrument in maintaining our Christian principles and freedom than is military equipment," stressed the speaker. His address was soul stirring and of great benefit.

The report on Sunday Schools was sent in by Mrs. Errol D. Morton, Associational S. S. Superintendent.

REPORT ON SUNDAY SCHOOLS

In 1943-44 our Associational Sunday School work has not been very active. Owing to the shortage of gas we have been unable to have our monthly meetings.

Our Annual Associational Meeting was held the fifth Sunday in April in an all day meeting at Lamberth Memorial Church. We had a large crowd with twelve churches represented, having a number of superintendents and teachers present. Miss Franklin, our Intermediate Superintendent, had charge of the morning meeting. Mr. Bishop of Roxboro brought the inspirational message. The Intermediates of Roxboro Baptist Church had a program; after which we had lunch.

In the afternoon we had our general meeting. The goals for the past year were discussed and new goals set. We all agreed to try and do better work.

In July we had another all day meeting, at Semora Baptist Church. Our inspirational message was brought by Mrs. Al Martin of Roxboro. The crowd was small but all interested. At this meeting we decided to send a box of linen to our Baptist Hospital at Winston-Salem from the Sunday Schools of Beulah Association.

Few Sunday schools have reported; however, in these we have three Vacation Bible Schools and one Standard Sunday school—Antioch.

Respectfully submitted,
MRS. ERROL D. MORTON, *Associational Supt.*

20. The report on W. M. U. was written by Mrs. J. F. Funderburk and was read by J. F. Funderburk. Mrs. Coggins spoke on W. M. U. work. The report was adopted.

REPORT ON WOMAN'S WORK

Woman's Missionary Union of Beulah Association enjoyed a splendid year during 1943. As we led the procession of consecrated women in missionary work in the light of the flaming torch of Jesus held high above the sound of bombs, screaming air raids, and belching machine guns which many of our members had to face as they gave their gallant sons to the call of their country, we have not been unmindful of the heartaches, the tears, and death shadows that have crept along many paths. Our women have been most faithful, and I thank our Heavenly Father for the joy of serving such strong and courageous women of Woman's Missionary Union. It is a blessed privilege to bring to this association a report of at least a part of the work that Beulah women did during 1943.

The report as compiled by your superintendent shows 10 points attained on the Associational Standard of Excellence. We failed to make a ten per cent increase in the total enrollment in the W. M. U. organizations, and a net increase of ten per cent in the number of organizations.

Of the 26 churches only one has not had a W. M. S. organized. Although we are sorry to report that we did not have a single report from two of the 25 during 1943. I would like to remind our women that there has been a falling off in the membership of the societies, the number being 539 against 547 in 1942.

The following churches were full graded unions: Clement, Mill Creek, Providence P., Roxboro First, and North Roxboro. The Honor Roll shows in class A-1, Blanch, Lea Bethel, Providence P., in class B, Antioch, Bethel Hill, Clement, and Lamberth Memorial, and in class C, Kerr's Chapel, Milton, Semora, and Shiloh.

There was an increase in Mission Study classes, there being 48 classes held with 347 enrolled and 86 awards as against 48 classes with an enrollment of 331 and 18 awards in 1942. There were only 2 societies reported engaged in Bible Study to the end that they might win souls. Consequently, I fear we are missing the most important reason for Community Missions. There were 17 societies reported engaged regularly in Community Missions. We have gained in the number of subscriptions to our publications as compared to 1942. That year there were 151 Royal Services and 116 Biblical Recorders. Last year there were 198 Royal Services and 144 Biblical Recorders.

We had an increase in the number of tithers from 153 to 159 as reported. Only one Stewardship Class and four societies observed Stewardship Night. But we are happy to report that in five churches every resident woman member gave to missions. They are as follows: Kerr's Chapel, Lea Bethel, Mill Creek, Providence P., and Shiloh. This was one outstanding goal for us, and even though it looks very hard to attain, there were only 698 out of 25,737 Southern Baptist Churches that reached this goal. It gives me great pleasure to report that we made worthy gains in our gifts during 1943, as the statistical report will show.

REPORT OF COMMITTEE ON RESOLUTIONS

Someone has said, "No metaphysician ever felt the deficiency of language so much as the grateful." Truly, that is our feeling as we try to voice appreciation for the manifold blessings that have been ours in this our One Hundred Tenth Session of Beulah Association.

To the Program Committee we feel like we want to say, "What shall we render unto the Lord for all His benefits toward us?" For we have truly benefitted in the inspiring messages that have been brought to us today.

To Dr. E. Norfleet Gardner, of Henderson, who so ably represented our State Secretary, Mr. M. A. Huggins, who could not be present today, for the stirring message on Missions, linking together State, Home, and Foreign Missions.

To Dr. John Arch MacMillan, representing the Orphanage, we express grateful appreciation.

To Rev. B. C. Lambe for the sincere and heartfelt sermon to be more faithful in our prayers for those who have been called to the ministry and for the desire for greater unity in our church work.

To Mr. L. A. Martin and to Rev. B. B. Knight for their great speeches on Public Morals.

To Rev. R. H. Satterfield, who came and spoke most earnestly in the interest of Christian Education.

And for the beautiful devotions we indeed give thanks.

We found the church bedecked with flowers which lifted our souls heavenward.

To Mr. J. W. Noell, our venerated Moderator, and to Rev. R. W. Hovis, a team that is unexecelled, we express appreciation.

To Rev. and Mrs. L. V. Coggins and the members of Lea Bethel Church and community, we are deeply indebted for a great day of Christian fellowship in their lovely new church, and for their contributions toward the bountiful lunch that satisfied the inner man.

To everyone who participated in making the Associational meeting a success, and most of all to God, we say, "Thank you from the bottom of our hearts."

Harmony, Olive Branch and Rock Grove from Flat River Association. On motion by J. F. Funderburk, and seconded by Mrs. R. L. Wilburn, the Association voted unanimously to receive these five churches into the Beulah Association. The Moderator spoke words of hearty welcome to these churches and extended the right hand of Associational fellowship to the pastors and large delegations from these churches.

5. J. F. Funderburk, Chairman of the Executive Committee, gave the following report of that committee:

REPORT OF EXECUTIVE COMMITTEE

The Executive Committee of the Beulah Association held its first meeting of this Associational year with the Ca-Vel Baptist Church on January 22, 1945. The purpose of this meeting was to discuss plans by which this Association could best cooperate in our Centennial Evangelistic Campaign. After a lengthy discussion it was unanimously decided that a simultaneous campaign was not advisable. Then on motion of Brother Brooks it was decided to hold an Associational Rally at the Roxboro church on the fifth Sunday afternoon in April. At this meeting our churches were fairly well represented, and Brother Greer of the Orphanage, brought us a very fine inspirational message.

Then on this same afternoon we held our second meeting, the purpose of which was to discuss plans for securing an Associational worker for the summer months. The idea was well received and a committee was appointed to confer with Mr. Huggins relative to this new venture. Plans were worked out by which the expenses of this worker were to be mutually shared by the State Convention and the Association. Mr. Luther Morphis, a ministerial student of Wake Forest College, was secured for this place. Judging from observation and reports his work was entirely satisfactory.

The third and last meeting of the year was held with the First Church of Roxboro Monday, August 27, at which time final arrangements were made for the meeting of our Association. It was brought to the attention of the committee that a new church, Mitchell Chapel, was seeking membership in the Association. Whereupon a committee was appointed to investigate the status of said church and report its findings to this body, now in session.

Respectfully submitted,

J. F. FUNDERBURK.

R. W. Hovis read the report of the Investigative Committee appointed by the Executive Committee. The report follows:

REPORT OF COMMITTEE APPOINTED BY EXEC. COMMITTEE

The committee appointed by the Executive Committee of Beulah Baptist Association to investigate the status of Mitchell Chapel Baptist

Church, upon the application of this church to become a member of the Association, after due investigation has found that said church is properly organized and is functioning well as a Missionary Baptist Church. The pastor, the Rev. B. B. Knight, is leading the church in accomplishing a good work for the Master. We, therefore, recommend that Mitchell Chapel Baptist Church be admitted into the membership of the Beulah Baptist Association.

Respectfully submitted,

J. BOYCE BROOK, *Chairman,*
R. W. HOVIS, Member,
J. B. CURRIN, Member,
The Committee Appointed.

Both these reports were adopted by the Association, and the Moderator welcomed the newly organized Mitchell Chapel Baptist Church into the Beulah Association. The five churches mentioned above, along with this new church, all coming into Beulah Association, swelled our enrollment to a total of thirty-two churches in the Association.

6. The Moderator appointed the following as Committee on Committees: L. V. Coggins, J. N. Bowman, A. F. Yarbrough.

7. The Clerk gave the Digest of Letters, citing some comparisons of this year's achievements with those of last year, which indicated that, on the whole, much progress has been realized in the Association.

8. The report on Stewardship was read by W. T. Baucom, who also spoke very interestingly on the report. It was adopted:

REPORT ON STEWARDSHIP, BEULAH ASSOCIATION—1945

The principle of stewardship is the consciousness of having received nothing for our very own, that all we have comes from another and is to be administered in accordance with the plan and will of the Master who gave it, and this is to be done for his glory. "Of thine own have we given thee" is the steward's conception of giving. This is true because no one can be a true steward until he recognizes that all is God's. His before it was ours, his while it seems to be ours and His by a new right when we give it back to Him.

The true steward recognizes that all life is a unity, that life and all that inheres in it belong to God who gave it. Such a steward acknowledges that all his time, energies, talents, personality and possessions of whatever kind are a part of that life that belongs to God. He also recognizes that he must hold all of these in the right relation to God, consecrate and use them according to the will of God and for his glory. Therefore a true steward can not spend according to fancy or whim, or leave his giving to the work of God's kingdom to accident, or inclination on the spur of the moment. He knows his stewardship covers all his income, all he spends on himself, his family, his business and his pleasures, as well as all he gives to the work of the kingdom of God. He dedicates all of life, time, talents, powers and personality along with all his possessions to God who gave them.

The true steward dedicates all of this unity of life to God for one definite purpose, that of giving the gospel of the Son of God unto the world, because this gospel is the Christian's greatest gift from God. It is given unto men that they may, rather that they must give it unto others. "Woe is me if I preach not the gospel," said Paul. This gospel was given for all mankind, of every condition, of every clime and for all time. All who believe and receive it become stewards of the Gospel and become responsible for giving it to all the world. That task is the heart of all stewardship.

Respectfully submitted,
W. T. BAUCOM, *Committee.*

9. The report on Periodicals was read by Miss Ella Thompson, and was adopted. Miss Thompson spoke impressively on the importance of Baptist periodicals in every home as an influence for permanent good.

REPORT ON PERIODICALS

A fundamental need in Beulah Association is more reading of our church publications in every home.

"Where there is no vision, the people perish". We are forced to acknowledge that as an Association of Christian churches we have not the vision we ought to have,—vision which is needed for carrying on urgent Christian work in the world today. The information, inspiration, and guidance afforded by our church periodicals help, as nothing else can, to impart this vision.

Look at the persons in any congregation who hold positions of leadership and responsibility, and almost without exception we find they come from homes where the state church paper has been a weekly visitor during the years when their ideals and habits were being formed. Look at the homes in this Association which are making themselves count for most in Christian service; or look at the churches here, or elsewhere in the state or Southern Baptist Convention, which are most prosperous, enjoying the richest Christian fellowship, the greatest unity and co-operation, the most stimulating stewardship, generous giving, earnest praying,—the most blessed results in all their work—and almost invariably these are homes and churches which make large use of our Christian periodicals.

There are three ways of promoting religion,—by personal living, by preaching, and by the printed page. Without discounting the first two means, we need to emphasize the last. Because this value has *not* been emphasized *enough* in Beulah, we beg for livelier interest on the part of our church leaders. We plead that pastors, deacons, S. S. Superintendents and teachers, and members of W. M. U. lead us in subscribing to our denominational periodicals, in frequently calling attention to leading articles in these publications when talking with others in homes and public gatherings, and in generally stressing the importance and worth of these publications.

Toward a fuller use of these periodicals we recommend

1) In every church a Committee on Christian Literature, whose special responsibility it shall be to interest and enlist subscribers, and keep the publications before the people at all times.

2) In every church definite periods of special emphasis on these periodicals, when their mission and ministry are explained and urged by the pastor, and re-enforced by the officers in every department of his church.

(These periodicals to include the BIBLICAL RECORDER, THE COMMISSION, HOME MISSIONS, CHARITY AND CHILDREN, W. M. U. publications—ROYAL SERVICE, WORLD COMRADES and THE WINDOW OF Y. W. A.—BAPTIST TRAINING UNION MAGAZINE, and publications of the Sunday School Board other than the regular S. S. quarterlies and leaflets.)

3) That each church endeavor to take advantage of the Club rates, or better still, the budget or Every Family Plan, offered by the RECORDER, THE COMMISSION, and CHARITY AND CHILDREN.

Respectfully submitted,

ELLA GRAVES THOMPSON.

10. At this point the report of the Committee on committees was given by L. V. Coggins; the report follows:

a. Nominating Committee: J. B. Currin, Miss Ruby Lea, Mrs. Ryland Wilburn.

b. Committee on Resolutions: A. C. Hayes, Mrs. S. O. Garrett, W. T. Baucom.

c. Committee on Memorials: Miss Ella Thompson, Mrs. Robert Powell, Mrs. R. L. Wilburn.

d. Committee on Time, Place, Preacher: J. Boyce Brooks, R. K. Young, O. R. Yarbrough.

11. Reports on Missions were given as follows:

a. State Missions, by A. F. Yarbrough.

STATE MISSION IN NORTH CAROLINA—1945

The purpose of State Missions is to provide a program of activities in which each of the churches can share to the end that Christ may become regnant in North Carolina in all relationships. In order to do this many activities, which we list here, are undertaken.

1. Aid is provided for part payment of the salaries of missionary pastors in needy and strategic places. The fact about one-half of our church members in North Carolina are Baptists is due in large measure to the fact that we have provided help for churches that could not help themselves. During the year ending September 1944 we had 66 pastors who were thus being aided. These pastors were serving 121 churches, in which they preached nearly 6,000 sermons, made around 22,000 visits, and reported 902 baptisms. Apart from the amount which these 66 churches paid on pastors' salaries and church buildings, namely $135,760, they gave to convention causes $34,292. Incidentally, during the past calendar year, that is 1944, we paid a little over $29,000 in salaries to these missionary pastors.

2. The State Mission program provides for three general missionaries: J. C. Pipes, E. L. Spivey and Earl L. Bradley. They assist the General Secretary in the promotion of all the work of the Convention.

3. The Convention does not have money with which to help in church buildings except in unusual situations. It does seek, however, to buy lots in growing sections of our cities and in the rural districts where a new church is being established, or an old church wishes to move its location in order to be near a good highway. The Convention could use to good advantage $100,000 a year in stimulating churches to erect better buildings, better educational plants, etc.

4. The Convention also promotes the work among the Indians in Robeson County, and joins with the Negro Baptists of the State in their

work. Our Convention helps the Negro Convention to provide for a General Secretary, and a Sunday School and Training Union Secretary. The good will created through this endeavor is far more valuable than can be said in terms of dollars.

5. The Convention also provides for a visitation program for the sick in the Veterans' Hospital at Oteen and in the sanatoriums at Aberdeen and Black Mountain, and ministers to the girls at Samarcand through Brother E. M. Harris.

6. The Convention, through State Missions, cooperates with many of the associations in providing for Associational Missionaries. As a rule the Convention provides about $750 a year toward the salary and expenses, and the association provides the rest. There are about twenty of these Associational Missionaries now employed, but there ought to be at least fifty.

7. The Convention cooperates with the Home Mission Board in the work of City Missions. We now have four such centers in North Carolina, Raleigh, Greensboro, Durham and Charlotte.

8. The Convention also promotes through the State Mission program Christian Education in the Churches. This includes the work of the Sunday School Division, Training Union Division and the Student Union Division. These three divisions aid many churches during the period of a year in planning for better Sunday Schools and Training Unions, and in helping our students in the colleges.

9. Of particular interest is a new and enlarged work which we have undertaken during this past summer. About one hundred of our finest young people from our colleges have been working in the churches and associations this summer. It would be difficult indeed to overestimate the value of the work that has been done by these young people during this summer.

10. Other items that come under the head of our State Mission program are the work of the Allied Church League, Pastors' Schools and Conferences, the North Carolina Radio Hour.

The above only lists the various activities that are carried on under our STATE MISSION PROGRAM.

For this work the STATE MISSION ACCOUNT was provided during the year 1944 with 11% of the Undesignated Cooperative Program, plus the special designations for State Missions. The total amount received for this purpose from these two sources was $182,862.22. We believe the amount this year will be more than $200,000. The W. M. U. has set the goal for offerings during the month of September at $30,000.

Respectfully submitted,

A. F. YARBROUGH.

b. Home Missions, by W. B. Guthrie.

HOME MISSIONS

Home Missions is that group of missionary and evangelistic tasks which either because of their nature or their size and difficulty can best be handled by a Southwide denominational agency.

Now that the war is ended, our Board will face new needs and new and greater opportunities. The objective of the Board is to evangelize the lost in the homeland. We are to win the Southland for Christ, to train those who accept Christ for the task of winning the world. We cannot give that which we do not have ourselves. We must have a religion at home that is worth giving to the people abroad. When the people of the homeland come to know and do the will of Christ, we can teach the same to the world.

Missions at home is more than preaching the Gospel to underprivileged groups. It has to do with the growing of a missionary denomination. We need to rebuild the spiritual and missionary morale of our people. We need to rekindle the fire of interest in a lost world. We must undergird every organization from the cradle roll in our Sunday Schools to the ministry of our pastors with the evangelistic and missionary spirit.

Respectfully submitted,
WALTON B. GUTHRIE.

c. Foreign Missions, prepared by Mrs. W. B. Witty, and read by Mrs. W. T. Baucom.

REPORT ON FOREIGN MISSIONS

Membership in a Baptist church places upon us certain inescapable obligations, not the least of which is full support of the missionary program of the denomination. The only one of the twelve apostles who did not become a missionary became a traitor, and we have no choice today except between those same two courses.

The time has come now when new doors of opportunity are going to be opened in the foreign field, and the program, which for several years has been curtailed on account of the war, may now be resumed on an ever-expanding scale. This program, toward which many are looking as our only hope for permanent peace, depends more on the financial support which we are going to have to give than upon any other factor. Young men and women stand ready to go and carry the gospel, but "how shall they preach except they be sent"? There are thousands, too, who are stricken by disease and overcome by starvation who are looking to us for the staff of life, both the physical and the spiritual. We MUST not fail them again! We have seen the prophecy of a prominent Baptist business man come to pass. He said, "If we do not send missionaries to Japan we will have to send bayonets". We have sent the bayonets, and with them the Baptist churches of America have sent the cream of their young membership, and not to carry the gospel, but to carry death and destruction. Now, that the bloodshed of war is over, we must replace it with the shed blood of our Lord and Saviour in a concerted effort to build again what we ourselves have helped to destroy.

We cannot believe that the Baptists of Beulah Association are going to leave these opened doors unentered in so far as we are able to go or send laborers, because if we are found wanting this time, the doors may be shut forever. It is either Christ or chaos, and the command is still, "Go, ye!"

Respectfully submitted,
MRS. W. B. WITTY.

State Missionary Earl L. Bradley was then recognized by the Moderator, and spoke most inspiringly on the unusual missionary opportunities today, imploring our response to the urge of these opportunities and our manifesting our loyalty to the program of the church to the point of sacrifice. His message was very moving and impressive.

The reports on Missions were adopted.

12. Dr. L. L. Carpenter, who was not present when the report on periodicals was given, was recognized by the Modera-

tor and brought a great message on the genuine value of good reading material, emphasizing especially the great value of the Biblical Recorder in every Baptist Home. His message was enjoyed by all.

13. It was now time for the annual sermon, and after the assembly sang "Onward Christian Soldiers", J. Boyce Brooks, pastor of First Church, Roxboro, read a part of the third chapter of II Peter and spoke on "The Value of Christian Training," that we may know Christ's Way and Christ's Plan. He emphasized that we should seek to grow in grace and in knowledge and Christian character. His sermon was most interesting and well received.

14. L. V. Coggins, the host pastor, made some remarks relative to the founding of Lamberth Memorial Church, its name, etc.

Then the Moderator declared the assembly adjourned for lunch.

AFTERNOON SESSION

15. With the singing of "When the Roll is Called Up Yonder" the afternoon session was opened, and a very instructive devotional was given by J. B. Currin, pastor of Olive Branch and Rock Grove Churches.

16. The report on Public Morals was given by W. B. Humphries. L. A. Martin, of Lexington, temperance worker of North Carolina, brought a very stirring message on the low ebb of the morals of our great state and country, and implored the people to do something looking toward the permanent improvement of the tragic situation. The report was adopted.

PUBLIC MORALS

In thinking of public morals we think also in terms of civic righteousness, Christian citizenship as of prime importance in our Baptist ranks in North Carolina and throughout the world. Our people should bring the highest type of Christian thinking and living upon all phases of human activity. We should take a positive stand against alcohol in North Carolina. It is hoped that the State Department of Education will set in motion a broad plan of Education covering the temperance question and point out what science teaches on liquor evils. We feel that there is so much social drinking in our day that we should look forward to outlawing liquor in North Carolina.

JUVENILE DELINQUENCY

The alarming situation. With the morality of youth. The Federal Bureau of Investigation has sounded warning after warning over the mounting rate of delinquency. A report last April revealed that in 148 Juvenile courts of all Cities Counties above 50,000 there has been an increase of 8% in cases tried from 1940 to 1941, and still further increase of 9% from 1941 to 1942, when 112,889 cases were tried. The F. B. I.

reports that the arrests of girls under 21 rose from 9,675 in 1941 to 15,068 in 1942. In time of war there is always a restlessness which affects youth no less than adults. Most of all we pray for a Church ministry, from the pulpit to the least class room. A challenge to our Church to consecrate themselves unto the Lord, furnished unto all good workers.

Respectfully submitted,

W. B. (BILL) HUMPHRIES.

17. J. N. Bowman brought the report on Baptist Hospitals. Chaplain Charles E. Parker of the Baptist Hospital spoke most earnestly to this report. He emphasized very strongly the importance of healing as a Christian service, and pleaded for the Baptists of our state to make this possible to a greater extent. The report was adopted by vote of aye.

REPORT ON THE BAPTIST HOSPITAL—1945

(1) The North Carolina Baptist Hospital was incorporated in 1922 and received its first patient May 28, 1923. Originally planned as a 100-bed institution, it was enlarged in 1942 to a capacity of 247 beds.

(2) Number of Patients: Each year the Hospital is able to admit approximately 8,000 patients as bed patients. Of the 8,000 patients admitted as bed patients each year, slightly over 4,000 of these are service patients who pay no doctor's fee and a slight portion of their hospital expense. During 1944 approximately 3,000 of these paid nothing at all. Money given on Mother's Day each year is used for this expense. Cost to the Hospital of free service rendered during 1944 was $198,649.92. This amount of charity work was made possible through the Duke Endowment which gave $26,889.00.

(3) Out Patient Clinic: These clinics are operated for patients unable to pay a specialist fee, the only charges made is a $1.00 registration fee. During 1944 the Hospital examined few less than 17,000 patients from all over North Carolina.

(4) Medical School: The Wake Forest College Medical School was moved to Winston-Salem and a modern building constructed adjacent to the Hospital. This was made possible through the generosity of the heirs of the late Mr. Bowman Gray of Winston-Salem; the school was named in honor of Mr. Gray and graduated its first class in 1943. At present there is a total of 18 doctors and nurses receiving professional training for the missionary fields.

(5) School of Nursing: The Baptist Hospital operates one of the fullest approved schools of nursing in the South, and at the present time has an enrollment of about 150 young ladies.

(6) Administratorship: Mr. Reed Holmes, a Baptist who has been Assistant Administrator at Duke Hospital for the last six years, has been appointed as Administrator of our Baptist Hospital, succeeding Mr. Ray E. Brown, effective September 1, 1945.

Respectfully submitted,

J. N. BOWMAN.

18. Report on Baptist Orphanages was read by W. T. Baucom. Superintendent W. C. Reed of Kennedy Home spoke most interestingly and informatively to the report. The Association adopted the report. (This report had been prepared by Miss Doris Foster).

THE NORTH CAROLINA BAPTIST ORPHANAGE

Wars may come and go, we may sign treaties of peace, and establish world tribunals, but the homeless child is ever with us. Wars have been hazardous to homes and childhood. During the past two years, many children have been born in this country who have never seen, and who will never see their fathers. These fathers have given their last full measure of devotion in the service of their country. Others, through dissipation and neglect, have shirked their responsibility as parents—and left helpless children dependent on Christian citizens. Shall we be faithful to these children?

From the beginning there has been in the hearts of North Carolina Baptists a Christian and motherly feeling to take children who have lost their parents and homes into their arms and care for them as Jesus did. And it is true that our orphanage is the most direct channel through which we render service to these children. During the past year, we cared for approximately seven hundred children in the Mills Home and Kennedy Home, through Mother's Aid and in Boarding Homes.

It costs $675.00 a day to care for the large family now in the Orphanage. We cannot build orphanages large enough to care for all needy children. Christians should in some way stimulate fathers and mothers, and prospective fathers and mothers to rededicate themselves to the task of building good homes. We win military victories in vain, at the expense of our fine boys and girls, unless we can here at home win moral and spiritual victories that will unshackle the children of tomorrow.

So, Christian friends of our Beulah Association, let's continue with greater emphasis the monthly offerings from our Sunday Schools and the Thanksgiving offering to help carry on this great work.

Respectfully submitted,

(Miss) **DORIS FOSTER**, *Reporter N. C. Baptist Orphanage.*

19. Associational Superintendent of Sunday Schools, Mrs. Errol Morton, brought the report on Sunday Schools. In the course of this report it was decided to send contribution of linen to the Baptist Hospital again this year.

REPORT ON SUNDAY SCHOOLS

The Beulah Sunday School Association had only three meetings during the Associational year, with an average attendance of 60 or more.

The annual March meeting was held at Roxboro First Baptist Church, with 12 churches represented. The inspirational message was delivered by Rev. A. P. Stephens of Burlington, his subject being "Our Partner in Doing All These Things." Several of our Associational pastors spoke on different phases of our work.

The most outstanding thing we did was to send linen to Baptist Hospital at Winston-Salem, thirteen churches having part in this. Linen sent was: 65 sheets, 56 bath towels, 89 bath cloths, 55 hand towels, 107 kitchen towels, 3 dresser covers, 2 dish cloths, 2 dozen napkins, 18 cakes soap, 17 pillow cases and $33.05 in money. We are hoping to do this again this year with every church taking part.

Of the churches sending reports, 18 have had Vacation Bible Schools this summer. Two Sunday Schools are Standard—Antioch and Mt. Harmony. Roxboro Sunday School lacks just one point of being Standard.

Several churches have had study courses.

Respectfully submitted,

MRS. ERROL D. MORTON, *Asso. S. S. Supt.*

20. J. W. Green gave the report on B. T. U. work in the Association, and spoke interestingly to the report. Report was adopted.

ANNUAL REPORT TO THE BEULAH ASSOCIATION BAPTIST TRAINING UNION—1944-1945

We are glad that all accomplishments and attainments are not measured by physical and tangible standards. To so measure the progress of our Training Union in Beulah Association might make us feel that we have not accomplished so much.

Yet even by these standards we can feel that we have not labored in vain. We have one additional Training Union now that we did not have last year. Every active Training Union in the Association has had at least one study course this year as prescribed by our Southern Convention, receiving seals or diplomas for each individual participating, one of these being without a pastor at the time. We can number our daily Bible readers by the scores. We accepted the challenge in the simultaneous associational B. T. U. meetings throughout the Southland, and went beyond the goal set up for us.

We could have done less in all of these.

The intangible and spiritual gains are more difficult to recount. A good wife of a pastor was recently discussing the trials and discouragements of her Training Union experience over a period of years, and remarked that at times she almost felt like giving up. But she said, "I'm glad I didn't, for three of 'my' boys have since given themselves to full time service in the ministry." Can we measure our efforts in the light of such results?

We often get discouraged because our membership enrollments are small. Did you ever stop to think that this may be as it should be? Jesus fed the five thousand, but he only chose the twelve to receive his innermost thoughts. He healed the multitudes, but He took only three to witness the miracle of Transfiguration. Maybe His plan is that we concentrate on the few who have shown by their inflexible fidelity that they want to serve Him in a greater way.

Let us not be discouraged. Let us press on. Calvin Coolidge once said, "Nothing in the world can take the place of persistence. Talent will not; nothing is more common than unsuccessful men with talent. Genius will not; unrewarded genius is almost a proverb. Education will not; the world is full of educated derelicts. Persistence and determination alone are never failing, for we never fail until we quit. The slogan 'press on' has solved and always will solve the problems of the human race."

Let us "press on." Let us use this as *our* slogan for the coming year.

Respectfully submitted,

J. W. GREEN, *Director.*

21. No report being given on our Baptist Colleges, R. H. Satterfield, Field Representative of Meredith College, spoke most challengingly on our doing our part in the Master's great work, stating that God would then surely do His part. He said, "We should do as much for the cause of Christ as we have done in the cause of war." His address was well received.

22. J. F. Funderburk read report on W. M. U. work; the report had been prepared by Mrs. Funderburk, Superintend-

ent of W. M. U. of Beulah Association. Mrs. L. V. Coggins spoke to the report, emphasizing especially the Young People's phase of the W. M. U. The report was adopted.

REPORT ON WOMAN'S WORK

The Woman's Missionary Union held its annual meeting with Mill Creek June 8. The meeting was well attended and the program, a feature of which was a reproduction of the Centennial Broadcast of the Southern Baptist Convention, was greatly enjoyed.

The year's report shows an increase in membership of societies, although the increase was small. The quality of work done is shown by the fact that five churches have a full graded union. Those churches are Clement, Mill Creek, Providence (P), North Roxboro, and Roxboro First. Eleven churches attained the honor roll, and ten of the eleven have been on the honor roll for two consecutive years. They are Antioch, Blanch, Bethel Hill, Clement, Kerr's Chapel, Lea Bethel, Mill Creek, Roxboro First, Semora, and Shiloh.

"In such a time as this" our women have realized the need of continued emphasis on prayer, and to that end 22 of the 25 societies reported participation in the seasons of prayer, and made splendid offerings.

We are happy to report an increase in periodicals. We believe more women are reading Royal Service and the Recorder than ever before. We also believe that the increase in subscription to the Recorder, which was 54 over last year, is due to the Family Plan.

Recognizing the sacred stewardship of our minds, and the fact that the uninformed will not give, Mission Study has had a prominent place in our plans, under the very efficient leadership of Miss Ella Thompson. She has given unstintingly her efforts to the promotion of Mission Study Institutes, out of which grew nine Schools of Missions last year. This was an outstanding achievement in our Association.

Community Missions, with Mrs. S. O. Garrett as our faithful chairman, has continued in its great mission of helping the women to exalt Christ in their own communities.

Stewardship, although quietly promoted by Mrs. A. F. Yarbrough as chairman, made steady gains last year as evidenced by the fact that several churches reached every resident woman in giving to missions. We raised more than $300 above our goal to the Cooperative Program, as well as $580 above our goal in all gifts. It gives me great pleasure to report that we more than reached our goal of $4,000 which has been a steady increase during the three years of my superintendency. By way of comparison, our goal for 1942 was $3,000, our gifts were $3,192.93. In 1943 our goal was $3,500, we gave $4,029.32. For 1944 we accepted $4,000.00, and gave $4,580.08. Our goal for this year is $5,388.13, and the indications are that we will reach it. Surely, O King Eternal, Thou hast led us on.

We would express our sincere thanks to each woman who has helped to make this report possible, and to our pastors our gratitude for their sympathetic cooperation. Our laymen deserve our commendation also, for it is to them we look to make possible ways and means of getting to meetings, as well as the provision of a way by which our women can be good stewards.

Respectfully submitted,

MRS. J. F. FUNDERBURK.

Since 1943 was "record year" only a few gains were made in 1944. There were 12 more subscriptions to magazines, more young people attending state and southwide meetings, much larger attendance at our own Associational Meetings for young people, more G. A's. working on "Forward Steps," and four more Auxiliaries making enough points on Standard of Excellence to be listed. In other phases of work we practically "held our own."

The Associational Auxiliary Rally in June, with Ca-Vel the host church, was the finest meeting we have had in years, in many respects. Twenty churches were represented with 225 present at an all-day meeting. A record number of young people took part on the program. The day was climaxed by an address by Missionary L. Bunn Olive in which many young people dedicated their lives to definite Christian service, most of them for the first time—a few re-affirming their life's purpose. Scores of parents expressed their desire and willingness that their children do whatever the Lord should lead them to do. It was truly a great day in our own young people's work. An Associational Y. W. A. banquet was also held in August at the hotel in Roxboro, with 87 present, and Miss Kathryn Abee, State Young People's Leader, bringing a very inspirational message.

The following Auxiliaries made all points on their respective standards:

Y. W. A's—Mill Creek, East; Mill Creek, West; Providence (P).

G. A.'s.—Clement, Semora, Yanceyville.

R. A's.—None.

Sunbeams—Mill Creek.

Six other Auxiliaries made Class B, and 6 Class C.

Auxiliaries making most improvement in their work during 1944 were: Antioch Y. W. A's.; Roxboro First, G. A.'s.; North Roxboro, Junior R. A's.; Providence (P), Sunbeams.

We wish to express our thanks and appreciation to all Counselors, W. M. U. Officers and Members, and to the Pastors of our Association for their splendid help and co-operation.

MRS. L. V. COGGINS, *Asso. Young People's Leader.*

The Minute Fund should be enclosed and sent along with the church letter to the Clerk of the Association. The amount should be determined by the number of minutes wanted.

ELECTION OF CHURCH OFFICERS

All church officers, including all auxiliary officers, for the ensuing year should be elected just prior to the close of the Associational year. This furnishes a correct mailing list for any State or Associational officers who may need to correspond with said church officers.

Rev. J. Boyce Brooks, Chairman of the Program Committee, reported the necessary changes of the program for the day, after which the order of business was adopted.

4. Rev. J. F. Funderburk, Chairman of the Executive Committee, gave the following report of that Committee:

REPORT OF EXECUTIVE COMMITTEE

During this year the machinery of our Association has been running smoothly and there has been but little need for called meetings of the Executive Committee. However, at the meeting of our Ministers' Conference June 17, the question of securing an Associational Worker for the summer came up for discussion, and was discussed at length by those present. It was unanimously decided to secure a worker with the approval of the absent members of the committee. Whereupon a committee was appointed to confer with Mr. Huggins and make the best possible arrangements. Mr. Luther Morphis, a recent graduate of Wake Forest, was secured, with his salary to be paid jointly by the Association and the State Convention. Mr. Morphis came to us in June and did some very splendid work conducting Bible Schools and Study Courses.

Then on July 26, there was a called meeting of the committee to make final arrangements for our annual meeting. Brother B. B. Knight conducted the devotional, after which some minor matters were discussed and disposed of. Then a committee, consisting of the Moderator and Clerk of the Association, was appointed to arrange the program for our annual meeting.

Lastly, the committee considered a resolution coming from the W. M. U., asking that the minutes of their annual meeting be published in the minutes of the Association. After some discussion it was unanimously voted to recommend that this be done, provided, however, that funds are available.

Respectfully submitted,
J. F. FUNDERBURK.

The Report of the Executive Committee was adopted.

5. The Moderator appointed the following as a Committee on Committees: L. V. Coggins, J. Boyce Brooks, E. O. Foster.

6. The Clerk gave the Digest of Letters. This digest revealed financial gains of more than $50,000 over last year as well as good gains in membership of churches and organizations.

At this time the congregation stood and sang together, *"Crown Him Lord Of All."*

7. The report of the W. M. U. was read by J. F. Funderburk for Mrs. J. F. Funderburk, President of the Associational W. M. U., in the absence of Mrs. Funderburk. The report was discussed by Mr. Funderburk. It was adopted.

REPORT ON WOMAN'S WORK

In humble gratitude to our Heavenly Father for His gracious leadership during the past year, the report of your Superintendent is presented.

The past year has been one of unprecedented challenge for Christian cooperation in all phases of Woman's Missionary Union. Truly, our women have tried faithfully to meet that challenge, in that increases were made in nearly all phases of the work.

Our forces were strengthened by the addition of four societies that joined us from other Associations, thus making a total of twenty-nine societies, with an increase in membership of approximately one hundred. The following were full graded Unions: Mill Creek, Providence, Person, North Roxboro, Roxboro First, and Yanceyville. There were fourteen societies which attained the honor roll. All points on the Associational standard of excellence were attained. We have tried to share the responsibility of rehabilitation by a 40% increase in churches participating in mission work. Our total gifts to World Relief was $411.52.

There was a substantial increase in number of Mission Study classes and enrollment. This was due in part to the Mission Study Institute held last April, which makes the second for our Association, as well as an increased number of Schools of Missions.

There was a 12% increase in number of tithers, and the total offerings amounted to 22% increase. We accepted a 20% increase in gifts to the Cooperative Program instead of 5% as formerly. Beulah excelled in reaching not only her 20% increase, but went above by $320.58 and reached what was called the "ideal goal" of 20% increase in total gifts, and towered above that goal by $892.18. Our totals for last year, including young people, was $7,528.58.

As we seek to reach the lost by daring to devote ourselves to the mighty task of presenting Christ to all the world, we are challenged by all that is high and holy. We are challenged before God, angels, and man. We are challenged by all that the world thinks of us, and by all that we claim for ourselves. Finally, we are challenged by all that the term Christian means, to go back to our churches and exalt this service of winning souls to Christ. May God help us to wake from our spiritual lethargy and do better than last year's report shows, namely, it took fourteen Christians to win one soul.

Respectfully submitted,
MRS J. F. FUNDERBURK.

8. The report on Young People's Work was read by Mrs. L. V. Coggins, Associational Young People's Leader. The report was discussed by Mrs. Coggins and J. Boyce Brooks. It was adopted.

9. The report on Sunday School work was read by B. C. Lamb, for Mrs. Errol D. Morton, who could not be present.

REPORT ON SUNDAY SCHOOL WORK

The Beulah Sunday School Association began its year's work with a meeting at Roxboro Baptist Church. There were no visiting workers at this meeting, but one year's work was discussed. A committee was appointed to elect officers for the coming year.

It was decided to have an Associational Sunday School Meeting each fifth Sunday. These meetings have been helpful and inspirational.

In 1946-'47 we are hoping to have a meeting each month with every church represented with a report.

Respectfully submitted,
MRS. ERROL D. MORTON, *Asso. S. S. Supt.*

It was adopted.

10. The report on the Baptist Training Union was made by J. W. Green, B. T. U. Director.

On the surface our Training Union in Beulah Association does not look so good. In numbers it is hardly as large as it was last year. However, when we analyze the work that is being done—even though in a relatively small way—we see a picture that is not entirely gloomy.

If we should bring under the head of Training Union all the agencies and departments of our organizations which engage in preparing teachers, pupils, and specialized workers for better work in that field, then we would see that our training force is a great deal larger than we have heretofore limited it to.

To give a class of teachers a study course, a lecture, or any profitable information is training. A choir receiving regular, instructive practice is receiving training. One who obtains preparation for leadership from any part of our organization is certainly in the process of being trained.

That particular branch of training which we call the Training Union has a particular function. It is specialized training, and is therefore made up of particular groups. Groups willing to work a little harder than others, willing to put forth a special effort that they may become better workers in the church and better servants for the Lord. It is this which limits the numbers and makes our training union more difficult than some other departments of our church work.

Many members of our churches are not willing to put forth this extra effort, and some of our members even think they have outgrown the need for this training. Should they not be pitied rather than censored.

Since there are many who are glad, and willing to carry on in this training and still many more who feel the need of such training, let us not be discouraged. When we remember that Christ had only twelve men in his Training Union, and they became the specialized group to whom Christ entrusted the work which he had begun, we take courage and press on. These twelve workers did not find the work always as they had hoped, yet they fainted not, and remained faithful to the end.

Let us follow their example.

Respectfully submitted,
J. W. GREEN.

The B. T. U. report was discussed by Rev. Schofield, Secretary of Visual Education and Radio for North Carolina Baptists.

The report was adopted.

11. Christian Education with special emphasis on the Christian Colleges was discussed by Claude Gaddy, Executive Secretary Council of Christian Education, and by Everette Miller, representing Meredith College.

12. The report on Religious Literature was read by J. N. Bowman. The report was ably discussed by Dr. L. L. Carpenter, Editor Biblical Recorder.

The Report was adopted.

REPORT ON RELIGIOUS LITERATURE

First is the Bible. There is no book in all the world that can take the place of the Bible. Proverbs of Solomon once said: "When thou awakest it shall talk with thee." Hosea, 4:6: we read, "My people are destroyed for lack of knowledge." This could not not have been more true then than it is now.

In connection with the reading of the Bible we would recommend reading Christian literature. We include the Royal Service, the Commission, Home and Foreign Field, World Comrade, Charity and Children, and last but not least, the Biblical Recorder. These have their place.

Religious papers are not an end in themselves, they are a means to an end. Charity and Children has a large circulation because of the interest our people have in the Orphanage work; the paper seeks to give to the public information concerning Orphanage work in North Carolina. Paper should be in every Sunday School.

Biblical Recorder seeks to bring our people weekly a summary of the Baptist work, local and general. It seeks to reveal achievements of our Schools, Colleges, Churches, B. T. U.'s and W. M. U.'s. It carries news from our missionaries at home and abroad.

The report of the Biblical Recorder this year is very encouraging. The circulation of the Recorder during the past year has shown a good increase; the present circulation is approximately 38,000, which means a net gain for the past twelve months of approximately 5,000. It is now self supporting.

With Paul's words to Timothy: "Give attendance to reading. Meditate upon these things, take heed unto thyself and unto the doctrine contained in them."

Respectfully submitted,

J. N. BOWMAN.

13. The Report on the Baptist Hospital was read by John Melton and discussed in a very helpful way by Richard K. Young, Assistant Director of Religion at the hospital, after which the report was adopted.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL—1946

Our Baptist Hospital has had another full and fruitful year. In the past few years its facilities to care for the sick have been greatly increased. This is true for both those who do not have the money to pay for complete hospital care and those who have complicated afflictions which the hospitals and doctors in most communities are not prepared to care for.

The Out-Patient Clinic is now working in its enlarged and better equipped quarters. It is prepared to do the highest type of work of examining the sick, prescribing treatment for their ills, and giving some specialized treatments. After the examination, most of these can be treated back home by a local doctor or in a local hospital. There is now being added to the clinic additional service in psychiatry and in eye and dental diseases. The cost for an examination in the Out-Patient Clinic is $5.00, not including X-rays and special laboratory tests, for all who are able to pay it. This just about covers the actual cost to the hospital for the examination. The charges for the X-ray pictures and special tests are estimated at actual cost. Most people are able to pay these fees. In cases where they are not able to pay the whole fee, the balance is paid out of the Mother's Day Offering.

Along with the Out-Patient Clinic, there is operated the Private Clinic for those who are able to pay regular standard fees for medical care.

The sick who come to these clinics and need to enter the Baptist Hospital for treatment are then admitted as bed patients, in so far as room permits. Due to lack of space, it is impossible for the hospital to take care of all who need to be admitted. Because of this lack of space, our hospital has available a great deal of the finest medical skill which it is not able to use to relieve suffering.

The Mother's Day Offering enables our hospital to care for those who do not have the money to pay their full bills. Those who are able to pay in full are expected to do so, because, if they fail to, it will take help from those who are in actual need. No person who is examined in the Out-Patient Clinic and no service patient who is admitted to the hospital is charged any doctor's bill at all, whether or not he pays his hospital bill. More than half of those who are cared for by our hospital are such service patients, and many of them are unable to pay anything at all. Our hospital does far more free service for the poor than any other denominational hospital in the South and stands among the first in America in the amount it does. Last year this free service cost the hospital over $167,000. We are happy that the churches of our association had a large share, through our Mother's Day Offering, in this great service.

Our Baptist Hospital operates one of the best schools of nursing in the South. It seeks the finest young women, mentally, physically, and spiritually, to train for a Christian ministry of healing. It invites young women from our Baptist homes and churches who are interested in giving their lives to this important profession to consider going there for their training. The need for nurses is urgent. Any girl 18 years of age or over, with high school education, or better, is eligible to apply. She should write the Director, Nursing Department, North Carolina Baptist Hospital, Winston-Salem, North Carolina.

The new Department of Religion at our Baptist Hospital is being organized to render an effective spiritual ministry. This includes visitation and counsel among the sick and burdened in the hospital, Bible instruction and a religious program for students, the effort to help create a Christian spirit through all the work of the hospital, and carrying to our churches the information concerning the work of our hospital. The ministry of this department is recognized by all connected with the hospital as an important part of the work.

The urgent and outstanding need of our Baptist Hospital is the construction of a new south wing. This would provide 140 new beds, which we so greatly need, especially to care for the more seriously ill who need private rooms. Additional operating and delivery rooms and X-ray facilities would be included. It would provide adequate kitchen and storage room, where the hospital is now seriously handicapped for lack of space. Also, it would provide room for a laundry. It now costs the hospital over $50,000 a year to get its laundry done outside. The new wing would greatly increase the services of our hospital to the sick and would enable it to increase its income.

Respectfully submitted,
JOHN MELTON.

14. At this point the report of the Committee on Committees was made by L. V. Coggins, the chairman, as follows:

Nominating Committee: A. F. Yarbrough, Charlie Patillo, A. K. Young.

Time, Place and Preacher: Mrs. C. V. Barnwell, Helen Lunsford, P. G. Dunevant.

Memorial Committee: Clyde Berry, Mrs. W. H. Gentry, Miss Gene Davis.

Resolutions Committee: Dewey Young, Mrs. S. O. Garrett, Mrs. S. H. Abell.

15. The Report of the Committee on Constitution and By-Laws was read by J. Boyce Brooks the chairman. This report was held over for consideration during the afternoon session.

At this point Rev. B. C. Lamb, pastor of the host church, made announcement concerning the picnic dinner to be served on the church grounds following adjournment.

THE ANNUAL SERMON

16. The time for the Annual Sermon having arrived the congregation stood and sang: "I Love Thy Kingdom, Lord."

Rev. W. T. Baucom read parts of the third and fourth chapters of The Acts of the Apostles, then led the congregation in a brief prayer. He used as his text the last words of the 13th verse of Acts 4: "And they took knowledge of them that they had been with Jesus."

The message was a challenging missionary appeal, urging all Christians to seek lost men, the plan of Salvation as Jesus saw them: To love, seek, serve, suffer for and try to win the lost as Jesus did. Following the message Dr. I. G. Greer closed the morning session with prayer.

Then the assembly adjourned for lunch.

THE AFTERNOON SESSION

17. With the singing of "Love Lifted Me," the afternoon session was opened. A very helpful devotional was led by C. H. Berry who read I John 3, gave a short talk on love, then closed this period with prayer.

18. The report on Stewardship was read by Rev. A. C. Hayes. Following an interesting discussion by Brother Hayes the report was adopted.

STEWARDSHIP

A steward is a trustee of all that is committed to him: time, talent, energy, personality, and gifts. Before we can practice stewardship, we must be a steward exercising the office of a steward. For us to exercise this office of a steward, we must realize we belong to God, and we have been paid for through the blood of His Son. God in return only asks that we give him a certain portion of time, and talent along with the tenth to be used for the advancement of His Kingdom.

There are two things over which the steward has charge, self and substance, these go together. The individual Christian is a steward over his possessions. God expects him to be a just and honest steward with those possessions. He is the one whom Christ looks for Kingdom support. Unless the individual members of the churches become conscious of their stewardship obligations to Christ, any and every program for the evangelization of the world will fail.

When a person puts himself on the altar first, then he is ready to put all of his time, talents, money, personality, energy, and gifts on the altar. Then when a Christian steward parts with that portion which belongs to God, others will arise and say; "That man has hold of something real." This does not only bring joy to the steward and prove his worthy stewardship, but it brings joy to others. The majesty, and power and mercy, and holiness, and love of God, all of which was manifested in the Lord Jesus Christ, will become a living reality to him.

The true evidence of our salvation and stewardship is when we give at least one tenth to God. That is what His word says; no one can experience the full joy of salvation who does not practice stewardship. We may go further to say that no group nor individual can be just stewards and not practice stewardship.

When Christ and His ownership becomes real to the members of our churches today, then will God's ownership become a fact of experience and the possession of property a sacred right. It will be a right to possess for the sake of helping others, for the sake of a lost world to which we can send the Gospel; it will be a sacred right akin to the right to sing God's praises, and as sacred a right as the right to prayer.

Respectfully submitted,

AUBURN HAYES.

19. Reports on Missions were given as follows:

A. State Missions, by B. C. Lamb.

REPORT ON STATE MISSIONS

The purpose of State Missions is to provide a program of activities in which each of the churches can share to the end that Christ may be exalted in North Carolina in all relationships of life. In order to do this many activities are undertaken.

1. Aid is provided for part payment of the salaries of missionary pastors in needy and strategic places. The fact that about one-half of our church members in North Carolina are Baptists is due in large measure to the fact that we have provided help for churches that could not help themselves. During the year ending September, 1944, we had 65 pastors who were thus being aided. These pastors were serving 121 churches, in which they preached nearly 6,000 sermons, made 22,000 visits, and reported 9002 baptisms. Apart from the amount which these 121 churches paid on pastors' salaries and church buildings, namely $135,760, they gave to Convention causes $34,292. Incidentally, during the past calendar year, we paid a little over $29,000 in salaries to these missionary pastors.

2. The State Mission program provides for three general missionaries: J. C. Pipes, E. L. Spivey and E. L. Bradley. They assist the General Secretary in the promotion of all the work of the Convention.

3. The Convention does not have the money with which to help in church building, except in unusual situations. It does seek, however,

to buy lots in growing sections of our cities and in the rural districts where a new church is being established, or an old church wishes to move its location in order to be near a good highway. The Convention could use to good advantage $100,000 a year in stimulating churches to erect better buildings, better educational plants, etc.

4. The Convention also promotes the work among the Indians in Robeson County, and joins with Negro Baptists of the State in their work. Our Convention helps the Negro Convention to provide for a General Secretary, and a Sunday School and Training Union Secretary. The good will created through this endeavor is far more valuable than can be said in dollars.

5. The Convention also provides for a visitation program for the sick in the Veteran's Hospital at Oteen and in the sanatoriums at Aberdeen and Black Mountain, and ministers to the girls at Samarcand through Brother E. M. Harris.

6. The Convention, through State Missions, cooperates with many of the associations in providing Associational Missionaries. As a rule the Convention provided about $750 a year toward the salary and expenses, and the Association provides the rest. There are about twenty of these Associational Missionaries now employed, and there should be at least fifty.

The Convention cooperates with the Home Missions Board in the work of City Missions. We have four such centers in North Carolina: Raleigh, Durham, Greensboro and Charlotte.

8. The Convention promotes through the State Mission program Christian Education in the churches. This includes the work of the Sunday School Division, the Training Union Division and the Student Union Division. These three divisions aid many churches during the period of a year in planning for better Sunday Schools and Training Union, and in helping our students in college.

9. Of particular interest is a new and enlarged work which has been undertaken. About 100 of the finest young people from our colleges have been working in the churches and Associations this summer. It would be difficult indeed to overestimate the value of the work that has been done by these young people during the summer.

10. Other items that come under the head of our State Mission program are the work of the Allied Church League, Pastors' Schools and Conference, and the N. C. Radio Hour.

For this work the State Mission Account was provided during the year 1945 with 11% of the undersigned Cooperative Program funds, plus the designated funds for State Missions. The total amount received for this purpose was $187,178.02. We believe the amount this year will be more than $200,000. The W. M. U. has set the goal for the offerings during the month of September at $30,000.

Respectfully submitted,

B. C. LAMB.

B. Home Missions, by Mrs. L. V. Coggins.

REPORT ON HOME MISSIONS

This present year will doubtless be Home Missions' greatest year in all of its 101 years of service. Even the accomplishments of 1945—that of adding over 50 new missionaries, opening 90 new mission stations and acquiring 25 new pieces of mission property—will be surpassed.

One is thrilled with the opportunities and challenges of mission work right in our own homeland, as the pages of the "Southern Baptist

Home Missions" magazines are summed up. Under the leadership of our Home Mission Board and Dr. J. B. Lawrence, the Gospel is being preached to the Indians, the Mexicans, the Spanish-Americans, the Italians, the French, the Russians, the Poles, the Jews, the Chinese, the underprivileged in the congested sections of our cities, the Negroes, the Cubans, the people of Panama, the boys in camps, and to the lost in 44 of our large cities and in the rural sections of fifteen of our states. This great program of work is made possible by our gifts through the Co-Operative Program and the Woman's Missionary Union Season of Prayer and Gifts to Home Missions. Pages could be written on the need for still further expansion. Of special interest to us in the Beulah Association should be the rural missions program.

This item, tucked away in a corner of the printed page for August, 1946, gives us a good idea of the importance of Home Missions work to the world-wide Kingdom program of our Lord. In a particular church in old Mexico it was found that the Sunday School Superintendent had been converted in Michigan and had returned to Mexico to win his family to Christ. One of the Sunday School teachers had been saved in Ohio and had come back for the same reason. The pastor, twelve years before, had left Mexico for Colorado, determined to make enough money to buy a pistol and go back to Zacatecas and kill a man who had insulted him. When he did return it was with a Bible instead, and as a preacher of peace and good will.

May we not, as followers of Christ and leaders in our churches, do more for Home Missions by giving tithes and offerings through the Co-operative Program and Seasons of Prayer for Home Missions.

MRS. L. V. COGGINS.

C. Foreign Misisons by, Mrs. L. A. Goodson.

FOREIGN MISSION BOARD

(Suggestions for Associational Reports)

During the first one hundred years of its existence, the Foreign Mission Board of the Southern Baptist Convention appointed 1347 missionaries to foreign fields, including 44 appointed at its April meeting this year. These missionaries have wrought in twenty nations. At the close of the century five and a half *million* Baptists were represented by five and a half *hundred* missionaries.

As we enter the second century we face open doors and many adversaries. Some of the favorable conditions are accelerated transportation; a more compact world; a more intimate acquaintance with the whole world; the appeal from various nations for preachers, teachers, medical missionaries, and others who can help rebuild wrecked countries; growing literacy; opportunities for giving relief; and the failure of human philosophies and religions.

Some of the adversaries are our own indifference, Communism, Mohammedanism, inconsistent living of professed Christians in this and other lands, racial and religious tensions, national and international conflicts.

As we return to war-stricken lands we enter open doors with courage and confidence in the power of the gospel to triumph over all adversaries. We still believe that the name of Christ is the only name given under heaven among men whereby we must be saved. Our message for the whole world is Redemption, Repentance, Regeneration, and Resurrection power in living and serving. This gospel is not only to be proclaimed everywhere, but it is to be confirmed by godly lives and compassionate hearts.

We have a three-fold task, Relief, Reconstruction, and Reinforcement. Our most urgent task is that of ministering in the name of Jesus to needy millions around the world. Multitudes of peoples are starving and next year will be too late to save them. It is estimated that approximately half of the world, or more than a billion people, lack sufficient food. We must answer to Christ at the Judgment for our failure to feed the hungry, clothe the naked, shelter the homeless, minister to the sick, visit those in prison. The Southern Baptist Convention in its May 1945 meeting in Miami launched a program for three and a half million dollars for Relief and Reconstruction. That amount has been raised.

Already Southern Baptist missionaries are returning to China as rapidly as transportation facilities across the Pacific and in China enable them to get to their fields. Some 50 missionaries have already gone to China. In everyone of our mission fields we desperately need more missionaries.

We are face to face as never before with the choice—one world or none. Life and death have been set before us. The choice is ours between the destructive power of the atomic bomb or the redemptive power of the Cross of Christ. Which shall it be?

Respectfully submitted,

MRS. L. A. GOODSON.

M. A. Huggins, Executive Secretary of the Baptist State Convention, discussed all the reports on missions.

Mr. Huggins made a strong plea for food to be given for eight hundred million starving people scattered over the world. On our mission work he said:

1. We have a mission program.
2. We do not have a mission program that is worthy of our Baptist hosts.
3. The time has come when we must have a real mission program or else.
4. We can have a great program any time we want it. For we are able.

Following this able discussion the reports were unanimously adopted.

20. The report on Public Morals was read by R. B. Griffin and discussed by I. G. Greer. Dr. Greer said: "The most important thing in the world is to make good men and women." It is impossible to make such men and women in the midst of low moral standards. The Bible put strong drink in a class with theft, lying and adultery. If it is right to legalize the sale of liquor it is also right to legalize the other three.

The report was adopted.

PUBLIC MORALS

Public morals should be approached from the positive side. In a recent week there were more people on trial for murder in North Carolina than in any other state. Very little could probably have been done for these people by this group one year ago. However, the Baptists of this

Association working with all other groups positively for a generation, could have accomplished much. The problems of the delinquent youth and adults are always with us and comparative. Human nature changes little from generation to generation.

The artificial influences for good and evil vary and this is where we come in. The church should first provide an intelligent Christian influence and leadership. One serious handicap we have in the world today is a large percentage of non-Christian leadership. Our Christian organizations need to provide outlets for all ages. We should through our organizations give all an opportunity to express themselves and do something. Some of the specific problems of this generation are:

A. High divorce rate.
B. Race relationships.
C. Industrial strife.
D. Intemperance.

We need to bring the people to realize the importance of the stability of the family. Poor race relationships are probably one of the world's greatest problems today. We need to bring our dealings with other races strictly to a Christian basis. Industrial strife has been at its highest peak for the past year. This well could have been avoided had the leaders of both labor and capital approached their problems according to the Golden Rule. Temperance needs to be practiced and taught at all times.

Now, thinking primarily in terms of our youth, the Baptists should attempt to eliminate places of temptation, to provide wholesome recreation beginning in the home and spreading in the church, the school and community recreation programs. Public libraries should not be overlooked in this program. Young people must have an outlet and proper and wholesome recreation is one of the greatest needs of this group.

Respectfully submitted,
B. B. GRIFFIN.

21. The report on the Orphanage was read by B. B. Knight, and was adopted without discussion. A careful reading of this report will furnish much helpful information about our Orphanage work.

SOME FACTS ABOUT THE BAPTIST ORPHANAGE OF NORTH CAROLINA

The backwash of war is presenting to orphanage workers some very acute problems. Among these are the increased cost of living, the difficulty in securing a well equipped staff, the inability to secure material for needed repairs to buildings and the most serious concern of how to help meet these problems in the ever increasing number of broken homes.

The orphanage has been able to produce commodities on the farm for about one third less than they would have cost on the open market. Figures below may give one an idea of the bigness of the orphanage farm enterprise at Mills Home and Kennedy Home.

Products, Barley, 2670 bu.; Oats, 5207 bu.; Corn, 7725 bu.; Hog meat 49,018 lbs.; Eggs, 27,742 doz., and Milk, 76,002 gal.

Vegetables of all kinds have been raised in the garden. They have the best herds of beef in the state.

The total profit from Charity and Children amounted to $8,348.68.

There were a total of 700 children under care during the year. 598 were cared for at both homes—48 in Foster Homes and 54 through Mother Aid. The number of children in the home was reduced 6, the Foster Home care increased 24 and Mothers Aid 16.

Applications for assistance increased 7%. 348 applications for 837 children received case work services, of which 122 new children were added to the Orphanage, leaving a great number of children awaiting further services.

As soon as materials are available, we not only need to overhaul and modernize a number of buildings, but make plans to erect some much needed new buildings.

Friends from all over the State have been helping to clothe the children. Some have been supported by individuals and Sunday School classes.

The schools have full staff of teachers again, thus are more efficient.

In each home, there is an ordained minister, who has had several years special training in physical education to direct the athletic activities, namely, Rev. Cleveland Wilkie in the Kennedy Home, and Rev. Paul Lovingood in the Mills Home.

The churches at Mills Home and Kennedy compare favorably with other churches in the denomination and these churches and their various activities are, and should rightly be, the most positive influence in the lives of our boys and girls.

Respectfully submitted,

B. B. Knight.

Constitution of The Beulah Baptist Association adopted at Providence Church (C) September 24, 1946.

CONSTITUTION OF THE BEULAH BAPTIST ASSOCIATION

(ADOPTED 1946)

ARTICLE I—NAME

This Association shall be called the Beulah Baptist Association.

ARTICLE II—OBJECT

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles and in cooperation with our brethren of the Beulah Baptist Association with the Baptist State Convention and the Southern Baptist Convention.

ARTICLE III—MEMBERSHIP

This Association shall consist of all the ordained Baptist Ministers who are members of or Pastors of Churches composing this body, and of messengers chosen annually from the membership of the Churches connected with it.

ARTICLE IV—REPRESENTATION

The representative sessions of this body shall be held annually, by appointment, and their membership shall consist of messengers sent from the Associated Churches. Each Church of 50 members or less shall be entitled to three messengers, and any church whose membership exceeds two hundred members is entitled to an additional messenger for each one hundred members, or fraction thereof, in excess of two hundred; provided, that no church shall have more than ten messengers. The names of the messengers shall be recorded and called as often as necessary.

ARTICLE V—REPORTS

The messengers from each church shall bear a letter certifying their appointment, and communicating information relative to the state of the church. Provided, however, that when any church has prepared a letter and through inadvertence the letter fails to be presented, her messengers may be received without its presentation.

ARTICLE VI

This Association may invite visiting and corresponding brethren to seats and extend to them the privileges of the body, except that of voting.

ARTICLE VII

Any church not represented at the annual session, either by letter or messengers, shall be acted on as follows: The Moderator shall appoint a special committee to investigate the church to see if it is still in existence, or if it stands in need of spiritual or material assistance from the churches of the Association. The committee shall report to the Executive Committee in order that service might be rendered within as short a time as possible.

ARTICLE VIII—OFFICERS

The officers of this Association shall be Moderator, Assistant Moderator, Clerk and Treasurer. They shall be elected annually and shall serve until their successors are chosen, performing such duties as custom assigns to their respective offices. The Moderator and Clerk shall arrange an order of business and program for each session.

ARTICLE IX—AUTHORITY

The Association claims no jurisdiction over the member churches and shall exercise no authority over them. It shall, nevertheless, be the duty of the Association to offer fraternal counsel to any church in need of such assistance, and likewise its right, two-thirds of the messengers concurring to withdraw fellowship from any church which neglects to observe Gospel order.

ARTICLE X

New white churches may be received into the Association at any annual session after being investigated by the Executive Committee and found to be orthodox. The Moderator shall give the messengers thereof the right hand of fellowship.

ARTICLE XI

The annual session of the Association shall commence on Tuesday after the Fourth Sunday in September at such place as may be chosen.

ARTICLE XII

By appointement of the Association there shall be an Introductory sermon at each annual session of the Association.

ARTICLE XIII—ANNOUNCEMENTS

REPORT OF EXECUTIVE COMMITTEE

The Executive Committee of the Beulah Baptist Association had four meetings during this Associational year, all of which were held in the First Baptist Church of Roxboro. The first of these was held January 20, 1947. The object of this meeting was to discuss the possibilities of employing an Associational Missionary. After lengthy discussions motion was made by Rev. L. V. Coggins that a Missionary be employed with a salary of $1,800 plus $600 expense money. This motion was well received and the vote of the committee was unanimous. A committee, consisting of Rev. James E. Baker, Rev. W. T. Baucom, and H. Dewey Young, was appointed and vested with authority to find and employ such Missionary. Pledges of financial support for the undertaking were then called for and the response was generous enough to justify our going on.

The next meeting was called for March 17. After preliminaries Rev. James E. Baker was asked to report for the committee previously appointed to secure a Missionary for the Association. The report was unanimously adopted and Miss Ella Sue Gravitte became the efficient Missionary of the Beulah Association. On motion by Rev. A. F. Yarborough, the location of the Missionary was left in the hands of the committee of three as originally appointed. The Executive Committee also approved the purchase of some office equipment for Miss Gravitte. The final action of this meeting was to pledge the Association to pay $72 per year to the Relief and Annuity Board as a retirement fund for Miss Gravitte.

The third meeting was held April 21. Prayer was offered by Rev. W. T. Baucom, minutes of the previous meeting read and approved. The meeting was then turned over to Miss Gravitte who outlined and discussed her plans for the summer. She had had a vision or dream of having a Bible School in every Church in the Association. The magnitude of this task called loudly for help and the called was answered in the person of Miss Ann Deaton who was secured as helper for the summer. A committee consisting of brethren J. N. Bowman, W. B. Guthrie, and Clyde Berry, was appointed to keep a watchful eye on the churches of the Association and see that their pledges to Associational Missions were kept up to date. On motion, the meeting adjourned.

Our final meeting was on September 1. Rev. H. S. Starling, new pastor of Cavel Church, led in prayer. Minutes of last meeting read and approved, the chairman then read a letter of resignation from our clerk, H. Dewey Young. The committee regretfully accepted his resignation and appointed Rev. Joe B. Currin to fill the unexpired term. On motion the body voted to have a Deacon's School for the Association as early in the spring of 1948 as conditions would permit.

Finally, a resolution: That the Minutes of the One Hundred Thirteenth Session of the Beulah Baptist Association be dedicated to the memory of Rev. W. F. West.

Respectfully submitted,
J. F. Funderburk, chairman.

CHRISTIAN EDUCATION

The time having arrived for the presentation of Christian Education the moderator recognized Claude Gaddy of Raleigh, who presented Dr. Carlyle Campbell, president of Meredith College and Dr. Sankey Blanton, of the Department of Religious Education of Wake Forest. They both made splendid addresses, then brother Gaddy spoke.

REPORT ON SUNDAY SCHOOLS

In Sunday School work there is a must that every Sunday School Superintendent, Teacher, Pastor and all workers must realize. That is "We are Laborers together with God." In this Sunday School year 1946-47 we have failed to work with God or have failed to let him work with us.

We held our first Associational Sunday School meeting January 21, at Milton Baptist Church with 23 churches represented. There we decided to carry the 1947 Southern Baptist Sunday School program into every church in the association. The Pastors volunteered to carry this program to the churches with the help of the laymen. Rev. James Baker brought a very inspirational message. In February the associational officers and Pastors met at Roxboro First Baptist Church and planned to go in to all of the churches that would let us with a one night service during the last week in February and the first week in March. Although we have never been able to get a complete report we feel that this was a step forward in our Sunday School work in this association.

On March 30th our associational Sunday School meeting was held at Clement Baptist Church with 18 churches being represented. There we had some very encouraging reports from the Pastors about the one night service that had been held in the churches. In this meeting we had departmental conferences which were very helpful.

We met with Antioch Baptist Church on June 22 with only 6 churches represented in this meeting. The Superintendents discussed their attendance problems. Miss Gravitte gave encouraging reports from the Vacation Bible Schools that were being held. Rev. James Baker brought the message which was a help to all attending.

Our last associational Sunday School meeting was held at the Providence Baptist Church on August 31st. Miss Doris Foster associate superintendent having complete charge of the program in this meeting. We had 10 churches represented. Rev. Baucom and Mrs. Lansdell gave good reports about the work that is being carried on at Fruitland. Miss Gravitte reported that we had had 22 Vacation

Bible Schools, and had two more scheduled. We have had a very successful year in our Vacation Bible School work. Miss Foster has been very faithful in the Training Work and this work is advancing. The average attendance at the 4 meetings was 70.

The primary purpose of our Sunday Schools is evangelism. Jesus said, "Behold I say unto you, "Lift up your eyes and look on the fields; for they are white unto harvest. "John 4:35. This is a challenge for us today. May we in this year 1947-48 follow our 1948 Sunday School theme, "Expect great things from God, attempt great things for God."

Respectfully submitted,
W. A. McFarling.

ANNUAL REPORT TO BEULAH BAPTIST ASSOCIATION
THE BAPTIST TRAINING UNION

J. W. GREEN, Associational Director

While our total of Training Unions in our Association is not substantially different from that of last year, I believe that the general condition is somewhat improved. I believe that there is an increasing appreciation for the necessity of training.

I make this statement on the fact that more Pastors seem to find that without Training Union there is a definite part of the Church program which is not satisfied in any of our Church organizations. They are anxious to see this need filled.

Our Associational Missionary is very much concerned about this work. I am sure that she recognizes that her work can be lasting only as workers are trained to cary on that which she recommends and launches.

It is an appraisal of these facts which prompts me to say that our Training program is on a sounder footing than a year ago.

There is a definite lack leadership for our work, which, I think is of primary concern to us. This particularly applies to our association as a whole. When this problem is solved, I believe that it will in part solve that of our Unions in our Local Churches. I recommend that this be given serious attention by this group assembled.

Respectfully Submitted,
J. W. Green, Associational Director.

REPORT ON WOMAN'S WORK

As I bring this report it is truly with great joy mingled with sorrow since it is my final one as superintendent of Woman's Missionary Union Auxiliary to the Beulah Baptist Association. It has been a pleasure, a privilege, and a marvelous experience to work with so fine a body of women. The work has made progress in spite of the war years. The success of the work is attributed largely to the loyal support of our women who have labored together untiringly and courageously under heavy burdens. I would like also to pay tribute to our pastors who are in position to know how necessary is Woman's Missionary Union to their churches. Their loyal support is faithfully remembered and duly appreciated. Surely the laymen of all the churches have played an important part. How often it is true that they are given no credit for the missionary work of the churches. To all of you I wish to say in the words of Paul, Phil. 1:3, "I thank my God upon every remembrance of you."

During 1946 the women did splendid work. There were 142 classes in Mission Study, one Institute, and eight Schools of Missions. The goal of a ten per cent increase over 1945 co-operative program gifts was more than reached. There were seven churches which received a gift to missions from every resident woman, namely, Berry's Grove, Ephesus, Mill Creek, Providence (P), Shiloh, and Thompsonville. Yanceyville attained the magnificent goal of a full-graded A-1 Union, Mrs. George Lansdell, president, Rev. W. T. Baucom, pastor. On the honor roll, class A-1 were the following churches: Baynes Chapel, Blanch, Lea Bethel, Mill Creek, Milton, class B, Antioch, Kerr's Chapel, Roxboro First, class C, Bethel Hill, Clement, High View, Longhurst, Providence (P) Semora. Full graded Unions were Baynes Chapel, Blanch, Clement, Lea Bethel, Mill Creek, Milton, Providence (P), Roxboro First.

The financial report is as follows: Co-operative Program, $3,943.63; other gifts, $4,318.97; total gifts, $8,202.60. These figures do not include Young People.

By retrospection the financial report during my regime is as follows:

1942	total gifts	$4035.32
1943	total gifts	4906.19
1944	total gifts	5530.44
1945	total gifts	7528.58
1946	total gifts	9184.61
TOTAL	....	$31,175.14

Constantly for five years I was conscious of "the flaming torch" in my hand, which was given to me by my predecessor, Mrs. R. L. Wilburn. Now, I pass this "flaming torch" to my worthy and capable successor, Mrs. S. O. Garrett, and in the words of the following poem, which I lovingly dedicate to her, I wish to express the deep emotions of my heart:

THE TORCH OF FAITH

One day a torch was handed me
  Aflame with zeal and love;
I kept it burning with oil of prayer,
  Led by the Father above.
I pass this torch to you in faith,
  'Tis yours to keep it bright;
Lift high its glow, send out its gleam
  For those who need its light.
May never in our Beulah land
  This torch shall cease to flame,
Till every soul is saved from sin
  Throughout this world's domain.

Respectfully submitted,
Mrs. J. F. Funderburk.

PERIODICALS

The Report on Periodicals was read by Mrs. N. A. Upchurch as Mrs. W. T. Baucom could not be present.

Dr. L. L. Carpenter, Editor of the Biblical Recorder spoke to the report, telling of the rapid growth in the circulation of the paper.

REPORT ON PERIODICALS

Our Religious Literature is of vital importance to our denominational life. It is necessary to the moral interest and spiritual development of humanity. The books, papers and magazines which we read greatly influence our lives. An unwise choice is often made in the selection of what we read. The forces of evil have recognized this truth and flooded our nation with unwholesome and hurtful literature. Many of us constantly lament the fact; and yet, we do little about it. Surely we should frankly face the problem by placing the best reading material in the hands of our people.

Certainly if we are to be intelligent and efficient Christians we must read literature that will feed our souls and inform our minds. We have not valued as highly as we should our fine quality of inspirational literature placed in reach of our Baptists.

Through the Window of the Y.W.A. our young ladies look upon a world of opportunities. World Comrades is the medium through which our G.A.'s and Sunbeams see the boys and girls of other lands as comrades to be won to Christ. The Ambassador Life, a new magazine for our R.A.'s brings to our boys the picture of boy life and the needs of service throughout the world. Royal Service remains the source of inspiration and information for our Baptist women of the south. The Commission keeps before us a vivid picture of a vitalized Church engaged in carrying out the great commission. Home Missions is filled with heart stiring incidents of the homeland. The Training Union Magazine and Sunday School builder are indispensible to a healthy church program. The Charity and Children is the fine channel through which we keep in touch with our Orphanage. Our state denominational paper, The Biblical Recorder constantly supplies us with information concerniing Baptist activities beyond our state.

This universe, of which we are a part, is divided into two main spheres. One is spiritual, the other material. Both of these are important. We will either help mar the beauty of these or we will help make them more beautiful. The challenge is ours. We should urge our people to give a larger place in their homes to religious literature. The Bible is far superior to all other reading material, but the Bible alone is not sufficient. There should be in every home books of Bible study, biographies of great religious leaders and Bible stories for children. Many times a single volume changes the entire future of an individual for good.

Respectfully submitted,
Mrs. W. T. Baucom.

BAPTIST HOSPITALS

A mother from one of our Baptist churches was hurried to our Baptist Hospital. Local doctors had done their best and said she could not live unless she got other help right away. She had been sick for a year and had just spent six weeks in another hospital. She had been able to have her five months old baby with her only two weeks since he was born. Her stay in our Hospital was long and expensive, costing over $1,200.00 though she was a service patient and there was no charge for all the work of the doctors. But there she was cared for by highly skilled physicians using the latest drugs and the best known methods of medical care.

Her family is almost without means and able to meet only a portion of this large bill. The churches of this association, through our Mother's Day offerings, helped to provide for her hospital care. Because we gave on Mother's Day she was given a chance and recently went back home and to care for her baby.

What we did for this mother, we are doing in larger or smaller measure for thousands of others throughout North Carolina who are sick and have little money. The past twelve months have been the most crowded year our Baptist Hospital has ever known. Its ministry has gone to more people than ever before.

North Carolina Baptists have voted to enlarge our Hospital. Interested friends have said we are ready to help Baptists do this. Now we are looking forward to a much larger and more modern plant on the beautiful hundred-acre Gray estate in Winston-Salem where this ministry of healing in the name of Christ can be multiplied.

J. Boyce Brooks.

THE ANNUAL SERMON

After the singing of a hymn at the request of Rev. W. B. Guthrie, Brother W. T. Baucom read the Scripture found in Zachariah 13:1-7. Then Brother Guthrie brought us a splendid message using for his text the sixth verse in the Scripture reading.

After the singing of Majestic Sweetness Sits Enthroned we were dismissed until after lunch.

AFTERNOON SESSION

The devotional was conducted by Rev. H. R. Starling. Mr. Claude White brought greetings from Campbell College.

STEWARDSHIP

In the absence of Rev. W. B. Guthrie, Rev. J. F. Funderburk read, and spoke to, the report on Stewardship.

REPORT ON STEWARDSHIP

We have been told that a steward is one in charge of affairs for another. If that be true a Christian steward then, is one in charge for God. This idea is borne out in the teachings of both the Old and the new Testaments. A Christian steward is one to whom the affairs of Christ's kingdom have intrusted, and the promulgation of the gospel throughout the world is entirely in his hands. Not only has the Christian steward this sacred trust committed to him, but he himself belongs to God. We read in I Cor. 6:20, "For we art bought with a price: therefore gloryify God in your bodies and your spirits which are God's." Therefore we must conclude that man in his entirety belongs to God, and has no right to exercise his own will over the will of God. The apostles to the Romans enjoined them to present their bodies a living sacrifice, wholly and acceptable unto God, which he says is man's reasonable service. The Christian steward must recognize God as the rightful owner of himself and all that he claims. Not only is the stewardship of possessions brought out in the doctrine of stewardship, but the stewardship of life is also included. We often hear stewardship discussed in relation to the material substance which God entrusted to our care, too much so, we fear, at the expense of the stewardship of life. Liberal and consistant givers are found only among those who have first given themselves. Our Master himself said, in that matchless sermon on the mount, " For where your treasure is there will your heart be also." Then it is equally true that where your heart is there will your treasure be also. If one's heart is not in the Kingdom of God neither will his possessions be.

Under the Law God required the tithe. Great blessings were promised as a reward for the faithful payment of the tithes of all income. In the doctrine of stewardship as taught by Christ, we are led to believe that higher standards are set and greater things required of the Christian than merely the payment of the tithes of his material substance. We believe that the beginning of stewardship is expressed in the lives of the early Christians as it is said of them, "They first gave themselves to God."

Respectfully submitted,
J. F. Funderburk.

MISSIONS

Due to a misunderstanding there was no report prepared on State Mission.

Rev. W. T. Baucom being out on committee duty the report on Home Missions was read by Joe B. Currin.

Mrs. E. M. Young read the report on Foreign Mission.

Rev. James E. Baker read the report on Associational Missions and presented Miss Ella Sue Gravitte, Associational Missionary.

Rev. L. V. Coggins read the report on Public Morals.

Rev. Earl Bradley spoke and brought greetings from Secretary M. A. Huggins and all the office force at Raleigh.

Rev. James E. Baker spoke on Associational Missions.

The reports on Missions are as follows:

THE HOME MISSION REPORT TO THE BEULAH ASSOCIATION SEPTEMBER 1947

The Home Mission Field of the Southern Baptist Convention is large including the Convention territory proper, Cuba, the Canal Zone, Panama and Costa Rica. The task is large and varied and is now undergoing great change. A new age is on us and of necessity our Home Mission work endeavor to meet the new needs and new conditions.

During the last few years new fields of service have opened up. The board has recently added the following phases of work to the departments formerly maintained. City missions, rural missions, church schools of missions, radio in Cuba and for the Spanish-speaking people in Texas and New Mexico, the good news hour, and evangelistic radio program going out over 52 stations and other general work.

In addition to the new phases of work mentioned above the board continues a dozen or more departments of work that has been carried on for years. Among these are the following:

Work among the Indians of Florida, North Carolina, Alabama, Mississippi, Oklahoma, New Mexico and Arizona. Last year there were 75 missionaries doing this work and 825 professions of faith were made.

There are 155 missionaries doing Spanish- Mexican work mostly in Texas and New Mexico. Last year there were 3547 professions of faith.

One hundred twenty-one missionaries are working in Cuba in 64 churches and last year there were 331 baptisms.

The work among 700,000 French Descendents mostly in southern Louisiana had 21 missionaries with 207 professions of faith.

Among the 650,000 Italians in Florida, Illinois and Maryland there were 10 missionaries with 147 professions of faith.

Seven missionaries working among the Chinese scattered over our Convention territory won 94 of them to Christ last year.

There are 8 missionaries working among scattered groups, Japanese, Russians, Italians, Germans, and French.

There are 41 mission centers operated by Baptist agencies across the southland. The Home Mission Board operates 10 of these and co-operates with the other centers. There were 685 professions of faith in these centers last year.

There is a men's rescue mission and a woman's emergency home both located in New Orleans. Last year some 16,000 were ministered to in these homes and 599 were won to Christ.

The Home Board has 2 workers among the deaf and four helpers with 8 revivals and 107 conversions last year.

Among the negroes we are doing mission work. Institutes and negro centers are conducted in cities. Classes are held for both preachers and laymen. Last year 12,629 were enrolled in the institutes and extension classes, and 1,519 were won to Christ in revivals.

The department of evangelism with Dr. C. E. Matthews at its head seeks to stimulate greater soul-winning effort and takes the lead in revival crusades.

In co-operative missions the board undertakes to help wherever needed and in every way possible. Through this department rural work as well as city missions is carried on. In co-operation with state mission boards a number of city missionaries are now working in the larger centers, and finally the board co-operates with the work of chaplains and uses a great many student workers in various fields during the summer.

Respectfully submitted,
W. T. Baucom, committee.

FOREIGN MISSIONS REPORT

By Mrs. E. M. Young

Nineteen hundred years have passed since the Son of God bade His followers to 'lift up their eyes and look upon the fields'. In those days there was no open vision so far as knowledge of world affairs was concerned. But today we as Christians are priviledged to look upon all the world as our field. Dr. M. Theron Rankin, executive secretary of the Southern Baptist Foreign Mission Board says at the present time we have had more volunteers for foreign mission work than we can support with our available funds. He also stated that we have turned down 25 volunteers this year who would have been appointed if he could count on cooperative program gifts being enough to support them. He estimated that there would be at least 50 to turn down in 1948 if our mission fund does not increase greatly. What are we as Baptists going to do about it? Are we going on in the same old way? To my mind the time is short to do anything about it for this coming year. How missionary are we anyway? Christ said, "Go Ye," we have one to go abroad while 10,000 stay at home; "make disciples," for every Christian there are three pagans; "of all nations," 63 nations and we serve in only 19; "baptizing them," we only exceed those abroad, 9 to one; "teaching them," for one teacher abroad we have 64 at home; "to observe all things," we spend 28 dollars for our work at home to 1 for foreign missions.

What do we have? 13 million Baptists in the world and not able to send all the missionaries who want to go across? Of all the money that Southern Baptists gave for foreign missions this year 94½ per cent is designated for over seas. When you give through your church you actually go into all the world and preach the gospel. May we as Baptists resolve in our hearts to give more money in '48 through our cooperative program that those 50 missionaries may be able to go across and help to prevent another war. In July when the seventh world alliance met in Denmark some of the leading men in Germany seemed to think that Russia and the United States would probably be at war within 2 years. God forbid! We can't believe that national leaders are crazy enough to let war come again in our generation. So let us as Baptist people give of our means through the cooperative program that others may go into all the world and keep the Great commission. If we fail now then we shall have failed our Blessed Lord and spurned possibly the last chance he will ever give us to go into all the world. With the lives and souls of all mankind at stake, may God help us to do the right thing.

In 1946, 59 new missionaries were commissioned by the foreign mission board. As we look to 1947 we find a situation far different from any we have faced in recent years. In 1945 we searched the southland for 50 young people who were qualified for foreign mission service. We found 38. At this moment we have 103 young people ready and willing to go anywhere, but find that we haven't the money for that many. This situation ought not to be. World conditions demand our best efforts now. Surely five and one half million Baptists who helped to support the worlds most costly war are ready to send their choice young people to bear witness to the power of Jesus Christ. We know the needs. Will we fail them? Will we let the world approach atomic destruction when it is within our power to give them the message of the Prince of Peace? Our young people took the world and handed it back to our congressmen and they will take it for Christ if Southern Baptists will provide the money.

Respectfully,
Mrs. E. M. Young.

ASSOCIATIONAL MISSIONS

Report to: The Beulah Baptist Association meeting with the Mill Creek Baptist Church, September 30, 1947

During this Associational year the Beulah Association has made greater strides in Associational Missions than in any previous year of its history. This has been due largely to the fact that for four and a half months of the Associational year we have had a full time Associational Missionary. In January of this year the Executive Committee began to make plans for the securing of such a missionary. We were able to secure from our State Missions Board a pledge of nine hundred dollars per year toward the salary of such a missionary. The matter was then presented to several of the churches of the Association by the pastors; and with pledges from several of the churches in hand—it was decided to launch this program with the help of the State Mission Board on a twenty four hundred dollar budget— eighteen hndred of this going for the salary of the Associational Missionary and six hundred for expenses—such as travel and office expense.

The Executive Committee named a committee of three to select, employ and direct the work of the missionary. This committee is composed of: James E. Baker, W. T. Baucom, and Dewey Young. After deliberation and prayer this committee felt led to Miss Ella Sue Gravitte and a call was extended to Miss Gravitte—then serving as Educational Director of the Angier Avenue Baptist Church in Durham—to become our Associational Missionary. Miss Gravitte came with us beginning Apriil 15th of this year. Since her coming there has been a steady stream of progress in our Associational Mission activities. There were twenty-five Vacation Bible Schools in the Association this year as compared to fifteen the previous year. Our Associational Missionary assisted in twelve of these schools and her assistant, Miss Ann Deaton, employed for the summer months, assisted in six schools. There was a total of 1,724 pupils enrolled in these schools. More than this no doubt benefited from the schools in that it is necessary to attend two days in order to be enrolled. There was an average attendance of 1,510—these figures do not take into account three schools which have not reported. Our Associational conducted faculty meetings in 21 Bible Schools and mimeographed booklets for all pupils in 22 schools—she also arranged for two Vacation Bible School Clinics—one at Cavel and one at Yanceyville. In addition to her work in the Vacation Bible Schools—she planned a Deacon's School which was held during the month of May for two nights. She has assisted in eight W. M. S. programs, taught three W. M. S. study courses, one Y. W. A. study course, one G. A. study course, participated in a school of missions and in two stewardship schools. She was in charge of 14 Intermediates at Ridgecrest for one of the Training Union weeks and taught a Sunday School Study Course and participated in a Sunday School Enlargement Campaign. In addition to this she has participated in numerous group and individual conferences and committee meetings. She has been publishing a monthly Associational Bulletin to keep our workers informed with the work of the Association. In all she has traveled approximately 2,616 miles during the four and a half month period in the work of the Association.

Our churches and their membership are asked to support this worthy program with their cooperation, their prayers, their praise and their purse.

Respectfully submitted,

James E. Baker, Chairman,
Associational Missions Committee.

REV. L. V. COGGINS READ THE FOLLOWING REPORT ON

PUBLIC MORALS

Many evils are gnawing at the very vitals of our beloved Nation. We may be strong enough not to be destroyed from the outside, but we can decay from the inside. Dr. John Henry Strong in his book. "Jesus the Man of Prayer," says, cruelty, lust, falsehood, pride and hate have trampled underfoot all that humanity by faith and martrydom has won—Never since Bethelehem has spiritual antagonism been etched so black against the sky. Never since Golgotha have light and darkness so joined in death grapple. We have stood watching an old world die a new one in pains of birth. What will happen if we do not pray?"

Because a thing is legal it does not make it morally right. Our morals are so low we seem to have lost our modesty. How we need to keep before our people these words: "Whatsoever a man soweth, that shall he also reap." We owe a debt to society for the privilege of living therein. Society is either good or bad. It is what people make it.

A Noted Boston Bishop said: "Dancing in public schools in Boston is responsible for conditions of immorality that are almost as bad as the white slave traffic. There ought to be a state law against dancing in any public school."

Mr. Roger Babson, says: Despite starvation abroad, the eight billion dollar liquor business consumes huge quantities of grain for brewing alcoholic beverages. This non-essential industry continues uninterrupted in the production of liquor.

As affects, drinking we feel that Baptist, generally deplore the flow of beer and beverage liquor within camp areas at home and abroad. If the uniformed man and others must purchase the soul destroying poison forbid that Uncle Sam should be the bar keeper. Viewed practically, what may we expect when military training sweeps into the ranks of hundreds of thousands of teenagers?

L. V. Coggins.

ORPHANAGE REPORT

The following is a part of a statement made by Dr. I. G. Greer

There are certain reasons why orphanages and other child caring agencies are necessary. Among these are poverty, poor health, illiteracy and instability in the home.

The Baptist Orphanage was founded for the purpose of caring for orphan children and yet one of the chief concerns of welfare agencies of the present time is the wrecked home. There are over a thousand children in the orphanages of North Carolina who have both parents living.

The chief function of the home is to bring children into the world and to rear them. No other institution in all Christian civilization has a legal moral right to bring children into the world. With all of our progress no substitute has yet been found for a Christian home.

We believe that one of the greatest services the orphanage can render is to make it possible for parents and children to help themselves. In addition to service we are rendering children in the orphanage we should help preserve and improve homes that are in danger of breaking down. Last year the orphanage, through its case work helped to make adjustments for more than four hundred children where applications had been made to enter the orphanage. Perhaps this is one of the best service the orphanage rendered.

In order to care for more children during these days when it is so expensive to build, the orphanage authorities are developing a program of boarding home care. This enables them to place children in good homes under the supervision of the orphanage and thus give many children the privilege of having a good home without placing them in the institution.

Last year the orphanage cared for seven hundred children: sixty of these were cared for in boarding homes and fifty by Mothers Aid. Case work service was made available to 1107 children. This was made possible through layalty of the Baptist denomination and other friends who month by month and at Thanksgiving time give to the support of these children in keeping with the will of the Master. Year after year we are more conscious that the method of supporting the orphanage through once a month and Thanksgiving offerings is a wise Christian policy. In addition to cash offerings, the orphanage at all times can use canned goods and other commodities needed for the daily support of a large family.

Respectfully submitted,
Mrs. S. F. Scott

Mr. W. C. Reed from the Kennedy Home spoke on the Orphanage Work of Baptists in this state.

THE FOLLOWING EXPRESSION OF APPRECIATION WAS READ BY MRS. R. A. WHITFIELD

On behalf of Beulah Association, and especially on behalf of its women and its organizations, I want to say a few words of appreciation of two of our leaders, Mrs. J. F. Funderburk and Mrs. L. V. Coggins.

Mrs. Funderburk has been serving faithfully as the Superintendent of our women in the association, and Mrs. Coggins for ten years as the young peoples' leader. They have labored lovingly, faithfully and long. And words cannot express to them what their services have meant. You know we can't always see the results of our labors and sometimes we are inclined to get a little down hearted: But these dear ladies may well feel assured that the fruits of their labors will show in the future years. For many shall rise up and call them blessed.

Many young people who are the future leaders of our mission work owe their inspiration to the leadership of Mrs. Coggins.

These organizations will later express to these ladies in a more tangible way their appreciation of their years of service.

Mrs. R. A. Whitfield.

*Indicates churches who have paid their proportional part or above.

The amount recorded as paid by churches includes amount paid for materials for Vacation Bible Schools, Minutes, etc. The first figure indicates what has been paid by each church during the year from October 1, 1947 — October 1, 1948. The figure on the right indicates what is required of each church according to membership (50c per member) to adequately support our associational budget. We want to have available supplies free of charge for our churches, but our budget has not yet permitted. With each church cooperating as we suggested we will not have to make charges for Bible School supplies, copies of minutes, and other materials.

Our State Mission Board is putting into our associational missions program $900.00 per year and will next year invest in the work of this association over $4,000.00. Let us support our work more generously, that soon we may become not only self-supporting but that we may help to carry on the work in other section of the State.

M. Banks Berry, Treas.

CHRISTIAN EDUCATION

The Moderator recognized Dr. Smith from Wake Forest College who spoke briefly on the large enrollment and fine spirit on the Wake Forest College Congress this term.

Dr. Smith recognized Dr. Horace Eason who made a splendid address on Christian education. He emphasized "our supreme opportunity for christian education in the task of moving Wake Forest College to Winston-Salem," and encourage that all Baptist churches, little or big, put forth a special effort to support it.

SUNDAY SCHOOLS

The report on Sunday Schools was read by Miss Doris Foster as Mr. W. A. McFarling could not be present.

Our theme for our Sunday Schools this past year has been, "Expect great things from God, Attempt great things for God." During this Sunday School year 1947-48 we have not only attempted to increase the enrollment in our Sunday Schools but to improve in the teaching of the Bible, the textboop of our Sunday Schools.

In cooperation with associational Training Union Department we have had four Sunday School-Training Union associational meetings, with an average of 15 churches being represented at each meeting. Through reports from churches who have done effective work and through messages from local Pastors we have been challenged to better prepare for the work we are doing and to enlist more people in getting the work done. From outside our association we have had to help us in these meetings Rev. G. W. Bullard, State Supt. of associational missions, Miss Madge Funderburke, associational missionary in South Carolina, Miss Neva Harper, Vacation Bible School worker in Flat River Association, and Rev. Albert Meiburg from Clemson, S. C.

We have had 27 Vacation Bible Schools in the association and one at Calvary (Indian) church in Person County. Miss Louise Yarborough and Miss Jean Paylor were employed by our State Mission board to assist with this work during the summer. Each year for the past few years we have had an increased number of Bible Schools in our associaion. Next year we could not be satisfied with any less than a "Bible School in every church."

The week of March 21-25 we had an association Better Bible Teaching Clinic, directed by Dr. L. L. Carpenter, editor of "The Biblical Recorder." This clinic was held at First Baptist Church, Roxboro. Conference leaders were Dr. Carpenter, Mrs. L. L. Carpenter, Mr. Boyd Horton (Associational Missionary in Union Association), Mrs. F. A. Bower, Mrs. C. R. Hinton, and Miss May Bomar. The latter three and Mrs. Carpenter are State approved Sunday School workers. Members from twenty-three churches attended this clinic and all were helped to do more efficient work in the local Sunday Schools.

Let us attempt greater things for God as we follow the theme for 1948-49, "Spare not, lengthen thy cords; and strengthen thy stakes" (Isa. 54:2). Each member of each church must be busy in our Bible teaching program and in winning the lost to Christ if we are to help in reaching our Southern Baptist goal of 600,000 new members during our 1948-49 Sunday School year.

Respectfully submitted,

W. A. McFarling.

MESSAGE ON MISSIONS

After the singing of a hymn M. A. Huggins brought an inspiring message on Missions. He said that our job as christians is to make the Gospel of Jesus known to the world through missions; that we should be "christo-active," and pray for a robust faith.

BAPTIST HOSPITAL

The following statement, copied from the information sheet sent out by the hospital staff, could be a condensed report on our North Carolina Baptist Hospital: **"Dedicated and supported by the Baptists of North Carolina for the relief of human suffering."**

One who visits our Baptist hospital at Winston-Salem cannot help but be greatly impressed by the marvelous way in which this is being done. It is a beautiful picture to see the steady stream of people coming from everywhere, sick, discouraged and helpless, entering and another stream going out, with renewed spirits and years added to their lives. Some have money to pay and some do not, but all have the same personal, efficient consideration and treatment. This is where we can share in this wonderful work, by helping to increase our Mother's Day offering each year.

As I have seen the long lines of people, standing, in the Out-Patient Department, and every seat filled, I have visualized the 26,000 visits made there last year for examination, diagnosis and treatment. This year there will be 35,000 visits. Because there is such great need for more bed space, money is now being raised from interested friends and businesses to build a new, enlarged hospital. This will be somewhat delayed because of other urgent denominational campaigns but already a beautiful 100 acre tract in Winston-Salem has been given for this purpose.

Our Baptist Hospital and its related Bowman Gray School of Medicine of Wake Forest College provides wonderful training for those who want to be doctors and nurses. Some who are now in training plan to be medical missionaries.

Permeating all this set-up is an unusual spiritual atmosphere fostered by a Department of Religion organized with-in the hospital. We are happy to have its full-time Director, Dr. W. K. McGee here today to tell us more about this ministry. Also we are proud that its Chaplain, the Rev. Richard K. Young is a product of the Provident (Person) Church of our Association. These workers teach Bible, promote a religious program among the students and minister to the spiritual life of the patients.

"Dedicated and supported by the Baptists of North Carolina for the relief of human suffering"—our Baptist Hospital—a wonderful way by which we may help to carry out Christ's ministry of preaching, teaching and healing!

Mrs. L. V. Coggins.

Following the Hospital Report Dr. W. K. McKee spoke to the report, telling of the many Christian benefits the Hospital is rendering. He complimented the work of Richard Young, who is from the Beulah Association, stating that his program of training in personal counsel has been one of the most wonderful things we have done at the Hospital.

THE ANNUAL SERMON

Rev. James Baker read the Scripture found in Philippians 1:15-21 Then Rev. Baker brought us a splendid message using for his text the twenty-first verse in the scripture reading: "For to me to live is Christ, and to die is gain."

Rev. Baker dismissed the congregation until after lunch.

AFTERNOON SESSION

Song—"All Hail the Power of Jesus Name". Rev. John Searcy led the devotion.

REPORT ON STATE MISSIONS

By H. R. Starling

The Baptist of North Carolina set up our State Missions program with a two-fold purpose in mind namely to preach the Word to every person in this state and to teach the principles of Jesus Christ. We the Baptist of this state are doing just that.

Our job is a big one; all of us recognize something of the size of our state program but only a few of us know actually how much is going on and where the work is being done. It would take Brother M. A. Huggins our state secretary several hours to tell us all that we ought to know about State Missions. And we ought to know all about it because the entire program depends on our gifts. There is time and place in this report only to mention a few of the State Missions Program activities they are:

1. The providing of three general missionaries in our state: E. L. Bradley, J. C. Pipes and E. L. Spivey.

2. Financial aid is given to weak churches to enable them to have the type of baptist training that we want them to have.

3. The convention is encouraging the establishing of new churches where ever needed and is furnishing the money when possible to buy the lot upon which the church is to be built.

4. Our convention is also promoting work among the Indians and Negroes of our state.

5. Our convention is doing a marvelous work in the cooperation with many of our associations in providing an associational mis-

sionary who gives their full time to the work of that particular association.

6. Our convention is promoting a great educational program through the Sunday School, the Training Union, the Baptist Student Union and the Brotherhood Departments.

7. Recently a new field was opened by our convention. We established a Pastor's School at Fruitland, a work that can never be valued in dollars and cents. This past summer The Baptist Seaside Assembly was opened at Carolina Beach, N. C.

8. Now we as North Carolina Baptist are engaged in a gigantic undertaking in the moving of Wake Forest College to Winston-Salem, N. C. This move is necessary because Wake Forest College must expand greatly in order to do its big job of taking care of the rapidly growing student body. Also this move must be made because the space at Wake Forest is now filled and also because we do not have the money to operate the great institution we need for North Carolina Baptist. These needs are graciously cared for in the offer of Mr. Reynolds and of Mr. Gray which provides us with 600 acres of land with a $3,000,000 home on it and an out right gift of some $11,000,000 as endowment.

Certainly all see something of the size of our State Mission Program now. God help us to also see that this work depends on the loyalty of North Carolina Baptist in supporting State Missions with liberal offerings.

Respectfully submitted,

H. R. Starling.

HOME MISSION SUMMARY FOR 1947

The annual report of the Home Mission Board has been compiled. It reveals an interesting program of successful missionary endeavor.

The Missionaries.

During the year there were some sixty replacements due to resignation, retirement, or death. Home Board missionaries serving in Guatemala and Honduras were transferred to the Foreign Mission Board, which took over the work in those Central American countries. The total number of missionaries is 720, three more than the number reported in 1946. Add 286 student summer workers to the number of full-time missionaries and the grand total will be 1006.

Evangelistic Results

The missionaries delivered 68,425 sermons and addresses, made 255,388 religious visits, contacted 55,270 persons in personal work, and reported 24,221 conversions with 12,814 additions to the churches. There was an average of 30 conversions for every full-time worker.

Literature

Missionaries of the Home Board distributed 52,651 Bibles and gospels, 1,125,132 pages of tracts, and taught 10,709 classes in mission study. They conducted 1,135 revivals.

Co-operative Missions

Approximately one-fifth of the budget of the Home Mission Board is spent in co-operation with state boards. The work of that department is reported by the states. A summary of such reports would be an interesting chapter in the year's achievements.

Missionary Education

In the field of missionary education, it is reported that 1,979 churches participated in schools of missions, using 227 speakers and conducting 2,718 classes, with a total participation in the schools of 749,155. Seventy-one home missionaries served in 98 camps in 17 states, and twenty-one missionaries were committed to serve in other programs of mission study.

Peak circulation for **Southern Baptist Home Missions** was 119,200; and 110,722 mission study books were circulated.

Two 16 mm. home mission films were released and nine new sets of slides. Projected pictures were ordered by 518 churches during 1947.

Respectfully submitted,
A. F. Yarborough

FOREIGN MISSION REPORT

Some of the disturbed areas of the world seem to call for retreat. The Communists have temporarily forced missionaries out of some sections of China. Missionaries are continuing in the Near East at serious risk of their lives. The "iron curtain" remains around the Balkans.

The ever increasing need for large capital expenditures for our institutions and agencies at home seems to call that we stand still until these needs can be met. One of the serious questions confronting Southern Baptists is as to how we can provide these millions of dollars for capital expenditures and, at the same time, provide for an advancing program of world missions.

God's compassion for a broken, agonizing, lost world calls clearly and loudly that we advance.

During the past years the Board has been formulating its plans for advance. We have laid aside an emergency reserve fund to safeguard an enlarged world-program. We have provided funds for the partial restoration of destroyed property and equipment. We have increased our staff of active missionaries from 462 in 1943, to 619 at the end of 1947, a net increase of 147.

We have enlarged the borders of our undertaking. During the year 1947, Southern Baptists, through the Foreign Mission Board, have assisted Baptist churches in twenty-five separate nations or national areas around the world, in the promotion of porgrams of Christian missions.

The Board's Basic Policy

In these twenty-five areas around the world, Southern Baptists, through the Foreign Mission Board, are assisting Baptist churches in the promotion of programs of Christian missions. In that sentence the basic policy and objective of the Foreign Mission Board is summed up.

In their efforts in other lands, the primary objective of our missionaries is the winning of people to God through faith in Jesus Christ as their personal Saviour. These people who have been saved organize themselves into churches; the churches themselves into Baptist associations and conventions. Through the associations and conventions, the churches project programs of Christian missions in evangelism, education, medical work, publication, and other form of Christian service, such as we have in our convention.

Finances

This world-wide program was supported by total gifts from Southern Baptists amounting to $4,734,288. This was made up of $2,277,000 of undesignated funds from the Co-operative Program, $1,064,104 designated money from all sources, and $1,393,183 from the Lottie Moon Christmas Offering.

The Board was compelled to lay aside a reserve from undesignated funds in 1947 to cover the reduction of $460,000 in operating funds in 1948, due to the reduction of the operating budgets of Convention agencies from $5,000,000 in 1947 to $4,000,000 in 1948.

During the year, the Relief Committee of the Foreign Mission Board received $271,482 for world relief.

The Board has in preparation a world-wide program of extensive advance in 1948 and the years immediately following. Six million Southern Baptists cannot continue to answer the world call with 600 missionaries and an average per capita gift of seventy cents a year. The God in whom we believe, the faith which we proclaim, and the need of the world all call for ADVANCE.

Respectfully submitted,
Rev. Boyce Brooks.

Dr. Zeno Wall, General Superintendent of the Orphanage, brought us an inspiring message concerning the work of the orphanage. He ended his message by saying "Pray for us, come to see us, and send in contributions monthly."

ORPHANAGE REPORT

HOME

"Home," she said, is the laugh of the baby, the song of a mother. the strength of the father, warmth of living hearts, light from happy eyes, kindness, loyalty, comradeship. Home is the first school and the first church for the young. Here they learn what is right, what is good and what is kind. Home is where they go for comfort when they are hurt or sick, where joy is shared and sorrow eased, where fathers and mothers are respected and loved and where children are wanted; where money is not as important as loving kindness. That is home—God bless it."

Through the gifts, prayer and cooperation of our North Carolina Baptist, our orphanage at Thomasville provides all that is embodied in the above definition of "home."

Respectfully submitted,

Mrs. George Lansdell.

REPORT OF PUBLIC MORALS

Read by Rev. J. F. Funderburke

America today faces her hour of destiny. Other nations have been ravaged by war, but America has been spared. Other nations have been devastated by the influences of atheism, paganism, and materialism, and America is not immune to these influences. The seeds of decay and ruin have already been sown and are growing into our American way of life.

A nation's culture cannot be greater than its homes. We should be alarmed to learn that one out of every five marriages is ending in divorce, and that one out of every twenty-three children is born out of wedlock. According to a recent survey made on 1,300 college students drawn from 15 different colleges, it was revealed that the practice of premartial sex experimentation was so precipitous that if it continues as now virginity at marriage will be close to the vanishing point for males born after 1930 and for females born after 1940. Our homes must be established on a Christian basis if America would be strong. The home front is definitely under seige. As the future of civilization hangs in the balance, men from all walks of life are saying that Christianity is the only hope for a morally degenerating world, which is in a crisis such as history has rarely seen. We have crossed the threshold of a new era which holds for man either Utopian possibilities of human advancement, or else destruction. America must decide which it shall be. Our zero hour is approaching. The peril is a call to action.

There are more crimes in the United States in proportion to population than in any country in the world. It is estimated that no less than 90 per cent of the inmates of jails and hospitals for the insane are there through the cause and effect of liquor. More than 50 per cent of the adults of America drink intoxicating liquors. Propaganda is flooding our country, trying to convince America that liquor and beer are wholesome products. Liquor interests are pretending to be in sympathy with charity and welfare work by contributing large sums of money to those causes, but the majority of people who are victims of poverty have been made so because of liquor.

The racial relation between the Negro and the whites constitute another issue for which ther is no final settlement.

Much pressure is being brought to bear to throw open the Lord's Day for commercialized amusement. The spirit of the home and church should be against cheap and debilitating amusements. The night club, the dance hall, the bridge tables, and the majority of the movies have no place in the Christian family life. A juvinile judge recently said that most parents want clean water, good food, and the latest gadgets for their children, but are notoriously blind and indifferent as to what enters into their minds and emotional life.

Your committee would recommend three home activities that will help solve our national degeneracy, namely: the family altar, grace at meals, and private donation.

Respectfully submitted,
Mrs. J. F. Funderburke.

ANNUAL REPORT TO BEULAH BAPTIST ASSOCIATION

THE BAPTIST TRAINING UNION

During the past associational year we have had four meetings in cooperation with our Sunday School organization. Training Union officers have met with associational Sunday School officers to plan these programs. Pastors and local leaders have helped us to see the need of training for rendering maximum christian service. Leaders outside the association who have helped us with our programs and organization are Rev. Newton, young people's leader of State Training Union Dept.; Mrs. Harvey Gibson, State Training Union Secretary; and Mr. Carl Bell, Piedmont Association Training Union Director.

Today we have only ten Training Union organizations in our association, three more than was reported last year. The theme for our Training Union this year is "Follow Me." Every christian that

Christ has called to follow Him. He has also called to train for service. As Training Union Director I challenge you to follow Christ by preparing yourself for maximum service and by working continuously to enlist others in a vital training program in your church.

Respectfully submitted,

Ronald Dunevant, Director
Baptist Training Union
Beulah Baptist Association.

REPORT OF WMU WORK FOR 1947

The Woman's Missionary Union of the Beulah Baptist Association entered the year 1947 with new officers and chairman in at least 50 per cent of the places of Leadership, so, the first three months found us, so to speak, climbing the "Hill of Difficulty." Hours were spent in reviewing, preparing and informing ourselves in order that we might carry forward the work of our W.M.U.

Our first task was to revive and keep alert every W.M.S. Six societies have completely re-organized with new officers and chairman.

Our second goal was a W.M.S. in every church in Beulah Association before the close of the year 1948. This goal too has been reached and to God we humbly give the glory and honor.

I am deeply grateful to the pastors of Mitchell's Chapel, (Now Montwood), Bethany, and Lambeth Hill for their encouragement and help in getting the Woman's Work organized in their respective churches. I am indebted to our Field Worker, Miss Ella Sue Gravitte for the great part she has had in organizing, visiting and helping to arrange and present interesting programs which mean so very much to the new societies. "Great things are wrought through prayer," letters and cards help sometimes but personal contact is to be preferred. In this capacity, our field worker is unsurpassed.

Our 1947 records reveal one new W.M.S. organized, six full graded Unions, four A-1 W.M.S., 71 Mission Study Classes, 1195 persons studied missions, one Mission Institute, 6 Schools of Missions and 1 Association wide Mission Study Class, taught by State W.M.U. Exec. Secretary, Miss Ruth Provence

A forward step in Community Missions was, an Associational C. M. Institute, held at Longhurst Baptist Church in October. Prominent speakers from the Raleigh Division, the State W.M.U. and W. M.U. of South Carolina took part on the program.

The good report by our Chairman of Literature was a challenge to set higher goals for 1948. 314 subscriptions to our Missionary

Magazines, and 310 subscriptions to the finest paper on earth, namely: The Biblical Recorder.

The W.M.U. cooperated with the churches throughout the association in contributing food, clothes and money to World Relief, during November and December.

Our gifts through the Cooperative Program was $3,550.00 and to Specials $2975,.87, a total of $6,525.87. These figures do not include the gifts through our Auxiliaries. Major emphasis on giving through the Cooperative Program is urged. Sacrificed gifts to the Lottie Moon Christmas Offering, The Annie Armstrong Home Mission gifts and the State Mission Offering in September should be the goal of every member of the W.M.U.

The following is a statistical report from June to December 1947. Letters written 219, postal cards 70, blanks mailed 120, meetings held 2, meetings attended, Associational, Divisional and State 6.

We confess our failures with humility, and for every gain we thank God and take courage. Your loyal support has given me added strength and zeal to work in His vineyard today. We realize it is better to look ahead and prepare than to look back and regret. Yesterday is gone, tomorrow is uncertain, today is here, Use It.

Give me the thrill of the task
Of being of use, and I'll ask
No greater reward from life.
Better than fame or applause
Is striving to further a cause.

Respectfully submitted,

Mrs. S. O. Garrett, W.M.U. Supt.

REPORT ON PERIODICALS

Read by Miss Ella Thompson

Year after year our church periodicals are presented to this Association, with the purpose of encouraging the reading of Christian litearture. We seldom have figures to show whether or not these reports and discussions produce results. Hence, as a measuring rod of future progress, and for the sake of history as recorded in our Minutes, as well as to stimulate greater activity in this all-important phase of our work, statistics are today in order.

Early this year a letter was written to every pastor in Beulah Association urging renewed emphasis for these publications, especially the state paper and missionary journals. Several weeks ago a questioinaire was sent out asking for definite information in regard to the literature now being used by each church. The editor of the Biblical Recorder was also asked for his records of Recorder Clubs in the Association.

Twenty-two of our thirty-two churches graciously responed to this questionnaire. Some churches reported a chairman in charge of a Recorder Club; others a chairman for W.M.U. publications; five reported a chairman for both, or each. Of the twenty-two churches heard from, seven could name no one whose business it is to keep these periodicals before the people. It is reasonable to assume that the ten which did not respond also have no one who feels responsible. **This means that more than half the churches in this Association are letting slide one of the finest opportunities they have for inspiration and progress.**

Thanks to our wide-awake pastors, and to Mr. Carpenter's repeated visits among us, our people are being aroused to the value of the Biblical Recorder. More than 625 copies of this excellent paper come to this Association every week. Five churches use the

Every-Family Plan: Berry's Grove, Bethel Hill, Longhurst, Roxboro, and Yanceyville. Twenty-one have clubs ranging in size from three to twenty. It gives us pause to know that six churches, however—Baynes, High View, Lambeth Hill, Montwood, Theresa, and Trinity—have no subscribers to the Recorder that we have been able to locate.

Other vitally important Baptist periodicals have not received so much emphasis in this Association, and the need for them is serious. Only fourteen of the churches seem to have any acquaintance with the home and foreign mission journals, total number of subscriptions to these being ninety-four for The Commission, and sixty-two for Home Missions. Far too many report no subscribers to these missionary journals. These two publications, of supreme importance in our Kingdom work, should come into hundreds of our homes every month. Until they do, how can we truly be called **Missionary** Baptists? How can we ever be informed, and inspired to move out into our great Advance Program?

More than 250 copies of Royal Service are used by our Women's Missionary Societies, 63 copies of Y.W.A. Window, 97 World Comrades, and 61 Ambassador Life. To do their best work, the 1400 women and young people of our Associational W.M.U. need access to many more copies of these magazines.

Regular readers of Charity and Children feel that this voice from Thomasville is indispensable. 250 copies come into the Association every week. Yet more than half our churches are without this contact with the Mills and Kennedy Homes. Their interest in the Orphanage suffers because of this lack.

Our 10 Baptist Training Unions report twenty-six copies of the B.T.U. Magazine.

Four churches report using the Sunday School Builder, two The Teacher, eight that excellent magazine for Christian families called Home life.

The above figures show that much progress has been made in Beulah Association in the past ten years, when our Minutes report "only 75 or 80 subscribers to the Recorder." As we have become better informed about our work, our whole program has stepped up, and been enriched. We are grateful for this improvement; we believe that with keener interest, and properly increased effort to establish this literature in our homes, the day will eventually come whep missionary fires shall burn so brightly in our midst that Beulah Association will be supporting her own workers on home and foreign fields.

To this end we pray, and again we plead most earnestly with our pastors and other leaders to be tireless in their efforts to place this literature within reach of every man, woman, and child in Beulah Association.

Respectfully submitted,
Ella Graves Thompson.

MINUTES OF THE 1948 ANNUAL MEETING OF W. M. U.

The forty-sixth annual meetings of the Beulah Woman's Missionary Union convened on Thursday morning, May 27, with the Bethel Hill Church as hostess. The Associational W. M. U. Superintendent, Mrs. S. O. Garrett of Semora, presided. Mr. Huel Gentry led the singing, assisted by Miss Aretta Yarborough, pianist.

The meeting opened at 10 o'clock with hymn, "Jesus Shall Reign", after which the Union watchwords were quoted in unison, this being followed by a period of silent prayer, closed by Mrs. L. V. Coggins. Mrs. Gus Woody and Mrs. Bill Carlton read selected passages of Scripture based on the theme of the meeting, "Serving the Lord Christ." Miss Helen Joyner sang, "O Master Let Me Walk With Thee" and Miss Ella Sue Gravitte led in prayer.

Mrs. W. M. Woody gave words of welcome from the hostess church and Mrs. A. F. Yarborough of Milton responded. The following visitors were then recognized: Mrs. J. S. Farmer, State W. M. U. President; Dr. Hudson McMillan, missionary to china and his sister, Miss Kate McMillan, of Wagram, N. C.; Miss Mary Lelia Carwile, eight local pastors of the Association and several pastor's wives.

Announcements were made by Mrs. Garrett and Mrs. J. S. Farmer about the coming World Relief drive and chairmen were named as follows: Roxboro, Mrs. W. Y. Pass; Yanceyville, Mrs. J. A. Massey and Miss Leona Graham.

AVENUES OF SERVICE IN OUR COMMEMORATION YEAR covered reports of Associational officers.

Assoc. Supt. Mrs. Garrett based her report on the theme, "For ye serve the Lord Christ," reporting a total of 30 Missionary Societies, with 641 members. Six were full-graded (Clement, Lea Bethel, Mill Creek, Providence (C), Roxboro First and Yanceyville). Four Societies were given certificates in recognition of A-1 work (Bethel Hill, Lea Bethel, Mill Creek and Providence (P). Total gifts reported from local Societies were: through the Co-operative Program $3,540.69; W. M. U. specials $2,965.87 making a total of $6,506.56. Calling attention to the goals for the coming year, which had been distributed, the Supt. challenged us to "pledge our lives anew to earnest and willing service."

The Associational Young People's report was read by Mrs. Thomas Fuller in the absence of Mrs. Hugh Barnette, stressing the need of Auxiliary work for the youth of all our churches. The report showed 63 Auxiliaries with 500 members and gifts of 945 to all causes, 51 mission study classes and subscriptions to program magazines. Three Auxiliaries made all points on the Standard of Excellence (Yanceyville R. A., Mill Creek Sunbeams and Providence (C) Sunbeams.) Mrs. Barnette submitted her resignation because of conflicting duties beyond her control.

The Associational Royal Ambassador Counselor, the Rev. J. Boyce Brooks, reported 14 organizations with 80 members, made helpful suggestions for securing men leaders, announced R. A. Camps and closed with poem, "Wanted, A Man to Lead."

Associational Field Worker, Miss Ella Sue Gravitte voiced her joy in service and thanks for cooperation received from all W. M. U. workers, gave a challenge for additional leaders and closed with the reminder, "We have God's promise!" The Rev. Mr. Brooks then made an appeal for all to support the special Associational missions offering to be taken in June and mentioned the "Beulah Bugle" and the "Beulah Buggy" recently acquired by Assoc. missionary.

Mrs. J. S. Farmer presented material and asked for consideration and help in the work of the American Bible Society. Then followed her inspiring address in which she mentioned the highlights of the recent Southwide W. M. U. Meeting in Memphis, Tenn., emphasizing prayer, Bible and Mission study, family worship, the crusade for Christian living and gave definite goals for organizations and offerings. She gave two reasons for serving the Lord Christ: gratitude for salvation and "the love of Christ constraineth us."

After hymn, announcements and special music, Dr. Hudson H. Mc-

Millan spoke on "Serving the Lord Christ in China." This was a wonderful message as he gave a running account of progress of Baptist mission work in China through past years, in spite of the horrors of war and starvation. He praised the fortitude and courage of Chinese Christians, stressed the heart-hunger of China, told of the present crises of Communism and added that Christ is the only answer and that it is our duty to present Him to the whole world.

This was followed by prayer and adjournment to well-filled tables of food on the church lawn.

AFTERNOON SESSION

The afternoon session opened with hymn, "The Kingdom is Coming" and devotional period led by Mrs. Joe Humphries.

SERVING THE LORD CHRIST IN ORGANIZATIONAL ACTIVITIES, covered the reports of Associational W. M. U. Chairman for the year 1947.

THE MISSION STUDY REPORT was presented in mimeographed copies for each person by Miss Ella Thompson. This report contained interesting statistics, goals for 1948, points that need special emphasis and lists of recommended books. During 1947, 1,195 women and young people read 395 books and attended 130 classes (71 W. M. S. and 59 Auxiliary). Some of the goals for 1948 are as follows: 75 W. M. S., 100 Auxiliary classes 1,400 persons studying missions, 500 persons reading at least one mission book, 5 missionary "Round Tables," 5 W. M. U.'s reaching 100 per cent reading goal and 10 Schools of Missions in local churches. "Special emphasis needed on deepening of spiritual life, more reading of books on missions, stewardship and prayer, more fostering of young people's study, at least three hours on every book and that 'completing a study' means reading the book, attending classes and reporting facts learned."

THE STEWARDSHIP REPORT sent by Mrs. W. B. Witty was received, and along with that her resignation due to physical inability to do that and her school work.

COMMUNITY MISSIONS work was summarized in the report of Mrs. Elmer Reynolds as follows: No reporting—50; No. org. having community missions committees—Societies 19, Auxiliaries 24; No. org. studying "Guide to Community Missions"—Societies 9, Y. W. A.'s 2; No. studying book on soul-winning—Societies 4, Y. W. A.'s 3; No. members engaged in community missions work—Society 284, Auxiliary 137. The report was based on scripture references emphasizing soul-winning and service.

Under LITERATURE, Mrs. W. F. Hurdle specially emphasized the importance of the "Biblical Recorder," W. M. U. magazines, "The Commission" and "Home Missions," challenging all homes in the

Beulah Association to have these on their reading tables and to use them. The following number of subscriptions were given: "Biblical Recorder" 310, "Royal Service" 142, "Window of Y. W. A." 73, "World Comrades" 38, "Ambassador Life" 26.

The TRAINING SCHOOL REPORT was given by Mrs. J. Boyce Brooks, mentioning the joy she has had in sending a box to the students and the opportunity we now have of contributing funds for a new organ in the Training School chapel.

The MARGARET FUND was explained by Mrs. Norman Upchurch as a fund for the education of sons and daughters of missionaries. The Societies sent in $40.00 to be used as personal gifts and the goal for coming year is higher. Mrs. Farmer added personal items about Emily Poole and the McMillan sons.

All these reports were adopted as a whole, then the Secretary read the minutes of present meeting and after special announcements and prayer by Mrs. J. Boyce Brooks, a very beautiful tribute to our deceased members by Miss Bessie Hester was read in her absence by Mrs. Ryland Wilburn. Those who had passed on during the year were Mrs. Mamie Bradsher Morton of Lamberth Memorial, Mrs. Addie Turner of Lea Bethel, Mrs. Minnie Woody of Bethel Hill and Mrs. Ira Rogers of Antioch.

The Appreciaton Committee's report by Miss Ruby K. Lea and Mrs. Melborn Hicks was read and enthusiastically adopted.

The report of the Nominating Committee which had been working all through the year, with Mrs. R. L. Wilburn as Chairman was adopted thus electing the following officers for the coming year:

Supt.—Mrs. S. O. Garrett
Assoc. Supt.—Mrs. R. L. Wilburn
Young People's Leader—Mrs. H. R. Starling
Secy.-Treas.—Mrs. L. V. Coggins
Mission Study—Miss Ella Thompson
Community Missions—Mrs. Elmer Reynolds
Stewardship—Mrs. Roy Keller
Literature—Mrs. W. F. Hurdle
Training School—Mrs. J. Boyce Brooks
Margaret Fund—Mrs. Norman Upchurch
Music Director—Mrs. J. F. Funderburk

In short but very impressive ceremony these officers came forward and were installed by Mrs. J. Boyce Brooks.

The meeting was brought to a climax by a very fine message from the Rev. J. F. Funderburk on "Serving the Lord Christ through witnessing" in which he emphasized the facts that we must live consistently, must tell the Gospel convincingly and must give it sacrificially. As the benediction was pronounced, all went out feeling that it had been a wonderful day of information and inspiration and were impressed with the hospitality of the entertaining church and the beauty of its building and grounds.

Mrs. L. V. Coggins, Secretary-Treasurer

Our State Mission Board invested $900.00 in our associational program this year. It was the plan of the Board to cut this amount 10 per cent last year, but by special request of the associational missions committee, this amount was not cut. Each association being helped by the Board is encouraged to reduce the help 10 per cent each year and thus become self-supporting in ten years. Following this plan, the State Board will invest $810.00 in our program for next year.

The column of figures on the right is a recommended amount of offering for each church, to adequately support the program. During the first year our associational missionary was with us, many asked, "What should our church do?" To arrive at an answer, we concluded after study that 50c per member would adequately support the budget. This is not an assessment nor even an allotment for each church, but just a guide that might be useful as you plan your church budgets and as you give voluntarily, with a free will to support the cause of Christ in your association.

M. Banks Berry, Treasurer
Beulah Baptist Association

REPORT ON CHRISTIAN EDUCATION

The title of this report reveals its value as we see two of our greatest words linked together, christian and education. The use of the term, christian education, reveals clearly that our Baptist colleges do not exist only as an educational institution. Its primary objective is to make education christian. Its entire program of work is to be Christ centered. Its objectives are to be found in Christ and His ministry. Christian education spells victory in every realm of life. These colleges should challenge and inspire the host of North Carolina Baptist. Let us readily and willingly accept the responsibility that is ours to build, promote, and sustain them as they serve our Baptist people and other people unto the end of the earth.

In our state we have seven Baptist colleges, with Chowan as the seventh, reopening for instruction this fall. In these schools last year we had the following enrollment: Wake Forest, 2,156; Meredith, 506; Mars Hill, 927; Campbell, 583; Gardner-Webb, 382; Wingate, 241; making a total enrollment of 4,792 for these six colleges. Of this number 3,650 of them were Baptist. In other denominational schools we had 2,995 Baptist students enrolled. In all of our colleges, nurse training schools, and business colleges we had a total of 8,100 Baptist students enrolled last year. Only 3,650 of these were in our colleges. In other words just a little over a third of them were in our colleges.

As we look at the finance of our schools we find the following: The total cost of operation of these schools last year was $1,411,016.00. Of this amount $369,107.00 was provided by our convention through the cooperative program, which is a little over 26 per cent of the operating cost. Even though our support to these is greater than any time in the history of our convention, we are doing far to little to do the work that we want done through our schools and to render the service so greatly needed. We need badly more space and more teachers that will relieve the crowded conditions, that make the best teaching impossible.

During the past few years it has been alarming as we observe the lack of interest and concern for our colleges. May I state some observations:

First—Too many of our people have no preference when it comes to choosing a college for their child. By this statement, I mean, they are as well satisfied for them to attend the school of another denomination or a state school as they are for them to go to our Baptist schools. In many instances the state school is preferred over the christian schools.

Second—In many instances devotion and loyalty is more warm among Baptist toward state schools than toward our Baptist schools.

Third—Our seeming indifference toward our christian schools. Surely we do not intend for this to be, however, this does not altar the condition. We need to be more informed about our schools as well as more interested.

The logical question is, what can we do?

First—We must finance our schools in such adequate manner that the proper space can be provided, sufficient teachers can be secured, and adequate material made available, so that no student who enrolls in our Baptist colleges will be deprived of any opportunity because he came to our college. Provide the best for the best possible teaching. When people go to college they are interested in the school which can offer them the best. Let our Baptist colleges always measure up to this qualification. We should support our colleges. They belong to us. Their need is our responsibility. They cannot operate nor thrive solely on the name of being a Baptist college. To live and serve spiritually, they must live financially.

Second—We must desire and determine that the spiritual and moral values will always command first place in all of our schools. If this is not true they have no right to live and function under the banner of Christian. Let us be assured that moral and spiritual values are the urgent and challenging needs of our boys and girls. Let our schools magnify Christ. We are as responsible to see that they are cared for in moral and spiritual values as we are responsible for their financial needs.

Third—Let our churches make use of every opportunity to keep their members informed as to the nature and work of these colleges. It should not be difficult to point our boys and girls to the value of our colleges over other colleges. If there is no value of a Baptist school over any other, why have them? If our schools are not worthy for our boys and girls, they are not worthy of our support. I believe that our schools have something to offer to youth that no other institution can offer.

We have these schools. They are ours. What will we do with them? What will we do for them? May we as a great host of Baptist rally to the call and need of the hour, and join hands with our colleges in their great work that victory may be ours. Let us help them to be what they should and what we desire them to be.

Respectfully submitted,
W. B. Cone.

SUNDAY SCHOOL REPORT

We began the year with the appropriate and challenging theme, "Spare not, lengthen thy cords; and strengthen thy stakes. (Isa. 54:2)

Throughout the year the aims have been before us:

1. An enrollment goal of 600,000 net gain.
2. An extensive and inclusive Bible Teaching program.
3. A year round Soul-Winning emphasis.

Toward the realization of these aims we met with Mr. L. L. Morgan, State Sunday School Secretary, at the State meeting in High Point, and locally at the Beulah Baptist Church.

Early in the fall we enjoyed a supper meeting at the Longhurst Baptist Church, followed by a period of training for all teams, which in turn were to present the challenge of the Sunday School in the local churches. Various pastors were responsible for selecting team members and visiting assigned churches. Thirty one Planning Meetings were held in the Association with every church except one participating. The majority of the churches indicated that they would have one or more training courses and goals set have been reached in many instances, as you will note in the statistical reports of the churches. Many of the churches failed to realize the goal of a Training Week. Marked increase in numerous churches has been reported. The Beulah Baptist church has the best record, beginning with 43 in March and enjoying an average of 99 for the last quarter up to September 4.

At our Longhurst meeting the group thought it well to have one strong annual meeting rather than quarterly meetings. This was done with some measure of success. However, with one exception, the Associational Officers have met quarterly. These meetings require more work and planning and increase the number of meetings. But we have always had to decide on the most important work and concentrate on it. It is an evident fact that we will not accomplish much nor reach many without scheduling and adequately preparing meetings that reach the people and keep our workers inspired, informed and trained. As an additional help, as important matters seemed urgent the Superintendent took occasion to write letters to all Sunday School Superintendents, Pastors and Associational Sunday School Officers. Material forwarded from the Sunday School Department, Nashville, was usually inserted. At our meetings helpful material was distributed.

The Enlargement Campaign in March, in 12 churches, helped to bring about the increased attendance in our Sunday Schools. The Enlargement Campaign revealed 3,402 possibilities with 1,481 enrolled and an average attendance of much less. We must "enroll families" and "provide a place for every member of the family in our Sunday Schools" if we expect to reach the lost for Christ. Mr. D. P. Brooks of the State Sunday School Department, directed the Enlargement Campaign.

Recalling a great task poorely done it is our hope that in the year ahead we may keep before us the following great needs:

1. We need desperately a faithful, systematic program of visitation

in all of the churches in the Association.

2. An attempt must be made to improve the quality of the work in every class and department of our churches.

3. The Weekly Officers-Teachers Meetings will help to realize 1 and 2. Moreover, each person should gain information and inspiration that will impart confidnce in the work to be attempted on Sunday morning.

4. The Sunday School Meetings should be well attended, helpful and vital. At these meetings we must make a concerted effort to find reason to be helpfully active in our churches from week to week during the year.

Respectfully submitted,
John C. Searcy.

REPORT ON B. T. U.

We have 9 Training Unions To Report:

Roxboro, First
Yanceyville
CaVel
Clement
Longhurst
Mill Creek
Providence P
Providence C
Montwood

There is a possibility that in the last few weeks Theresa has organized a Training Union; thus making a total of 10 Unions this year. There is no increase in number over last year. However, these are not the same 10 Unions. Two have died and two others have been organized. Plans are now being made for the organization of three other Unions.

We have had three joint Sunday School, Training Union officers' meetings; one mass meeting last Spring at Baynes' Chapel, the program there being given by the young people. The attendance was excellent.

An outstanding feature of our Training Union work this year was our Associational Training Union Clinic held at Roxboro First, September 12-16. Our state Training Union Director, Mrs. Harvey Gibson, directed the Clinic with faculty consisting of:

Miss Ella Sue Gravitte, Mrs. Funderburke, Miss Martha Jane Mitchell, Mrs. Frank Morgan, Mrs. Sam High.

There were 12 churches represented with an enrollment of 188 and an average attendance of 111. Everyone attending was challenged and inspired to do greater Training Union work.

Respectfully submitted,
Ronald Dunevant.

THE BROTHERHOOD OF THE BEULAH BAPTIST ASSOCIATION

The interest of the brotherhood in this Association is very encouraging; much has been done in laying the foundation for this great organization. This new work headed by the Southern Baptist, sponsored by our State and local setup demands the interest and effort of all our churches in this Association.

At the present time, we have four active organizations. These are reported in the regular church letters to the Association. A delegation of seventeen attended the brotherhood week at Seaside Assembly this summer. The work of the brotherhood, the Mission program, the recreation and the good food made a delightful week.

It is our sincere hope that this work will continue to grow until every church in this Association will have a Brotherhood.

Respectfully submitted,
W. T. Walker

ANNUAL REPORT OF W. M. U. WORK

DECEMBER 1947 THROUGH DECEMBER 1948

THEME: THAT THE WORLD MAY KNOW CHRIST" MAKING HIM KNOW THROUGH OUR ASSOCIATION

The year 1948 marked the forty seventh annual meeting of the Woman's Missionary Union auxiliary to Beulah Baptist Association. It is a particular joy to the women of our association when we realize we are a part of a great world influence such as the **Woman's Missionary Union** of the **Southern Baptist Convention** and through this channel we have a part in **making Christ known** to the ends of the earth. Our work shows gratifying progress, for we are "laborers together with God" "The Lord hath done great things for us"—"O Magnify the Lord with me."

Thirty-two churches 32 W. M. Societies and the joy of having heard from each of the 32 W. M. S. during the year is a happy thought, but to hear from each of the 32 each quarter of 1949 will be an occasion for real rejoicing. No work is ever too small to be reported.

We met in our Leadership Conference January 24, Roxboro First Baptist Church to plan our work for the year 1948. Every officer and chairman with exception of one who was detained because of illness was present. In addition to this, we had Miss Hilda Mayo, State Young People's Secretary, and Mrs. Horace Hammett, Supt. of Raleigh Division with us to inspire, inform and encourge us in planning our work, and to also encourage us to hold a leadership conference annually. This conference was in its infancy in Beulah, this being our first one.

We have eight full graded unions which is a gain of three over last year. There are only five A-1 W.M.S. which is a gain of one.

Early in May we participated in a drive to collect clothing and food for European Relief with Roxboro and Yanceyville as shipping centers, Mrs. W. Y. Pass, Mrs. Edna Massey and Miss Leona Graham were the directors. More than 1000 pounds of food and clothing were shipped from the two centers.

We worked to attain all 13 points on the Associational Standard during the year but missed this coveted honor by one point. We failed to reach the 10 per cent increase in gifts through the Cooperative Program by $37.42.

Our gifts as a whole show a substantial gain over last year.

The following is exclusive of gifts by our young people.

Through Cooperative Program	$3,857.34
Through Annie W. Armstrong Offering (Home Mission)	516.92
Through Heck-Jones Memorial	230.20
Through Hospital	306.98
Through State Missions	444.58
Through Lottie Moon Christmas Offering	883.97
Through World Relief (cash)	267.29
Through Margaret Fund (Burney Gift)	41.50
	$6997.12

Twenty-four of our women attended the State W. M. U. meeting in Greensboro. Eight attended Raleigh Divisional meeting at Clayton, N. C. Eight attended the Divisional Leadership Conference in Durham, N. C., and three were present for the State Executive Council at Raleigh in November. A total of 11 meetings was attended by your W. M. U. Superintendent the year 1948. I am sorry I have not had the joy of visiting every W. M. S. Practically all visiting has been done by our efficient Field Worker, Miss Ella Sue Gravitte. I have written 296 letters, 167 cards and mailed in addition to those 308 blanks.

Whatever was accomplished the past year has been through God's grace and power working with and leading our consecrated chairman in their respective phases as they labored untiringly in "MAKING HIM KNOWN: THROUGH OUR ASSOCIATION. Humbly we say, "The Lord hath done great things for us whereof we are glad."

Respectfully submitted,
Mrs. S. O. Garrett,
W. M. U. Superintendent Beulah Association.

MINUTES OF THE 1949 ANNUAL MEETING OF ASSOCIATIONAL W. M. U.

The 47th. annual meeting of the Woman's Missionary Union of the Beulah Association was held on Saturday, April 30, 1949 in the Providence (Person) Baptist Church.

The session opened at 10 A. M. with Mrs. S. O. Garrett of Semora, Associational W. M. U. Supt., presiding. Mrs. J. F. Funderburk had charge of the music, with Mrs. Arch Walker, pianist. After singing, "O For A Thousand Tongues to Sing," the Rev. J. F. Funderburk led in prayer. Motion for organization and adoption of the suggested program procedure was made by Mrs. W. L. Taylor.

Welcome was voiced by Mrs. E. M. Young, Mrs. Gus Woody of Bethel Hill Church responded. Mrs. Garrett ask all to read the theme of the program "Making Christ Known," Psalm 145:12 as she called attention to the impressive posters at the front, illustrating this. The watchwords also were quoted in unison.

Devotional thoughts were brought by Mrs. H. G. Hammett, of Durham, Divisional W. M. U. Supt. Using "God So Loved the World" (John 3:16) she ask that we seek the joy of giving our love, our money, our prayers, and our children, as a response to that love. "Shall I Crucify My Saviour?" was then sung by the Mill Creek Male Quartette and Mrs. L. V. Coggins led in prayer.

Business followed, including recognition of visitors and pastors; roll call of societies, recognizing officers, chairmen and auxiliary counselors; appointment of committees; treasurer's report; and a special offering taken.

A Missionary Message of unusual interest was brought by Miss Minnie Berry, Home Mission worker. She told of her experiences in making Christ known to the people of the mountain sections of Kentucky and Alabama and of the possibilities for Christian leadership in their young people.

"Making Christ Known" covered the various reports in: "Through Our Association", Mrs. Garrett reported a Missionary Society in each of the 32 churches (for which there was much commendation from State Headquarters), eight full-graded unions (a gain of three) and five A-1 Societies (Clement, Lea Bethel, Mill Creek, Providence (Person) and Semora.) She told of fine leadership conferences held, of 24 women attending the State meeting and three at the State Executive Council. Gifts of the women for the year totaled $6,997.12.

In **"Making Him Known Through Field Service,"** Miss Ella Sue

Gravitte told of her opportunities to help in the work of mission organizations by giving instances of progress through the organization of new circles, the preparation and use of Year Books, the observing of Focus Weeks, the proper use of Royal Service material, the organization of two new Societies and the planning of G. A. and R. A. Camps for the summer. Appreciation was expressed for the gift of a movie camera for the work of the association.

"In Our Homes and Community" emphasized community missions as directed by Mrs. Elmer Reynolds. Her report dealt with the challenge of making Christ known, and the need of family worship and definite soul-winning on which her pastor, the Rev. W. B. Cone made a special appeal. Of 94 reported organizations, 64 were doing active community missions work which included 728 members. Five organizations studied a book on soul-winning and nine studied the Guide to Community Missions.

"In His Mighty Acts Today" referred to the study of missions under the leadership of Miss Ella Thompson. Her report was full of recorded advances, including the fact that in one Union, every member of the Missionary Society and every member of each Auxiliary had read a mission book during the year, eight other Societies had reached this goal for its Society membership, and more than 40 organizations had had two or more mission study classes during the year. Many "Schools of Missions" had been held and plans for the Associational Mission Study Institute, to be held at Lea Bethel in October, were announced. Stress was laid upon the ultimate purpose of mission study—that we may "know, pray, give, know His will, then do it." The coveted and difficult accomplishment of having had a mission study class in every one of the 32 Societies in the 32 churches of the Association had received special recognition from the State W. M. U. Miss Thompson's mission study posters were most impressive. Each church of the Association was represented by the picture of a small chapel with steeple, whose windows were lighted according to the number of mission study classes held during the year. Two "traveling mission libraries" were also on display.

The Stewardship Report, emphasizing "Every Baptist a Tither" and a more equitable division of gifts between local and world-wide causes was read by Miss Carwyle in the absence of Mrs. Roy D. Kellar, Stewardship Chairman.

Prayer and Adjournment For Lunch followed the adoption of the above reports. Tents provided protection for the well-filled tables, from the constant down-pour of rain.

The **Afternoon Session** opened with Hymn, followed by Scripture Reading and Prayer by pastor of hostess church, the John C. Searcy.

In **Memorials,** Mrs. Sanford Long paid tribute to those who had passed on—Mrs. Mell Martin, Longhurst; Mrs. Maude Woody Crutchfield, Bethel Hill; and Mrs. R. H. Bailey, Mill Creek—then had prayer.

An **Inspirational Message** was brought by Miss Hilda Mayo, of Raleigh, State W. M. U. Young People's Leader on the "Importance of Making Him Known," in which she emphasized the importance of young people's mission work through Auxiliary organizations. In her introduction, she referred to "The Famous Beulah Association' with with its "Beulah Bugle" and "Beulah Buggy" and the recent Royal Service program, written by a member of the Beulah Association, emphasizing the importance of the rural church and using the Association as an example. She told of her tour of a small part of our Home Mission work, that in New Orleans and in the bayous of the Mississippi River and of how she had been so deeply impressed with the great need for more money and more workers. She closed with a statement of the critical need for more foreign missionaries also, and impressed her hearers with the fact that if this need is to be met in the years to come, the foundations must be laid in the lives of our youth of today.

Report Of Auxiliary Work was given by Mrs. H. R. Starling, Associational Young People's Leader, stressing the importance of the work of a Young People's Director in each church, a sufficient number of subscriptions to missionary magazines, and all auxiliaries having mission study classes and using the stewardship plans. Announcement was made of the Young People's Rally to be held at Lamberth Memorial on July 1, then report closed with the poem, "Let's Pray for our Young People's Work!"

Report On W. M. U. Training School by Mrs. J. Boyce Brooks, chairman, referred to our N. C. young women in Louisville, Ky., training for Christian service, there being 20 at the present time. Of the 46 graduates, this year, eight were from N. C. She asked that additional funds be contributed for the organ for the school's chapel.

The **Margaret Fund Report** was given by Mrs. George Lansdell for the Chairman, Mrs. N. S. Upchurch, who could not be present. Eighteen Societies had contributed a total of $40.50 to be sent as special gifts to sons and daughters of missionaries who are in colleges in N. C. A recommendation from the Executive Committee that a special remembrance be sent to Elsa Corujedo was included with a request that this be taken from the special offering of the day.

Report On Attendance and Special Offering was given by the Secretary-Treasurer as follows: Standing for Roll Call, were 191 (many others came in later); Among them were 15 W. M. S. Presidents, 27 Auxiliary Counselors and 32 local Committee Chairmen. Twenty churches were represented and amount of the special offering was $34.73. (Other Societies later handed in a total of $8.00 to be added to the Associational Expense Fund.)

After hymn, "The Kingdom is Coming," Rev. Dwight Wilhelm of Wake Forest College spoke briefly on the importance of the Jr. G. A. and R. A. Camps being planned by Miss Gravitte and to be held at Crabtree Park in July, (Mr. Wilhelm to be the director.)

In Reports of Committees by their chairmen, Mrs. W. C. Pulliam expressed the appreciation of those present to Rev. and Mrs. John C. Searcy and the members of the hostess church for their unusually fine hospitality, to the program committee for the fine program, to each of the visiting speakers and Mrs. Hammett, for the inspiration brought, and to Mrs. Garrett, Miss Gravitte, and the Associational Committee Chairmen for the fine accomplishments in W. M. U. work.

For the **Time and Place Committee,** Mrs. J. Boyce Brooks reported the invitation of the Clement Church for the next meeting, the time to be left to the discretion of the Executive Committee.

For the **Nominating Committee**, Mrs. R. L. Wilburn reported two resignations that of Secy.-Treas. and Chairman of Literature, and recommended that all other officers and chairmen be re-elected. Mrs.

Sanford Long was nominated for the first vacancy and Mrs. Mildred Waynick or the second.

Report of all committees were adopted and the following officers for the coming year were then installed by Miss Gravitte.

Supt.—Mrs. S. O. Garrett
Assoc. Supt.—Mrs. R. L. Wilburn
Young People's Leader—Mrs. H. R. Starling

Community Missions—Mrs. Elmer Reynolds
Stewardship—Mrs. Roy Kellar
Literature—Mrs. Mildred Waynick

The Nominating Committee for 1949-50 named by the Supt. are as follows: Mrs. J. J. Woody, Mrs. L. V. Coggins, Mrs. R. L. Wilburn, Miss Ella Sue Gravitte.

For Report on Memorials: Mrs. Bill Willis, Milton, N. C., Rt. 1.
Announcement was made by Miss Thompson about the placing of the "Traveling Book Cases."

Mrs. Hammett and a friend accompanying her, sang "Breathe on Me."

The closing **Missionary Address** was then brought by Rev. and Mrs. Leon Chow of Shanghai, China, both of whom were dressed in native costume. Graduates of the University of Shanghai, they are now studying in our Seminaries of Louisville and Fort Worth and will return to do mission work. Mr. Chow brought a scholarly but appealing message on "Assist Me To Proclaim." He said they were "living fruits of the Gospel" and wanted to express deep gratitude for the work of American Christians in China.

The **Benediction** brought to a close a wonderful meeting. A day of constant rain had not dampened the enthusiasm of those present.
Mrs. L. V. Coggins, Secy.-Treas.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL 1949

Teaching and healing, two of the principal precepts of Christ's ministry, are the main objectives of your Baptist Hospital, which together with the Bowman Gray School of Medicine of Wake Forest College, forms the only Baptist-owned hospital and medical school combined in the world today.

Underlying these objectives is the Christian responsibility of caring for the poor by giving them the medical service they require and by ministering to the sick throughout the State.

Funds received each year in our Mother's Day offerings are used to pay the hospital expenses of those patients who can pay only a part of the cost of their hospitalization or nothing at all. Receipts from the churches in Mother's Day offerings in 1948 totaled $141,150.51. This included the value of linens contributed through Woman's Missionary Union and estimated at $2,115.09 last year. Approximately half of the 8,800 bed patients admitted to the hospital in 1948 and all those seen in the 36,000 visits made to the out-patient clinics paid no doctor's fee and were assisted by the Mother's Day offering.

Your hospital provided more free service in 1948 than any other denominationally controlled hospital in the South. Free service amounting to $314,777.17 which was dispensed to patients in the hospital and the out-patient clinics, was made possible by individual contributions, welfare agencies, the Duke Endowment, but mainly through the Mother's Day offering.

The Hospital is the property of North Carolina Baptists and is the concrete expression of their desire to minister to the whole person. A patient's need for pastoral care is increased, rather than lessened, by his physical sickness. To meet this need, the hospital has established a full Department of Religion with a director, a chaplain and a student secretary. Their duties consist of pastoral care of patients, the promotion of a religious program for nurses and medical students, including the teaching of Bible in the School of Nursing, the conducting of a program of Clinical Pastoral Training for pastors and theological students, and ministering to the patients and their families.

The chaplain is on call 24 hours a day at the hospital.

The Department of Religion is a bridge between the hospital and the parent denomination and as such it helps to keep the hospital close to the motives of Christian service on which it was founded.

We earnestly commend the work of our Baptist Hospital to the loyal support of the churches of our Associations. If any of the churches have not yet made a special offering to help the hospital care for sick persons who cannot bear the cost themselves, we urge them to set a day and take such an offering at an early date. Any church can at any time add to the offering it has already made. Every dollar we send is used to help care for the sick who are not able to pay their own way.

Respectfully submitted,
J. W. Green.

Following the Baptist Hospital report Chaplain Bell, Hospital representative, brought some interesting remarks concerning the Mechanics and technique of the Baptist Hospital at Winston-Salem. He urged that we support the Hospital and keep it an institution we will be proud of through the "Mother's Day Offering."

It was decided by the Association, upon Chaplain Bell's request, that the Moderator appoint a Hospital representative from the Beulah Association.

ASSOCIATIONAL MISSIONARIES REPORT

The report of the associational missionary was presented by ten people, nine of them from churches in which she had worked. Each person had a poster illustrating the type of work done and briefly mentioned the local church work and associational achievements. Churches reported were as follows: Baptist Chapel, organized August 21, 1949; Providence (P), Sunday School Enlargement Campaign; Beulah, Bible School; Yanceyville, Young People's Training Union; Rock Grove, New Circle; Montwood, mission sudy; Cavel, Junior Camp; Mill Creek, Young Woman's Auxiliary Banquet; and Shiloh, "North Carolina for Christ." Following these brief statements, Mr. H. D. Young, Chr. Associational mission committee, presented a map of the association showing the number of miles that had to be traveled to serve the 32 churches of the association. Concluding the oral report Miss Gravitte read from Romans 12: 6-9, illustrating the many contributions of the Christian people, Pastors and leaders that made the associational work possible. She quoted Dr. M. A. Huggins, who states in the new book, "North Carolina for Christ" that "Dr. Livingston Johnson was wont to refer to "our Mission Wheel," the hub being State Missions, the spokes being Home Missions, and the rim, Foreign Missions." Miss Gravitte said that as one wheel in a great locomotive kept another going, even so does the work of the local church and association determine the success of every missionary endeavor. Said she, "Truly the fields are white unto harvest and it is imperative that we unite hands and hearts in the faithful gleaning of our Lord's harvest fields."

The following is a copy of the mimeographed report that was handed out. Included in the report was a list indicating work done in the 32 churches during the year.

Correction on mileage—15,000 miles.

REPORT ON PUBLIC MORALS

It seems that World War II added greatly to the problems of public morality. Immorality runs hand in hand with drunkenness and desecration of the Lord's Day. If we could stop drinking and get all church members, even, to keep the Sabbath Day holy community morals would greatly improve.

Strong drink is our big problem. Men in uniform had easy access to drink, officials of our government are prone to drink, and Washington, D. C., is regarded as the wettest spot in America. The use of alcoholic beverages in private homes—especially when they are homes of church members tends to lower public morals. Millions of dollars are spent for drink in our own state. Beer is used to excess in the bounds of our own association. Men waste money needed to feed and clothe their own families. Many teenagers have bcome beer drinkers. Strong drink is breaking up many homes, thousands of children are left homeless, helpless and neglected to become communitty problems.

In America 65 million people drink at least occasionally. Available statistics reveal that some 59 per cent of protestants drink, 79 per cent of catholics and 85 per cent of Jews. Four millions are alcoholics. Most of these began drinking when young. The G. I. Bill of Rights now pays tunition for young men to learn to be bartenders. In 1946 in the U. S. $8,800,000,000 was spent on beverage alcohol. It was much more last year.

The tide of martial disharmony and break down resulting in divorce aids and abets the low moral standards of our day. In 1880 the rate of divorce was one in 20 marriages, in 1946 it was two in five. At the present rate increase it will be one out of every two by 1965. The so-called love triangle, and general immoral conduct on the part of either the husband, or wife and sometimes both lies back of many of these divorces. As a result many boys and girls are robbed of their rights to home, happiness and love. Thousands of them are cast out with warped lives, unfit to take their rightful places in society.

Attorney general Clark gave the following figures on juvenile crime for 1945. Murders 15 per cent of all murders in America, Arson 26 per cent, Rape 30 per cent, Burglaries 52 per cent, Robberies

36 per cent, Car theft 62 per cent. An increase over 1939 of from 39 to 72 per cent. Drinking increased among juveniles during the same period 101 per cent.

Flagrant disregard for the name of God and desecration of the Lord's Day both have their part in lowering the moral standards of our communities. A cursing man does not raise moral standards. Men and women who make the Lord's Day a day of pleasure, or business crowding into ball parks, picture shows, or beer joints; or running their places of business on Sunday instead of joining in worship and helping carry on the work of our churches do not help the moral standards of their communities. Dishonesty anywhere lowers public morals.

True religion has to do with our relations both with God and man. Relationship with God is not right until relationships with men are right. Therefore we can't hope for pure religion and pure public morals until there are better relationships between capitol and labor, between, different races, between different nations, and between different religious groups.

We appeal to every Baptist in the Beulah Association to go all out for decency, purety, and a high standard of morality in our communities. Let us co-operate with every recognized agency in our community and our state that endeavors to correct these evils. Let us help remove the dark blot of drink from our state, because we are our brothers keeper.

Let us seek to bring about in every community conditions that will make it easier for all citizens to live better, higher and nobler lives.

Respectfully submitted,
W. T. Baucom

REPORT ON PERIODICALS

In the absence of Mrs. W. B. Witty, who was to give the report on Periodicals, Dr. L. L. Carpenter, Editor and Business manager of the Biblical Recorder, spoke briefly on the value of the Biblical Recorder and stated that only 21 churches in the Beulah Association have a Recorder Club and 12 do not have a Recorder Club. He urged that we put a Recorder in every home and every church have a Recorder Club.

THE ANNUAL SERMON

Before his splendid sermon, Rev. H. R. Starling, asked the congregation to stand and sing the Hymn, "What A Friend We Have In Jesus." He read the Scripture found in Philippians 2:1-11, using for his text the 9th verse, "Wherefore God hath highly exalted him, and given him a name which is above every name." Rev. Starling brought an inspiring message on "The Christ."

Rev. L. V. Coggins dismissed the congregation for lunch.

AFTERNOON SESSION

The afternoon session opened with the Hymn, "Blessed Assurance," followed by Rev. R. D. Keller leading in prayer. After the Hymn, "How Firm A Foundation," the previously arranged program was carried out.

REPORT ON STEWARDSHIP

Jesus said that "It is more blessed to give than to receive." This our Christian people do not believe. They may accept His teaching on the Resurrection and as the translators of the King James version describe it "many mansions," but they refuse to believe that it is a more blessed thing to give than to receive. Statistics from the Golden Rule Foundation bear out this disbelief. For expenditures in 1944, churches and their charities stand down at the foot with $910 million spent that year. Other charities bring this up to one billion 600 million dollars. Next is cosmetics and personal care, $2,200,000,000. Tobacco reached $2,700,000,000. Movies and Recreation 5 and one-half billion. Alcholic beverages $7,100,000,000. Jewelry, furs, gambling and other luxuries $10 billion. Taxes totaled $40 billion. For war $85,700,000,000. This is in the U. S. and Church members have more than half the income of the nation.

In 1928 the national income was $60 billion. Since then it has more than doubled. Giving on the part of churches declined with the decline in national income until it hit its low level in 1934. From that time to 1939 the national income increased 40 per cent while contributions to churches only increased 10 per cent. In 1940 Church contributions slumped back 8 per cent. In 1945 incomes reached the astounding figures $160,700,000,000. In spite of this tremendous gain in income, church contributions in 1944 were 27 per cent below what they were in 1928.

Roger Babson estimates the tithe of the Christian people in the U. S. to be between 9 and 10 billion dollars. Can you think what this would do, if people believed what Jesus did. It should spir us to greater efforts in stewardship if we would think of the blessings that are blocked by unbelief in the blessedness of giving.

With this matter of stewardship before us the following recommendations are made.

1. That our churches be encouraged to make annual budgets and endeavor to lead their people through the every member canvass to give regularly of their tithe.

2. That the envelope system of contributing be encouraged and that our children be trained in the grace and art of giving. Lead them to see that the church is not a nickle and dime organization.

3. That an up-to-date system of financial records be kept by the churches, remembering the words from the scripture that the Church should not be "Slothful in business." (Romans 12:11.)

4. That the pastors and leaders of the respective churches cease

to be embarrassed about presenting the program of stewardship to their churches and recognize it to be a thing honorable in the sight of God.

REPORT ON STATE MISSIONS

The secret of the rapid growth of the missionary endeavor as sponsored by the North Carolina State Baptist Convention is to be found in the fairly aggressive State Mission program. Principles proven by many years experience are still being utilized. Among such principles are the following.

1. Encouragement and promotion of Sunday School and Training Union work in local churches.

2 Aid has been given to new churches located in strategic centers for the purchase of lots and to help on pastor's salaries until the churches could develop into self-supporting organizations. Yes, and even more, as many of the older ones have returned to the State Mission program many times the amount invested in them besides the large contributions to South—and World-wide causes.

3. Work among Baptist students in the State Educational Institutions, in Baptist colleges, and those of the various professional schools of training.

More recently the State Mission program has been enlarged with favorable results to include the following.

1. One-week preacher schools at Mars Hill and Seaside as well as three six-week terms at Fruitland designed for the preachers who were not permitted to attend college and seminary in preparation for greater service.

2. The inauguration of deacon's schools of 2, 3, 4, and 5 days duration usually on associational wide basis and generally led by one of our three General Missionaries: J. C. Pipes, E. L. Spivey or E. L. Bradley.

3. Evangelism has always been encouraged. However, recently J. C. Canipe has been elected as Secretary of Evangelism and he is leading in renewing the emphasis on evangelism. One effective procedure under his leadership is the simultaneous revival on a City—or Association-wide basis.

4. Under the leadership of G. W. Bullard and with State Missions paying part of their salaries, the Associational missionaries are making a vital contribution to all phases of the Lord's work.

5. Other activities whose early accomplishments indicate continued blessings upon Baptists' efforts in Kingdom Service in North Carolina are: Work among other races, among Silent people; Allied Church League; Rural Churches under the leadership of Henry Walden; Radio and Visual Education; Baptist Brotherhood; Baptist Foundation; Sum-

mer Assemblies at Fruitland and Seaside; Summer Student program utilizing seminary and college students.

How is this great program supported? State Missions receives 13 cents out of each dollar of the total gifts through the Cooperative Program. In addition to that some money is received through the Sunday School Board to promote the departments of Sunday School, Training Union and Student work. Then the Woman's Missionary Union makes a special offering in September. Then October is **State Mission Month.** During that month, particularly on the last two Sundays the people are asked to make a special offering through the Sunday Schools and churches for all these activities.

A large State Mission Special Offering is essential. However, increased support through the Cooperative Program will insure a more stable program. Let's lead our churches to increase this support.

HOME MISSIONS REPORT

The annual report of the Home Mission Board to the Southern Baptist Convention meeting in Oklahoma City, May 1949, revealed a successful year in evangelism with 46,351 conversions. There were 741 missionaries serving during the year with an additional group of 287 student summer workers giving three months of service.

Direct missionaries distributed 48,336 copies of the Bible and Gospel portions and 1,776,704 pages of tracts. The magazine, **Southern Baptist Home Missions,** had a circulation of 116,000. Mission study books, sold through the book stores, numbered 127,000.

There were 281 new missions opened during the year, 53 among the language groups, 129 in city missions, and 99 in the western states. The report showed 245 new churches constituted and 54 revived, 23 among the language groups, 98 in the city missions program, 33 in rural work, and 90 in the western states. There were 54 churches revived in rural areas.

The Home Mission Board's participation in the Cooperative Program for 1949 is 16 1-2 per cent of Southwide distributable funds. A large part of the operating budget is provided by Woman's Missionary Union in the March Week of Prayer offerings for home missions.

New fields of home mission opportunities have been added by the Southern Baptist Convention which recognized Oregon and Washington and directed the Home Mission Board to open work in Alaska.

Departments of home mission work include: church building and loan, radio, Southern Baptist chaplains, general field workers, work among Negroes, and departments of education and publicity, Jewish work, evangelism, summer student missions, co-operative missions (city missions, rural church program, western mission program, mountain missions), and direct missions (Cuba, Canal Zone, Panama, Indians, Spanish- Mexicans, Cubans in the States, French, Italians, Chinese, Japanese, language groups, deaf, mission centers, rescue missions.)

FOREIGN MISSION REPORT

Even a casual examination of the 1949 Foreign Mission Board Report presents alarm and uncertainty, yet promise of growth and advancement. The report speaks of "evangelical uncertainty in Spain," the "unhappy land" of Hungary and worse conditions in Romania, but "never has the work in Italy been more promising." Again, "the situation in the Near East is so confused that it is impossible to present a clear picture of conditions—." In spite of revolutions and Catholic pressure "Latin America presents one of the greatest immediate missionary opportunities in all the world." In the Orient "interest in the Christian message remains high and the door of opportunity is open on every hand." We have only thirty missionaries in Japan, and "a minimum staff of one hundred missionaries must be placed in Japan as early as possible." Indeed "The Field is the World" and the prospects continue to be "as bright as the promises of God."

Even though the world presents a baffling picture the Foreign Mission Board has mission work in thirty geographical areas, with 689 active missionaries working in 119 mission centers. In seven of these areas the work is carried on by nationals without the aid of missionaries.

During 1948 seventy three missionaries were appointed and forty six additional ones up to May 1949.

We may conclude this report with a quotation from the May 31, 1949 statement from the Foreign Mission Board: "Among the foreign mission highlights are: a missionary doctor's success in securing a license to practice medicine in Paraguay, making possible establishment of Southern Baptists' first hospital in South America a missionary couple sent to Parguay for Russian-speaking people; purchase of Southern Baptists' first missionary airplane, for use in the interior of Brazil; rehabilitation of China and Japan from the destruction of the war; an international theological seminary opening in Switzerland this fall; extensive building in Italy; intensive evangelistic work in Nigeria and the Gold Coast.

"The healthy condition of Baptist work abroad is evident in national Baptist conventions organized within the year and in the extensive work of older national organizations. The Columbian-Venezuelan Convention was organized in February this year; the China Baptist Convention, was formed in November 1948; and the Uruguayan Convention was formed in June, 1948. The value of such national organizations is demonstrated in countries where national Baptists are holding Southern Baptist work together without missionary aid.

"In response to an undercurrent of insistence, Secretary M. Theorn Rankin, early in 1948, proposed an advance program calling for an annual budget of $10,000,000 and a total staff of 1750 missionaries. This grew into the Southern Baptist Advance Program presented to the Convention in Oklahoma City in May launching a campaign for advancement all along the line, from the local church to the world mission fields, based on the principle of a fifty-fifty division of the collection plate dollar.

"Foreign Mission advance depends upon devotion to Christ and his kingdom program. The Holy Spirit will provide the necessary resources in men and money, if Southern Baptists are determined to do the will of God."

MISSION ADDRESS BY EARL BRADLEY

After the Mission reports, Rev. Earl Bradley delivered an inspiring address on Missions, using for his scripture Matt. 28: 19-20.

Rev. Bradley stated:
"We must become a Missionary force."
"We Baptist must be aroused to take the world for Christ."
"We Baptist must go together in voluntary force."
"We Baptist must demonstrate our doctrine."
" The Soul of any doctrine lies in the practice of that doctrine."

ORPHANAGE REPORT

It has been said that nothing can replace the home life to prepare a child to meet the problems and difficulties of the world, but our orphanage is doing and has done a great deal to prepare homeless boys and girls develop into strong men and women. Last year 793 children were helped in Mills Home, Kennedy Home, and in foster homes. This was an increase of 22 children from 1947 and 93 more than 1946.

Because of this increase, and because we want to help more and more children a new cottage is soon to be opened at Kennedy Home which will take care of 24 more children. This is costing sixty-six thousand dollars. On February 10, a new freezer locker was opened at Kennedy Home.

Many of the buildings are old, and so they must be repaired from time to time. But we hope, after this year, that most of the buildings will be in such good shape that few repairs will have to be made for the next five years.

Last year, because it was necessary to erect some new buildings and to improve the old ones, $56,000, over the amount received. It will be necessary to go over the same this year if the plans are carried out. It has not been necessary to go into the "red," but the money is being used up that has been saved for a rainy day.

If the orphanage is to continue this fine work in North Carolina each church in our association and our state must accept the responsibility of contributing regularly to its support. If we will increase the amount for the orphanage in our budget, and also at our special Thanksgiving offering then enough money will be raised to carry out its great work.

The orphanage is asking that each association elect an interested orphanage representative. One who will urge each church to contribute to its support, and to see that copies of **Charity and Children** are received each week.

The condition of the institution is excellent, both the physical and spiritual. No part of the life of a child is neglected, and the workers strive to instill in them a faith that will carry them through life.

Respectfully submitted,
Albert Ambrose

ORPHANAGE ADDRESS

Treasury J. D. Fraley of the Baptist Orphanage in Thomasville brought a very interesting message on the work of the orphanage in developing homeless boys and girls into strong men and women.

Treas. Fraley stated that in 1885 John H. Mills became interested in homeless children in North Carolina and started the Mills Home which is now a part of the Baptist orphanage. Since that time 64 years, 4600 children have been brought up in the Baptist orphanage.

There are 4 reasons why we need an orphanage as stated by Treas. Fraley, the 4 D's.

1. Dead—Children from dead parents.
2. Diseases—Of mother or father.
3. Drunkness—Great percentage of cases due to drunkness.
4. Divorce.

The institution receives its support in 3 ways:

1. Monthly contributions from churches.
2. Thanksgiving offering.
3. Produce offering (car loads from mts.)

RESOLUTIONS COMMITTEE

The Beulah Baptist Association meeting with Montwood Baptist Church, September 27, 1949, is fully aware of the many blessings which we enjoy today.

EXECUTIVE COMMITTEE REPORT

The Beulah Association Executive Committee had a busy year beginning with the meeting at Roxboro Baptist Church on October 31, 1949, when a proposed calender for the year was studied. At the February meeting several motions were made and decided upon such as securing a summer worker to help in the Bible schools, changing the spring meeting of the association to a more central place, and that copies of the report of the Committee on Ordination Council be sent to all members of the Executive Committe and that they be notified that at the next meeting this matter will be considered and acted upon. At the March meeting the report was acted upon and follows verbatim:

Beulah Association Ordination Council

1. Officers: Chairman and Secretary.
2. Duties: a. To counsel with the candidate regarding his desire and intention for ordination into the ministry.
   b. Counseling should be jointly with the pastor or representative of the church recommending his ordination.
   c. The committee is responsible for completing plans for examination and ordination.
3. The examining Council shall be composed of all active pastors of the Baptist Churches of the Beulah Association. The Council shall plan the date of the examination sufficiently far ahead to allow all churches to participate. The time should be one month prior to the ordination and should be Sunday afternoon or on a week-day when all churches will be free to participate.
4. The Officers shall be elected annually by the General Association at the fall meeting.
5. These recommendations are not mandatory but we urge that every pastor co-operate to add dignity and thoroughness to the matter of the Christian ministry. Also, we believe in mutual interest and helpfuless for the candidate and the churches he may serve.

At the August meeting the Committee voted to recommend to the association that the Front Street Baptist Church be admited into the association in full fellowship. A motion was also made to appoint a committee to study the constitution with a report to be made at the fall meeting. The September meeting was a called meeting held at the Milton Baptist Church. The Missions Committee presented the resignation of Miss Ella Sue Gravitte, missionary, who resigned to accept similar work in the Stanley Association. The Committee reported that a new field worker was being considered by the committee and that a report would be made at the associational meeting on Tuesday, September 26:

Two Junior Camps were planned and promoted through the associational work; a Junior G. A. Camp and a Junior R. A. Camp. Miss Mary Lelia Carwile was director of the G. A. Camp and Mrs. John Wacaster, State field worker taught a class brought one of the inspirational messages—41 girls registered for this camp.

Rev. John C. Searcy directed the boys camp, with 34 boys registering for this camp. The camps lasted for three days.

Your association missionary carried a group of Y. W. A.'s to the State Y. W. A. Camp at Caswell in July. This camp provided inspiration that will linger for a long time through such speakers as Dr. Hara of Japan, Miss Rebecca Eddinger of Chile and Miss Pearl Johnson of China.

I want to express appreciation to my co-workers in each church who have helped in any way to make the opportunities in Beulah Association a dream realized through constant prayers, untiring efforts, and a faith in God that did not shirk. If anything has been accomplished we might truly say it is "what God has wrought" through cooperative efforts and giving. My constant prayers and best wishes will be with you as I go to a new field of service in Stanley Association. "Beulah-land" is "home" and always I shall watch with keen interest your growth and development in the Kingdom's work. **We have just begun!** Your zeal for prevailing righteousness and love for your Lord will ever keep you marching **forward,** "that the knowledge of the Lord shall cover the Earth as the waters cover the sea."

SUNDAY SCHOOL REPORT

Two years ago the state Sunday school departments and the Sunday School Department of the Baptist Sunday School Board recommended a suggested three-year Sunday school program, October 1949—October 1952. This year, 1950-1951, is a continuation of the goals toward which we labored in 1949-1950:

500,000 net enrollment gain.
200,000 additional complete families in Sunday school.
2,000 additional churches with a full-time program of work.

An expanding Bible-Teaching Program, including an enriched Sunday morning session of one hour and fifteen minutes each Sunday; a Vacation Bible school for two weeks; January Bible Study Week; Using Bible books in the Sunday Training Course for additional Bible study opportunities; working for daily Bible study. All of these efforts are appropriately subordinate to the central aim of winning people to Christ. The excellent slogan of 1949-1950 is continued in 1950-1951: "Take your Family to Sunday School." To strengthen this slogan is the additional word, "A Place in Every Church for Every Member of the Family."

To launch our program of work in the Association, Sunday school workers met at the Yanceyville Baptist Church with Rev. Robert Costner, Pastor of the Knightdale Church, Raleigh. Following his instruction and address material was presented to pastors, who in turn, were to select teams from the local churches and stress the objectives for the year in every church. This work was completed with one or two exceptions. The value of these visiting teams may be variously enumerated, but one tangible evidence of their helpfulness is the 386 gain in 1949 over 1948. In the year ahead the same church visitation plan will be followed, with the one exception that each pastor is assigned his own church in addition to one or two others.

On February 7, 1950 an additional Association-wide Sunday school meeting was planned. We met at the Semora school cafeteria for supper and used the comfortable school rooms for age-group conferences, using as our general theme, "Evangelizing Through the Sunday School." At the close Rev. J. F. Funderburke brought a helpful message on the general theme for the meeting: One other Association-wide Sunday school emphasis followed our Spring Associational Meeting at the Longhurst Baptist Church. At the evening hour, known as "Youth Night," we used as our theme, "Opportunities for Christian Living." Rev. Ted Gaze, one of our young pastors presided and a large number of our youth representing many of the churches of the Association, presented an excellent program The Rev. W. R. Grigg, Pastor Southside Baptist Church, Winston-Salem, brought the closing address.

In the year ahead we trust that each church will join wholeheartedly in bettering our small advance during the closing year. The needs continue to overwhelm us. In every age-group vast multitudes present urgently the age-old truth, "The harvest truly is great, but the laborers are few: pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest." 3,000,000 resident and non-resident church members are not yet enrolled in Sunday school. 20,000 communities need immediately Sunday schools. Dr. Barnette reminds us that in 1949 the average net gain per church was 7.8 percent. This was accomplished with more than

40 percent of the Sunday schools reporting losses. Let us labor together keeping the two key words in mind "time" and "more." Time prayerfully spent in planning and laboring together will result in more and stronger, useful Sunday schools in our churches.

Respectfully submitted,
John C. Searcy, Assn. S. S. Supt.

REPORT ON B. T. U.

SEPTEMBER 26, 1950

Last year there were 9 Training Unions reported: They were:

Roxboro First, Yanceyville, Ca-Vel, Clement, Longhurst, Mill Creek, Providence P, Providence C, Montwood

This year we report 3 additional unions; They are: Theresa, Mount Harmony, Antioch.

Something has been done in getting a union started at Antioch but there is yet more work to be done.

The annual mass meeting conducted for our Training Union is a most helpful meeting but we as leaders in the B. T. U. work cannot depend on that one meeting entirely and hope to project the training program we need. We pastors will have to work with our associational missionary and director quarterly if we are to see a training program in all the churches which seem to be in position to lend themselves to such an effort.

Our goal for the Beulah Association is: "A Training Union where ever a Sunday School is found."

Respectfully submitted,
H. R. Starling

Our State Mission Board invested $876.00 in our associational program during the past year, but the amount will probably be cut some during the next year.

I want to express my appreciation to the churches for their fine support of the work during this year. Whenever we notified churches that funds were low, they always responded by sending in and offering. Our work would be strengthened if the churches would **regularly** send in offerings, because our bills and salaries have to be paid regularly. The figure on the left indicates gifts sent in during the past year. We congratulate the twelve churches that are starred: They reached their goal or went above it! Last year only nine churches were starred! The figures on the right indicates a suggested goal for next years offering. At our meeting next fall, it would be fine to report that every church has reached the goal for Associational Missions offerings! These goals are set on the basis of 50c per member of each church. Surely each church member will want to help support the cause of Christ in Beulah Association through our cooperative efforts.

W. M. U. SUPERINTENDENTS' REPORT

1949 — Mrs. S. O. Garrett, Supt.
read by Mrs. W. C. Pulliam, Supt. for 1950

Once more time closes the book of another year and within its pages remain the memories of 1949. Aren't we glad that we are granted another year to "begin again."

We look back in gratitude and thanksgiving and look forward with confidence and determination to put forth more effort to add quality to our work, and may we ever be "Abounding in the Work of the Lord".

God has given the increase in W. M. S. membership the past year, there being 816 in W. M. S. and 622 young people enrolled in our auxiliaries. With added numbers comes greater responsibilities, especially with the leading and training of our young people which should be the prayerful concern of the 816 W. M. S. members.

It is an honor to be asked to serve as Counselor or leader of the young people of your church and this sacred privilege should be a challenge to you to "Give of Your Best To The Master."

In checking on points, we probably have made the greatest improvement in our reporting system. The financial reports to our State W. M. U. Treasurer were almost the same as reported to me. Please keep an exact duplicate of everything you report each quarter. Please check to see that you report the same things to me that you report to Raleigh. This will simplify thhe work considerably. This more accurate reporting reveals to our minds, facts that look far from progressive, for instance last year we reported 6 A-1 missionary societies and this year we drop to the low mark of only 2. They are Lamberth Memorial and Providence (P). Lea Bethel missed by one point and Clement by two. Your annual reports were very good and I am proud of every one I received.

We are indebted to our own associational field worker, Miss Ella Sue Gravitte, who as you know is a product of the Beulah Association. She has assisted in carrying forward the W. M. U. work. Her influence has strengthened many phases of it.

Gifts through the cooperative program were:

W. S. S.	$3,940.10	Special by W. M. S.	$3,147.48
Auxiliaries	$1,100.56	Special by Auxiliaries	778.38
Total	$5,010.66	Total	$3,925.86

Combined total for year $8,936.52

We have 9 full graded W. M. U.'s which is a gain of 3 over last year. Begin at once your effort to be an A-1 W. M. U. by December 1950. Your W. M. S. will not only have to be A-1, but your Y. W. A., G. A., R. A. and Sunbeam Band will have to be A-1 also.

We were so happy to welcome the W. M. S. of Front Street Baptist Church, Roxboro, N. C. which was organized in time to be recorded on our 1949 report.

May we give more and pray more, striving to render a more acceptable service, "Always abounding in the work of the Lord."

My report of activities is as follows:

Meetings attended	9
Meetings held	4
Societies visited	3
Letters written	312
Cards	179
Blanks Mailed	320
Miles traveled	1,257
Mission study classes taught	5

The committee on Time and Place reported that the meeting would be at the Beulah Baptist Church on April 26, 1951 from ten to four o'clock. Serving on this committee were Mrs. Derwood Zickafoose, Lamberth Memorial; Mrs. C. V. Barnwell, Lea Bethel; Mrs. A. P. Wootten, Longhurst. Appreciations committee report was given by Mrs. J. J. Woody who thanked the members of the Clement Baptist Church for their gracious hospitality and all who had worked so faithfully to help make the day a success. The nominating committee for 1951 was named by the Supt. as follows: Mrs. Edna Massey, Yanceyville; Miss Ella Sue Gravitte and Mrs. M. M. Hicks, Roxboro. The Supt. recommended that two other members be added to this committee by the committee appointed.

The closing message, "Your Labor is not in Vain" was given by Mrs. W. A. Mitchner, Divisional Supt.

A tribute to Pastor L. V. Coggins was given by Miss Louise Yarbrough and Rev. T. E. Gaze of Clement Baptist Church. The church was adorned with artistically arranged floral tributes, provided by Clement Church in memory of Rev. L. V. Coggins who had served as Pastor for 27 years.

The work of Woman's Missionary Union in Beulah Association has grown and developed in a splendid way in the past three years under the leadership of Mrs. S. O. Garrett, Supt. A Society has been organized in every church and mission study classes have been held in every church during the past two years. Mrs. Garrett's co-workers regret that because of her health she found it necessary to resign the office. The women of Beulah Association are looking forward to a great year in the Lord's work under the capable leadership of Mrs. W. C. Pulliam, new Superintendent.

Reported by Mrs. Sanford Long,

Sec. W. M. U. Beulah Baptist Asso.

THE BROTHERHOOD OF THE BEULAH BAPTIST ASSOCIATION

The interest of the brotherhood in this association is very encouraging; much has been done in the organization of this work. This new field of service is designed to interest the men of our churches, and is sponsored by our State and local setup; thus with the interest and efforts of all our churches we should go forward with this great work.

At present time, we have four active organizations. These are reported in the regular church letters to the associations.

These organizations have been instrumental in many ways in our churches, such as regular meetings to interest and encourage leadership in each church, to help in revivals, in Soul winning and to encourage better music in our work. It is our sincere hope that this work will continue to grow until every church will have a brotherhood.

REPORT ON CHRISTIAN EDUCATION — 1950

If one is a Christian, he should seek to be educated, because the command has been given in II Tim. 2:15, "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

Immediately we realize that many in our day are considered educated who are not christians. Consequently, when we say Christian Education we are speaking of a distinct type of Education. Christian education is not to be measured in the same way that secular education is. A christian in seeking an education is striving to learn of eternal issues. When he acquires such knowledge he will not be considered wise by the world, but will be approved unto God. The worldly who are now considered wise and educated will have no wisdom when they stand before Christ.

The Roman Catholic realizes the advantages in having its own schools and colleges for all Catholic children from birth. Today there is much emphasis on State schools and colleges, but the Catholics have by no means lost interest in their own schools—if anything their interest has doubled. They are still struggling to keep their children out of State schools, because they have no desire to see the state train men who will become leaders of their church. Indeed they are wise in giving religious training to their youth all the week, whereas our day of training is reserved for Sunday.

As Baptists have no schools except those for higher learning it stands to reason that if our youth receive thorough religious training it must be done through the home and the church. If we face the facts we must confess that most church members have done a poor job of teaching in the home. Their wayward children indicate lack of home teaching. Often the job is left entirely to the Sunday School and Training Union.

A test taken by Dr. Marc Lovelace at Wake Forest College indicated the appalling ignorance of Freshmen concerning comparatively simple Old Testament questions, the answers to which should have been learned in Sunday School. The majority were unable to identify Abraham, Isaac, and Jacob. The ten commandments could not be given, nor did they have any knowledge of who the judges or kings of Israel were.

Such lack of knowledge is perhaps an indication that churches are spending too much time on "quarterlies" and too little time on the Bible. It is not the least fashionable to carry a Bible to church in this Modern Age. The reason that people who claim to be Christians are not assured of eternal life is due to their ignorance of the fact that God's Word promises eternal life to those who believe on Christ.

Churches should teach the Bible so that when our young people go to our Christian schools they will not be found sadly unprepared. Then too, many of our young people will not go to christian colleges. We Baptist of North Carolina have supported colleges since 1834 when Wake Forest College was first opened, and now we have seven fine colleges with a total of 5,000 students, most of whom are Baptists. By actual count more than 4,000 of these students are members of Baptist churches and must become our leaders as they leave college and return to some community to take up whatever work they select. If these schools continue it must be through our gifts and most specially our prayers. Of each dollar sent to the Cooperative Program funds in Raleigh, the colleges got 20 cents last year. The average per student given by the Baptist churches in the state was $52.00 in 1949.

"The best education is not necessarily that provided by the largest institution. Only five absolutely necessary characteristics mark the college in which worthy christian education can be secured: (1) a scholarly and consecrated faculty; (2) adequate and up-to-date course offerings in several departments; (3) a library properly administered and furnished with sufficient and well selected books and periodicals; (4) laboratory equipment in suitable quantity and quality for the service departments maintained; and (5) an undergirding permeating atmosphere of christian culture." (from Southern Baptist Convention report on Christian Education.)

We must plan, and work diligently!

Nathan Fox

FAITHFUL IN OUR MINISTRY TO HOMELESS CHILDREN

Several changes have taken place in our Orphanage Staff this year. Upon the retirement of Dr. Zeno Wall as superintendent, Rev. W. C. Reed was elected to that position. Coming from the superintendency of Kennedy Home. Mr. and Mrs. W. A. Smith of Boone have been elected to take Bro. Reed's place at Kennedy Home. Mr. J. D. Fraley resigned as treasurer, and Mr. Riman Muth was elected to fill the position. Mr. J. Marse Grant continues as editor of Charity and Children.

Heavy expenditures have been necessary in the work of our Orphanage. In 1949 we spent $56,000.00 more than we received. In addition to this it was necessary to draw from the current fund $135,000.00 for building a new water system at Kennedy Home. But last year we gave $32,000.00 more than we spent. The greatest year in finances in the history on our Orphanage.

On March 21st, this year, the Robert M. Idol Estate turned over to the Orphanage $586,000.00 to be used in building a Church at Mills Home, in memory of his mother; an infirmary in memory of his sister, and a Vocational Building. Our trustees decided the Vocational Building should be in memory of Mr. Idol himself.

Last year we cared for 781 children at the Orphanage. The health of the children was excellent. And they did well in school work, fourteeen graduating from Mills Home and five from Kennedy Home. Our pastor, John Walton baptized seventy at Mills Home. Good work was done for the spiritual welfare of the children at Kennedy Home too.

Bright days are ahead in the work of the Orphanage. With several new workers, cooperating with the old ones, with so many children calling for shelter and sustenance; with thousands of generous hearts standing back of us, and with unfaltering faith in God, we face the future unafraid, thinking perhaps our brightest and biggest days are ahead of us.

Let us continue to pray for the Orphanage, and give regularly and generously to it and thus help carry on the great work being done at both of our homes.

E. B. Booker

FAITHFUL IN READING AND STUDY (LITERATURE)

Dr. Carpenter stated that our people are reading in spite of movies, television, etc. "But, what are they reading," said Dr. Carpenter, "and are we putting good literature in their hands to read." "They read what they have, put our Baptist paper in our homes." Dr. Carpenter stated that the circulation of the Biblical Recorder was only 42,000 and that it should be 75,000.

Put Biblical Recorder in every home because it:

1—Supports all Baptist Work
2—Reaches Most Needy
3—Deepens Spiritual Life
4—Pastor's best Assistant
5—Informs, Inspires, Enlists, Indoctrinates, Unifies
6—Will Not Cost Anything

Morris Grant, editor of Charity and Children, spoke briefly concerning this publication from the Baptist Orphanage. He stated that only 14 churches out of 33 in the Beulah Association take the "Charity and Children." The pastors and Sunday School superintendents receive a complimentary copy of the paper regularly. Also, he stated that only 30 churches out of 33 in the Beulah Association contributed to the orphanage last year.

Special music—Message in Song by Mrs. L. G. Elliott, from Roxboro First Baptist Church.

The Rev. W. B. Cone delivered the annual sermon in a most splendid manner reading the scripture found in Matt. 16:18 and I Cor. 4:2; and used as his subject "Found Faithful." Rev. Cone stated that our churches are to be "Found Faithful."

1—In Evangelism—Beulah Baptist will never be stronger than their spirit of Evangelism

2—In Doctrine—Based on the principals of the New Testament

3—In Message—Authoritative message

4—In Ministry

5—In Teaching—The general attitude of our worship services and church work

6—In Fellowshhip—We have an obligation to the whole world as Baptist. We are to enlarge our fellowships.

Rev. John M. Wesley dismissed the congregation for lunch.

The afternoon session opened with the hymn "Faith Is The Victory," followed by Rev. W. T. Baucom leading in prayer.

STATE MISSION REPORT TO BEULAH BAPTIST ASSOCIATION

FAITH IS STATE MISSIONS JUSTIFIED

The Baptist State Convention was organied in Greenville, N. C., March 26, 1830 with 14 delegates present. Seven of these were ministers and seven were laymen. The organization set up and the constitution was so well planned and written that few changes have been made over the years.

Two main objective of the convention were: First the education of ministers, and second the employment of missionaries within our borders. There were about 15,000 Baptists of all kinds in N. C. at that time. About half of these were missionary Baptists.

In these early days contributions to Home Missions which was really State Missions amounted the first year to $220.62. Elder Samuel Wait was appointed general agent of the Convention, at a salary of $35 per month and he paid his own expenses. Missionaries were employed to travel and preach. Single men received $10 per month, married men not more than $25.

In 1831 missionaries were employed to ride in Onslow and New Hanover counties at $20 per month. They were to work two months in the year. One to visit destitute places in Stokes County west of Salem at $20 per month. One for six weeks in west of Asheboro in Randolph county. One to ride in Wake County, Johnston and Sampson for 3 months at $10 per month. All were to report to the board at its meeting in August.

At the third Convention meeting at Reeves Meeting house in Chatham County it is revealed in the minutes that the brethern were very zealous for State Missions. In these early days most of the work was done in rural sections. Later when many young people went to the towns the towns began to be Baptist. In 1832 $100 was appropriated to help the Baptist church in Wilmington on condition that the church secure a preacher the board would approve.

Twenty years later the Convention manifests great concern that Baptist work has not been started in Salisbury, Charlotte, Mocksville, Statesville and many other towns in Piedmont, N. C. Many references are made to the fact that suitable missionaries could not be found within our bounds. Correspondence was opened at this time with several Baptists in Va. and other states looking toward their settlement in N. C. In 1854 Elder Robert Jones accepted appointment to preach 2 Sundays a month in Charlotte, Elder Marble once a week in Greensboro for the year.

In 1854 the towns of Greensboro, Salisbury, Beaufort, Chapel Hill and Washington are described as destitute. In the Convention in Raleigh that year the mission committee urged the cultivation of Greensboro as a point of first importance.

In 1871 the Convention meeting in Charlotte is aglow with optimism and is zealous in making plans to carry the gospel to every nook and corner of N. C. The mission board reported that two missionaries had labored in Goldsboro, Snow Hill, Greenville, Washington, Plymouth, Cedar Branch, Williamston, Parkers Chapel, Scotland Neck and other points. Forty three were baptized during the year. Elder F. M. Jordan labored in Company shops, in Burlington, Salisbury, and preached in Winston on Sunday. The board in 1880 reported work at Dallas, Mt. Airy, Newton, Morganton, Mooresville, High Point, Waughtown, Marion, Monroe, Rocky Mount, Nashville and many other points. Thus it is evident that during these early years the Baptists had a vision of soul-winning over the entire state.

The above brief review of the beginnings of State Mission work reveals to us today, the wisdom of our forefathers in pushing forward in their endeavors to win N. C. for Christ. Although limited in both means and workers these great leaders laid a solid foundation on which our great, present day structure of State Mission work stands.

The faith of our fathers has been justified by the results.

Today there are about a dozen and a half varied activities in our state mission program. Among these are:

1. The Sunday school department. This Dpt. seeks to train workers, enlist the people in S. S. and it also conducts Vacation Bible schools in the churches. Many workers are needed.

2. The Training Union Dpt. which undertakes to give training to all who will later become church leaders.

3. Assemblies at Caswell and Fruitland and also at Ridgecrest. To these all our people may go for inspiration, information, and recreation.

4. Visual education through pictures and in other ways has been undertaken by State Missions in a limited way.

5. Evangelism, or our State Mission effort to win the lost in N. C. Much is being done here.

6. Mission pastors. There are 93 of these with 125 churches aided. This Dpt. has been the means of developing and building up weak churches. Witness such churches as First churches in Wilmington, Raleigh, Charlotte, Greensboro and Winston-Salem all of which were once served by missionary pastors.

7. Indian work. Mission workers help Indian work in Robeson County and in a small way in Person.

8. Training preachers. Two one week schools are held for preach-

ers at Mars Hill and Caswell every summer. At Fruitland there are three schools of six weeks each, every year.

9. Deaf people. One missionary to these people goes from place to place over the state to meet with these people, conduct services and help them in any way possible.

10. Inter-racial work. Our convention gives financial aid to our colored brethern. This help enables them to carry on their organized work in a better way.

11. Other activities:

a. Work among rural churches. There are 1800 of these. Many once a month churches. Our mission board is endeavoring to get some of these churches to go to half time and others to full time Much progress has been made in this field.

b. With other denomination. One thing here is our efforts along with others to help rid N. C. of the liquor evil. This is being done through the Allied Church League.

c. State missions ministers to the sick in Sanatoriums, and to the unfortunate in State Correctional Institutions.

12. There are neglected areas in our state. Our mission board tries to help establish churches in such areas. Some of these places are in the country and others in town. Mission points may be started and later lots may be bought by the board for new churches.

13. Baptist Student work. Our state mission money helps provide student secretaries for most of the colleges in our state. These secretaries are doing a good work among Baptists students.

This is only a brief sketch of our present day mission work and opportunities. The number of workers employed and needed in the different departments referred to above are not even mentioned here.

To carry forward such a work as this calls for many workers and much money. Some $300,000 dollars is needed this year to do this great job. But it is worth it. Lost souls are at stake. Shall we go forward with faith like our fathers had and leave a heritage of State Missions for our children that will challenge them as we are challenged by what our forefathers did? The command of our Lord is: "Preach the gospel to every creature."

Rev. W. T. Baucom

HOME MISSION VICTORY IN EVANGELISM

(Suggested report for associations)
By John Caylor

The annual report of the Home Mission Board for 1949 magnifies the fruits of evangelism. In Simultaneous Evangelistics Crusades, led by the three workers in the Department of Evangelism of the Home Mission Board, 7,780 baptisms were reported with 11,875 additions to the churches participating in crusades, personally directed by staff members. The year of evangelism reported by Southern Baptists showing 334,862 baptisms brings joy to all Southern Baptists. The Department of Evangelism has occasion for special rejoicing, both in fruits already reported and in evangelism crusades being consummated in the greatest effort for evangelism made by any religious body. Baptist chaplains reported 4,893 professions of faith. Not counting the above reports, home missionaries during 1949 reported 35,913 conversions.

New Churches and Missions

During the year the reports showed 165 new churches constituted and 577 new missions opened. Most of the new missions will grow into churches. Thus from year to year the number of new churches constituted will grow as emphasis is given to the establishment of missions.

New Buildings

During 1949 fifty new buildings were either completed or were under construction. Fifty-four pieces of home mission property were improved. Appropriations for building projects during the year amounted to $751,896.85.

Missionary Personnel

A total of 779 regular missionaries served the Home Mission Board during the year and 251 summer student workers gave ten weeks of mission service making a grand total of 1,030 workers. Missionaries contacted 177,130 in personal work, delivered 81,039 sermons and addresses, taught 22,987 classes, conducted 1,817 revivals, distributed 57,419 Bibles and Gospels and made 258,818 religious visits. They worked in 1,541 Vacation Bible schools. There are 44 kindergartens in operation.

Literature

The rural series of graded home mission studies prepared in 1949 has met with the best response of any mission study series. Peak printing of the magazine was 121,000. Subscriptions have dropped and an appeal is made for help in getting the magazine into more homes. Millions of pages of tracts and free literature have been distributed.

A Crusade For Home Missions

At its last annual meeting the Home Mission Board launched a five-year Crusade in response to the need revealed by a survey of the fields and the necessity for strengthening and sustaining the home base for a great world-wide mission program.

The needed strength will come from three sources: more members more churches, and more effective witnessing.

The first emphasis, therefore, in the new crusade is soul-winning. During 1950 and 1951, the Evangelistic Department is directing evangelistic crusades throughout the Convention territory and in the outposts of Alaska, Panama, and Cuba. This is a concerted effort to reach a large number of the 39,000,000 unchurched people in areas served by the Board. More Christians will mean more strength.

In 1951 and 1952, following this soul-winning effort, the crusade will be directed especially in establishing new churches and mission stations. There are 21,000,000 people in areas served by the Board who are not within easy reach of any Baptist church that can serve them. New converts won in the evangelistic crusade will need new places of worship.

Within this five-year period an effort will be made to lead in constituting 5,000 new churches and 10,000 new mission stations. A survey of cities, suburban areas, rural districts, mountain regions, underprivileged sections, and language groups, reveals a need far in excess of this goal. The strength of Baptists has always been in the number and strength of the churches.

Throughout the five-year period, but receiving special emphasis in 1953-54, the Board will lead in a crusade to make the witness of Baptists more effective, especially in needy areas. The work among the language groups, underprivileged, juvenile delinquents, migrants, and isolated people will receive special emphasis. Efforts to reach the 1,500-000 "unattached" Baptists, to revitalize 1,000 inactive country churches, and to create loyalty on the part of all our constituency are included in the crusade goals.

To accomplish these tasks, the Home Mission Board will need 1,027 missonaries (an increase of 248), an annual operating budget of $2,000,000.00, and a total of $3,500,000.00 to meet capital needs.

Make America safe and our constituency strong in missionary service by winning the lost, building strong churches and stimulating and effective Christian witness. Join in the Home Mission Crusade.

Respectfully submitted,
A. F. Yarbrough

FOUND FAITHFUL IN MISSIONARY ENDEAVORS "TO THE UTTERMOST PARTS OF THE EARTH"

Our Foreign missionaries reported a total of 13,322 baptisms during the year 1949; a reasonable estimate for China, from which no report was received, would bring the total to approximately 15,000. This is an average of over 21 per missionary because 67 of the 703 missionaries under appointment at the end of 1949 were appointed during that year and were in the various language schools and not in active work. On May 1, 1950, our Foreign Mission Board had 753 missionaries under appointment since 50 were appointed during the first four months of 1950. These are stationed in 24 countries and assist national baptists in several more countries.

Under the leadership of our Foreign Missions Board, Southern Baptists are continually seeking to be more completely obedient to the Great Commission by launching work in new areas. In 1949 our first mission station was opened at Caracas in Venezuela and another one is soon to be opened. In the same period Thailand and Philippine Islands became temporary mission fields for Chinese language students. Early in 1950 a couple began survey work for a new field in Korea only to have to cease with the outbreak of war in June. We are also opening work in Ecuador in South America.

Theological seminaries and training schools are essential in laying the foundation for a virile work in any land because the natives must assume the responsibility of leadership as rapidly as possible. Adequate training enables them to assume this leadership much earlier. In September 1949, Southern Baptists' first international theological seminary opened in Zurich, Switzerland with 28 students from 15 nations enrolled. In Italy a Baptist Bible school opened in October 1949 and a woman's training school is to open this fall. The theological institutions in Latin America are being re-organized to give two strong institutions for Spanish-speaking people and two for Portuguese-speaking people.

Medical missionary efforts are being broadened with the building of our first South American hospital in Paraguay. There are prospects for a second one to be in Colombia. Also we have hopes for one in Arabia for which country we have two missionary doctors under appointment.

An example of how our missionary endeavor can and must utilize scientific progress is found in our two airplanes used in Brazil for carrying our workers in hours where boats or muleback require weeks.

In 1949 Southern Baptists contributed $5,319,261.04 for the support of the Foreign Mission Endeavor. In addition me gave $120,354.15 for world relief. Let us ever be mindful of the fact that our contributions largely determine the out-reach of our missionary zeal.

Respectfully submitted,
Roy D. Keller

MISSIONARY ADDRESS

Rev. L. G. Elliott, pastor Roxboro Baptist Church brought an inspiring message on Missions using as his Theme, "The Great Commission, "Go ye into all the Nations of the world and make disciples of men."

REPORT OF NORTH CAROLINA BAPTIST HOSPITAL 1950

Our Baptist Hospital has become a haven of hope for thousands of sick persons each year throughout North Carolina. It provides the highest type of medical service for the sick of all classes. It is our means of carrying on the healing ministry of Jesus.

Last year 9,700 patients were cared for in the Hospital and 90,000 visits were made to the clinics for examinations and treatments. About half of these were persons with little or no money; they were provided free professional care by the doctors, and were given additional financial assistance with the cost of the service they received.

This free service was provided largely by our Mother's Day offerings which amounted to $128,900.00. Other assistance came from various health and welfare agencies, the Duke Endowment, and individual gifts. All this added together enabled the Hospital to provide free service amounting to $312,500.00, in addition to the work of the doctors. And yet, many could not be given as much financial assistance as they needed because the Hospital did not have sufficient funds.

We are happy to report that at this date the Mother's Day offerings this year are running ahead of those last year. The reports from the special offerings to raise $700,000.00 toward the building of the new South Wing to the Hospital are most encouraging. It looks now as if the full amount will be raised when all the churches have made their offerings and sent in the money. The 150 new beds this enlargement will provide will relieve the great shortage and enable the Hospital to admit the sick more promptly.

The school of Nursing is admitting one of the largest classes in it's history and it looks as if it will be one of the best. It has applications from far more than it can accommodate. The Medical School has likewise had one of its best years.

The Department of Religion is growing and becoming more effective as a part of the life and work of the Hospital. Through the generous support of a friend another Chaplain is being added to the staff. The Department of Religion seeks through its ministry to help make the Baptist Hospital a genuinely Christian institution of healing and teaching.

MISCELLANEOUS BUSINESS

Front Street Baptist Church, Roxboro, N. C., was unanimously voted into the Beulah Baptist Association and the Pastor and delegates were given the right hand of associational fellowship by the moderator and pastors of the association.

M. B. Berry, Treasurer, offered his resignation which was accepted; and Mrs. H. M. Beam was unanimously elected as Treasurer for the incoming year.

Fred Vernon was unanimously elected Clerk of Beulah Association to succeed M. M. Hicks who asked to be relieved.

H. D. Young read a letter or resignation of Miss Ella Sue Gravitte as missionary of the Beulah Baptist Association. She is accepting a similar work in the Stanley Association.

Miss Gravitte's resignation was accepted and Miss Louise Yarborough was unanimously elected to succeed Miss Gravitte beginning her work October 1, 1950.

Rev. H. R. Starling read the following letter of appreciation for Miss Ella Sue Gravitte's splendid work in the association:

September 23, 1950

Miss Ella Sue Gravitte
Missionary of The Beulah Baptist Association
Roxboro, N. C.

Dear Miss Gravitte:

For nearly (4) four years we have worked together in this part of our Lord's field of labor. Your work was in a measure an experiment—it was something new in our association. You came with great hopes and much enthusiasm and started this pioneer work—a work that has become a great blessing to the entire association, a work that required great effort to establish, a work that cost much in time, patience and eternal vigilance but you have done it. For this we The

Beulah Baptist Association are profoundly grateful to you.

Our prayers will go with you to your new field of work where we have every reason to believe that you will continue to render a prized service in our Lord's vineyard. May the Lord bless, sustain, keep and continue to use you is our prayer in Christ name.

Your fellow co-workers in Beulah Association.

MISS ELLA SUE GRAVITTE

The resignation of our beloved Associational Missionary, Miss Ella Sue Gravitte, has brought sincere regret not only to the Executive Committee, but to Pastors and members in each of the thirty three churches in the Beulah Baptist Association.

Miss Gravitte was our first Associational Missionary, coming to us in 1947, working untiringly to promote every phase of our great Baptist program in Beulah.

Her heart's desire is the salvation of those lost in sin and the advancement of Christ's kingdom in every church in the Association.

We wish to express to her our grateful appreciation for faithful service and work well done and assure her of our prayers and best wishes as she leaves us to except similar work in the Stanley Association.

We recommend her wholeheartedly to them and commend them in their wise choice.

Respectfully submitted,
Mrs. S. O. Garrett

THEY ARE NOT DEAD

They are not dead—they have but passed beyond the night that blinds us here

Into that new and richer life of that Serener sphere—

They have but dropped their robes of Clay to put their shining raiment on

They have not wandered far away—they're not lost or gone,

Tho' disenthralled and glorified They're here and love us yet——The loved ones they have left behind—They never can forget.

MR. J. W. NOELL

To our own friend and brother in Christ, Brother Joseph William Noell, who so nobly and with the greatest of ease and dignity served the Beulah Baptist Association as Moderator from the year 1935 to 1947, a total of 12 years, after which time the Rev. Joe B. Currin succeeded him. We, the Association in regular session at the Roxboro Baptist Church on October 24, 1951 voted unanimously to do ourselves the honor of dedicating our 1951 Associational Minutes to Brother Noell and in so doing to extend to him our sincere thanks for his many years of service to the cause of Christ in this capacity. His deep concern for and loyal devotion to His cause along with the long years of service as Moderator has already been sufficient reason for our having elected him Moderator Emeritus for the period of his entire life.

"The Church's one foundation is Jesus Christ her Lord;
She is His new creation by Spirit and the Word:
From heaven He came and sought her to be His holy bride;
With His own blood He bought her, and for her life He died.

Elect from every nation, yet one o'er all the earth,
Her charter of salvation, one Lord, one faith, one birth;
One holy name she blesses, partakes one holy food,
And to one hope she presses, with every grace endued.

Mid toil and tribulation, and tumult of her war,
She waits the consumation of peace forevermore;
Till, with the vision glorious, her longing eyes are blest,
And the great Church victorious shall be the Church at rest."

BAPTIST ORPHANAGE

From the beginning there has been in the heart of N. C. Baptists Christians a Motherly feeling to take into their arms the children who have lost their parents and home, and care for them as Jesus did.

It is true that our Orphanage is the most direct channel through which we render service to these children.

During the past year we cared for 606 orphans at Mill's Home and at Kennedy Home. Through aid we helped support 100, and in addition to these we supported 58 children in Boarding Homes, making a total of 764 that were given aid this year.

Realizing that the cost of living has gone up, we know that it takes many dollars to care for this many children. However, the financial condition is good, but like many families the funds must be used with care to get along and support their needs.

The greatest gift that ever came to our Orphanage was more than $700,000.00 given by Mr. R. M. Idol and Miss Leila Idol of Winston Salem. This amount is to be used for a church, and infirmary, and a print shop. These buildings and a cottage for children are under contract now. When they are finished and furnished we will have less than $30,000.00 of this fund, and when our present building program is finished we will have no funds left.

We Baptist people have always responded so let us support this great need by monthly and Thanksgiving offerings.

Respectfully submitted,
J. A. Dunevant

BAPTIST HOSPITAL

Report of the Baptist Hospital to the Beulah Baptist Association October 23, 1951.

The Baptist Hospital has been serving humanity for 28 years and five months. Last year about 9,700 patients were helped and more than 95,000 visits were made to the clinics for exmination and treatment.

Free service made possible by Mothers' day offering, Duke Endowment, and individual gifts enabled the hospital to spend $337,000 to help those unable to pay. Mothers' day offerings last year were above $140,000. Here is an opportunity for all to help.

Ground has been broken for the new South Wing. This wing will increase the capacity of the hospital by 50 per cent. About $400,000 promised by the convention has been raised. Contracts have been let and the building is to be completed in about 18 months.

Our Beulah Association has not done its full share up to the present. Churches that have not helped yet should do so at an early date. Lets have a worthy part in this work. Our association has two young men in Bowman Grey Medical School, namely: Thomas Long and George Barrett, and Amy Jane Puryear is enrolled in Nursing School at the Baptist Hospital.

Our hospital tries to meet all the needs of those who go there for treatment. It seeks to provide the best medical treatment. For those unable to pay, it provides financial assistance in so far as its resources permit. Beyond these, it provides a spiritual ministry for those spiritually sick. Many are led to accept Christ, and many weak and neglected Christains are hastened toward recovery. Young ministers are trained here for religious service in other hospitals.

In our hospital we undertake to provide a complete Christian ministry for those who are sick.

STATEMENT FOR REPORT ON NORTH CAROLINA BAPTIST HOMES FOR AGING

The North Carolina Baptist State Convention in its November 1950 session authorized the committee on the Home for the Aging to make plans for the opening and operation of our Home for the Aging as soon as the committee might find a way to meet the cost of equipping and operating. Because of the drive to raise money for the construction of the new wing to the Baptist Hospital, the Convention instructed the comittee for the Home not to expect direct help from the Baptist State Convention during the year 1951.

On January 9, the committee on the Home elected Rev. James M. Hayes, pastor of North Winston Baptist Church, Winston Salem, superintendent of the Home, and Miss Edna Heinzerling, director of Nurses of the Baptist Hospital, to serve as supervisor of our Home. The committee decided to open the Home for residents when sufficient funds became available.

There are many evidences of the Lord's favor upon the Home thus far. In the first place, He led in making a home immediately available. Ten years ago the trustees of the Bowman Gray School of Medicine of Wake Forest College leased a three-story, brick-constructed, fireproof building, with an elevator, for a period of 25 years for $1.00 a year. The committee on the Home was able to secure this building for 15 years at the same rental price. The building accomodates 20 residents at present. The top floor, if completed, would give space for 16 additional residents. The completion of this floor would cost approximately $23,000. With more than 100 applications for admission already received, and inquires coming almost daily, one can easily see the pressing need of more space.

The Home has been greatly helped by the gifts received - furniture, office equipment, heating system, blankets, linens, towels, and many other items, as well as discounts on supplies necessary to be purchased. Although the Home has been operating only since March 16, yet it now has assets aproximately $50,000, and is not operating in the red.

Our residents range in age from 67 to 91 years, and come from widely scattered sections of North Carolina. They are a happy, congenial family, all rejoicing in the opportunity to live in the Home. The attitude of all the residents is well expressed in the brief statements of Miss Bertha Callaway, former matron of Mills Home Orphanage. "I like this good Christian Home," and of Mrs. Carroll: "I wouldn't excange it for any other."

The Home offers four things to those who come to live there: security, comfort, congeniality, and a Christian ministry. With this sort of program, North Carolina Baptists can add years to life, and life to years for those who reside in our Baptist Home for the Aging.

The committee on the Home has challenged North Carolina Baptists to build a home adequate to meet the need of the increasing number of old people from 65 years up. Their program calls for a million dollar plant, which would accommodate 270 residents. With the Lord leading and North Carolina Baptists cooperating, such a plant should be built and in operation within a few years.

"Now also when I am old and grayheaded, O God, forsake me not" (Psalm 71:18).

REPORT ON PERIODICALS

October 23, 24, 1951

If someone should ask you, "Are you an informed Baptist?" What would be your answer? Would you be able to honestly affirm their question, or would you hedge about, realizing you were not an informed Baptist and answer negatively.

Isaiah 34:16 says "Seek ye out of the Book and read," then in 1st. Timothy 4:13, "Give attention to reading." Many other verses, convinces us that this is God's command and we should read for inspiration and information. One of the Church's greatest needs today, is an informed membership. This can be met through continous reading and study of our periodicals and the Book of Books—The Bible.

As organ of the Baptist State Convention, The Bibical Recorder is indespensible. It furnishes our people with edifying reading matter and news of the coming Kingdom. Its readers cannot but grow in grace. If you would be an informed Baptist, read your church papers.

Charity and Children is dear to the hearts of North Carolina Baptist and both old and young enjoy the stories and editorials each week.

The Commission keeps us informed of our World Wide Mission activities. Southern Baptist Home Missions gives insight into our great Home Mission Program of work. No home should be without, Home Life, which is published by our Sunday School Board at Nashville.

The monthly magazines, published by the Woman's Missonary Union is adequate to meet the needs of every age group. Royal Service for the W.M.S. The Window of Y.W.A. for our young women. Ambassador Life for junior and intermediate, Royal Ambassadors and World Comrades for the Girls Auxiliaries and Sunbeams. Each of these magazines as well as those previously mentioned are truly missionary in aim and purpose, and if read, and studied, will lead us on to greater work in our churches and its allied fields.

Many are working to prepare our Baptists periodicals for us, and we should subscribe to and read them as a part of our daily home life.

If you are not an informed Baptist, wont you join the ranks of those who read for inspiration and information.

"If we read, we know and if we know we care."

Mrs. S. O. Garrett

SUNDAY SCHOOL REPORT

Three years ago the State Sunday School Department and the Sunday School Department of the Baptist Sunday School Board recomended a suggested three year Sunday School Program, October 1949-October 1952. This year, 1951-1952, is a continuation of the goals toward which we labored in 1950-51.

500,000 net enrollment gain.
200,000 additional complete families in Sunday School.
2,000 additional churches with a Full-time program of work.
An enriched Sunday morning session of one hour and fifteen minutes each Sunday.
A vacation Bible School for 2 weeks.
January Bible Study Week.
Using Bible books in the Sunday School.
Training Course for additional Bible study opportunities.
Working for daily Family Bible Study.

All of these efforts are appropriately centered in winning people to Christ. The excellent theme of 1950-51 is continued in 1951-52, "Take Your Family to Sunday School."

To launch our program of work in the association, Sunday School workers met at the Milton Baptist Church. Rev. John C. Searcy, Asso. Sunday School Superintendent presented the Sunday School Program for 1950-51. Following his instructions, a film was shown entitled, "Take Your Family To Sunday School." Materials were presented to pastors, who in turn were to select teams from local churches and present the objectives for the year in each church. This work was completed with a few exceptions. The value of these teams cannot be evaluated, but one evidence of their helpfulness is shown in the gain in 1950 over 1949.

In the year ahead we trust that each church will join wholeheartedly in bettering our small advance during the closing year. The needs continue to overwhelm us, with 3,215 prospects reported in our association. This truly presents the age-old truth, the harvest truly is great, but the laborers are few, pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest. Approximately 6,500 churches did produce last year a net gain equal to fifteen for each one hundred church members. May we in the coming year accept this as our goal in each church in our association. In the name of Jesus, with open Bibles and through dedicated lives, we plead that this year may be fruitful in spiritual blessings to many additional people.

Respectfully submitted,
Sam Wrenn, Assistant Asso.
Sunday School Supt.

WHY SHOULD THERE BE A TRAINING UNION IN ANY CHURCH?

All Baptist Churches should have well organized training unions in order that the members be trained to do a better work.

Deacons should be sure to go so as to lead others aright: Deacons are responsible for their stewardship before God as leaders.

Teachers ought to attend the training union to become better teachers and to set a proper example for those who are less trained than they.

All members of the W.M.U. and all members of the Brotherhood by all means should go to the training union. They are adults and are leading younger folk closer to Christ and the church or by their indifference, they are leading them farther away.

What About The Young Converts?

Certainly they need to be trained for fruitful living. If they do like many of the church members of today, their lives will be lost to the Kingdom of God.

Are There Some Who Are Excused From Going To Training Union?

Yes. All who are providentially hindered because of illness or some other disability are excused.

All full grown mature Christians who are perfect need not go. All church members who can set a better example of life for Jesus by neglecting church and refusing to witness for Christ are excused.

The Training Union is a church ministry for all members and should be the "springboard" for a more useful living.

This year which now comes to a close has been one of too little progress. There have been only (2) two new training unions organized this year. The lack of progress is due to inadequate leadership on the part of the Associational Training Union Leader who is a pastor who does not have time to visit and organize new work. It is my hope that a layman will be found to fill my place as I go to another association to work..

REPORT ON CHRISTIAN EDUCATION

We might ask ourselves in the beginning why we emphasize the word "Christian" in the consideration of our activities in education in this report. In answering such a question we will necessarily have to define our meaning of education itself. It is generally accepted that a person who acquires extensive knowledge is a person who is well educated, yet Paul said "---though I have all knowledge---and have not charity, I am nothing." Still an accumulation of facts and figures continues to occupy probably the most important place in our schools of learning.

The physician, Luke, writer of our third Gospel, seemed to grasp a higher meaning of the subject when he summed up the progress in the development of life of Jesus in one short verse of scripture. He observed that "Jesus increased in wisdom and stature, and in favor with God and man." There is much thought contained in this short verse, for this was Dr. Luke's report on the education of Jesus, covering a period of young boyhood to young manhood. These are the years that we generally allot to our education—though, in truth, it is an endless process.

Let us examine Dr. Luke's report. He, being a physician could not but observe the physical development. For the same reason he had an interest in the mental growth. His association with Jesus impressed upon Him the great importance of spiritual growth. Thus we have our definition of education: mental growth; physical growth; and spiritual growth. Because such growth was predominately evident, Dr. Luke adds that Jesus increased in favor with God and man. He had learned to live with Himself, with God, and with his fellow man. It is our opinion and belief that when we neglect the growth of either of these important factors we will not find such favor.

We believe that such a definition has prompted our efforts in the field of education, and were there not so much yet to be done, we might well boast of our accomplishments, but we realize that we have only begun.

We have seen excellent Baptist Colleges in our state, and a new seminary which, although only just begun, is already experiencing growing pains. We have much to look forward to in our new and greater Wake Forest already underway. We have more than five thousand of our boys and girls enrolled in these schools, about 90 per cent of whom are members of our Baptist denomination. They are doing a magnificent work, and we reap the dividends in the quality of young men and young women that they give back to us. Ours is a better world because of them.

We have had graduates from our Seminaries. Namely: Clifton Dunevant, Louisville and Willie Berry, Southwestern.

When we see the great work that is done and needs to be done we cannot be too proud of the local efforts we have made according to the minutes sent in by the several churches this year. The combined reports of all our churches show a sum of only $1,185.72 having been designated for the purpose of Christian education. Some of the letters were incomplete, and if this figure is not right it should be corrected.

This report would not be complete without a tribute to those Christian teachers in both our public and denominational schools who go beyond the curriculum laid out for them, and impress upon our boys and girls those eternal values not found in their prescribed studies. We cannot over-emphasize this phase of Christian education, for this is our ultimate goal: that all of our teachers shall be of this caliber.

This report would also be incomplete if we should fail to recognize the fine work that is being done by Mrs. George Wirtz and Mrs. Rosa Harris, two of our Baptist ladies, in Baptist Church Kindergarten in Roxboro. Fortunate are those children who come under their care to receive the first impressions of school-life in a Christian surrounding. Our Association can be justly proud of them and the 28 children enrolled at the present.

Although we have a total less than last year, there has been a more systematic and regular giving by most of the churches, than in the past. The State Convention was estimated to be less this year. Only 8 churches reached their goal on time. There are others, who reached their goals, but did not reach me in time to be counted in this report, on this year's work.

As you all know this goal is set on the basis of 50c per member from each church. Surely this is not too much to ask of a single church in our association.

Won't you make an extra effort to see that your monthly contribution comes in on time? This is necessary if we are to continue in our Missionary endeavor for Christ, in the Beulah Association.

REPORT OF W.M.U. OF BEULAH ASSOCIATION

I bring you greetings from the W.M.U. of Beulah. Time has closed another year of W.M.U. work and I humbly pray that God will grant each of us another year, another chance to begin again.

I bring this report for the 9 months of this year 1951 ending September 30. Realizing there are weak spots in both our W.M.U. and Auxiliaries, yet I am happy to say that figures cannot tell the whole story of what our women have done and are doing to proclaim His Love to a lost world. There is much to be done, hands of boys and girls in Beulah in the very shadow of our churches are waiting for some one to lead them in the service of the Master. What a challenge, what a privilege for some one.

We have only 3 churches that have no W.M.S. They are Trinity, Front St. and Lamberth Hill.

It seems that the most difficult points of our standard are enlistment and stewardship. We have our organizations as follows:

W.M.S. — 30: Y.W.A. — 19: G.A. — 31: R.A. — 21: Sunbeams 24, Total 125. We have gained 98 W.M.S. members and 43 Young People during these 9 months. We have 5 Auxiliaries that made all points on the standard and 2 W.M.S.'s. There are 13 full graded unions. Our membership for W.M.S. is 911 and for the Young People it is 680. This is too few considering the throngs of unenlisted in our churches. My earnest and sincere prayer is that the Pastors will join hands with the W.M.U. in promoting missions by teaching and encouraging the leaders in their churches. We do appreciate your help and co-operation of the past.

We are slowly realizing God's ownership of material possessions. Our number of tithers is growing. We now have 483 tithers in our W.M.U. We must also realize that stewardship of our possessions is not enough. We must encourage the stewardship of self.

In our Executive Committee meeting in August, we named three other young women who will work with Miss Yarbrough as a Promotion committee. They are Miss Rebecca Maness, Longhurst; Miss Mary Leila Carwile, Roxboro; Miss Margaret Walker, Longhurst. These will work with Young People's leader in each of the 33 churches, this will help lift the work of Young People's Leader.

As you know we do not report the amounts given through the Cooperative Program any longer, the number of givers is recorded.

Cooperative Program-708 members giving.	Specials W.M.U.	$1,764.08
	Y. P.	461.78
	Total	$2,225.86

This report closes half century of W.M.U. work in Beulah. Mrs. S. O. Garrett has written a history of W.M.U. work in Beulah which will be printed in the 1951 minutes.

Thus we, the W.M.U. members, proclaim His name as we increase in number and grow in knowledge and grace, we are convinced that in more abundant measure the power of the Holy Spirit will be felt in our work and in our lives.

Respectfully submitted,
Mrs. W. C. Pulliam, W.M.U. Supt.

MINUTES OF THE 1951 ANNUAL MEETING OF ASSOCIATIONAL W.M.U.

The 49th annual meeting of Beulah Association was held at the Beulah Baptist Church at 10:00 o'clock on April 26, 1951. Mrs W. C. Pulliam, Superintendent, presided. The theme of the program was "Found Faithful".

The program opened with Mrs. L. G. Elliott leading the congregation in the singing of "O Worship the King", Mrs. Charles Howard, Divisional Superintendent, led the "Meditation Thoughts".

At this time the business was taken up. Mrs. Sanford Long, Secretary, called the roll of the churches. Mrs. Pulliam then recognized the A-1 Societies who were Longhurst, Lea Bethel, and Lamberth Memorial. Mrs. John Wacaster, State Field Worker then challenged us to be "Faithful to the Task".

Miss Regina Sliger from the Home Mission Board brought our missionary message. She said, "a tremendous task lies ahead, God is able, if only the Christian people will be found faithful".

The afternoon session began with the singing of "The Woman's Hymn". The devotion was led by Mrs. Clay Vernon and Mrs. Harold Pulliam.

Mrs.. W. W. Willis led us as we paid tribute to the women of our churches who have departed this life since our last meeting. They were, Mrs. Sallie Street, Roxboro; Mrs. Ida Whitt, Providence (P); and Mrs. J. R. Whitt, Providence (P).

The nominating committee gave the following report:

Supt. Mrs. W. C. Pulliam.
Assistant Supt., Mrs. S. O. Garrett.
Secretary-Treasurer, Mrs. Howard Tripp.
Mission Study Chairman, Miss Ella Thompson.
Community Missions Chairman, Mrs. Elmer Reynolds.
Stewardship Chairman,
Margaret Fund Chairman, Mrs. H. T. Williams.
Music Director, Mrs. J. F. Funderburk.
Pianist, Mrs. W. T. Baucom.
R. A. Leader, Mr. Wallace Tingen.

The Report of Committee on Time and Place 1952 Annual W.M.U. Meeting will meet at Yanceyville on Thursday preceeding the Spring Session of the association.

The closing meditation was given by Mrs. James Powell and prayer by Rev. John Lennon.

Respectively submitted,
Mrs. Howard Tripp, Sec.-Treas.

BROTHERHOOD REPORT

The purpose of the Brotherhood is to acquaint the men of our churches with the Baptist work being done in our denomination and to enlist their participation in all phases of church life.

There are six Brotherhoods at work in our association. Two of these were organized this year, Yanceyville and Lamberth Memorial.

A growing interest is being manifest in men's activities both in and outside of our association. Theresa palns to organize a Brotherhood in the near future. It is heartening to realize that our men in Beulah Association are looking forward to a Layman's Revival scheduled for January 17-21, 1952. Our state Brotherhood is catching fire over the state.

Two general meetings of all Brotherhoods in our area were held this year. At Ca-Vel on August 17th, 31 attended, and in Roxboro October 5th, 85 were present.

Your Brotherhood director has visited seven churches and written twenty-two letters in 1950-1951.

Respectfully submitted,

STATE MISSIONS

If there is a Baptist among us who does not know the meaning and scope of State Missions, let us inform him at once--and in few words. It is a distinctive Baptist Program rooted deep in the New Testament, a plan in which every church should participate in reaching the objective to make North Carolina Christian.

To achieve this overall purpose we have set up a comprehensive plan of activities through which our combined efforts are channeled.

There are eighteen of these activities:

Missionary Pastors
Evangelism
Radio and Visual Aids
Rural and Visual Aids
Loans to Ministerial Students
Schools of Missions
Negro Baptist Convention
Sunday School Department
Baptist Student Unions
New and needy churches
Schools for pastors
Allied Church League
Work Among the Indians
Summer Assemblies
Silent People
Displaced Persons
Training Union Department
Schools for Deacons

This is a big program, the very heart of State Missions. It requires lot of money, in fact, $350,000.00 annually. But like our local church budgets, it is far easier to put down a group of figures than to give a certain number of dollars.

Where does this money come from? Every time you give a dollar to the Cooperative Program, 13 cents of it goes to State Missions. But this furnishes less than half the needs. It stands to reason, then that special offerings from the Woman's Missionary Union in September, and from the Sunday Schools in October are essential if we are to continue this great program of missions in our state.

Respectfully submitted,
L. G. Elliott

HOME MISSIONS

Something of the impact of our Home Missions endeavor during its 106 years ministry is manifested in the 10,012 churches which it has helped to organize as well as in the 1,011,134 professions of faith. Still, we have only touched the hem of the garment. In recent years the Southern Baptist Convention has added 988,642 square miles of territory and 22 million people to the Home Mission Field. Something of the challenge facing us is seen in the western states, the four western provinces of Cuba, the Canal Zone, Panama and Alaska where there are 75 million people with 25 million of them unchurched.

To make its ministry more effective, the Home Mission Board projected a Five-year Crusade which is now in its second year. Its goals include: to double the number of Good Will centers; to add 500,000 unaffiliated Baptists to our church membership; to double the number of churches in the outposts of the Board's mission field; to have all churches more evangelistic; to establish 181 missions in the language-group field; to promote the work through 200,000 subscribers to Southern Baptist Home Missions, mission books and schools of Missions.

In 1950 there were 754 missionaries plus 271 student workers for the summer seeking to implement these goals. In view of these goals and of the vast needs, many more missionaries are needed, also much physicial equipment. To any where near meet these needs will require an annual operating budget of $2 million and an annual Capital Needs fund of $4 million. The challenge is before us.

Respectively submitted,
Roy D. Keller

REPORT ON FOREIGN MISSIONS

The Foreign Mission Board has lengthened its cords and strengthened its stakes in all parts of the world during the past year. Funds for Foreign Mission Advance have enabled the Board to established new stations in almost every country in which it has work, and in four countries in which Southern Baptists have not been represented before. We have never before had as many foreign missionaries on the field as we have now.

The largest number of missionaries ever appointed by the Board in any one year, 111, were appointed in 1950, giving total force of 803 active missionaries, 40 of which are from North Carolina.

Our four new mission fields are Ecuador, Peru, Southern Rhodesia, and Malaya, placing our missionaries in a total of 28 countries. A total of 15,620 baptisms reported on the foreign field, exclusive of China from which no report came in 1950. In the first part of 1951 missionaries were sent to Java, Siam, and other Pacific Islands since they were forced out of China. Miss Pearle Johnson is the only remaining missionary, but it is hoped that she may soon be assigned to another field.

Our work is being strengthening by the construction of two hospitals in South America where we have never had a hospital before. One of them is being opened in Paraguay and the other in Columbia. Our first hospital for medical service among Moslems is located in Jordan. A gift from Anglican missionaries, the hospital will be named by Baptist personnel in 1951. Medical work has been strengthened all over Nigeria with four hospitals now where only one was maintained for many years.

Theological schools have and will strengthen our work for years to come. In Switzerland in the fall of 1950 this seminary went into a full program of European education. Advancing the Argentina seminary to international status assures strong theological leadership for the southern section of Spanish America. Plans for opening a similar institution in Columbia promise the same services for the northern section.

Agricultural missionary leadership in two mission fields launches a new service which will deepen Baptist influence among people in farming areas. One of the agricultural missionaries is stationed in interior Brazil; the other at a co-operative Hebrew settlement in Israel.

Every new missionary, every new station, every new institution established requires much more than the initial financial outlay which inaugurates their services. Dr. Theron Rankin, executive secretary of the Foreign Board, estimates that $3,000 is the minimum yearly requirement for every missionary added to the foreign mission staff.

The Foreign Mission Board's total receipts for 1950 were $6,014,909.49, and advance of $695,644.45 over the preceding year. Virtually all of the increase came as a result of the allocation to the Foreign Mission Board of all Co-operative Program receipts in excess of $6,500,000. But in 1951, other commitments of the Co-operative program make it necessary to change the Co-operative Program budget figures to $7,000,000 before the excess can go wholly for foreign missions. That means Foreign Mission Advance is stopped unless Co-operative Program receipts are higher in 1951 than in 1950.

Advance is definitely related to how well-informed Southern Baptists are about the needs of the world. "The Commission, your world journal, should be received and read in every Southern Baptist home. This being done, then our eyes will surely be opened to the needs; our hearts and minds opened to give prayer; and our pocket books opened to give gifts that others might know of the 'risen Christ' and His love".

Respectfully submitted,
Mary Leila Carwile

REPORT OF COMMITTEE ON PUBLIC MORALS

"Keep the sabbath day to sanctify it, as the Lord thy God hath commanded thee". Deuteronomy 5:12.

In our Association territory and in our individual churches, we feel keenly a growing disrespect for the Lord's Day.

This disrespect is evidenced by:

1. Sunday ball games, 2. Swimming, 3. Fishing, 4. Horse Shows, 5. Stock Car Races, 6. Picture Shows (commerical)), 7. operation of Filling Stations as well as any commerical amusements. This is done to the neglect of the attendance of worship services in the Lord's House as well as to neglect of keeping the spirit of the Lord's Day.

1. We recommend that our people not participate in any commercialized amusements or business which necessitates or involves a disregard for our day of Worship.

2. We recommend that both pastor and layman proclaim the far reaching opportunities and responsibilities of the Christian in properly keeping Sunday as a day that is sacred.

3. We recommend further that the Beulah Baptist Association send a delegation to the management of the industrial mills in our association territory requesting that they not encourage the working of employees on Sunday.

4. We recommend that if the request in recommendation 3 is not effective that we encourage the members of our churches employed in said industries not to work on Sundays.

We believe if Sunday is properly observed that the moral and spiritual consciousness of our people will be raised to a height that we do not see at present.

Respectfully submitted,
John Wesley, Chairman

A BACKWARD GLANCE AND A FORWARD LOOK

It is my purpose to bring before us some of the achievements of the Beulah Association since we employed and Associational Missionary. In April, 1947 Miss Ella Sue Gravitte was employed as our missionary and served in this capacity until September 1950. At this time Miss Louise Yarboro was employed to succeed Miss Gravitte and continued in this work until August 1952, at which time she resigned to further her education at our Seminary in Louisville, Kentucky.

Let us take a glance at the material progress made during the years mentioned in the above.

Total contributions by all churches in Beulah in 1946 was $131, 868.63. In 1951 total contributions were $271,233.49. Thus we see our total contributions more than doubled from 1946 to 1951.

Since some of our churches constructed new buildings in 1951, this total contribution represents an accumulation of building funds collected over a period of a few years and does not represent a true picture of our collections during 1951.

Let us see how we have grown in numbers during this time:

ENROLLMENT

	1946	1951	Increase
Church Membership	6109	6898	789
Sunday School	4009	5313	1304
Training Union	340	898	558
Brotherhood	None	50	50
W. M. U.	673	907	234
G. A.	246	265	19
R. A.	121	170	49
Y. W. A.	173	156	* 17
Sunbeams	294	324	30

* Decrease

Several churches have rebuilt within this 5 year period. Among them: Trinity, Yanceyville, Thompsonville, Theresa, Roxboro, Rock Grove, New church established, Roxboro Front Street.

Those churches repairing or adding to: Berry's Grove, Lamberth Memorial, Longhurst Sunday School classroom arrangement, Longhurst Parsonage under construction now, Olive Branch, Baynes, Shiloh has started or will start in the near future to remodeling and rearranging, Providence (P) is now launching a building program.

The growth of your church, both materially and spiritually, cannot rise above the desires and ambitions of its members. I believe it was Isaiah who said, "Where there is no vision the people perish."

Just as political and social enocomics of these United States of ours have made forward strides in leaps and bounds, just so should our religious economics advance in the name of our Christ. Then is there such a thing as "Religious Economics?" Most assuredly there is and when we twiddle our thumbs and sit complacently by while political economics advance, while social science moves onward, and medical science discovers means whereby we may live longer, are we going to live longer uselessly, or are we going to march forward holding the banner of Christ high and lifted up?

Our Lord's wheels of activity operated by human instrumentally must be lubricated with oil of talent, energy, and money. If either of these is lacking, then His work must suffer at the hands of those responsible.

It is my feeling that the progress of any church is very definitely retarded where no financial budget is in operation. I, Your Moderator, shall be most happy if every church in Beulah Association will start the year 1953 with a financial budget.

Since more pastors are living on into retirement, our churches should give more attention to the economic security of pastors after they are placed on the "shelf." Many pastors, as well as people of other walks of life, are ill-at-ease and some of them are not conscious of the fact that this uneasiness may be caused by the fear that they will live longer than their income. Our people must come to realize that the four most important things that come to each of us during our entire lifetime have a pastoral touch. These are: our birth, regeneration, marriage, and death.

Should we not only see that our pastors are paid a wage comparable to the income of those he serves, and such as will provide the necessary comforts of life, but also a wage that will enable him to find security and comfort in old age?

If we merely resolve to use our influence back in our local church to correct some of these shortcomings, then the next year and the next and the next will find us retrogressing instead of progressing.

Respectfully,
H. Dewey Young, Moderator

TO THE BEULAH BAPTIST ASSOCIATION

In Annual Session October 21, 1952 at The Beulah Baptist Church

Resolution to ammend the Constitution in keeping article XII which reads as follows:

> "Ammendments to this Constitution may be made by a vote of two-thirds of the messengers present at any annual

> meeting, provided notice thereof shall have been presented in writing on the first day and duly acted on the second day."

Be it resolved therefore, that article III, section 3 which reads as follows:

> "No officer may be elected to succeed himself, except the Moderator whose tenure of office shall be limited to two years, the Clerk and Treasure who shall serve indefinitely."

Whereas, under the restrictions noted in the above quoted section 3 of Article III, there is a general feeling that some freedom from this restriction should be provided, we therefore humbly request that this section be ammended to read as follows:

> "No officer may be elected to succeed himself, except the Moderator whose tenure of office shall be limited to two years, UNLESS DRAFTED FOR FURTHER SERVICE BY A MAJORITY VOTE OF THOSE PRESENT AT ANY ANNUAL SESSION OF THE ASSOCIATION. The Clerk and Treasurer may serve indefinitely."

Signed:
John M. Wesley

After discussing rather lengthily, a motion was made by Rev. E. B. Booker and seconded by Rev. Joe B. Currin that ammendment be made to the Constitution. A vote was carried unanimously. Brother Booker made a motion that the Nominating Committee draft our present Moderator, Mr. Young, for further service.

ORPHANAGE REPORT

"And Jesus called a little child unto him, and set him in the midst of them." Matt. 18:2.

Two thousand years ago Jesus sat children in the midst of the disciples, he is still putting children in our midst. Today North Carolina Baptist have seven hundred twenty-five children that have been placed in our midst to house and feed in our two homes, the Kennedy Home, and Mills Home. In addition this year six hundred eighty-four children knocked at our door and asked for assistance. In many instances we were able to help them find a home where they could be cared for. We must care for these dependent children, if not we as Baptist sign our own death warrant. We are able to finance our orphanage by the Once-a-month offering and the Thanksgiving Offering, but with the continual rising of prices we need to give more this year than ever before.

This year we have added to the plant at Mills Home a new cottage for girls and have remodeled three of our oldest cottages, thus making them useful for a great number of years.

Under the terms of the Idol will, we are erecting certain memorial buildings. The Print Shop has recently been completed, the infirmary nearing completion. The Church with forty-six classrooms in under contract. These buildings are being built by the $100,000.00 gift of the Idols'.

Believing that no child is happy without play, we are developing the I. G. Greer Recreation Center, and the main building is now under construction and should be completed by Christmas. When these buildings are completed we will have doubtless the best child caring facilities in the South.

E. W. Byerly

W. M. U. REPORT

I bring you greetings from the Woman's Missionary Union of Beulah. We are happy that we can share this program together. I would like to give you some of the high lights or a few of the things that the Woman's Missionary Union has done in the past twelve months. Our mission study chairman planned and conducted a mission study institute at Bethel Hill Baptist Church. Mrs. Ben Eller, our state stewardship chairman, gave us points on how to teach the book, BIBLE STEWARDSHIP.

Our community Missions chairman, Mrs. Elmer Reynolds, conducted an Associational Community Mission's Institute at Lea Bethel Baptist Church. Mrs. D. H. Carver, our state chairman, taught a book on Community Missions. Our Young People's leader, Mrs. Melvin Blalock, and our Associational Field Worker, Miss Louise Yarbrough, held a Youth Rally at Clement Baptist Church. We also had a R. A. and G. A. camp for the Junior boys and girls at Park Springs near Danville, Virginia. A banquet was given for our college students throughout the Association in the Roxboro Baptist Church and the YWA had their annual banquet. This was held at the Community House at Bushy Fork. We were challenged by the visit and talks of our missionaries, Mr. and Mrs. Burton DeWolfe Davis and gave them money to buy chimes for their new educational building in Forteleza, Brazil. We also gave our Associational Field Worker a love gift as she left for the Training School. We are now completing the collection of linens for our Baptist Hospital in Winston Salem. I am happy to say the response has been generous.

But we realize, brethren, our task has just begun. We covet your prayers and support that we as member of the W. M. U. may co-operate whole-heartedly in the program of ADVANCE as planned by our Convention. The purpose of W. M. U. is to stimulate the entire church in its missionary thoughts and activities. We have already indicated this year that we will dedicate our efforts to a greater support of the co-operate program. I am saying this----that our pastors may catch our sincere desire for their help in stirring our people to a deeper interest in our world mission program. We need to be aroused to the great need. We are too complacent in our false security. Who can do this better than our pastors? We say we understand the program of missions. We maintain the machinery of missions, but we are sadly lacking in the spirit of missions. We need to look on the fields through mission study, missionary reading, and monthly mission programs in our Royal Service magazine and other periodicals, and to giving ourselves to the ministry of prayer. What has been assomplished is only a small part of what we can do if we will fully co-operate and dedicate our time, talents, and possessions to the task of promoting all phases of Kingdom work through the Advance program. May we, whom God has set as leaders in this Association, realize that His work need never be a burden but a joy. Truly we can and will join all our forces that we may faithfully co-operate with the Program.

Brothers and Sisters, it is up to each of us.

Respectfully submitted,
Mrs. W. C. Pulliam,
Supt. of the Beulah W. M. U.

THE ALLIED CHURCH LEAGUE
ANNUAL REPORT OF THE EXECUTIVE DIRECTOR (1952)

The Allied Church League is leading the fight for the abolition of beverage alcohol in North Carolina through legislation, education, law enforcement and rehabilitation of alcoholics.

ELECTIONS: During the year five county-wide beer and wine elections have been held: Chatham, Brunswick, Caldwell, Davie and Haywood. All five voted overwhelmingly Dry. Two ABC elections were held: Hyde and Pamlico. Hyde voted Dry by a large majority but Pamlico voted Wet by a small majority. There are no further elections scheduled this year but plans are under way to hold several the first of next year.

Dry Counties:	Liquor—71	Wine—50	Beer—48
Wet Counties:	Liquor—29	Wine—50	Beer—52

Wet Municipalities: 5

LEGISLATION: The League has worked faithfully and constantly for a state-wide referendum, the repeal of the "Gag-rule," the repeal of the Gallon Law, and for a supervisor of alcohol education in the State Department of Education. Bills were introduced at the last General Assembly for each of these but was killed by the Committee on Propositions and Grievances. During the year our Committee for Good Government has waged an effective campaign to elect men to the General Assembly who are commited to the program of the Allied

Church League. It now looks as if we will have majority in Senate and a two-thirds majority in the House. We were fortunate in electing a Lt. Governor on whom we can depend for a fair deal. The Allied Church League has set out to raise approximately $18,000 to double its budget for the year.

EDUCATION: Our organization has promoted an active program of temperance education in the churches and public schools. Most of the denominations affiliated with the League have carried through our suggested program in the local churches, church colleges and summer assemblies. The results have been most gratifying. Many of the County Units have sponsored programs on alcohol education in the public schools which deserve high commendation from our Dry forces. Plans are under way to have such programs in a larger number of counties during the coming year.

LAW ENFORCEMENT: The law enforcement committees in each county in which we have units are co-operating fully with officers to see that the law is observed. Where liquor is not sold legally and where beer and wine has been voted out special committees are at work. We already see splendid results, and given time, bootlegging in North Carolina will be greatly deminished.

REHABILITATION: The church has always believed in the redemption of human personality. The Allied Church League is commited to a program of rehabilitation and redemption of the alcoholics. During the past year clinics on counseling alcohilics were held in several sections of the state. These clinics were under the leadership of Dr. Russell L. Dicks of Duke University and Dr. Leon Couch of Durham. Although sponsored by the Methodist Church, other denominations participated in them and the attendance was above expectations. Similar clinics will be held during the year 1953. Our organization is co-operating with Alcoholics Anonymous and similar organizations in their programs.

TEMPERANCE SUNDAY: Temperance Sunday and Commitment Day was observed March 2. Many churches other than the Methodist observed the day and reports indicated an increased interest over the previous year. Probably 100,000 individual commitment cards were signed in the state. The fourth Sunday in January is set as Temperance Sunday in 1953.

TO-MORROW: We are sending approximately 10,000 copies of To-morrow to our church people. More than 4,000 ministers in the state are receiving our publication and we feel that through this service the ministers will co-operate with us in sending our paper into many more church homes.

In order to more fully present our program to the church people, the Executive Director or a representative has attended all of the annual denominational meetings, district meetings, and most of the pastor's conferences during the past year.

Respectfully submitted,
E. B. Booker

STATE MISSIONS

State Missions can be presented as a long list of statistics which soon become monotonous and forthwith we find our minds wandering. Mention the Sunday School, Training Union, and Woman's Missionary Union activities and some one immediately says, "Old stuff." The reaction, however, is different with those who have availed themselves of a week at either Caswell or Fruitland studying and receiving inspiration in whatever field of study chosen. These summer assemblies are really schools for advancement of laymen and laywomen.

North Carolina Baptists through their department of Evangelism under the leadership of Brother J. C. Canipe continue to sound the note which makes any denomination great. The avenue of approach is through City and Associational wide simultaneous revivals. Both the evangelistic and the conservation notes are emphasized through the Baptist Student work under the guidance of Brother James Ray.

Recognizing past contributions and future possibilities, we are giving a renewed emphasis to the Rural Churches. Brother Henry Walden is seeking to lead these churches to visualize their full potentiality in stewardship of money, time and talents. Through state Missions both rural and urban churches are encouraged to go full time by supplementing the pastor's salary for one to five years. Likewise aid is extended in buying lots upon which to build churches.

It is always gratifying to see needs being met. And so we rejoice over our work among the deaf. Brother Edsel Jones is pioneering in this endeavor.

There are other phases of our State Missions program which along with the above mentioned constitute a challenge to us — a challenge which must be undergirded with our financial support. The ideal method of support is through the Co-operative Program, but, until such support is adequate, we must supplement it with Special State Mission offerings throughout the State.

Respectfully submitted,
Roy D. Keller

HOME MISSIONS REPORT

We are not to think of home missions as set over in competition with foreign missions as if the two were set on separate levels; but we are to think of home and foreign missions as complementary parts of the one mission program of Christ.

Fundamentally, home missions is the experience in the homeland of the same divine urge that causes the disciples of Christ to join forces in sending missionaries to lands afar.

The missionary movement did not begin at Antioch but at Bethlehem, where Christ who came to seek and save the lost, was born. It started with Christ calling the twelve and sending out the seventy and does not stop until it has taken in the whole world. The program of home missions is like dropping a pebble into a quiet pool of water. As the pebble hits the water there is a spreading of rings that goes farther and farther until it touches all banks of the pool. Christ is the instrument of impact and the first ring, and the second is home missions extending into foreign missions thus to all the world. Luther Rice was our first home missionary as he raised funds here in America to keep Adoniram Judson and his wife in India as foreign missionaries. Therefore we must realize that to evangelize the world we must first start at home and evangelize our homeland. Only saved people see the need and care to have a part in saving the world.

Last year there were 1,170 home missionaries including 305 student workers. This is a gain of 145 missionaries of 1950. There were 36,390 conversions, 669 new missions opened and 239 new churches constituted. We have 387 Baptist Chaplains serving now in our armed forces. They reported last year 10,646 conversions.

For some time we have had missionaries working with the Chinese, Deaf, French, Indains, Italian, Japanese and Spanish speaking peoples. When we think of the 16 Good Will Centers, two Rescue Missions, our work among the Jews, our outposts such as Alaska, Cuba, Panama and Canal Zone, our work with the migrants, we see that we have just begun "to touch the hem of the garment."

Our Home Missions Board supports work and has missionaries in all 22 states of the Southern Baptist Convention and with the pioneer work in Kansas, New Mexico, Arizona, California, Oregon and Washington. We can easily see that the fields "are white unto harvest but the laborers are few."

May we as Beulah Baptists pray for more laborers and help answer our prayers by providing for them to go.

Respectfully submitted,
T. C. Williams, Jr.

REPORT ON FOREIGN MISSIONS

If there is one among us who has not heard of the term "Advance" in connection with our foreign mission program, one of three things might be responsible - not being able to read, not having attended a denominational meeting where such things are discussed, or simply refusing to read our denominational literature and periodicals

Any report of this nature must include a minimum use of statistics, but we are keenly aware that spiritual contributions and achievements cannot be measured by figures alone. Figures alone applied to the ministry of our Lord while on earth would prove him a failure. However, it would be impossible to tell the story, even in such a brief compass, without a few vital statistics.

This Advance Program was started in 1948, with a goal of 1,750 foreign missionaries and an annual budget of $10,000,000. At the beginning of 1948 Southern Baptists had 625 missionaries on the foreign fields, and a budget of $3,782,800. As a result of this Advance Program, at the beginning of 1952 we had 832 missionaries and a budget of $5,180,000. But as October 1, 1952 we had 874 missionaries in thirty countries. The budget figures for this late date are not available, except for the figures quoted above for the year of 1952.

It is interesting to note that since 1948-the first year of the Advance Program - we have entered sixteen additional countries with the Gospel of our Risen Lord, the newest field being Indonesia. Most of this new work has been projected by missionaries evacuated from Communist China due to political restrictions. The majority of missionary personnel who were stationed in china before the invasion of the Communists are now stationed in Japan, Korea, and Hawaii.

At the beginning of 1952, Southern Baptists reported a combined church membership (in the thirty countries) of 189,225 in 1,913 organized churches. In addition to these churches there were 3,668 outstations, 22 medical centers, (or rather units) 405 schools, 5 publishing houses, 3 orphanages, and 7 good will centers. Resulting from these combined efforts, there were 18,372 baptisms, 49,271 enrolled in schools, almost a million pieces of literature published, 99 orphans cared for, an unlimited number of people treated at the medical units, and about two million people contacted in the good will centers.

Receipts from all sources in 1951 totaled approximately $6,900,000. Of this amount $2,668,051.30 came from the Lottie Moon Christmas offering.

Yes, Southern Baptists are on the advance. If there are those among us who are out of step or hindering the forward march, The Commission, our foreign mission journal, is recommended as an indispensable aid in becoming well informed about all our overseas work.

Dr. M. Theron Rankin, our capable executive secretary of the Foreign Mission Board, spoke truly and significantly when he said: "The extent of our programs and the effectiveness of our efforts can never exceed the reality of our compassion and love for a lost world. Advance will only go as far and as fast as our love goes."

REPORT ON NORTH CAROLINA BAPTIST HOME FOR THE AGING

Resthaven, Winston Salem, N. C.

Operation of Resthaven was begun March 16, 1951. Soon after the opening, it was filled to capacity, twenty residents. When the news spread of the beginning, applications began to accumulate rapidly. To date, there have been close to 500 inquires. Had there been rooms available, and all applicants could have made financial arrangements, our Home would have had 200 residents instead of only twenty at present.

There is encouraging prospect of getting the top floor of the present building completed, which will provide space for fifteen additional residents. The cost of this enlargement project has been underwritten by a business man of Winston Salem, who is not a Baptist. This same friend has already donated a television set, and has concreted the basement of the Home.

Our residents range in age from 64 to 92 years, and come from widely scattered sections of our State--Franklin to Elizabeth City. All rejoice in the opportunity to be in the Home. Here are some of their statements:

> "I like this good Christian Home and all the family. I would not exchange it for any other in all the world." — Mrs. J. L. Smith, coming from Franklin.
>
> "This 'more than we expected' about this Home makes us all hope and pray that more men and women may come to enjoy its many blessings." — Miss Ella Moffett, coming from Southern Pines.
>
> "I never thought I would be so happy in my last years of life." John Holt, age 92, coming from Wilson Mills.

In spite of the fact that Resthaven did not receive financial assistance last year from the Baptist State Convention (except a loan which was repaid), it was operated clear of a deficit. How did this happen? By the Lord laying our needs upon the hearts of friends and causing them to respond. Of course, the Home was compelled to charge the cost of keep from the residents who came on the monthly-pay plan. The income from this source, together with that coming from residents giving property or cash for their maintenance, plus donations by churches and auxiliary organizations and friends, enabled the Home to pay its way and to accumulate assets in excess of $100,000.00.

Beginning the year 1952, with the Nine Year Program, our Home receives three-fourths of 1% of the funds to be divided. From this source has come less than $500.00 per month since January of this year. The Home is estimated to receive a total of approximately $500-000.00 in NINE YEARS. It is apparent, therefore, that slow provision for enlarged facilities will be made to accomodate the hundreds of aging people who want to come to our Home, unless funds come from other sources than our denominational program as it now operates.

Our Home presents a great challenge to North Carolina Baptists to provide adequate facilities. There are probably 100,000 people in our State past 65 years of age, and a large number of these are of Baptist faith. We must make provision as time and finances permit for these aging Baptists. Since Baptists of our State now number more than 700,000 in membership, we are well able to make such provision. If every Baptist would give an everage of $1.00 to our Home in one year, we could raise $700,000.00 and not one person would suffer hardship. As soon as a practical and adequate plan of support can be agreed upon, it is reasonable to expect that our Baptist Home will be worthily supported.

Many suggestions have been made as to the best plan of supporting our Home. Among them are: (1) Fifth Sunday offerings through the Sunday Schools, as the Virginia Baptist Home plan; (2) special day offering, as the Mother's Day plan for our Baptist Hospital; and (3) putting the Home in the local church budget, and appealing to the churches that have no budget for at least one special offering a year.

Either of these plans, supplemented by such special gifts as may come from individuals and corporations, and provision made in wills, would enable the Home to make reasonable progress, and thus enlarge our facilities on the pay-as-you-go plan.

"Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25:40)

$4,003.50

There is a slight change in our report this year over last year. Instead of listing all the extra gifts sent me as miscellaneous gifts, I have included them in the total gifts from each church. As you will note our contributions are less this year than last year by $267.06 actually reported, but undesignated gifts from the churches more than make up this deficit. Actually deposited last year was $4,224.35.

Reporting to-day eleven (11) churches reached and exceeded their goal in giving for the year. This is three more than we had last year and meeting their goals can be attributed to systematic giving. There are several others, but the books were closed when the checks reached me. These will have to be reported next year.

Please let me repeat again this year that the amount to be sent from each church is 50c per member. This is certainly reasonable and no church can afford to do less for the master.

Thirty-three churches in the Beulah Association giving of their money last year to carry on the work of our Lord. Let us pray earnestly that 1952-53 will find us busy doing greater things in our association.

TRAINING UNION REPORT

This has been a busy year for the Beulah Baptist Traing Union. We have been on the move but it is hard to decide whether it is an Advance or a retreat. In December we held our Association "M" night program with the largest attendance ever to attend such a meeting in our Association. In May a number of our churches were in attendance on the Regional B. T. U. Convention in Durham. From these two meetings we received much information and inspiration.

We did not make any gains in the number of churches having Training Unions although we are confident that good seed has been sown on Front Street and a good Training Union will be reported there next year. We decreased in number of units by three and I would hasten to challenge all the churches with Training Unions to increase their units and then seek those needing training and fill the units with workers.

There is much to be done. A church without a Training Union is an incomplete church. Let us work to start more Training Unions.

Respectfully submitted,
Ray L. Cumbee

REPORT ON CHRISTIAN EDUCATION

The word education is from the Latin "educere," which means "to lead forth," in its broadcast sense it signifies the bringing out and developing of all the powers of the individual. There are two sorts of education, that obtained from the experiences of life and that from the schools. Thus, it is our duty as Baptists to provide Christian colleges for the higher education of our boys and girls who wish to continue schooling after receiving a high school diploma. Each year there are approximately 4,000 Baptist boys and girls graduating from standard high schools in North Carolina who enter college the next fall. However, only 1,000 enroll in our denominational schools. Available for furthering their education are our two senior colleges - Meredith and Wake Forest; and our five junior colleges: Campbell, Chowan, Gardner-Webb, Mars Hill, and Wingate. Also, we have the Baptist Hospital School of Nursing and Bowman Gray School of Medicine in Winston Salem.

There are 5,000 students enrolled in these Baptists institutions. Five hundred of the 5,000 students are being trained for a special Christian work in some department of our denominational life after graduation. There are 300 trained men and women employed in the administration and operation of these colleges. The Trustees of these schools are named by the Baptist State Convention and hold title to their physical properties. These colleges have a net worth of more than $15,000,000 and an annual operating expenditure of $3,000,000. North Carolina Baptists through the Cooperative Program contribute $400,000 annually to their operating costs. They have a total of $4,500,000 in endowment funds, not including the $11,000,000 provided in the Smith-

Reynolds Foundation for Wake Forest College. But how much more are these institutions worth in the eyes of God?

It is not difficult to give evidence of the tremendous contributions of these institutions in our state to the life of our denomination. We find that most of our pastors, missionaries, and leaders in our denominational work have received their education in our Baptists Schools.

Of the 827 missionaries under appointment in January of this year, 806 (97.5%) attended a Southern Baptist College. Five in six of our pastors with a college education receive it from our own colleges. Then, too, many of our Christian teachers and administrators for our public schools have been trained in our North Carolina Baptist Schools. We find again that our colleges have been responsible for the training of the spiritually alert men and women for professional and civic resonsibilities.

But why are so few of our young people attending our Baptist Schools? Because we, the adults and leaders in our churches, know so little about them that many of us think their only function is the training of Christian professionals. It is our duty to learn the program of training set-up in our Baptist schools; then, we can direct our young people to them. Many of us do not know that our colleges have $220,000 available for making loans to worthy students so they can continue their education. Our Council on Christian Education is anxious that you know your denominational schools and program. Then when you have obtained that "speaking acquaintance" it is up to you to interest young people in them. After they have enrolled we must not forget them--they are to be remembered daily in our prayers, weekly with our interest, and periodically with our gifts.

REPORT ON AMERICAN BIBLE SOCIETY

The special offer in 1951 to promote Scripture Distribution and Reading in West Virginia resulted in the distribution of 350,000 volumes of New Testament Portions, most of which were used in effective reading emphasis. This special offer is being made in North Carolina this year and is projected for Virginia in 1953. A Total of 750,000 Bibles, Testaments and Portions were distributed in the three states in 1951.

The American Bible Society now has available R. S. V. P., meaning Revised Standard Version PORTIONS (the four Gospels and Acts) in beautiful picture covers at 3c each. The wide spread publicity about the R. S. V. Bible on September 28 would be a wonderful time for the circulation and reading of these Portions. R. S. V. P.

The Bible Society now has three FREE films in color and sound on 16m and a truly outstanding FILMSTRIP "The Good Book" with records in two speed - 33 and 78 rpm. (filmstrip rental $2.50) Every church and church group would be benefited by seeing these films. They tell the work of the American Bible Society in graphic beauty and with strong challenge.

The fact needs emphasizing that the work of the American Bible Society as far as the distribution of the Scriptures in the local community lies in the hands of the local Christians and churches. It is primarily their responsibility, the Bible Society furnishing the Scriptures without profit to enable their mission dollar to place the Word in the hands of more people. Too often the romance of the foreign work overshadows the needs across the street or across the creek.

In 1951, Southern Baptist churches gave $90,909 to the American Bible Society. $9,643.76 of this came from churches of the North Carolina Baptist Convention. With gifts from churches of all denominations totaling $749,085, Southern Baptist gifts stood second, exceeded only by Methodist gifts which amounted to $120,812.

Because of Southern Baptists' ability and readiness to respond to missionary needs, the American Bible Society confidently expects that gifts from Southern Baptist churches will soon reach $150,000 each year.

Increased gifts from Southern Baptists will help to provide enough Bibles now and will inspire others to give more. Please send the gifts from your church to your Baptist state headquarters office, marked "for the American Bible Society."

REPORT OF THE BAPTIST BROTHERHOOD

No word more adequately describes the fruit of the Gospel in the world than the word - BROTHERHOOD. Wherever the Gospel of Christ has been preached men have become brothers in God's beloved family .The sun never ceases to shine upon the family of God in Christ.

For . . . .

"In Christ there is no East or West,
In Him no North or South . . . . "

Our Baptist Brotherhood is geared into the church program as a single organization for men, aiming at the enlistment of all male members in the full program of the local church and of the denomination. At this moment, approximately seventy per cent of the men in our Southern Baptist Churches is unenlisted. By this we mean they are not playing any vital part in their churches. Such a fact is startling in the light of what God's Word has to say about man's place as spiritual leader both in the church and in the home. With the vast majority of our men only partially enlisted in the programs of our churches, we can well assume that this responsibility is being neglected at the expense of spiritual growth in our churches and in our homes.

There are now five Brotherhood organizations in the Beulah Association, one less than last year. Perhaps, we can name two reasons for this loss in our still young Brotherhood work in our association; lack of promotion of the work and the absence of a definiteness of purpose. This year it is our hope that the work may not only be promoted with great effort but that in so doing the men of our churches may be aroused and envisioned in their great opportunity to evangelize our whole associational territory and surrounding areas.

The highlight of our Brotherhood work this year was a Layman's Revival held in January at the Roxboro Church with Horace Easom, our state director as speaker.

REPORT OF TRANSFER CHURCH MEMBERSHIP WEEK

"Transfer Church Membership Week" was observed throughout the Southern Baptist Convention September twenty-one through twenty-eight. No detailed figures are available to reveal the exact success of the effort, but the need of such a campaign justifies our confidence that it was well worth while. It was the first such effort of our Convention on a simultaneous plan throughout the Southland.

Several churches of the Beulah Association cooperated in the drive to enlist non-resident Baptists in the Baptist churches of their communties. There are actually millions of such persons in our Southern Convention territory.

If the special week of emphasis this year has served no other purpose than to awaken us to this fact and to stir up our interest by it, the effort was by no means a failure.

Julian M. Motley

REPORT ON CHRISTIAN LITERATURE

October 22, 1952

Baptists work together in a great spiritual democracy. Democracy depends upon an informed, enlightened people. And informed people must be reading people. Having no authoritative leadership to give orders, Baptists find it necessary often to counsel together. This accounts for the various gatherings in the churches, on through the associations, regional areas, the State, the Southern Convention and the world.

But no democratic body can remain in continous session. Because of this fact, it is forever essential for Baptists to have a medium of communication for news and discussion. They must know what their fellow Baptists are doing; the progress in missions, in evangelism, in education, and in our wide program of teaching, training, and benevolence. They must read in order to understand and be able to interpert the tides and currents of our surging forward march as God's people, working as "laborers together with Him," in the local churches.

We are fortunate in having within our reach helps in all our work as laborers for Him.

To strengthen our family devotionals we can gain help through Home Life.

To keep us informed as to work of individuals and churches within our state, the Biblical Recorder is within easy grasp of each of us. The Charity and Children is a welcome publication from our state Baptist Orphanage.

Do you need help visualizing our mission fields at home and abroad? Home Missions published by our Home Mission Board and The Commission, the foreign mission board publication keep constantly before us the needs of those far and near.

The missionary organizations of our churches find a wealth of information from our southwide magazines - The Royal Service for our W. M. S., The Window for Y. W A., World Comrades for G. A, and Sunbeams and Ambassador Life for our Royal Ambassadors.

Realizing the need for education and training, our Sunday School Board furnishes us excellent material for use in our Sunday School and Training Union through individual quarterlies for pupils, helps for teachers and suggestions for departmental leaders in the Builder and Training Union Magazine.

If we grow - we must read and study. Use these helps - be a better Baptist.

Rebecca Maness

REPORT OF MISSIONS COMMITTEE

Usually when we think of missions we think of some distant lands, but all need for missions is not across the sea or in some other state. We have mission work here in our own Beulah Association.

In the early part of this year a committee composed of Rev. Ray Cumbee, John Wesley, Albert Dunevant and Miss Louise Yarbrough, visited the Cobb School community about twelve miles west of Yanceyville in the interest of establishing a mission Sunday School and Church. They found a large area without the ministry of a Baptist School or Church. As of August 1, 1952 Miss Louise Yarbrough resigned and as of this date we have not been able to secure a Missionary to take her place. On October 15 of this month, Rev. Ray Cumbee, H D. Young and I met with a gentleman interested in associational mission work. We were very much impressed with him, and he liked the challenge that the Beulah Association had to offer. The salary was satisfactory if we could furnish a home. We, as a committee, plan to ask the Association to consider buying a house or building one to be used for the Associational Missionary. We believe that if we can secure this man who is a minister that he with his experience of four years in this work can be of great benefit to all parts of the Association and open new field of service such as the one mentioned above.

We are asking the churches to send in their minute funds to our Associational Trasurer, Mrs. H. M. Beam, Roxboro. We, as your Mission

Committee, urge you to set up a budget for 1953 and allow as much as possible for Associational Missions.

Mr. Moderator, I make a motion that the recommended budget be adopted, and that we provide a house for our next Associational Missionary in addition to the salary set up in the budget. In order that the work so wonderfully started by Miss Ella Sue Gravitte shall continue to grow as a living memorial to her.

HISTORY OF WOMAN'S MISSIONARY UNION OF BEULAH ASSOCIATION

FIRST HALF CENTURY 1901-1951

In 1951, Mrs. S O. Garrett of Semora, N. C. was asked by the Executive Committee of the Woman's Missionary Union to write a history of the first half-century of W.M.U. work in Beulah Association. Mrs. Garrett has been closely connected with Beulah W M. U. for thirty years. She has served continously, lovingly and efficiently in many positions of responsibility since June 22, 1922. Seven years she was Young People's Leader, eleven years Young People's Secretary-Treasurer, eight years Personal Service Chairman, four years as Margaret Fund Chairman, three years Superintendent, and at present is the Associate Superintendent.

Collecting material and preparing this sketch has been no small task, but like all the work she has done for W. M. U., it has been a joyful labor of love. Now she wishes to express appreciation to all who have helped in this important undertaking:

To her pastor, The Reverend Charles Stevens and to Mrs. Ethel Crittenden, librarian at Wake Forest College, who spent hours in patient research among historical records at Wake Forest to officers of North Carolina W. M. U. who furnished information concerning our growth, financial and otherwise; to pastors and laymen who supplied mission minutes; to former superintendents and Young People's Leaders for sketches of W. M. U. work during their terms of service; to local officers past and present, and to other interested persons, who answered letters and loaned valuable old records. From this mass of material she has endeavored to cull outstanding steps of progress. For lack of space she has had to omit much that she felt should go in. She lovingly dedicates this sketch to our courageous pioneers of the long ago, to those now in office who labor so valiantly in the Master's Vineyard, and to our Young People with whom she has labored, and upon whose consecration and training our future depends. The Executive Committee of the Woman's Missionary Union of the Beulah Baptist Association has voted money toward the printing of this history in the Association minutes of 1952.

Mrs. W. C. Pulliam, Superintendent
Miss Ella Graves Thompson, Mission
Study, Chairman

Many years before the Woman's Missionary Union of the Southern Baptist Convention was organized, women all over North Carolina were promoting missions under various society names. Though their gifts were small, their faith and loyality were great.

These brave pioneers in Beulah—known then as Country Line Association—are said to have organized their first society for the support of missions in 1792, only a few years after Carey had gone out to India. This was called the Hyco Female Cent Society. Carrying on this society took great courage and prayer, as the brethren were still in the dark as to whether the call to work openly in the Master's Vineyard was meant for females as well as males. This opposition brought these dear women to their knees in prayer for divine guidance, strength and courage to continue, the Lord willing.

It would be of tremendous value to us to have names of those early pioneers who courageously blazed the trail in that far off day. All this information is lost, but it is inspiring to know that by 1860 a number of "Ladies Aid Societies" were in operation in Beulah Association and their spirit lives on among us.

In the first financial report of societies to North Carolina Woman's Central Committee as of December 31, 1886, the following contributions from Beulah Association appear: Shiloh Society $5.00, Beulah Church, $2.60, Yanceyville $76.00.

How satisfying it would be at this time to trace the origin and growth, the ups and downs of all the missionary societies of our thirty three churches! Each has had its own struggles and triumphs and its influence which only time can tell. Space does not permit more than one or two stories, which seems to be typical of all.

Yanceyville has the honor of having organized the first society, the history of which is definitely recorded. This was named the Maggie Nutt Herring Society in honor of the first wife of Dr. D. W. Herring. Missionary to China. The original constitution of this society which was adopted October 7, 1885 and is still preserved along with minutes and other historical data was written by Miss Linnie Poteat, sister of Dr. W. L. and E. M. Poteat. Miss Ida Poteat, for so many years beloved teacher of art at Meredith College, was a charter member of the Yanceyville society, which is the third oldest Woman's Missionary Society in North Carolina. Records in Raleigh show that Yanceyville has reported every quarter since April 1886. Would that every society in our Association were able to claim such distinction! Mrs. Tobey, wife of a former pastor of Yanceyville Church and sister of Henrietta Hall Shuck, is buried in the church cemetery at Yanceyville, N. C.

Shiloh W. M. S. was organized early in December 1886 but for several years failed to send in reports to the Woman's Central Committee (later known as Woman's Missionary Union.) Gifts to missions, however, were sent in with other gifts from the church. Mrs. John B. Yarbrough, Mrs. Agnes Moore Thomas and Mrs. Hartwell Myers were the first, second and third presidents. As evidence of how missionary zeal and leadership run in families, it is interesting to note that the decendents of these spirit-filled women are walking in their footprints.

A society was organized at Beulah Church during the year 1886. When the church temporarily ceased to function, all records seem to have been lost.

Bethel Hill W. M. S. was organized in 1889 and supported by "Direct Missions" a missionary, Mrs. Emma Humphries Blalock in China, for twenty years. Their first president was Mrs. J. A. Beam. Mrs. G. W. Joyner is the only surviving charter member. Carol Leigh Humphries who has recently gone to mission work in Nigeria, is a product of Bethel Hill Church.

Mill Creek came next, organizing in 1890 with six members. This society also supported a helper in China for years at $60.00 a year. In time the membership of this society with its auxiliaries was considerably over one hundred.

The society at Lea Bethel was organized in 1897. A smaller or more zealous society was probably never begun in any state. There were only three charter members. Mrs. E. W. G. Thompson, who was made president and served continously until her death in 1914. Mrs. R. V. James, vice president at whose home many of the meetings were held; and Mrs. Jame's daughter, Miss Hattie James, was Secretary-Treasurer who a few years later became the associational vice president or superintendent as were later known by. Miss Hattie served in that capacity until her death in 1905. This society in its earliest years was unique, not for any conspicuous achievement but for the utter devotion and faithfulness of these three charter members. Their aim and prayer was that every woman in the church would come to see it her "duty and privilege to unite in this noble work of God and the world." To this end they had what they called the Home Department, and members were enrolled if interested enough to read the mission journals (usually the gift of these charter members) contribute to missions regularly and pray for missions. Those were horse and buggy days, axle deep mud, and almost impassable roads. Months would sometimes pass without a formal meeting, but these women were aglow with the love of God and the world needs, and when ever it was possible for them to be together for regualr preaching service, there were prayers and heart to heart talks about world needs and the joyous privileges of service. Offerings and quarterly reports were sent in faithfully and records kept. Breathing through these old records are fervent consecration and deep yearning to be used of God for His glory and honor. Feeble and few as they were, this little society under Miss Fannie E. S. Heck's magic leadership, resolutely looked up and pressed forward "attempting great things for God and expecting great things of God." When the general Association met in Yanceyville in August 1899, this was the only missionary society that reported. The report is as follows: Number of members, four; contributions, to State Missions $1.68; Home Missions $1.00; Foreign Missions $3.76; Orphanage $2.00. Total $8.44. President Mrs. E. W. G. Thompson, Leasburg, N. C.; Secretary-Treasurer Miss Hattie James, Ridgeville, N. C.

May 1898, a Ladies Missionary Society was organized at Milton, with thirteen members. To the General Association meeting in August of that year, $3.75 was sent with the following message: "The amount is small, but we send it with the hope that it may accomplish good in our Master's name—Mattie Smith, Society Treasurer. Despite earnest efforts, the history of this society like many others, has been checkered. Again and again it has had to be re-organized. Once the church was without a pastor for 13 years. When the Rev. and Mrs. K. D. Stukenbrok came to our Association in 1924 for special field work, the society was again revived, but again active for only a short while. "We voted to disband" Mrs. F. P. Tucker wrote in 1930. "This made me very sad. I felt that I could not give it up entirely, so we have been sending our mission gifts and reports to Raleigh each quarter, Though we do not have a society. I am sorry I cannot go to the annual W. M. U. meeting at Bethel Hill, would love to go to all meetings. I will continue to pray for His blessings upon the work."

She served faithfully and was rewarded for every effort and sacrifice made to hold high the torch of missions. She lived to see the Milton Church open once again its doors. Today this W. M. S. and 4 auxiliaries with fifty members is doing good work.

The forming of other societies in the Association led our women to feel the need of uniting. In 1888 the scattered societies of the Southern Baptist Convention had organized as Woman's Missionary Union; in 1891 North Carolina had entered that Union. Before the turn of the century, Beulah women were begining to make their influence felt; and so it came about at the annual meeting of Beulah Association, held with West Washington Street Church in Greesboro, N. C. in 1897 that the Rev. C. A. G. Thomas, who recognized the importance of Woman's Work, moved that a column be added to the financial table in the minutes, showing gifts of the women's societies. The motion was carried and the column added.

(It should be remembered that originally Beulah Association had embraced Caswell, Person, Orange, Rockingham, Stokes, Forsythe, and a part of Guilford County. Gradually this territory was reduced by the formation of other associations, so that Beulah was left with very few churches.

Some kind of associational organizations seems to have been formed that year, 1897. Miss Georgia Robertson of the Yanceyville Church was elected to direct the woman's work in our association. The exact date of our becoming an integral part of North Carolina W. M. U. cannot be definitely established, but evidence points very clearly to 1901. Mrs. R. L. Wilburn, of Roxboro Church, says she distinctly remembers that Mrs. E. W. G. Thompson and Miss Hattie James, guests in her home at that time, were the leading spirits in this progressive step.

The following women have served as Woman's Missionary Union Superintendents during the first half century of our existence:

1897-1900	Miss Georgia Robertson (deceased)	Yanceyville
1900-1902	Mrs. L. N. Chappel (deceased)	Milton

It has been especially difficult to assemble facts about the first decade of this Union. Few seem to have recognized the importance of keeping records month by month, or of preserving the records kept. Even yet we have not learned to be careful enough about these things. The minutes of the Centennial meeting of Beulah Association in 1934 carried Mrs. R. L. Wilburn's beautiful sketch of Woman's Work in Beulah up to that time, also Dr. George W. Paschal's invaluable history of the Association. So very few copies of these minutes have been preserved that I feel like begging you now to take care of this later history, though not beautifully written, it is authentic history. I wish also to pay tribute to those secretaries past and present of both local societies and Associational Union who have filled this important office with care.

Month by month we are making history. Knowing this history is indispensible to our best progress as Mrs. Cox at one time our South-wide President, said in this connection, once we have earnestly looked backward upon the road our forebearers traveled, never again can we accept our duties casually or look upon our tasks with indifference. Oh that every associational and every local officer in Beulah had preserved, and would henceforth preserve a record of their proceedings! How glorious our history might be fifty years hence!

Though unable to give definite steps of progress from 1897 to 1911, we know that solid foundations were being laid. Mrs. L. N. Chappel, Beulah Association W. M. U. presiding officer 1900-1902 had served in China for seven years before locating in Milton with her husband who served as pastor of the Milton field of churches.

In 1903 eight societies, Clement, Ephesus, Kerr's Chapel, Lea Bethel, Providence, Shiloh, Trinity and Yanceyville reported $126.06 for mission causes; then in 1907 only five societies reported to the Association, with a total of only 33 members. A few consecrated women of intelligence and vision were busy about the Father's business. We smile as we read today that "Brother So-and-So read the report of Woman's Work" at the annual meeting of Beulah Association. The brethren were none too strong on women speaking out in meetings; so each year one of themselves was appointed to prepare and present a report on "Woman's Work." All too often no report was given. So it happened in 1908, 1909, 1910, and again in 1911. Miss Mary Yarbrough (now Mrs. W. L. Taylor) was elected to direct the work that year, but could not serve, as she accepted a teaching position in Danville, Va. and could not devote as much time to this work as she knew it required. During that year Rev. C. M. Murchison was called to the Yanceyville pastorate and Mrs. Murchison, a woman of fine spiritual gifts and ability became Superintendent. She visited many of the churches to encourage the women to organize. The year 1912 there were five W. M. Societies but only three sent report to Association Superintendent with total gifts to missions $75.00.

Evidently one of the weak points in the work in those days (as in our own) was failure on the part of some local societies to send in association reports. Again in 1913, only three societies reported to the Superintendent; but several sent reports to State W. M. U. We have no record of outstanding achievements at this time; The fact that the brethren finally approved and openly expressed gratitude for our humble service inspired us to "lengthen our cords and strengthen our stakes." Since we were not supposed to speak at regular sessions, a special time during the general Association was now granted for women to meet elsewhere to discuss work accomplished and plans for further advancements.

July 15, 1914 delegates from seven societies met in Yanceyville Methodist Church to hear interesting reports of the previous year. The regular meeting of Beulah Association was in session at the Baptist Church. The Reverends D. F. Putnam, H. T. Allison and P. F. Hodges came to the meeting and took part on the program. The Yanceyville Sunbeams gave a playlet during the afternoon session. This meeting was typical of that period.

1915 and 1916 marks a growing consciousness for responsibility for our young people. At the annual W. M. U. meeting held with Rock Grove in 1916 a motion was made to elect an Associational Sunbeam Leader and an Associate, also a Y. W. A. Superintendent. Mrs. H. W. Perry (now Mrs. D. W. Bradsher) and Mrs. B. S. Graves were elected to promote Sunbeam Bands and Mrs. E. F. Upchurch, Sr., Supt. of Y.W.A.'s. This was a forward step as will be seen in the report made a year later.

In 1917 twenty-two societies including eight Sunbeam Bands with 114 members and three Y.W.A.'s with 21 members reported with total contributions of $678.50. About $64.00 of the total was given by the Auxiliaries.

A group of churches belonging to Flat River Association had joined with Beulah. The advance in Woman's Work, however, which resulted in the gifts to missions in 1917 amounting to more than what came from all the churches of the Association six years before was not wholly due to enlarged territory. Beulah must ever be grateful to Mrs. C. M. Murchison whose wise and consecrated leadership during these years, had put Beulah W. M. U. in line with the larger plans of State and Southwide Woman's Missionary Union.

The Associational minutes recounting the "Rejuvination of an old Association" duly gives praise to the Woman's Missionary Union as one of the contributing causes to this wonderful development.

In 1918 the brother appointed for the W. M. U. report having no special report prepared on Woman's Work, the time alloted for this report was given to Mrs. Murchison, who was still superintendent of Beulah W. M. U. She gave an interesting account of work accomplished and outlined plans for greater work the coming year. This marked the first time the report on Woman's Work to the general meeting of Beulah Association was presented by a woman. The brethren expressed gratitude to the women for their fine spirit of cooperation and excellent work accomplished.

The Seventy-Five Million Campaign launched in 1919-1920 brought about many changes. Key women from our association attended the Campaign School in Raleigh to learn how best to organize our women and young people for their part in this great undertaking. We entered into these plans with great enthusiasm. Mrs. J. J. Winstead's report of 1919 gives a total of $927.98 contributed by eleven W. M. S. and three Sunbeam Bands. Report of Miss Mollie Strum (Mrs. George Barrett) who was the Superintendent in 1920-1921, showed a gain of five new societies and gifts 125 percent over the previous year. The 75 Million Campaign was bringing new life and new interest.

But not all was easy sailing for this great campaign. Many churches all over the Southern Baptist Convention found it hard to meet their pledges. Another difficulty was, that owing to misunderstandings and frequent changes in local officers, reports sent to Associational Superintendents sometimes differed from actual moneys sent to State Treasurers and placed on state books. (In Beulah Association, not all our local officers have yet learned the simple expedient of checking their own records with reports regularly printed in the Biblical Recorder in order to clear up immediately any variation which may be discovered.) A chart was prepared for Annual Meeting in 1924 showing what each W. M .U. in the Association had pledged, amount credited in Raleigh and amount still due. It would have been good business if such a chart had been shown each year of the Campaign. Our women set to work with increased effort and prayers. The Campaign as a whole finally came up $17,000,000 short, but the $15,000,000 assumed by the Woman's Missionary Union members had been more than met, This miracle added greatly to our faith and courage. This great Campaign was the most important issue while Miss Ella Graves Thompson was Superintendent. She spent many, many hours and shed some tears too, in effort to have Association figures tally with those sent in to State W. M. U., though she never had the joy of seeing these records tally 100 percent.

The fact that the amount pledged was not received threw the Convention into serious difficulties and all over the South, after this prolonged strain, there was difficulty in maintaining a high level of activity. One of Miss Thompson's many accomplishments is her ability to write beautifully worded and perfect letters, and at this period so much writing was necessary the "Brethren" were prevailed upon by Mr. R. E. White, pastor of the Roxboro Church, and Mr. Prevost, of the Yanceyville church to put at her disposal a used typewriter to help with duplicating letters when ever possible. This token of our brothers' growing interest and cooperation was very stimulating. The W. M. U. indeed was grateful.

Miss Thompson's first move on becoming Superintendent was to enroll for the correspondence course offered by the Birmingham office. This led her to make a map of Beulah Association with a star to represent each organization. This map on the wall of her bedroom, like Carey's map on the cobbler's bench was a tremendous challenge. Seventeen of the twenty-one churches at that time had W. M. S.; 13 Sunbeam Bands, 7 Royal Ambassador Chapters and 3 Girls Auxiliaries.

Providence (Caswell) and Yanceyville were our only full graded unions. We were very proud of these unions. Main emphasis during this period was on stimulating renewed activity and spiritual growth in existing societies. In 1924 three of the 17 W. M .S., Shiloh, Roxboro and Lamberth Memorial were A-1 on the State Standard of Excellence. Four could make no grade at all because every point needed to be strengthened. Most of the others were in Grade C. A W.M.S. was organized at Baynes Chapel that year. Miss Thompson writes, "Mrs.

W. N. Jones, State President, held us up to our best by her complete dedication and her tactful encouragement; and no word can tell the joy and inspiration that came to me through letters from our enthusiastic Sunbeam Leader, Mrs. S. O. Garrett, whose love and zeal were so stimulating and contagious. I loved the work truly and knew that my mother, whose faithfulness was always a beacon light to me, would be glad to know that her daughter was in the work which had meant so much to her." (Her mother was Mrs. E. W. G. Thompson, charter member of Lea Bethel W. M. S. 1897 and co-organizer of Beulah W.M.U. in 1901.)

In the fall of 1925 Mrs. D. W. Bradsher consented to fill the unexpired term of Miss Ella Thompson, who was leaving the Association to teach at Meredith College.

At the annual meeting June, 1926, Mrs. Bradsher was elected superintendent. Her husband's illness necessitated her resignation in 1928. While in office, she re-organized societies at Lea Bethel, Clement, Longhurst and Shiloh. These had once been among our most progressive societies, but were inactive at that time. The union progressed and maintained a large and very efficient service during 26 and 27. Mrs. Bradsher writes, "My chief objective as Superintendent was to try in every way to develope the women of our association as truly Christian leaders. I think this, in a measure was accomplished. I have never received a greater blessing and inspiration than from working with the women of Beulah W.M.U. This Christian fellowship will ever be cherished.

Mrs. R. L. Wilburn succeeded Miss Bettie Kersey as Superintendent June 1928 to June 1929. We have never had a more beloved leader than Mrs. R. L. Wilburn, who served 14 years as our superintendent, as she continued, after her resignation in 1924, to assist Mrs. J. F. Funderburk, who succeeded her.

Mrs. Wilburn organized "brand new" societies in the following churches: Beulah, Ca-Vel, High View, Theresa, Thompsonville, Trinity, and Kerr's Chapel; and revived societies at Baynes, Ephesus and Old Lea Bethel. "At one time," Mrs. Wilburn says, "We had 25 churches and 25 Women's Missionary Societies, a society in every church in Beulah Association. We received public recognition for this achievement at our State W.M.U. meeting in Greensboro, N. C. The main thing about my term of service was our spiritual union. The five Christian women helped me in a way that blessed and enriched my whole life and I shall never forget their loyality and friendship."

While Mrs. Wilburn was Superintendent, there were added to our Executive force a Chairman of Mission Study, of Stewardship, of Community Missions and of Literature. These, together with the Superintendent and Young People's Leader were untiring in their labors, and progress was made along all lines.

Mrs. J. F. Funderburk followed Mrs. Wilburn as Superintendent. She was well prepared for this work, being a Training School graduate. Under hre capable leadership and that of the enlarged Executive force, the W.M.U. went forward in all phases of the work.

Mrs. L. V. Coggins was the exceptionally gifted and well prepared Young People's Leader, and every department Chairman was doing excellent work. Six churches attained full graded unions. Clement, Mill Creek, Providence (Person), Longhurst and Yanceyville. Yanceyville is the only society in our association to attain the high peak of an A-1 Union. The W.M.S. and also the Y.W.A., G.A., R.A. and Sunbeam Band being A-1 the same year. Mrs. Gladys Osbourne Lansdell was the efficient President at the time. One of Mrs Funderburk's special goals was a contribution to missions from every resident woman member of every church. This goal was reached in 1944 by Kerr's Chapel, Lea Bethel, Mill Creek, Providence (Person) and Shiloh.

The first Mission Study Institute was held in 1944 at Roxboro Baptist Church under the direction of Miss Ella G. Thompson, Mission Study Chairman. Teachers for this training course being Mrs. J. S. Farmer, Miss Kathryne Abee, Miss Ellen Brewer and Miss Margaret Johnson. Impetus gained from this Institute resulted in nine schools of missions that year. A mission study institute has been held practically every year since 1944, bringing outstanding state workers and missionaries to the association. The quality of local leadership in this phase of work has been steadily improving.

In 1945 five additional churches came into Beulah Association—Berry's Grove from the Mount Zion, Bethany, Mount Harmony, Olive Branch and Rock Grove from Flat River Association. This added four more to active W.M.U.'s with 187 members. Woman's Work in the Bethany Church was not organized until they joined our association.

During Mrs. S. O. Garrett's term of service as Superintendent 1947-1950, a new church, Front Street, was instituted at Roxboro, N. C. This made thirty-three churches in our association. Again there was a W.M.S. in every church and every one of the 33 reported to the Superintendent the last quarter of 1949 and once again Beulah W.M.U. was awarded recognition at the State Convention, not only this time for being 100 per cent organized, but with added commendation for having had at least one mission study class in every church. Not all the 33 societies were active. In spite of Faithful effort on the part of the superintendent, our associational field worker, Miss Ella Sue Gravitte, and local president, Mrs. Oscar Davis, the society at Lamberth Hill voted to disband in April 1950, because the moving tenant families had reduced the W.M.S. membership to only one: the president was the only resident member.

Miss Ella Sue Gravitte, one of our very own girls, and a graduate of Meredith College and our W.M.U. Training School had come to Beulah Association as full time Field Worker in 1947. For three years she rendered invaluable service to the Woman's Missionary Union as well as to all phases of work in the association. Regular meetings of the Executive W.M.U. Committee during this period were a constructive force.

As time went by, our officers and leaders became more aware of the inspiration and rich blessings to be gained from attending State and Divisional annual meetings; also Institutes and camps; and every year new impetus was given the work by those who attended these gatherings.

In January 1948, we held our first Leadership Conference. This conference has been held every year and has proved untold value in developing the work.

When for reasons of health, I was forced to resign the office of Superintendent in 1950, Mrs. W. C. Pulliam succeeded me. "I had no idea of the magnitude of this work until I took up my duties as your Superintendent," says Mrs. Pulliam.

Indeed since the last historical sketch of our union was written in 1934, the work has steadily expanded.

In years to come the following notation will be of interest: In 1934 there were 22 churches in Beulah, having 19 W.M.U.'s with 264 adult members and 522 young people. Societies were at Antioch, Baynes

Chapel, Bethel Hill, Blanch, Clement, Ephesus, Milton, Mill Creek, Providence (Caswell), Providence (Person), Roxboro, Longhurst, Semora, Shiloh, Theresa, and Yanceyville.

In 1950, there were 33 churches with 33 W.M.U.'s enrolling 816 adults, and 722 young people.

To the 1934 list of societies had been added: Berry's Grove, Bethany, Beulah, Blanch, High View, Front Street, Lamberth Hill, Longhurst, Montwood, Mt. Harmony, Old Lea Bethel, Olive Branch, Rock Grove, Thompsonville and Trinity.

Grand Total W.M.U. Gifts (19 years)........$103,226.70

We humbly thank God for the financial gains listed above.

There has been in this sketch only occasional mention of our auxiliaries so far, but every woman in our W.M.U. agrees that the most important phase of our great program of work is the spiritual development of our young people.

The foregoing table is a glimpse of their earlier financial development. Our financial growth from 1933 to 1951, see complete W.M.U. record elsewhere in this history. As far back as 1896 children were given mite boxes in which they saved gifts to mission causes, and these gifts were sent to Raleigh along with contributions from the W. M. S. Roxboro and Yanceyville Sunbeams Bands sent reports to the Woman's Central Committee during the years 1886-1887. The year 1898 the Milton Sunbeam Band sent a report to the Woman's Central Committee with a contribution of $ .75; in 1899 they contributed $5.36.

The first record of our organized group to report auxiliary work to the associational vice presidents was the year 1911. This was from the Sunbeam Band at Lamberth Memorial with Mrs. A. L. Boyd and daughter as leader. It seems that other Bands sent reports to Woman's Missionary Union of North Carolina but not to Beulah W.M.U.

Mrs. C. M. Murchison was eager to enlist all of our young people in missionary interest, and in 1912-13 and 14 visited many of the churches in an effort to organize both our boys and girls. She succeeded in arousing considerable interest.

Our first young Woman's Auxiliary was organized at Yanceyville in 1916, the first Girls' Auxiliary was organized at Providence (Caswell) in 1921 and the first Royal Ambassador Chapter was organized at Roxboro in 1919 with eighteen members. The counselors were Mr. W. E. Goode, pastor of the church and Mr. Edwin Eberman.

One outcome of the 75 million campaign was the organizing and enlisting of more young people.

Miss Mollie Strum associate superintendent, in 1921-1922 by reason of her office made special effort to carry forward our young people's work.

At the annual meeting June 21, 1922, Mrs. S. O. Garrett was elected young people's leader (called Junior Superintendent then). Prior to this meeting, the Executive committee decided that the Young People's Work was far enough advanced to place all of it upon the shoulders of the Junior Superintendent. Her duties now would be not only to promote the work in every possible way, but to send out quarterly blanks and tabulate all information returned to her, and to make report of all auxiliary work at the annual W.M.U. meetings and also the general meeting of this association. With the exception of one year, (when I was unavoidably absent from the association), I served in this capacity until June 1929. Mrs. Esther Spencer Woody served the year 1927 during my absence.

The Executive Committee met in June 1924 and voted to have a separate annual meeting for the auxiliaries.

On October 11, 1924, the very first separate Young People's Meeting was held at Semora, with the Young People's Leader Mrs. S. O. Garrett in charge. The Rally was held in the auditorium of the Archibald Murphey School, Semora. The Rev. Hugh Nichols kept the attendance record which was approximately 300. Our guest speakers were Mrs. T. M. Pittman, and Rev. and Mrs. K. D. Stukenbroke, who were in the association for special field work. The Rally was their first Associational Meeting.

Since this was our first separate meeting of the auxiliaries, they wanted to do something special; so they gave a linen shower for our N. C. Baptist Hospital in Winston Salem. The Women's Societies, as always, stood by the young people 100 per cent with gifts of linens to add to theirs. The Semora W.M.S. with Mrs. C. D. Allen as chairman of the White Cross work packed and shipped the gifts to the Hospital.

Our second Rally was held at Providence (Caswell), July 14, 1925. Miss Dorothy Kellam, first North Carolina's Young People's Secretary, and the Rev. Mr. Hill who had recently accepted the pastorate at Yanceyville, were our speakers. This too, was a notable meeting because so many of our fine boys and girls were present. A love gift that year went to Mills Home. Such meetings have continued through the years with few exceptions. To these have been added more recently Girl's Auxiliary and Royal Ambassador Camps and Y.W.A. Banquets, all of which have served to promite the work through wholesome recreation, Christian fellowship and directed missionary activity.

In 1928 there were 24 auxiliaries with 497 members who contributed to missions $299.00.

The year 1929 was a busy one for Miss Mary Gentry who succeeded Mrs. S. O. Garrett as Young People's Leader. The work prospered during her eight years of leadership. When she resigned in June 1937, thirteen auxiliaries had been added, and the total auxiliary contributions was $464.59. These figures give but a meager idea of the interest being taken in this work.

For the sake of history a table of our financial growth is recorded in this sketch with that of the W.M.S.

In June of 1937 Mrs. L. V. Coggins was unanimously elected Young People's Leader. Surely she had come to the kingdom for such a time as this. Possessed of natural gifts and graces, well educated a Training School graduate, missionary to Cuba for four years and Young People's Leader in her native state, Missouri, a number of years, she was exceptionally qualified to carry forward this work which was already well organized.

For ten years, every phase of the work advanced under her gracious leadership. In June, 1947, Mrs. Coggins resigned because of her husband's declining health; and a year after Mr. Coggins death she and her lovely daughter, Frances Mae, went to live at Aurora, Missouri.

The following breif summary of Mrs. Coggins work was read by her at the annual W.M.U. meeting at Yanceyville June 1947:

"We pause to thank God who has made possible this report. It is a climax of the past ten years of auxiliary work in Beulah Association and represents splendid gains. Through these ten years, faithfulness on the part of our leaders and others interested, has brought the following increase: Auxiliaries from 37 to 67; number of members from 497 to 721; magazine subscriptions from 34 to 215; observance of seasons of prayer from 50 to 117; tithers; from 29 to 176; gifts from $348.54 to $1,835.00.

During these ten years our young people have contributed to the cause of missions a total of $8,971.24.

We have had 28 associational meetings with a total attendance of 3,588.

As we close this decade of work we thank God for the privilege that has been ours as we have worked with all of you. We pray that many more young people may be enlisted to go forward to new advances."

Mrs. Hugh Barnett, the former Miss Mary Gentry, who had served as Young People's Leader in previous years, consented to serve again until a leader could be found. She was relieved in May 1948, by Mrs. Hiram R. Starling, who held this office until her husband accepted the pastorate of a Baptist Church at Rocky Mount, N. C. in the fall of 1951.

The faithful service of these two workers is gratefully remembered.

After earnest prayer for guidance, Mrs. Melvin Blalock was chosen Young People's Leader in 1951. A committee of four alert young women was appointed to assist in promoting this work and keeping records; Miss Louise Yarbrough to give special attention to young Woman's Auxiliary work, Miss Margaret Walker (Mrs. J. B. Dunn, Jr.) to Girls' Auxiliary; Miss Rebecca Maness, Royal Ambassador work and Miss Mary Leila Carwile (Mrs. Robert Andrews) to promote Sunbeam Bands.

This is an excellent group of women and our Young People's work should go forward under their leadership.

Below are names of those who have served as Young People's Leader since this office was permanently established:

1921-1922	Miss Mollie Strum (Mrs. George Barrett)	Roxboro
1922-1927	Mrs. S. O. Garrett	Semora
1927-1928	Mrs. Esther Spencer Woody (deceased)	Roxboro
1928-1929	Mrs. S. O. Garrett	Semora
1929-1937	Miss Mary Gentry	Rt. 2, Roxboro

1937-1947	Mrs. L. V. Coggins	Semora
1947-1948	Mrs. Hugh Barnett (Mary Gentry)	Rt, 2, Roxboro
1948-1951	Mrs. Hiram R. Starling	Ca-Vel
1951-	Mrs. Melvin Blalock	Longhurst

Though three local unions have dropped off our list for the time being, High View and Trinity, who have been preoccupied with the erection of new church buildings, and Lamberth Hill, already mentioned, the year closing the first half century of Beulah Association Woman's Missionary Union, has seemed as a whole to be the very high tide of our missionary activity.

Challenged by definite goals, our people have seemed to catch a clearer vision of potential resources in prayer, service, Bible study and mission study, stewardship, training of young people and giving. The world situation impresses upon us that **America Must Be Christian.**

The membership of our thirty W. M. Societies is 911 and auxiliaries is 680.

In the field of community missions, family altars and soul winning are being emphasized. Repeated studies of stewardship have resulted in 491 tithers. Plans are being made to begin our second half century with further education in stewardship throughout the whole association, and an association-wide tithing movement. We have the cooperation of our pastors in this.

More of our young people are in college than ever before and both young and old are experiencing the joy of informing themselves by reading and study. 170 mission study classes in 1950-1951 enrolled 1825 members. 1700 missionary books were read. Six local unions, Berry's Grove, Blanch, Ephesus, Montwood, Milton and Semora and a dozen other societies, adult or auxiliary were 100 per cent in reading of mission books.

It makes me happy to record in this sketch the name of another of our own capable, consecreated young people, Miss Louise Yarbrough, a graduate of Meredith College; who is busy as Field Worker in Beulah Association. She has endeared herself to us through efficient and willing service. We pray that Carol Leigh Humphries' decision to serve God on the foreign field may lead many of our young people into joyous service at home and abroad. This period closes with the following associational officers:

The dates show when their terms of service began:

Mrs. W. C. Pulliam, Superintendent	1950
Mrs. S. O .Garrett, Associate Superintendent	1950
Mrs. Melvin Blalock, Young People's Leader	1951
Mr. Wallace Tingen, Royal Ambassador Counselor	1949
Mrs. Howard Tripp, Secretary-Treasurer	1951
Mrs. Elmer Reynolds, Community Missions Chairman	1947
Miss Ella Thompson, Mission Study Chairman	1940
Mrs. J. A. Massey, Stewardship Chairman	1951
Mrs. Mildred Waynick, Literature Chairman	1948
Mrs. Roy Keller, Training School Chairman	1951
Mrs. H. T. Williams, Jr., Margaret Fund Chairman	1950

God has truly blessed us through the years. Ever conscious of His presence and power, may we press on with faith, and hope, and courage, to render Him more acceptable service and count it great joy to be laborers together with Him, "Lead on, O King Eternal! We follow, not with fears, For gladness breaks like morning wher'er Thy face appears.
Thy cross is lifted oe'r us; we journey in its light
A crown awaits the conquest, Lead on, O God of Might."

Humbly submitted,
Nell O. Garrett
Mrs. S .O. Garrett, Semora, N. C.

MODERATOR'S REPORT

Through observation and study your moderator has been able to determine some very grave needs of Beulah Association. Through this study it has been observed that our association is not making as much progress as many other associations of like circumstances and conditions.

It is felt that a definite step forward would be realized if we availed ourselves more fully of the opportunities that are before us. Let us be reminded that an opportunity, like the waves of the ocean, have a high tide and a low tide. The only time we can capitalize fully is when it is at its crest.

The apathy at which many of our church members shoulder their church responsibilities is appalling. If we must give account of our stewardship, our devotion to the Master's cause must head the list of personal responsibilities. If we would begin to correct our complacent religious attitude, let us accept the following recommendations:

1. Set about to beautify our church grounds and general surroundings.

2. Every church in Beulah Association have a Training Union.

3. Beulah Association be set up in sectional groups of probably three groups for the purpose of promoting education and training.

4. Associational financial budget be studied carefully by the finance committee to insure sufficient funds for normal growth of our work locally.

5. That Beulah Association Missions Committee investigate the possibilities of providing an association-owned home for our local missionary.

6. That we look forward to the eventual purchase of a cottage at Ridgecrest so that our people may be encouraged to attend

the sessions there with as little individual cost as possible.

7. That we encourage our people of all ages to attend sessions at our summer assemblies which are held at Ridgecrest, Caswell, and Seaside.

8. More of our membership be encouraged to attend more of our denominational meetings, such as State Baptist Convention, Evangelistic Conference, and Southern Baptist Convention.

9. That each church cooperate fully in the Baptist Southwide movement to gain at least a million more in Sunday School in 1954.

Respectfully,
H. Dewey Young, Moderator

HISTORICAL SKETCH OF BEULAH BAPTIST ASSOCIATION
1950 - 1953

Stamped indelibly upon our minds and hearts is the historical sketch of Beulah Baptist Association written by Dr. G. W. Paschal and read at the Centennial Celebration 1934.

To refresh our memory this history was read at the Annual meeting of the Association by Mrs. R. L. Wilburn in 1951. In October 1952 she voiced the praise due Dr. Paschal for this matchless history, adding the historical events of Beulah Association the past 17 years, which brings the history up to date. The sketch this year will be very brief.

First Kings, 9:26, we read; He built an altar unto the Lord, so he finished the house. Every church needs to build Spiritually but we need to build materially speaking also. In Biblical times places of worship were erected, Temples built, repaired, adorned and dedicated.

Some of the churches in Beulah Association have been building conscious the past three or four years, materially speaking and they are to be commended for this forward step which manifests church pride.

On October 13, while sitting in the beautiful sanctuary of the Yanceyville Baptist Church, our former State W. M. U. President said to me; "Isn't it beautiful," referring to the beautiful auditorium and furnishings, and this can be said of this commodious building inside and outside which, as you know, was built in 1950 and on March 25, 1951 they held their first worship service in the new church.

The Education Building of the Roxboro Baptist Church was built several years prior to erecting the lovely church house which was completed in 1950. The auditorium and furnishings is a beautiful setting for the Pipe Organ which was installed and dedicated early in January 1953.

It was a very happy occasion when every church in our Association was invited to participate in a reception given in honor of the Rev. Gilmer Beck and Mrs. Beck who had moved to Roxboro.. Mr. Beck has assumed his duties as our Associational Missionary. The reception was held February 6, in the Roxboro Church with Longhurst Church as associate host. Mr. Beck has carried forward the Mission work in a great way, and we are grateful to him for his helpful assistance in promoting our church work. If you failed to have a Vacation Bible School this year, it was certainly not his fault; for he offered his service. We welcome the Becks whole-heartedly.

But, I must get back to my subject, "Material Building" Thompville completed a beautiful brick church house and Sunday School room in 1950 and they have doubled their S. S. enrolment since the new church was completed.

It is with regret they have felt lead to withdraw from Beulah Association to join the Dan River Association which is closer by. Their fine spirit of cooperation will always be a cherished memory and our best wishes go with them in their chosen field of churches.

Trinity has built a new church house and also an education building. They operate a bus to bring people to Church and Sunday School. They have recently had Home Coming Day with an overflowing attendance.

Every one marvels at the wonderful changes made at Theresa Church. The new brick church and Sunday School Rooms are very attractive. They have a bus which has been the means of adding to both Church and Sunday School enrolment. It was indeed a pleasure to meet with them October 20, 1953 for the first day of the Annual meeting of the Association. They have made great progress and we congratulate them upon their building achievement.

Baynes Chapel has made such a complete change in the old building, it is hard to realize so much can be accomplished in a short period of time. We have looked forward with pleasure, our meeting with them on the second day of the Association, October 21. The front entrance has been greatly improved, the building brick veneered and class rooms provided. They too are to be praised for a great job of remodeling which has made lovely this church inside and outside.

Every one admires the pretty brick church at Rock Grove with Sunday School rooms, recreation center and kitchen. They have lovely new pews and other furnishings which add beauty and comfort to the auditorium.

Shiloh has improved the front entrance of the church. They have provided two Sunday School rooms at the front of the building. It is understood they will add other class rooms across the back or wings on either side.

Mill Creek had the misfortune to loose by fire the old building which had been completely made over with Sunday School rooms and other attractive changes. These wide awake, progressive people and their pastor began a building program at once, and today we rejoice with them upon the completion of a lovely commodious church, and will look forward to our Annual W. M. U. meeting with them in April 1954.

Lea Bethel has built an attractive pastorium since 1951 and they are very happy to have their pastor and family living in the church area.

Old Lea Bethel has a new pastorium and they too are very happy to have their pastor and family occupy this convenient home which is near the church.

Olive Branch Baptist Church has added a vestibule which makes an attractive entrance. The building has been painted inside and outside.

Ephesus has in recent years painted walls and woodwork in the auditorium. They have lovely pews and this year they have bought a new carpet which adds to the attractiveness and comfort.

The interior of Mount Harmony has been refinished. They have lovely new pews and pulpit furniture which blend perfectly with wall and floor finishes. The auditorium has lovely windows.

Montwood has worked faithfully to complete their building which was begun some years previous. The church is going forward under the leadership of their young pastor.

Clement church, inspired to make outstanding changes in their building by their late pastor the Rev. L. V. Coggins whose memory is, and ever will be immortal. The Memorial Windows are beautiful. They will build Sunday School rooms at the rear of the church in the near future.

Lamberth Memorial Church has in the past year, repainted the building inside and outside. Sanded and refinished floors and pews, added carpets in the aisles and rostrum in the auditorium and added sanctuary curtains where needed. The roof has been painted and ventilators installed. Grass has been sown and shrubbery added.

We are proud to report Bethel and Providence Churches are both working toward new church buildings and I am sure the buildings will be adequate to take care of their quota of "A Million More in Fifty-Four."

In several of the Churches that have been mentioned in this brief history lovely memorial windows have been given in memory of those "Loved long since and lost awhile.'

CHRISTIAN LITERATURE

The writers of the New Testament believed in christian literature. When Paul was confined in prison in Rome, he used the pen to take the truth of Christianity to the people in the churches. That was a slow means of sending the truth, but it was the way he could do it and he used that method.

A number of others did the work of taking the message of Christ to others in the same way.

Since the inventing of the printing press it is easy for those who have a message or a thought concerning the Master's work to get it to those who desire it.

We have periodicals to inform us of the work of the churches and also to bring us splendid articles on various subjects of interest. Two of our splendid publications are the "Biblical Recorder" and the "Charity and Children."

In addition to the fine publication, "Charity and Children," published at Mills Home, the printing of it is a help in providing work for some of the boys in the Home and teaches them a trade.

Some years past, and it may be so now, the officials of the Home prefered that the churches would subscribe to "Charity and Children" than send money as a gift. Every time a church allows "Charity and Children" to stop coming it withdraws its support from the training of the boys. Let us take the opportunity to help Mills Home and our homes.

In this day of so much shaddy reading material we adults need to guard ourselves and our families from the inferior publications to say nothing of the importance of shutting out the trashy. There is need of vaccination of our lives with Christian literature against the shoddy publications.

REPORT ON CHRISTIAN EDUCATION

Recently I received a letter from the president of a large organization requesting a recommendation of someone suitable for an important position. The letter made this statement about the necessary qualifications for the position: "Not only must this person have a thorough knowledge of the scientific approach to this type of work, but it is also essential that he have a Christian philosphy of life."

As I read that statement I was impressed with the fact that the business world is increasingly demanding that its leadership have not just an education, but a Christian education. We are coming to realize that the accumulation of facts in the arts, and the acquisition of skill in the sciences, as essential as these are, will not in themselves prepare men and women to render the most effective service in their various fields of endeavor. Their learning must be tempered and controlled by the spirit of Christ.

It is the specific task of our denominational schools to produce the type of leadership which combines character and scholarship. As the late Dr. E. M. Poteat, for many years President of Furman University, once said: "A Christian school . . . besides the usual curriculum, in addition, make its students acquainted with Christianity in its origin and character, its documents and its development, and particularly in its imperial program for the conquest of the world." (Quoted in editorial in the "Bibical Recorder," October 10, 1953.)

It is my considered opinion that our North Carolina Baptist Colleges are doing just that. The administration and faculty of these institutions are comprised of men and women who rank second to none in scholastic attainments and intellectual abilities. Furthermore, they are, almost without exception, genuinely Christian men and women.

Evidence of this latter fact is found in a recent article by the Rev. Charles A. Maddry, published in the "Biblical Recorder" (August 29 issue). The title of the article is "The Faculty and Future of Wake Forest College;" and while it deals with only one of our denominational schools, I believe the attitudes expressed are typical of the faculties of all our North Carolina Baptist Colleges. The article is based upon responses made when President Tribble requested each member of the Wake Forest faculty to write out "what he would like to see Wake Forest become." A professor of Greek said, "Wake Forest should be uniquely committed to a program of Christian education. The faculty should consist of scholarly and genuinely spiritual men and women of outstanding caliber." The head of the sociology department said: "The whole organization and life of the school should be planned and operated with the Christian philosophy and standard of values as a basic frame of reference. . . . The members of the faculty should be men and women who possess positive and informed Christian points of view." A professor of philosophy says, "The school must be genuinely Christian throughout; . . . (its) right to exist depends upon its being Christian; . . . (its) foundation must be the Divine Truth revealed in Jesus Christ; and every part of the institution — physical plant, administration, departments, schools — must be anchored in that foundation." A professor of mathmatics wrote:" The basic philosophy of Wake Forest College . . . must ever be that of a Christian College. We cannot be far wrong if we place our major emphasis on the teaching of Christian ethics and the practice of Christian ideals." A biologist had this to say: "Wake Forest, as a Christian College, should be concerned with preparing its graduates for living as well as making a living."

Numerous other such statements are given, but these suffice. Mr. Maddry comments on the fact that "Without being asked to state their views on the Christian emphasis at Wake Forest, the faculty overwhelmingly and emphatically called for a real Christian College."

I relate all this about one of our schools to show something of what I believe is the dominant attitude of the faculties in all of our Baptist schools. This should inspire within us a confidence that the young people who graduate from these schools will have not only the technical skills and broad cultural development, but also the Christian philosophy of life which will make them capable of serving the highest interests of the Kingdom of God in their generation.

Of such schools we are justly proud, and to such schools we owe our continued loyal support.

Respectfully,
Calvin S. Knight

REPORT ON PUBLIC MORALS

No thoughtful person fails to concern himself with public morals. By public morals we mean the doing by society of right and wrong, the moral behavior of people in social relationships. The behavior of one individual in society affects all others, the good always bringing blessing and the evil a curse. For this reason the movement of one person should be a deep concern to all persons in a society.

Local color is missing from this report because no prepared records of court action in the two counties embraced by this association are available.

Of utmost concern to each of us is the ever-present, ever-increasing liquor traffic. To the brethren and families of this association residing in Caswell County we extend regret and sorrow over the recent vote to legalize the sale of liquor in their county. Let every soul distrubed by this tragic decision be poured out in earnest intercession to God until this curse shall be removed. This report is blighted by the necessity of recording this new victory for the forces of evil.

Despite all that the Allied Church League and the Citizen's Committee for Better Government have been able to do, liquor consumption in North Carolina continues to rise. In 1937 the people of this state spent more than five million dollars for legal liquor. Now, fifteen years later, the annual amount spent for legal liquor has passed the fifty million mark. This means that three million dollars more is spent every year in North Carolina for this cause than in each previous year. This is a startling fact. The records show also that the sale of legal liquor in a county increases bootleg traffic rather than removing it. Almost four times as many liquor stills are destroyed in wet counties each year than are destroyed in dry counties: Men who are in a position to judge estimate that the removal of all legal liquor sales from our state and nation would reduce the cost of government operation fifty percent and would lower the crime rate seventy percent.

Liquor is at the root of nearly all social unrighteousness. One hour spent in any court room will convince of the truth of J. Edgar Hoover's statement that "liquor is the basic cause of eighty percent of all crime:" Thefts, divorces, sex crimes ,assaults and murders can be traced in nearly every case back to liquor. Some years ago John C. Doran, at that time a parole officer for the State of California, interviewed several hundred prisoners and gave the following report: Seventy-five percent of those imprisoned for robbery blamed it on liquor, eighty-six percent in for writing worthless checks blamed it on liquor, and ninty-eight percent of those in for sex crimes blamed it on liquor.

Let us rise to the support of the Allied Church League and of every other honest effort put forth to destroy this enemy of society. No one can afford to fail.We must beware lest the other half of our association fall also under the black cloud of legal liquor and its consequent evils.

Liquor has her companion evils. The tobacco traffic is a far greater curse than our own people are ready to admit. The theater, socked in liquor and sex, parades on in its degrading power over the young and the old. Obscene, base, untouchable literature piles higher than ever before and sells faster than one can imagine. Mothers and Fathers, more than ever before, are selling out the virture and purity of their sons and their daughters by helping them out into a gambling, drinking, dancing, corrupt society.

In this hour there must come no uncertain sound from our pulpits and from the parental thrones of our Christian homes. The call to righteousness in society must needs be clear and without compromise. High public morals can come only as we Christians fight for them and pray for them and die for them.

REPORT ON MISSIONS COMMITTEE

The Beulah Missions Committee wishes to report on the stewardship of its duties.

As all of you are aware, it has been our task to find a new missionary and we have been successful in this search. We are well pleased with our recommendation to you and your call of Mr. Gilmer Beck to this important work. We have observed his work closely these eight months he has been with us and feel that he is a worthy successor to our former missionaries. He will lead us in a worthy advance.

We are grateful for the spirit of cooperation that prevails between the churches and the Missionary. We look forward to Beulah making a greater contribution to the Kingdom work as we unitedly move forward under his leadership.

We pledge our cooperation and our prayers to you in this work.

REPORT ON STATE, HOME, AND FOREIGN MISSIONS

For the first time in the history of Beulah Association as far as I know these three reports are being made as one:

Certainly the whole picture of missions is one of beginning at our door step, then in the next state and thus to the ends of the earth. That is what Jesus had in mind when He said in Acts 1:8, "But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samara, and unto the uttermost part of the earth."

The missionary movement did not begin at Antioch but at Bethlehem, where Christ who came to seek and to save the lost, was born. It started with Christ calling the twelve and sending out the seventy and does not stop until it has taken in the whole world. The program of missions is like dropping a pebble into a quiet pool of water. As the pebble hits the water there is a spreading of rings that goes farther and farther until it touches all banks of the pool. Christ is the instrument of impact and the first ring is state missions, and the second is home missions extending into foreign missions thus to all the world. Luther Rice was our first home missionary as he raised funds here in America to keep Adoniram Judson and his wife in India as foreign missionaries. Therefore we must realize that to evangelize the world we must first start at home and evangelize our homeland. Only saved people see the need and care to have apart in saving the world.

Therefore it seems to me as our primary purpose we must take care of our needs in our own state first. We can do this as we realize the great objective of state missions is to take North Carolina for Christ. The winning of people and the teaching and training of people is a must.

To reach this objective many activities, in fact eighteen are promoted by State Missions.

S—Sunday School department works for better trained teachers.
T—Training Union department discovers and trains leadership for Churches.
A—The Summer Assemblies, Caswell and Fruitland provide information, inspiration and recreation.
T—Teaching activities such as Visual Education.
E—Evangelism in City and Association-wide revivals.

M—Mission pastors in new and needy fields.
I — Work among the Indians.
S—School for Ministers at Fruitland.
S—Work among the Silent people.

I — Interracial activities—Aid to Negroes in their work.
O—Other activities: Allied Church League and Rural work.
N—Neglected areas such as lots for new churches.
S—Student work among 15,000 Baptist students in our Colleges and Universities.

Financial assistance to Associations for their Associational Missionaries.

What a mighty program we could have if each Baptist would give only five cents to promote each of these eighteen activities or a total of ninty cents per year for State Missions.

The second objective for us as Beulah Baptists is to hear the cry of the other twenty-one states, Cuba, Panama, Canal Zone, and Alaska.

Our Home Missions Board had 1,274 workers on the field last year including 362 student workers: There were 30,565 conversions, with 600 new missions opened and 265 new churches constituted.

The third objective that presents itself to us as Beulah Baptists if we answer the command of Christ is foreign missions. In the words of the late Dr. M. Theron Rankin, the objective of our foreign misionaries is to "lead people to a personal faith in Christ Jesus as Lord and Saviour, to bring them together in churches for worship of God and service in His Kingdom, to teach and train them in stewardship and in co-operative service, and to aid them in developing their own schools and institutions for training their pastors and other church workers." Southern Baptists have 911 foreign missionaries in 32 countries. To maintain these missionaries and the institutions in which they serve, Southern Baptists gave in 1952 through the Co-operative program, Lottie Moon Offering, and special designated gifts, $7,785,699.64.

May we answer the challenge, as Beulah Baptists, of the State, Home, and Foreign mission cry by magnifying our Churches as we give through the Co-operative program that Christ's Kingdom might come in our State, Nation, and the World.

Respectfully submitted,
T. C. Williams, Jr.

REPORT ON NORTH CAROLINA BAPTIST HOSPITAL

A part of the ministry of Jesus, when He lived upon the earth, was the healing of sick people. When the leper came to Him and said "If thou wilt, thou canst make me clean," Jesus moved with compassion, put forth His hand, and touched him and saith unto him "I will; be thou clean."

After Jesus returned to Heaven the Holy Spirit came to guide Jesus' followers in carrying on the work that Jesus had begun. He, the Holy Spirit led North Carolina Baptists in 1922, in incorporating the North Carolina Baptist Hospital. The first patient was received on May 28, 1923. Since that time we have carried on this ministry of Christ in an ever increasing manner. More than ten thousand patients were cared for in our Hospital last year, while thousands of others were seen in the Clinics. Almost half of these were service patients, unable to pay the full cost of the care they received. These included old people at the sunset of life, little children at the dawn of life, mothers, fathers and young people. They included persons who had to have help if they were to carry on as mothers and wives in their homes, if they were to work as fathers and husbands to support their families, if as young people they were to be set free from the handicaps of life, if as old people they were to be spared for additional years and from much of the suffering which often attends old age. With all the advance of medical science, there is still much that it cannot do; but our Baptist Hospital is making a large contribution toward the saving of life, the relieving of suffering, and the bringing of good health to many who need it.

From all over North Carolina there is a constant stream of afflicted people coming seeking our help. Our Hospital provides skilled specialists for them in the various fields of medical care. So great is the demand that, except in emergencies, appointments must be made in advance.

In connection with our Baptist Hospital we have the Bowman Gray School of Medicine of Wake Forest College. This full four-year medical school, in addition to teaching and training physicians, carries on research with outstanding results in various fields. Also in connection with our Hospital we have a School of Nursing which is fully approved by the North Carolina Board of Nurse Examiners.

One of the most important parts of the program of our Hospital is the spiritual ministry it provides. This is necessary if the full needs of a sick person are to be met. Trained chaplains are provided who render an effective ministry for the sick, guidance for the nursing and medical students, and training for pastors and Christian workers.

As we continue our program of Hospital work we are happy to know that three floors of the New Wing are nearing completion and should be ready for use this year. This will provide urgently needed space and facilities. Cash gifts from churches of the Beulah Association to the Baptist Hospital, for the associational year 1952-53 totaled $2,630.62, including $1,765.43 Mother's Day offering. If any church in the association has not yet contributed toward the building of the New Wing, we hope that this will be done at once, and that next year, and every year hereafter, all of the churches in our association will make worthy offerings to our Hospital on Mother's Day, so that we, the Baptist of North Carolina, may in an even greater way carry out the command of Christ, made to the seventy, "Heal the sick."

Alfred F. Gibson

REPORT OF NORTH CAROLINA BAPTIST HOME FOR AGING

The youngest member of our Baptist family of institutions, the North Carolina Baptist Homes, Inc., has had the best year since it began operating, March 16, 1951.

Resthaven, with space for twenty residents, has been filled to capacity. The number of inquires for rooms has increased into the hundreds.

The Home received its best financial support. The share received from the Nine Year Program (1952) was $14,062.80; our first Special Day offering, February 15, exceeded $52,000; and from individuals, churches, and auxiliary organizations we have received $12,380.33, as of August 1st.

The response to the first Special Day offering for the Home was most encouraging. More than half of our 3055 Baptist churches responded. About seventy-five per cent of the amount came from the smaller churches.

Considering the short time our Home has been operating (2 years), and the fact that was the first opportunity to appeal to our churches for a special offering, all of us should be encouraged by the response. Our next Special Day offering, February 21, 1954, should amount to $100,000.

On June 18, this year, property was purchased for a Branch Home at Albemarle. This property, consisting of a vacated hospital building and a nurses' home building and nearly three acres of land was purchased for $25,000. It will cost an equal amount to renovate the property. Even so, it is well worth twice the amount invested. Thus, we can care for 60 residents, 20 at Resthaven, Winston Salem; and 40 at the Albemarle Home.

At the time of purchase, it was hoped that the branch home would be ready for operation by October 1, this year.

The general health of the residents has been exceptionally good, considering the range of their ages, 66 to 93. There has been only one death this year. The spirit and the general attitude of the residents have been most satisfactory.

There are many evidences of increasing interest in our Homes. Pastors, conducting worship services, have brought delegations from their churches to share the inspiration of worship with our residents. Auxiliary and Sunday school groups have frequently visited us to conduct devotional services. Gifts of supplies and cash are often received from these various organizations.

Plans for the future enlargement are encouraging. With a general Special Day offering in February, 1954, and other special gifts from individuals and corporations, we should be ready to begin construction of our administration building, which would give us room for fifty additional residents, and making our total capacity 110 residents.

Since North Carolina Baptists now number more than 700,000 members, with thousands of our constituency now over 65 years or age, we should keep in mind the great number of our elderly brethren who need a home to provide security, comfort, congeniality, and a Christian ministry. Our North Carolina Baptists are able to meet the challenge to make adequate provision for the aging, and as "laborers together with God," we can meet it.

"Cast me not off in the time of old age; forsake me not when my strength faileth" — Psalms 71:9.

ORPHANAGE REPORT

Again your Orphanage has moved forward in its ministry of Child care. During the years we served a total of 728 children. In addition to this our Social Service Department helped to adjust 214 children with relatives, and thus prevented them from having to be cared for by the Institution. Your program includes Mills Home of Thomasville, Kennedy Home of Kinston, Mothers' Aid and Boarding Homes. The Baptist of North Carolina probably provide more services for children than any other similar group in the nation.

Practically all of our many children developed normally. There was very little sickness and none of a serious nature. In the schools at Thomasville and La Grange they were well adjusted, and their records compare favorably with the average of all other children in these schools. Twenty-four were graduated from high school in June. We believe they will make a worthy contribution to their generation.

We have been particularly pleased with the spiritual development in our two Homes. During the year fifty professed faith in Christ and were baptized. Another thirty accepted Christ as Saviour, but were not baptized until early this year.

Added to our many other activities we have promoted the greatest building and renovating program in the history of the Orphanage. A new cottage, a new Print Shop, and a new Infirmary were completed in 1952. The I. G. Greer Recreational Building was finished early in 1953, and a beautiful new Church that will seat 580 people will be completed this year. Then we have completely remodeled some of the old cottages and made them into good living quarters for the children. This great building program was made possible by the money left to Mills Home in the will of the late Robert M. Idol. In my report next year, I hope to be able to say that the Building and Renovating Program is finished. When this is done, I doubt if any Child Care Agency in America will have more adequate facilities than the Baptists of North Carolina.

The income for the year was good. It was slightly above the income for the previous year. Truly we can say, "God is good to us, and through North Carolina Baptists He has lifted the burdens from the shoulders of many of our fine boys and girls.

SUNDAY SCHOOL REPORT

The Sunday School is being recognized more this year than ever before as the chief agency of the churches in evangelism, teaching and enlistment. The major emphasis for Baptist churches for 1953-54 is the effort to enroll a million more people in Sunday School in one year. Right of way has been granted for this, the greatest Sunday School enlargement program in the history of the world. As a result of this program, it is confidently expected that there will be substantial increase in baptisms, offerings and Christian homes.

Our State Sunday School Secretary, L. L. Morgan, reports gains this year, in enrolment, and in training awards. It is expected that the number of Vacation Bible Schools will reach a new high. In the 3,055 churches in the state, we have more than 620,000 enrolled in Sunday School.

We are reporting in our association this year 33 Sunday Schools with an enrolment of 5,021. This represents a loss of 346 in membership. 274 training awards are earned by the churches.

Your committee makes the following recommendations: (1) That the association approve the effort of Baptist to enroll "A Million More in '54," and commend to the churches the practical plans for accomplishing this worthy objective. (2) That September 20-27 be observed as **Preparation Week** in the churches. It is recommended that the new book, "The Pull of the People," by Dr. J. N. Barnette, be taught in the churches. Some other date should be observed if this week is not convenient. (3) That regular Sunday School meetings be held this year for the purpose of helping and inspiring the churches to greater zeal in reaching the multitudes for Bible study. (4) That the association seek to do its full share in enrolling "A Million More in '54," by trying to enroll at least **twenty per cent** more people in their Sunday Schools in the year October 1953-October 1954. (5) Encourage class Sunday Schools to "move up" to department schools wherever possible. (6) That the churches call on the Baptist School Department, Raleigh, for help with reference to remodeling old church buildings or building new structures.

(Signed) Sam W. Wrenn,
Associational Sunday School Supt.

BEULAH BAPTIST TRAINING UNION

The Director of the Associational Training Union wishes to make the following report.

Our associational year begins in October. The first major item on our agenda was the "M" night program held in November at the Mill Creek Church. Eleven churches and eight Training Unions were represented with a total attendance of 131. This was a decrease of three churches and fourteen people from the previous year. Since our association is so large it is our thought that it would be wise to have two meetings this year at opposite ends of the association.

We report eleven unions at the close of this year. One new Union has been organized at Bethel Hill. One Church has discontinued its Training Union. Our total remains the same as last year.

The Unions in operation have shown a decided improvement in training. In 1951-52 the unions only had 152 study course awards in three churches; Yanceyville 5, Providence (C) 11, and Longhurst 136. In this year, 1952-1953, the study course awards have reached 397 with the Theresa Union having the largest number of awards, a total of 74. Most, if not all, of our Training Unions have had study courses this year.

We can only have more Training Unions and trained personnel as our pastors catch the vision and lead the churches. We have the churches, we have the people to fill the churches, we have the leadership for the churches.......let us combine the three and produce results.

Ray L. Cumbee
Associational Training Union Director

REPORT OF THE BAPTIST BROTHERHOOD

There are now six Brotherhood organizations in the Beulah association. One more than last year. We regret that we have not made more progress in this field. But we look with faith that our organization of men for Christ will move forward and be used for it's purpose.

We challenge the Pastor and men of our Association to use this organization as a means to Build Christ's Kingdom On Earth.

Respectfully submitted,
R. F. Dunnevant, Pres.

REPORT OF WOMAN'S MISSIONARY UNION 1952-53

A Sinful World — A Sufficient Saviour: "Declare his glory among the nations, his marvelous works among all people"—Psalm 96:3.

Whatever success has been achieved has been due to the foundation stones which were laid in other years by those who have served so nobly and unselfishly. Much credit should go to officers, chairmen, and counselors of the association and those women who have worked behind the scenes, typing and helping the superintendent compile records, programs, etc. To all these I want to express my gratitude for their helpfulness and encouragement.

In bringing a resume of work of the Woman's Missionary Union I realize that it is not easy to make an acurate appraisal of the year's work. The theme for the year — A Sinful World — A Sufficient Saviour. This should make each of us realize that God has a mission for each individual. This is indeed a sinful world — but how comforting to us is the assurance that we have a Sufficient Saviour, but what about those in other lands — we need to realize the crisis in the world today, and the need and urgency of missions. We had seven new auxiliaries organized last year. It could have been, and should have been many, many more. There are thirteen churches with no auxiliaries in Beulah — one without a W.M.S. Our goal for this year is one W.M.S., 2 Y.W.A:, 3 G.A., 3 R.A., and 2 Sunbeams. We have 31 W.M.S., 975 members, 76 Y.P. organizations — 709 members — total 1,684 members.

Our women are reading more, and as we learn the needs of the world we have prayed and given more.

We note much good work on the part of many societies. Some have done excellent work, and will receive A-1 awards. These are: Yanceyville, Mrs. A. O. Smith, President and Lea Bethel, Mrs. C. V. Barnwell, President.

Meetings attended during the year include:

Divisional Meeting, Sanford
Annual Meeting, Roxboro
Over Night Leadership Institute, Campbell College
Leadership Conference, Longhurst
Annual Association
General Association
Two Executive Meetings held

As we come to the close of the year there is much joy for the great work attempted in the Master's Name, and there is much gratitude for the blessings of God. We have failed in many instances, but we do praise the Lord for the gains we have made, and pray for His guidance during the new year as we strive to Declare His Glory among the nations, His marvelous works among all people. May we present this Sufficient Saviour to a Sinful World — and lead many to behold Him, Accept Him and serve Him.

As this report comes to a close we are reminded of a great unfinished task ahead. Let us be more zealous for souls, and as Laborers together with God, joyfully Declare His Glory among all nations, His marvelous works among all peoples for we serve the Lord Christ.

Respectfully submitted,
Mrs. W. C. Pulliam

Rev. W. I. Johnson stated that more information was needed concerning the recommendations before they could be approved. In the light of this suggestion Rev. George Reynolds offered a substitute motion to the effect that the recommendations be printed in the next issue of the "Beluah Baptist News," which motion was passed. It was pointed out, however, that this would be too late to inform the people so as to vote during the associational meeting. Mr. Williams then stated that the recommendations were actually to the incoming Missions Committee, and not to the association. In view of this statement, Mr. Cumbee moved that the recommendations be stricken from the report and given to the new Missions Committee. After some discussion the Moderator ruled this motion out of order.

Chairman of the Program Committee called attention to the fact that the discussion was infringing upon time alloted to other speakers. A motion was made by Rev. Mr. Cumbee then made a motion that the main part of the Report be adopted, that the recommendations be eliminated, and that a new Missions Committee, composed of the heads of the various departments of associational work, be asked to set up and promote the associational missions program. This motion was seconded by Mr. Johnson. Mr. Elliott then offered a substitute motion to the effect the original report of the Missions Committee be adopted, but that the last sentence thereof, which seemed to be the cause of confusion, be deleted. This motion carried, and the amended report is printed elsewhere in the minutes.

57. Brother Roy Keller, Chairman of the 1955 Committe on Place and Preacher, stated that the committee had not received invitations for the 1955 Association meeting, and asked that such invitations be extended during the lunch hour.

58. The Rev. L. G. Elliott presented a resolution as follows: ,

RESOLUTIONS CONCERNING THE DEPARTMENT OF PASTORAL CARE OF THE NORTH CAROLINA BAPTIST HOSPITAL

In view of the wide-spread interest in the Department of Pastoral Care of our North Carolina Baptist Hospital, and inasmuch as the Director of this Department is our own "native son", Dr. Richard K. Young, born and reared in Person County.

Be it resolved, therefore, that we, the Beulah Baptist Association, in session at High View Baptist Church, October 20, 1954, heartily commend the work being done by this department in our Baptist Hospital;

Be it further resolved that this resolution be inscribed in the Minutes of the Beulah Baptist Association, that a copy be sent to the "Biblical Recorder", and a copy sent to Dr. Richard K. Young.

The resolution was referred to the Resolutions Committee.

59. Rev. Ray L. Cumbee presented another resolution, as follows:

RESOLUTION ON BAPTIST ASSEMBLIES

Whereas, there is a certain feeling of definite interest prevailing in Beulah Association in regards to our Baptist Assemblies; and,

Whereas, our Baptist Assemblies are contributing untold good to our denomination through education and inspiration; and,

Whereas, Beulah Association is interested in making more easily available the resources of its assemblies to its membership;

Therefore, be it resolved that the Beulah Association authorize its Assemblies Committee and its Associational Missionary to expedite and promote the attendance of our membership at the assemblies.

This resolution was also referred to the Resolutions Committee.

73. The application of the Calvary Baptist Church for admission to the association was presented. Rev. T. C. Williams, Jr., made a motion that the Church be received, and Rev. Ray Cumbee seconded

the motion. Mr. L. P. Martin of the Calvary Church made a brief statement. Members of Calvary Church were asked to retire.

The Moderator asked the clerk to read the names of registered messengers and others eligible to vote. Ballots were distributed for a secret vote.

Mr. R. K. Young made some remarks and led in prayer that the right decision might be made.

Ballots were marked and a committee was appointed by the Moderator to count votes: Mr. D. D. Long, Chairman, Mr. J. W. Tatum, Mr. C. H. Berry, Rev. P. E. Chisenhall, and Rev. T. C. Williams, Jr.

81. The closing memorial service was led by Mrs. S. O. Garrett, assisted by a male quartet composed of L. G. Elliot, H. D. Young, Huel Gentry and Calvin Knight. Mrs. Garrett read appropriate Scripture and the names of those members of our churches who passed away during the year. These names are printed in the minutes under the caption "Beulah's Beloved Dead."

82. Rev. A. F. Yarbrough led the memorial prayer and pronounced the benediction.

IS "PEACEFUL CO-EXISTENCE" WITH FORCES OF EVIL THE ANSWER?

The A-bomb and H-bomb have virtually paralyzed with fear the people of all nations of the earth. By the supremacy of man-power Alexander the Great conquered his world; by and through strategy Napoleon was able to overcome and overthrow; Kaiser William of Germany, through his superior trained army, could have conquered any single nation on earth; and Hitler, through sheer man-power and by overrunning any opposition near the borders of Germany and by the aid of the resources of these conquered nations, hoped to bring all nations of the earth under his subjection.

We have learned that force against force was the order of the day. Each of these power seekers was able, through materialism, to change the course of man's events. Only through blood-shed and through atrocities unheard-of in the annals of history were these fiendish beasts of Satan able to overrun, overthrow, and partially conquer.

Those who embrace Communism have been smart enough to know that other nations have the means and materials to maintain supremacy by brute force, and communists know that their only resource is to work havoc by undermining, misleading, overrunning, and taking possession of other nations without bloodshed to the aggressor.

Commiunism enshrouds, as does a dread disease of the body, the minds of millions of people by a promise of better living conditions and a freer democratic way of life. Before one realizes what has happened, he has been brought under the spell of the demagogues only to find himself in the grip of those who would make of him a product of totalitarianism.

Peoples of America have always felt that we are God's elect, that other nations and races are to bow down in obeisance to our every wish.

Woodrow Wilson said, "We cannot survive materially until we have redeemed spiritually".

More than anything else in the world America needs to descend from her self-improvised pedestal and come down to earth, even come to her knees and thank God for her existance. Unless we, God's people, from the highest to the lowest station in life, permit ourselves to be crucified for righteousness sake, God will not always chide with us and we may expect to be over-run by all of the isms of the day.

Are the members of the Beulah Association, both pastors and people, ready to heed the words found in II Chron. 7:14, "If my people which are called by my name will humble themselves, and pray, and seek my face, and turn from their wicked ways, then will I hear from heaven, and will forgive their sins, and heal their land.

THE BEULAH MISSIONS COMMITTEE REPORT

The Missions Committe has worked in conjunction with our Associational Missionary, Rev. Gilmer Beck in promoting our Associational Mission Program.

The four outstanding phases of the program have been the following:

1. The "Million More In Fifty-Four" campaign. We believe that we

have attained our goal in net gain in enrollment in Sunday School.

2. The committee has worked with the missionary in the proper investigation of the Calvary Baptist Church upon its having come under the watchcare of the association at the 1953 association meeting and pending its official reception into the association at this meeting.

3. The missions committee worked with the missionary in promoting the Vacation Bible School Clinic and Bible Schools in the association's 32 churches and Calvary Baptist Church.

4. The missions committee worked with the missionary in promotiing the W. M. U.'s, G. A. and R. A Camps at Park Springs, one of the most successful held to date.

We are grateful for the spirit of Cooperation and support from all of the churches in assisting us in our mission program for the advancement of Christ's Kingdom.

Upon careful and prayful study of the program and the needs of our association we make the following recommendations:

1. That the churches plan to hold Sunday School Group Training Schools during the Associational year at a time convenient to the churches.
2. That committee on Missions cooperate with and support the Evangelistic Crusades to be held during March and April, 1955.
3. That the Churches of the association work toward locating and establishing new Mission Sunday Schools and Churches within their respective localities.
4. That the Missions Committee formulate an acceptable policy governing the work of the associational Missionary in the promotion of the Mission work of the entire association. That the Missionary shall promote the associational program as approved by the association and under the direction of the Missions Committee.

Respectively submitted,
T. C. Wiliiams, Jr., Chairman

REPORT ON FOREIGN MISSIONS

Despite the fact that Africa is a continent in ferment, an experienced missionary stated recently that less tension is to be found there than at any other period during his career.

Because of an evident need, the Nigerian Baptist Convention organized a Home and Foreign Mission Board. One of the first projects was the sending of a representative of the Christian community of the North to his fellowtribesmen who are traders in the South.

The Baptist College at Iwo serves today the same purpose for which it was originally founded: "To give professional training for the young men for work in the Baptist Schools of Nigeria, and to give spiritual training for the proclamation of the New Testament faith as Baptists see it."

Southern Baptists have a number of missions in Africa, too numerous to mention here. We are also building national leadership in Italy; we have missionaries in Spain, and conduct work in Yugoslavia. In the Near East — Jerusalem, Nazareth, Lebanon — we also have missionaries.

Despite restrictions on evangelical activities, the revival spirit continues in Colombia, and many people are being baptized.

Baptists are now building a Theological Seminary in Mexico. The President_ Dr. James D. Crane, writes that four buildings are in the process of construction and will house administrative offices, library, kitchen and dining facilities, dormitories for girls, and some apartments for married students of supervisors.

Our work in Uruguay centers on evangelism. An outstanding event of the year was the fourth Baptist Youth World Congress in Rio. After seeing the advanced state of Baptist work in Brazel, the six young people who attended from Uruguay returned with hearts afire and greater vision of what can be done.

The attitude of Jesus toward missions is expressed in Matthew 28: 18-20.

REPORT ON STATE MISSIONS

State Missions is the missionary effort on the part of North Carolina Baptists to reach the unsaved for Christ and to teach, enlist and train the saved in giving, living and serving through the churches and throughout the world.

North Carolina is far from being half-Christian, and here is our urgent challenge. Our people need to be taught and trained. Therefore three of our most significant phases of our State Mission work are promoted through the Sunday School, Training Union and Rural Church Departments. Over sixty per cent of the people of North Carolina are unsaved.

A growing population demands new and stronger churches. State Missions provides a necessary and significant ministry through aid on the purchase of sites for new churches and on salaries for more than one hundred pastors. This support enables new churches to move forward in building programs, and helps other churches to strengthen their programs and enable the pastors to give more of their time in developing stewardship churches.

A more highly developed and intelligent congregation demands a better-trained pastor. Pastors' Schools, promoted through State Missions, meet this growing demand. Each year about a hundred twenty-five pastors receive better training at Fruitland. Refresher courses are offered from time to time for the benefit of all pastors — trained or untrained.

The large percentage of the colored population of our state offers an others challenge to State Missions. We seek to minister to a limited degree to the Negroes and Indians. Since Baptists are the major denomination in North Carolina, these are largely our responsibility.

Other areas of need constantly challenge the resources of State Missions; the Allied Church League, the Silent People, the Department of Pastoral Care, and the Assemblies — Fruitland and Caswell.

Our church and denominational leaders of tomorrow need to be

REPORT ON HOME MISSIONS

Climaxing the five-year Crusade of the Home Mission Board, the emphasis this year is on witnessing for Christ. In the Board's objective to lead every individual Christian to become a more effective witness it is hoped that the Christian testimony may be given among the minority groups, the neglected, and the underprivileged.

During 1953 the Home Mission Board had 937 regular missionaries and employed 366 young people in the Student Summer Mission Program, making a total of 1,303 missionaries. Dr. J. B. Lawrence rounded out his tenure as executive secretary-treasurer and was succeeded by Dr. Courts Redford. The mission staff gave full tribute to Dr. Lawrence in his last year of leadership by vigorously promoting the Board's work, and assured Dr. Redford of full cooperation in planning for the future.

In the meetings and regular work of the missionaries, 31,849 conversions were reported. Professions of faith reported by Baptists chaplains number 17,912. Baptisms reported in evangelistic crusades led by members of the evangelistic staff numbered 6,140, making a grand total of conversions reported under either the direct or indirect ministry of Home Missionaries, 55,901.

In the reports of Home Missionaries for 1953 it was revealed that 284 new churches were constituted and 706 missions opened. The Missionaries entered into the "Million More In '54 program and organized many new classes and mission Sunday Schools. Even mission churches opened missions, and missions started missions before they became churches.

In the Department of Negro work there were fifty-nine missionaries serving in Negro centers as teacher-missionaries or as general workers. The teacher-missionaries had 34,148 students in their classes, ten thousand of whom were ministers. They reached 14,000 in extension classes and enrolled more than 8,000 in institutes.

In the four years preceeding the Southern Baptist susquicentennial program, the Home Mission Board will be executing its four-year Conquest for Christ in Home Missions. Worthy goals are proposed in all departments of Home Missions for the 1955-1958 conquest.

REPORT ON CHRISTIAN EDUCATION TO THE BEULAH BAPTIST ASSOCIATION

Too much can never be said concerning Christian education. The word, Christian, when attached to Education, implies that a certain dedicated strain of purity and truth is to be found in our learning processes.

It is true that these are turbulent times in which we live, and Christian character and education are imperative in order to meet the complexities of the day. But such statements are threadbare axioms. Christian education is needed in any day. All times are perilous and trying. Every day is complex. And if Christ is all the Person we proclaim Him to be, then surely it is expedient to every generation to have education which is grounded in Christian experience and founded upon Christian principles.

There are, however, two rather apparent observations that anyone can make if he will survey the products of our educational institutions. First, we produce quality — not quantity. Our quality stems from the fact that there prevails in our institutions of learning a definite Christian influence. This is not to say that such influence is limited to our sphere of education. But, it is simply to state that Christian influence is to be expected and is found in our Baptist schools. This is due in large measure to the dedicated, self-sacrificing individuals who teach in our schools, colleges, and seminaries.

Second, this quality is produced with less capital per student than any other educational system. The facts and figures in this case are available to any who might wish to see them.

There are also two points at which we never need to fool ourselves: (1) we can never compare in size or number with state owned or state supported schools. If we ever become so jealous that we hope to compete with them in overall size, then in that day, we shall have lost our distinctiveness. But progress is demanded of us, and such growth and progress must include the Christian leaven. (2) We cannot advance to next year's goal on last year's budget. We cannot expect to continue producing the finest in quality for the least in funds or facilities. To put it rather bluntly, we cannot construct creatively, our Baptist Educational System on spare time and small charges.

The all-important place of Christian education is not to be denied. Therefore, let us keep the vision of it before our people.

David E. Simmons

REPORT ON CHRISTIAN LITERATURE

Christian literature does not need defending; it needs more distribution and wider reading. Never before have Baptists had such opportunities as today to magnify and promote the Lord's work through vital Christian literature. The printed page is powerful; its influence is universal. People tend to become like the things they read and absorb in their minds and hearts. The flood of bad literature has spread over our land, with almost every news stand, drug store, bus station, and even grocery stores, selling objectionable comic books, bad magazines, lurd books and periodicals that the U. S. Mail refuse to carry. This bad literature very often finds its way into Baptist homes, and its pages are filled with the seeds of evil. Wider reading of good

Christian literature would soon destroy the thirst for the bad. Baptists have a great opportunity — to provide the best reading matter they can get for their homes.

Baptists have compelling reasons for securing and reading Christian literature especially from their own presses. The aim of it all is to promote Bible study, to build Christian character, and to inform, enlist, indoctrinate, inspire and unify our people in all the great work the Lord has committed to us. Dr. M. E. Dodd said: "A non-reading Baptist is a non-informed Baptist. A non-informed Baptist is a non-interested Baptist. A non-interested Bapist is a non-cooperative Baptist, and a non-cooperative Baptist is not much of a Baptist."

In North Carolina, the BIBLICAL RECORDER is one publication covering the entire field of our Baptist work. Without our state Baptist paper, successful promotion of our Lord's work in all Baptist channels would be well-nigh impossible. The RECORDER has carried the message of Baptist progress into Baptist homes for 121 years. Wise pastors, associational missionaries, consecrated Baptists leaders have over the years promoted its circulation; and they have rejoiced to see the fruits of much good reading. People always do more when they know more. As they read, they lead. As they are informed, they are inspired. People usually are not interested in, and will not support, that which they do not know about."

We also commend Charity and Children, published by our North Carolina Baptist Orphanage and printed by the boys of the orphanage. Its editor, Marse Grant, is doing a splendid job in reporting news of our Baptist work as well as furnishing inspirational material.

We commend Home Life as being the finest monthly Christian family magazine that we know about anywhere. Its daily devotional is excellent preparation for Sunday School teachers.

To keep informed about our mission work we commend our Home Missions magazine and The Commission.

In addition to these we commend the periodaicals of our organizations: Sunday School, Training Union, W. M. U., and Brotherhood.

At long last we are awaking to the needs of our men in military service for Christian literature, that they may grow spiritually by reading, during the leisure hours.

Last but not least are books on all phases of Christian life and work which are available through our Baptist Book Stores.

Paul advised young Timothy to "give heed to reading." Let us follow their example.

George E. Reynolds

REPORT ON PUBLIC MORALS

During the year Alamance and Johnston Counties voted on ABC stores and both went Dry by large majorities. Town Beer and Wine elections were held in Valdese, Carthage and Hope Mills. The Drys won all three by overwhelming majorities. Due to the Primary and General elections, it was impossible for other counties or cities to vote. Beer and Wine elections are scheduled for Haywood and Davidson Counties in January and February respectively. Efforts are being made to vote out beer and wine in towns in Dry counties.

Summary	Liquor	Wine	Beer
Dry Counties	70	50	48
Wet Counties	30	50	52
Wet Municipalities	6	16	18

Since 1954 was election year, our Committee on Good Government, has made special effort to get candidates to the General Assembly who were favorable to a State-wide Referendum, opposed to legalized gambling, opposed to special legislation and opposed to the so-called "Gag-rule". From all indciations the Drys will have a larger majority in both House and Senate than in 1953. Baring the stacking of Committees to which liquor legislation is referred, the opportunity for a State-wide vote on the liquor question looks more favorable than previous sessions.

The Allied Church League has promoted an active program of temperance education in the churches and public schools. Greater interest is being shown by our various denominations in alcohol education. More courses are being taught in our summer assemblies and many of our colleges are giving emphasis to alcohol education in their curriculum. Courses were taught in Pastor's Schools this year and Seminars were held in several parts of the state for Church Leaders. Many Youth Groups held District-wide Seminars on Alcohol Education with more interest being shown in this phase of our work than at any time in the past several years. A new interest has been aroused in our local churches and more stress is being laid on proper instruction in our temperance lessons in the church schools. More churches are using visual aids in promoting temperance programs and our films have been in constant demand. The League is working with the State Department of Education in seeing that alcohol education is being properly presented to our young people. The State Department has assigned a person to supervise alcohol education in the public schools and the supervisor of public instruction has promised that greater emphasis will be given to this phase of education. We commend Dr. Carroll for his efforts and pledge to him the full support of the League.

Temperance Sunday and Commitment Day was observed on the first Sunday in December last year. Reports indicate all denominations participated in the state-wide program. Plans are under way for the 1954 Temperance Sunday which will be held on December 5th. Each church is urged to set up a Committee on Temperance and begin immediately to plan programs for that Day.

More than 10,000 copies of "To-morrow" are being received by our church people each month. Practically all ministers and every school library in the State are receiving our publication. We feel that our message is being carried to many people and that this free service has been instrumental in bringing about the increased interest in our cause shown throughout the State. We urge each pastor to put "To-morrow" in every church home.

REPORT OF WOMAN'S MISSIONARY UNION
1953-54

THEME: "The Uplifted Christ" — "And as Moses lifted up the serpent in the wilderness, even so must the son of Man be lifted up." John 3:14.

What ever success has been achieved this year has been on the foundation which was laid in other years by those who worked so faithful for His cause in our W. M. U.

Our officers, local presidnts, leaders, chairman and counselors have worked faithfully carrying on the work without a Superintendent.

To all of these we are very thankful because it shows that they are willing to work for the Uplifted Christ in spite of being without a leader. Mrs. Andrews and I accepted the honor and responsibility in May. There were many loose ends that we had to put together. Some of this has been done, but much is yet to be done. We want to ask the pastors of Beulah to work with, pray for, and help us to make the W. M. U. in this association one of the best in North Carolina. We cannot do this without your full support.

We have a total of 31 W. M. S. organizations and 69 Young Peoples Orgonizations. There is only one church without a W. M. S:, but 12 churches without a Young Peoples Organization. The total membership in our W. M. S. is 948 and 618 in our Young Peoples Organization, our grand total being 1566.

This summer our associational camp for G. A.'s and R. A's was held at Park Springs near Danville, Virginia. One hundred and twenty boys and girls with 10 or 12 workers enjoyed five days and nights of work play, inspiration and mission study. To all of those who helped to make this a success I am truly grateful. May God bless them for their untiring efforts.

Meetings attended since I came into office include State Executive meeting at Meredith College, Raleigh; District Excutive meeting, Durham; and the District Associational meeting at First Church, Henderson.

As we begin the new year we covet the prayers of every one in this important work. Our prayer is that we may be able in some way to lead others to the Uplifted Christ as we labor together with God.

Respectively submitted,
Mrs. Arch J. Walker

REPORT ON BAPTIST BROTHERHOOD WORK

We regret we cannot report any increase in organized Brotherhoods. We have at present several churches who are interested and are considering organizing. We are grateful for the interest shown by the pastors and men of these churches.

There is a great challenge before the men of our churches. The Brotherhood organization will help you men to see, and offer helpful suggestions to meet, this challenge.

Our Conventions are already discussing plans for the Brotherhood to sponsor the Royal Ambassadors. This boys' organization is now sponsored by our W. M. U. We will all agree it should be in the Men's Department.

Your Associational Missionary, Brotherhood President, and State Brotherhood leaders are seeking ways to help the men of our association to meet the challenge before them.

R. F. Dunevant, President

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The churches of the Beulah Association have made progress in Sunday School during the past year. Every church in the Association except one reported a Sunday School. The reports on the "Million More in '54" Campaign reveal that the association has made a net gain of 1,157 in enrollment during the year. There have been thirty-one new classes added, forty-two additional teachers, twenty-two new rooms, twelve new departments, and two mission Sunday Schools organized, by the Theresa and Yanceyville churches.

Two Associational Sunday School meetings were held during the year at Clement and Theresa. Both meetings were informative, inspirational, and well-attended. The first meeting was held to launch the "Million More in '54 program, and the second was held to check on the progress of the churches in reaching their goals.

The net gain in enrollment is representative of a large number of people who are unsaved and have become in a particular sense the definite responsibilities of our Sunday Schools to win them to Christ, for every eight church members, instead of one for every thirty-six, as reported this past year. Your Sunday School officers pledge their support to all the churches of the association, and we express our sincere appreciation for your cooperation and help to promote the Lord's work as it is related to our Sunday Schools.

Sam W. Wrenn, Superintendent

BEULAH BAPTIST TRAINING UNION

The Director of the Beulah Associational Training Union wishes to make the following report.

Our Associational year begins in October. The first thing that I did was to attend the Training Union Planning meeting in High Point. There we received the information to begin our work. The first major item was that of the "M" night program held in December at the following churches. The Association was divided into three districts which proved to be very helpful. The first "M" night was held at the Bethel Hill Church with 96 present. The second "M" night was held at the Trinity Church, with 46 present. The third "M" night was with the Rock Grove Church with 108 present. There was a total of 250 attending the "M" night programs which was a net increase of 119, with 14 churches represented and with 15 pastors in attendance.

We report 10 Study Courses in the Association, with 7 churches reporting. There were 474 awards given. There has been no new unions reported this year.

Most of the churches which have Training Unions have been very active this year.

The enrollment in 1953 was 807. In 1954 it was 819; just a slight increase in the membership this year.

If your Church does not have the leadership in it that you would like it have then you need a Training Union. If you do have all the leaders that you need then those capable leaders should be training others.

Respectively submitted,
John M. Wesley
Training Union Director

REPORT ON BAPTIST ORPHANAGES

It is always a privilege to report to our people the facts concerning their Orphanage. Again, through your generosity, we were able to care for about 700 children last year. The physical plants both at Mills Home and Kenedy Home are now in good condition.

BUILDING PROGRAM

At Mills Home the Recreational Center and the beautiful new Church Building were completed during 1953.

We are now about ready to let a contract for a new Church Building at Kennedy Home. This will be equally as beautiful (though not as large) as the one at Mills Home. It will enable us to meet the spiritual needs of the children far better than ever before. North Carolina Baptist should rejoice that special friends have made these Church buildings possible. They should also thank God that every effort is being made to see that their homeless children are privileged to grow up in a spiritual atmosphere.

CHARITY AND CHILDREN

Charity and Children, your Orphanage publication, has an all-time high in circulation. We send out more than 46,000 copies each week.

PLAN OF SUPPORT

The income for 1953 was good. Our Churches through the Once-a Month offering and the Thanksgiving offering continue to meet the challenge of the homeless children in our midst.

Our new plan of Orphanage support should not be very different from the present plan. The Baptist State Convention voted for the Orphanage to come into the Cooperative Program beginning January 1, 1955. This gives any Church the privilege to send all its funds except the Thanksgiving Offering through the Cooperative Program if it so desires. However, the General Board and the Executive Secretary of the Convention make the following recommendations. First, that Churches that now take the Once-a-Month offering continue this plan. Second, that Churches which have the Orphanage in the Budget for a certain amount be encouraged to continue this same method during the period of transition.

THANKSGIVING OFFERING

The Thanksgiving offering, of course, will be continued just as before: Each Church is urged to give the people a chance to make a Thanksgiving offering. Each person is urged to give at least One Day's Pay as a "Thank Offering" for the support of the dependent children for whom Baptist are responsible. These children are wholly dependent upon North Carolina Baptists for their chance in life. We must not, we will not fail them.

REPORT ON NORTH CAROLINA BAPTIST HOMES FOR AGING

The fourth Associational year of the Baptist Homes for the Aging has been one of considerable expansion and encouraging progress. There are many evidences of the continued blessing of God upon this newest phase of our North Carolina Baptist program.

A step forward was taken when the Albermarle Home opened its doors on December 7, 1953. It afforded space for 35 additional residents, making the total capacity of the two Homes 54 residents — Resthaven, Winston Salem (19), and the Albermarle Home (35). The purchase price of the property at Albermarle — Hospital and Nurses Home buildings and 3 acres of land — was $25,000. The cost of renovation was about $75,000, thus making the total cost of this plant $100,000. But, with the value of the equipment donated, the property there should now be worth at least $300,000. Good fortune was ours again in securing the splendid staff of helpers at Albermarle. Rev. Zeb A. Caudle, former pastor of the First Baptist Church of Aberdeen, was selected to serve as superintendent of the Albermarle Home. Both the residents of, and all who have visited, the Home have been greatly pleased with the program of service.

Resthaven, at Winston Salem, which began operating March 16, 1951, has been filled to capacity throughout the year. Although the ages in both Homes range from 67 to 94 years, there has been no death within the past year. The general health has been remarkably good, and the spirit of satisfaction on the part of the residents has been most encouraging. The greatest loss came from the retirement of Miss Edna L. Heinzerling, supervisor of Resthaven since its opening. She had rendered most acceptable service. Mrs. Ethel Fulghum, a resident of Resthaven, was selected to act as supervisor temporarily.

A tract of 34 acres of land, just outside of the city limits of Winston Salem, was purchased in 1953, for a central site for new buildings. The cost was $25,000. A topographical map has been made and an architect engaged to prepare sketches of buildings to be erected on this central site, as money and circumstances will permit. It is the intention of the trustees, however, to proceed with one building at a time. The first unit will furnish space for additional residents and for offices, chapel, infirmary, laundry, refrigeration, etc. It is hoped that construction of the first unit can get under way within a year.

Inquiries have been received as to the possibility of a couple erecting a cottage on the central site, so that they might live in it until death, and then the cottage would be available to another couple. The cost of erecting and furnishing it would be paid by the couple, but it would become the property of the North Carolina Baptist Homes.

The second Special Day Offering, February 21, 1954, was encouraging. The total amount will probably be $65,000 to $70,000. In addition, the Homes received $21,000 as their share of the Nine-Year Program. Word has come, too, of wills from which the Homes will receive gifts. At least one will was probated in 1954, from which estate the Homes will receive $2,000. But the most encouraging progress has been the response, on the part of our churches, to the program of the Homes. More and more of them are beginning to support the Homes through the Special Day Offering, or by specially designated gifts. These evidences indicate the future success of the Homes in providing more facilities and accommodating larger numbers of aging friends.

The residents and all who are serving in the Homes are deeply grateful for the help received thus far, and they covet the prayers and continued support of our Baptist constituency in the future.

It is requested that an Associational representative be elected at this session, and the name be sent to General Superintendent J. M. Hayes, Kentucky Avenue, Winston, Salem, N. C.

Respectively submitted,
L. J. Morgan

REPORT ON THE BAPTIST HOSPITAL

It is not surprising that our Baptist Hospital at Winston Salem is caring for more people this year than at any time since the first patient was admitted in May, 1923. This is possible because of the addition of the New South Wing which is now open and ready for use. This new building provides many new and enlarged facilities which add a great deal of service provided for our people. We shall now be able to give treatment to approximately 14,000 bed patients in the course of a year, and at the same time take care of thousands of others in the clinics.

We must regard our Baptist Hospital as not just another hospital, but a truly great medical center becoming widely known throughout the land. With its close relation to the Bowman Grey School of Medicine, a part of Wake Forest College and owned and controlled by North Carolina Baptists, the hospital is in a position to be among the great medical centers of the world. The school of nursing is one of the largest in the State, offering a superior type of training to students of highest caliber. The new department of Pastoral Care is gaining in popularity among pastors and other church leaders.

Last year our hospital gave $527,299.90 in service which was free to patients. Of this amount $173,334.03 came from the churches through the Mother's Day offerings. Latest reports show this offering to be several thousand dollars short of last year, and that in the face of the greatest need ever known. Increased bed capacity of the new wing, and the adverse economic conditions pose a serious problem.

Last year only three churches in the Beulah Association failed to make a contribution on Mother's Day, meaning that they gave nothing to the hospital on this occasion. However, this year (1954) five churches had no part in the Mother's Day offerings. Consequently there is quite a decline in total gifts for this year.

For your information, as of October 4, the churches of the State owe $10,672.19 on pledges and committments for the New South Wing. You recall that we refused a grant of $700,000 from the Federal Government with which to build this wing, and said we would pay it ourselves. We have been paying is very slowly, and still owe the above figure which we hope to liquidate in the very near future.

At the end of September this year, twenty-eight churches in the Beulah Association had given the sum of $5,322.86 to this new wing project.

L. G. Elliott

REPORT ON STEWARDSHIP

Number of Churches: 32; Total present Membership: 7,146; Sunday School enrollment: 5,868; Training Union enrollment: 798; W. M. U. enrollment, including auxiliaries: 1,814; Brotherhood enrollment: 76; Number of baptisms: 198; Total gifts for missions: $29,520; Total number of tithers reported: 508.

S—Stewards of the manifold grace of God. "If we have received these gifts we must minister the same one to another." 1 Peter 4:10

T—Teaching. Jesus told his disciples in Matt. 28:19-20 to "Teach all nations in the name of the Father — Son — and Holy Spirit". He promises to be with us always if we keep his commandments.

E—Enthusiasm. To be good stewards we must be enthusiastic in God's work, and be willing to do the job, whether small or large.

W—Work. We as Christians are commanded to work. God has no place in His plan for idleness. Are we working, or sitting idle saying, "I can't"?

A—Awake. You remember when Jesus and his disciples went up on the mountain to pray, the disciples fell asleep. Jesus said, "Could ye not watch one hour?" God wants us to be awake and at work. Are we?

R—Reliable. We must be dependable when called upon to do something. Do not promise and fail to fulfill. Be reliable.

D—Diligent. If we make a success in anything we must be constantly on the job — never satisfied with just working a little, but always in our place in Church, Sunday School, Training Union, or any other place we can serve the Lord.

S—Study. "Study to show thyself approved unto God." (II Tim. 2:15) We need to study our Bibles and learn more of God's word. Bible study makes strong Christians. Study it daily.

H—Humility. One of the first things Jesus taught His disciples was humility. We need to heed his teaching, humble ourselves and follow him.

I—Idleness. Are you in this category? If you are you are just where Satan would have you. Satan wants us as Christians to sit idle, while his forces are on the job. Where do you stand?

P—Prayer. Prayer is the most important thing to a Christian. It is the only way of communication with God. A praying Christian is a useful one. We sould always be in a prayful attitude.

Also we find in I Corinthians 4:2, "Moreover, it is required of stewards that a man be found faithful."

40. The Report of the American Bible Society was given by Rev. T. C. Williams, Jr., who moved its adoption. (See Report Section.)

41. New pastors in the association were recognized by the clerk: Rev. Hugh Ross Williams, Bethel Hill Church; Rev. D. C. Craig, Mt. Harmony Church; and Rev. Paul Kesterson, Front Street Church.

42. The congregation joined in singing "All People That On Earth Do Dwell".

43. Rev. L. G. Elliott spoke briefly concerning the effort to have the proposed new Presbyterian College located in Person County.

44. An interesting presentation of the Church Library Program was given by Miss Addie Mae Cook, Church Library Consultant with the Baptist Book Store, who also had arranged a very attractive book display.

45. A more complete Report on the Homes for the Aging than was presented on Tuesday was given by Rev. Worth Braswell, who also moved the adoption of this report. (See Report Section.) The work of the Homes was discussed by Miss Cook, who had served on the Home's first Board of Trustees.

46. Mr. H. D. Young gave the Report of the Nominating Committee. Since the moderator was nominated for re-election Mr. Young was asked to preside over the election. The report was accepted and those nominated were elected. (See Directory in front of Minutes.)

53. Rev. Ray L. Cumbee gave the Report on Vacation Bible Schools, stating that 25 churches in the association reported schools in

1955. He moved the adoption of the report. (See Report Section.) Mr. Cumbee discussed his report.

54. The Report of the Baptist Training Union was given by Rev. John Wesley. He made a motion that the report be adopted. (See Report Section.) This work was discussed by Mr. Wesley, and by Rev. W. I. Johnson, newly-elected Training Union Director.

55. Mrs. Arch J. Walker presented the Report of the Women's Missionary Union, and moved its adoption. (See Report Section.) She then announced the plans for the annual Leadership conference to be held October 25th at Clement Church.

56. The congregation joined in the singing of "Christ For the World We Sing".

57. In the absence of the Associational Brotherhood President, the Report on Baptist Brotherhood was read by Rev. Worth Braswell. Mr. Braswell moved the adoption of the report. (See Report Section.)

58. The clerk raised a question about the advisability of explaining the decision reached on Tuesday concerning the plan for an associational missions program for benefit of those who were not present at that time. Mr. Cumbee made such explanation. The matter was further discussed by Mrs. Arch Walker, Rev. John Scalf, Mr. R. K. Young, and Rev. L. G. Elliott. Mr. Elliott then made a motion that the decision of the previous day concerning the possibility of a joint missions program with the Flat River Association be considered a second choice, and that we first make every possible effort to have our own separate program. The motion received a second. Rev. W. I. Johnson then asked that we call the roll of churches to ask the extent of their support for the program proposed, and also to learn their preference, if any, as to whether we seek a man or a woman for a missionary. After discussion by Mr. Cumbee and Mr. Elliott, Mr. Elliott withdrew his motion. Rev. John Scalf, Jr. made a motion that the action of the previous day be rescinded and that we begin anew the discussions in the light of our better understanding of the total picture. This motion was seconded by Mr. Elliott, and after discussion by Mr. Knight, Mr. Johnson, Mr. Cumbee, Mr. Scalf and Mrs. Johnson, was passed by a large vote. Upon motion by Mr. Johnson the roll of churches was then called to obtain the needed information for the Missions Committee to proceed in plans for the program.

59. The Report of the Appreciations Committee was read by Mrs. H. D. Young, and approved by the body. (See Report Section.)

60. The clerk read the Report of the Committee on Committees and moved its adoption, subject to necessary changes and additions. Mr. Johnson and Mr. Scalf, asked to be relieved of duties as chairman of Evangelism and Reporter on Baptist Hospital, respectively, in view of their election to other offices. Mr. Cumbee moved that these two positions, the Vacation Bible School Superintendent, and other vacancies or changes be taken care of by the Nominating Committee and referred to the Executive Committee for approval. This motion passed, and the Report of the Nominating Committee was approved. (See Directory in front of Minutes for corrected list of officers.)

61. Mr. Cumbee made a motion that the new Program Committee be instructed to set aside at least one hour each day in the next annual meeting for the discussion of business matters. This motion passed.

62. A motion was made by Mr. Cumbee that the clerk be asked to set a deadline for receiving all reports to the association, and these be printed in advance of the association meeting so that messengers could read for themselves and full time allotted for reports

could be given to visiting speakers. This motion passed.

63. A report on the information obtained earlier by the roll call was given by Mr. Cumbee.

64. Mr. Cumbee requested a report of the Budget Committee. The Proposed Budget for 1955-56 was read by Mr. H. D. Young. Mr. Cumbee stated that the response from the churches indicated that we could meet this budget, and he moved the adoption of the proposed budget. The motion carried. (Budget printed in Report Section.)

65. Rev. John Scalf raised the question: What do we do next with regard to our missions program? Mr. Cumbee answered: We will seek to employ a missionary for the Beulah Association. If this cannot be worked out satisfactorily, we will then contact the Flat River Association about the possibility of a joint program. Either action will be first approved by the Executive Committee and then referred to the churches for their approval.

66. Mrs. S. O. Garrett was recognized to lead the Memorial Service. She read from 11 Corinthians 5:1 and John 14:2, and called the names of those members of the churches who passed away during the year. (These names printed under heading "Beulah's Beloved Dead" in back of Minutes:) Rev. Hugh Ross Williams led the memorial prayer, and the congregation sang "In the Sweet By and By".

67. The Moderator declared the meeting adjourned.

REPORT ON N. C. BAPTIST HOSPITAL

Most of us are aware of the work that is being done by our Baptist Hospital at Winston-Salem and most of our churches have responded to this work with their financial support. By giving to our Baptist Hospital we are able to carry on a wonderful work for those who need physical care. Many of the patients who come to our Baptist Hospital are those who are not financially able to pay for hospital care.

Not only does our hospital care for the physical needs of their patients, but they are also providing a constructive spiritual ministry. Our own Dr. Richard K. Young is in charge of the Department of Pastoral Care at the hospital. A number of our ministers have availed themselves of the opportunity to participate in the course in Pastoral Care that is regularly offered at the hospital. This is not only of great value to the ministers, but also to the churches that they serve.

There were only three churches in our Association that contributed nothing to our Baptist Hospital this year. We hope that this was just an oversight on the part of these churches and that they will determine to give during this next year. Of the remaining thirty churches in our Association, two contributed the same amount as last year, fifteen showed an increase in the amount given, and thirteen showed a decrease: A total of $1,728.12 was given this year in comparison to $1,743.54 last year.

We are in full sympathy with the expanding ministry of our Baptist Hospital and trust that its ministry may continue to bless many people. Let us pledge ourselves to support this work with our prayers and gifts.

Respectfully submitted,
Hugh Ross Williams

REPORT ON CHRISTIAN LITERATURE

During the past year there have been many newspaper articles and editorials on freedom of the press. In this country we are blessed with that great privilege — a privilege the people of many lands do not enjoy. But do we appreciate it? Are we taking advantage of the opportunities we have to be a well-informed people? We should feel obligated to keep up-to-date, not only in the realms of business, politics, sports, and world affairs, but also in the field of religion.

As Baptists we should be eager to keep up with what is going on within our denomination. We can do this most adequately if we will only read the literature provided for us by the different branches of our denominational work.

Today there are periodicals being published for every phase of our work whether on a convention-wide or a state-wide basis. And yet, much of the work which is being done becomes useless for lack of readers. Countless hours are expended in preparation of readable material for you and for me. It cannot serve its purpose unless we spend some time with it.

A move toward more conscientious subscribers needs to be begun, even if we must begin with ourselves. We have as many responsibilities to the editors and writers as they have to us. Let us, as laymen, not fall down on them.

Respectfully submitted,
John H. Scalf, Jr.

PUBLIC MORALS REPORT

BEULAH ASSOCIATION

Social Problems have grown at such an alarning rate that we must awaken to action concerning the evils that are morally corrupting to individuals and society. Some of the evils that we must wage war against are beverage alcohol, juvenile delinquency, gambling, divorce, crime and salacious literature. In our nation church affiliation is on the increase but Christian morality is on the decrease. Sixty percent of the population are church members compared with about twenty percent in the days of George Washington. Crime is increasing steadily each year. For every four marriages performed, one divorce is granted. Since 1943 juvenile delinquency has increased 120 percent. One out of every 3,000 persons use dope. There are approximately 4 million alcoholics in the United States today. If the liquor which was consumed last year had been divided equally every person would have had approximately nineteen gallons.

Judge J. E. Shipman of Hendersonville said recently, "Our Court records show that 75 to 80 per cent of the crimes committed in our county and country are traceable either directly or indirectly to alcohol". Thirty-four percent of those killed on highways of North Carolina in 1953 were killed because of alcohol. The roots to much of the immorality of our days are sustained by the legal sale of alcoholic beverages. In Caswell County 34 licenses were issued for the sale of beer and wine and 4 for liquor. In Person County 64 licenses were issued for the sale of beer and wine. Following the regular pattern the liquor interests will try to establish A. B. C. Stores in Person County in 1956.

The liquor interests are spending $250 million a year for advertisement and promotion. For years friends of temperance have been trying to get a bill through the legislature to have a State-wide A. B. C. referendum, but have failed largely because of the powerful beer, wine and whiskey lobby in Raleigh. The Allied Church League had three representatives in Raleigh this year and were successful in rendering ineffective a beer bill which would have brought back to every county in North Carolina 3.2 beer. The league is greatly handicapped by lack of funds to promote an effective program and should receive our immediate help.

The Drys won two major victories recently. High Point voted to remain without A. B. C. stores and Henderson County voted out beer and wine. Forty-nine counties in the State have voted out beer and wine since local option was granted in 1948. An election can be called in any city or county upon the signing of a petition by fifteen percent of those who voted in the last general election for Governor.

If the moral standards of our nation and our communities are to change their downward trends, the churches must come to the line of battle and our people must become enthusiastic doers and promoters of the ethical and moral principles set forth by God in His Word.

Earl H. Pitts

REPORT ON EVANGELISM

In Cooperation with the Southern Baptist Convention Evangelistic Crusade last Spring, the Beulah Baptist Association had a Simultaneous Revival in our association.

Plans inaugurated by the Evangelistic Committee of the association were carried out as follows:

Organization was completed in January.
Every church was contacted and asked to cooperate.
Sub-committees effected a complete program.
Mass meeting was held at the Roxboro Church.
Two fellowship meetings were held during the Crusade.
Twenty-six of our thirty-two churches participated.
Response and results wonderful in every church.
In view of the splendid cooperation by all, your Evangelistic Committee wishes to thank everyone for their cooperation and recommend that our association have another crusade in the Spring of 1956.

The following recommendation is now officially presented to the association:

In view of the response to the Simultaneous Evangelistic Crusade this past Spring, and realizing the urgent need of a revivial among our people to continue, we, the Evangelistic Committee of the Beulah Association recommend that our association enter into another simultaneous effort in the Spring of 1956.

You will notice from the above report that, although the Missionary, Gilmer J. Beck, resigned his work as of August 31, 1955, we paid him 12 months, since September salary and expense account is charged in October, 1954, thus making our report show salary and expense 12 months. We are now free of debt, except the camp fund of $164.50 due Jan. 1, 1955.

With our same number of churches this year (I lost and I gained) we did not reach our suggested goal, but we did have a splendid year as you can see by the report. We had churches this past year that contributed to the work of the association, more than was requested of them. Also more of our churches contributed regularly each month, which is the ideal way.

The finance committe undertook the project this past year of sending three members into other churches, endeavoring to enlighten the members, not only of their financial responsibility to the program of the association, but also of their obligation and responsibility to the Missionary and his inspiration and help that is available to every church in the association, when requested and invited.

Altogether we have had a good year, but there is much room for improvement. Through the cooperation and prayers of our people and God's help we can have the best year yet — next year:

STATE, HOME, AND FOREIGN MISSIONS

There are 22 phases of State Mission Work. Caswell, our assembly on the coast, attracted seven thousand people last summer. Besides Sunday School, Training Union, and W. M. U. emphasis weeks there was Family Week, Pastors week, and Music week-as well as week-ends for Brotherhood and Deacons.

Especially significant at Fruitland, located in the Blue Ridge Mountains, is the school for preachers which operates on the basis of three six week sessions per year. The preachers have an opportunity to study many of the subjects taught in our seminaries.

We cooperate with the Negro Convention in Raleigh.

We minister to the deaf people scattered about and in our state institutions.

We have aided in establishing new churches in 44 associations and working on eleven college campuses.

One of the new phases of our work is the Aid to the Department of Pastoral Care at Winston-Salem. Dr. Richard Young is the head of this Department.

We have not mentioned all of our 22 phases of work but in view of the largeness of State Mission support the goal of $500,000 seems small. The Churches of Beulah Association have given $1365.97 to the cause.

HOME MISSIONS

In our Home Mission work we find 235 missionaries working with language groups. Part of their salaries and operational expenses are taken care of by our Annie Armstrong Offering which is taken in March. There are the Good Will Centers with 29 workers and another worker at International Center, Berkeley, California whose salary is partially paid by the Home Mission Board. There are 12 workers in our four Rescue Homes, 125 missionaries working at our outpost in Cuba, 20 in Panama and the Canal Zone, and 18 in Alaska. Two couples carry on our work among the Migrants. We publish Mission Literature for Racial and Language Groups and provide scholarships for Negro, Indian, Spanish, Cuban, and other Minorities. Our own association gave $1820.89 toward this goal.

FOREIGN MISSIONS

By July, 1955 seventy-eight missionaries had been appointed for Foreign Mission Service this year. This number was two more than the total number appointed in 1954. Many of these were young ministers and their wives, nurses, and Doctors who were already trained for their professions. Being still under the appointment age of 32, they reconsidered and decided to go personally as missionaries.

Some of our one thousand missionaries of the Foreign Mission Board are Doctors without operating tables, without X-ray machines, and other equipment which is greatly needed. Some are teachers in seminaries, others are preaching the gospel in addition to training Nationals. Some are learning to speak difficult languages. Some are translating or writing in these other languages, building a Christian literature for the people.

Three missionaries in Brazil have died suddenly this year. Miss Carney was in a plane crash. Mr. Raymond Richardson died follow-an emergency operation. Mr. Blonnye Foreman was flying one of our Baptist planes when he crashed. He was a missionary to the interior of Brazil, to places which could not be reached on foot. He had served 21 years. WHO WILL TAKE THEIR PLACES,

Beulah Association gave $2731.07 for Foreign Missions.

We are glad to have had a part in supporting these mission causes this year, but we should not be satisfied with our mission offerings. Let us strive to have at least a 10% increase in our giving this year.

Respectfully submitted,
Mrs. Melvin Blalock

CHRISTIAN EDUCATION REPORT

Too much can never be said for Christian Education. Education itself is the process by which one is informed and the word Christian attached means that truth and purity are to be found in these learning processes.

As Southern Baptists we seem to believe that there is an ever-growing need for increasing the number and enlarging the present theological seminaries for the training of ministers of the gospel and other full-time Christian workers. In addition to our five Southern Baptist theological seminaries, we aid the American Baptist Seminary for Negroes in Nashville, Tennessee, and the Carver School of Missions and Social Work. These seven institutions had a total enrollment of 5,782 young people last year studying for various phases of full-time Christian service, including 3,826 ministers and 810 mission volunteers

Southern Baptists in this Convention year 1955 propose to give to these seven seminaries a total of $3,095,225.96 from their Cooperative Program funds for an average of $535 per student.

Here in North Carolina, in addition to the Southeastern Seminary on the Wake Forest campus, we have seven Baptist colleges with a total enrollment of about 6,000 young people, 750 of whom are training for the ministry and full-time mission service. Unfortunately, North Carolina Baptists are not providing as much financial assistance for the young man or woman enrolled in one of our colleges in North Carolina as Southern Baptists as a whole are providing for the seminary students. We are giving for each student in our seven colleges about $150. But with success of our Nine-Year Program of Advance, these colleges will continue to receive increased amounts to enable them to do more effectively what Baptists expect to do.

The seven colleges that make up our family in North Carolina are: Wake Forest, Meredith, Mars Hill, Camphell, Gardner-Webb, Wingate and Chowan. Wake Forest will be moved to Winston-Salem in June 1956, and the Southeastern Seminary will then take over all the property of the campus at Wake Forest, N. C. All of these colleges are in building and expansion programs, trying to provide for the ever increasing number of students wanting to attend Baptist colleges. Certainly as Baptists we are now facing our greatest opportunities in the work of Christian education.

For these and many other reasons Baptist must support their colleges and seminaries with their young people and in their stewardship of money.

T. C. Williams, Jr.

THE AMERICAN BIBLE SOCIETY REPORT

North Carolina Baptists, through their contributions to the American Bible Society, had a part in aiding Bible translation in progress in fifty different languages, had a part in the Society's publishing and distribution over fifteen million volumes of Scripture without note or comment, and made it possible for these to be sold without profit, usually below cost and about ¼ of them freely donated. We had a part also in the new record established for supplying Scriptures to the Blind in raised letter systems and on Talking Book Records.

The American Bible Society serves every form of Southern Baptist mission work around the world. The Bible itself is the Missionary's chief tool. He uses it in every form of mission work. The Bible itself is a missionary. It can go where the human missionary can not go, for example Turkey; it can stay when he must leave, for example China; and keep on working in a man's heart.

For a more detailed report on the work of the Bible Society as a whole, you are asked to take home to your churches a copy of the "Brief Report". This leaflet shows that there was a healthy increase in the support of the Bible Society on the part of Southern Baptists. The North Carolina W. M. U., through a portion of their Heck-Jones offering gave one thousand dollars. This was greatly appreciated.

This item of particular interest to our Association, all of the gifts came from church treasures and organizations at the recommendation of the North Carolina Baptist State Convention.

The American Bible Society is a fundamental missionary work. Mission work is a continual process of reaching new people with the Gospel. This year-round process needs the prayers and support of every church, every year.

Even the small church might give at least five dollars, though it is thought that ten dollars would be the place to start. Larger churches are giving one hundred to five hundred dollars.

Please send gifts to your Baptist State office marked "For the American Bible Society.

Respectfully submitted,
T. C. Williams, Jr.

REPORT OF NORTH CAROLINA BAPTIST HOME FOR AGING

ASSOCIATIONAL YEAR 1955

The North Carolina Baptist Homes for the Aging began their fifth year of operation March 16, 1955. This has been a year of encouraging progress. Both Homes — Resthaven and Albemarle — have had a continuing waiting list of applicants. As soon as a vacancy occurs there are far more applicants for admission than can be accepted.

This year will be remembered as one of notable enlargement of facilities. Construction of the Administration and Residential Building, costing $300,000, will get under way, and it should be completed by this time next year. The new building will provide office facilities, dining room, kitchen, chapel, infirmary, recreational and handicraft space, and rooms for forty additional residents, thus raising the total capacity of the Homes to 95 residents.

Two-thirds of the cost of the new building is now in hand, counting the value of real estate turned over to the Homes. Personal and corporation gifts are being received which will further add to the amount on hand.

Memorial gifts may be made in the following ways: A gift of $300 will furnish a room; $1,000 will endow — furnish and maintain — a room; $3,000 will pay cost of building a room. In either case, a memorial plaque — bearing the name of the donor and the name of the person memorialized, or honored — will be placed on the door of a room.

Miss Nettie Pearl Willis gave her homeplace at Vale, N. C., as a memorial to her mother, Mrs. Laura Elliott Goode Willis. The property will be sold and proceeds be used to erect a cottage on the permanent site of our Homes. In addition, Miss Willis made her will in favor of the Homes.

Increasing support on the part of our churches and denominational program gives great encouragment. So far this year, our Special Day Offering has reached almost $75,000. Since many of the churches put the Homes in the budget instead of taking a special offering, and some of the churches wait until the end of the calendar year to send their gifts, a complete report for the year cannot be made at this time. But it is likely that our goal of $100,000 for the special offering will be nearly reached. In addition, the Homes will receive $39,850 as their share of the Nine Year Program, according to the estimated budget.

With increasing aid from denominational sources, the Homes are helping a larger number who do not have sufficient funds with which to pay the cost of keep as residents. In fact, about ninety per cent of all the residents are being helped by the Homes — some with about two-thirds of the cost of keep, and others with about one-third. Less than ten per cent of the residents in the Homes have turned over enough assets to pay their cost of keep on the life plan. Regardless of financial condition, an applicant is received into the Homes on the basis of need and room available.

All connected with the Homes — staff and residents — are most grateful for the prayers and support of our friends. "Hitherto hath the Lord helped." Surely all North Carolina Baptists should be grateful for the progress made thus far. Let us all rally to the challenge to render a greater ministry to the increasing number of aging friends who need the services of our Homes.

Respectfully submitted,
Worth Braswell

REPORT ON BAPTIST OHPHANAGE

During the past year your program of Child Care has moved steadily forward. Probably there has never been a year in the history of the Orphanage when the children's needs were more adequately met.

God created the home as a place for children to live as they grow into maturity. The best institution is a poor substitute for a good Christian home. However, we are doing our best at your Children's Homes to make conditions as nearly like a normal home as possible. This is reflected in the fine spirit of your children.

During the year we cared for a total of 713 children. At the same time we gave services to and helped in the placement of more than 600 other children.

BUILDING PROGRAM

Special gifts have made possible the continuation of our building program. The new Church building at Kennedy Home is completed, and was occupied Sunday, October 16. It is considered one of the most beautiful in the state. This will greatly help to meet the greatest single need of the 160 children who live there.

During the year the Broyhill Swimming Pool was constructed at Mills Home. This was a gift from the Broyhills of Lenoir, N. C. It meets a very definite need in the lives of growing children.

OUR NEW PLAN OF SUPPORT

In 1954 our income from the Churches was at an all-time high.

The Baptist State Convention voted for the Orphanage to come into the Cooperative Program beginning January 1, 1955. From the Cooperative Program it is to receive "That part of its support not otherwise provided for." Under this plan the vast majority of the Churches continue to send to the Orphanage the Once-A-Month offering just as in the past. Some, however, have put the Orphanage in their Cooperative Program budget. It now looks as if about $60,000.00 of our income this year will be through the Cooperative Program.

THANKSGIVING OFFERING

Under the new plan of support the Thanksgiving offering becomes more important than ever before. Any future expansion of your Child Care program will depend largely upon this offering. Hence, the Orphanage representative in your Association, along with every pastor and Sunday School worker, is urged to try to get every Church to promote a worthy "Thank Offering" this year. Urge each person to give at least "One Day's Pay" to help the host of homeless children who cannot possibly help themselves.

Respectfully submitted,
E. H. Cannady

SUNDAY SCHOOL REPORT

The association-wide Sunday School organization has had one of its most successful years in recent history.

The "Kick-off" meeting was held at Theresa Church with a good attendance. The theme and goals for the year's work were presented.

On February 21, the association officers met at Antioch Church to complete the organization of the association-wide program. Departmental Superintendents were nominated as follows:

Cradle Roll and Nursery	Mrs. Marion McAdams
Beginner	Mrs. J. A. Massey
Primary	Mrs. Jack Dixon
Junior	Mrs. Winnie Campbell
Intermediate	Rev. Ray Cumbee
Young People	Rev. Calvin S. Knight
Adult	Rev. E. H. Cannady
Extension	Rev. Walter S. Tillman

These were later elected by the Executive Committee and assumed their offices.

On May 9th a mass meeting was held at the Lamberth Memorial Church. In this meeting there were conferences for the various departmental leaders, led by the associational officers. Rev. E. C. Wilkie of Burlington brought the inspirational address.

Our records show that during the past year one church reorganized its Sunday School, so that we now have a Sunday School in every church of the association. Our total enrollment for this year is 5,748, as against 5,910 for last year.

Respectfully submitted,
Sam Wrenn

VACATION BIBLE SCHOOL REPORT

We did not have a good year in Vacation Bible Schools in Beulah. I regret to make this report but conscience forbids any alternative. We received reports of Schools in (25) twenty-five of our (33) thirty-three churches. A report was not received from Antioch, Front Street, High View, Lamberth Hill, Montwood, Olive Branch, Shiloh, and Trinity. We feel that some of these churches held a school but did not report. We would plead with you to report a school if you had one.

A Vacation Bible School assists a church in its total program. It promotes Bible Study, Missions, Stewardship of Time, Talent, and Tithe. It is a potent force in evangelism. The (25) twenty-five churches reporting a school also reported (51) fifty-one conversions through the School. In Bible Study the Vacation Bible School in its session often accomplishes more than the Sunday School in fifty-two weeks.

Several from our Association attended the State Vacation Bible School Clinic held at Gardner-Webb College. Many attended the Associational Clinic held at Roxboro on April 21, 1955.

It is never too early to start preparing for your Vacation Bible School. It is suggested that each church in January or February study the Vacation Bible School Guide as the foundation for a good Vacation Bible School.

Let every church have a Vacation Bible School in 1956.

Respectfully submitted,
Ray L. Cumbee, Assoc. Supt.
Beulah Vacation Bible Schools

TRAINING UNION REPORT

October 18, 1955

The Director of the Training Union Wishes to make the following report.

"M" Night last December was held with three churches in three different localities of the Association with a total of 202 in attendance. Fifteen churches were represented with eleven pastors present. There was no new unions organized in the Association in 1955. There were seven study courses held with the granting of 309 awards. There are eleven churches in the Association with Training Unions. Nine of these churches reported for the last quarter of this year a total membership of 628. The Training Union Director is very anxiously awaiting the time when every church in the Beulah Association will report a Training Union.

REPORT OF WOMEN MISSIONARY UNION

FORWARD LOOK

As we look forward to a New Year in W. M. U. of Beulah association we join with thousands of women in N. C. using the 55-56 Watch ward, Psalms 22-27A "All the ends of the world shall remember and turn unto the Lord," and the N. C. Watch word "For ye serve the Lord Christ," Col. 3:24B as our goal post.

It is our aim to put these two watchwords into each W. M. S. this coming year. In the past we have had 31 W. M. S. This year each pastor is to go back to his church and find ou if this organization is functioning in your church. If not please let me know so we can interest them in becoming active again.

We want Beulah to lead the list in having active W. M. S.

During the past year we hope that some of the things we have accomplished have been for God's Glory and not our own as we try to lead the adults as well as the young people in Missionary fundamentals.

There have been 20 churches with young peoples organization with a total membership of 621, our total membership of societies is 852, making a grand total of 1473.

This summer, as in the past, we had an associational camp at Park Springs near Danville, Va. for G. A.'s and R. A.'s. This camp was well attended and one of the best camps period we have ever had, led by a consecrated group of men and women from our Asso. faculty members and camp advisors. We felt that much good is being accomplished each year in our local camp. Several members of R. A. and G. A. attended our regional camp also.

As we begin our New Year we covet the cooperation of every Pastor in our association as well as the prayers to help us make this one of the greatest years in W. M. U. work. We pray that this year we will put on the forward look in our efforts to live up to the name we have as Missionary. May "All the ends of the world remember and turn unto the Lord as we Labor Together with God."

Respectfully submitted,
Mrs. Arch J. Walker, Superintendent

BROTHERHOOD REPORT

This year the Brotherhood in the Beulah Baptist Association lost ground. Last year four churches reported Brotherhoods, with an enrollment of 76. This year 2 churches reported Brotherhoods with an enrollment of 40.

The need for a working Brotherhood is great. This year the Brotherhood takes on the sponsorship of the R. A.'s. Last year there were 17 R. A. Chapters reported. This year there were nine.

Three areas of service are suggested:

(1) Promotion of monthly personal visitation;
(2) Promotion of spiritual projects;
(3) Denominational calendar of events.

The Brotherhood Journal is published quarterly. It contains program materials and suggestions for service. The Brotherhood Guide Sheet is published by the state Brotherhood secretary. This gives information on organization, suggested types of programs and a work sheet on which members of the Brotherhood can plan their activities. These and other pamphlets are available free on request from:

Mr. Horace Easom
State Brotherhood Secretary
Shelby, N. C.

The Brotherhood affords an opportunity for our men to work together in promoting our entire church program. During the past year pastors have been contacted and efforts made to organize new Brotherhoods. Your Associational President is available any time to aid you in organization.

Russell Lee

LUNCH

18. The afternoon session began at 1:15 P. M. with the singing of "Seal Us, O Holy Spirit" and "Trusting Jesus".

19. Rep. James M. Lambert read Psalms 51, and led in prayer.

20. The Pastors Chorus sang the hymn: "I Am Resolved."

21. Rev. Paul Kesterson read Acts 2:41-47 and brought a message on the topic, "Joy in Church Membership."

22. The program session was concluded with the singing of "Blest be the Tie".

23. In the period for miscellaneous business, Rev. Ray Cumbee expressed for the association appreciation to the Mill Creek Church for its hospitality.

24. The moderator called on Mr. H. D. Young to present a matter of business. Mr. Young spoke concerning plans for a permanent home for the Associational Missionary. He began by reminding the association that in the 1955 fall session we made a decision not to join with the Flat River Association in a joint associational missions program, but rather to continue a full-time program of our own. He furtner stated that Mr. Elliott and the Missions Committee had labored tirelessly in efforts to secure a missionary and finally obtained the services of Rev. Hassell Lamm. The Missons Committee was then faced with the problem of finding a suitable residence for the missionary family. Mr. Young called on Mr. Elliott to tell the group about the difficulty involved in this task. Mr. Elliott reported that the Missions Committee and Executive Committee then began to question whether it was economical for the association to conitnue to pay rent, and began to explore the possibilities of building or buying a house. Two different lots were offered the association as building sites. The Longhurst Mills offered a lot located in the Longhurst community. The Mills also, through their officials mentioned the possbility of other concessions, but no promises were made concerning these. The lot, located on the Semora Road was offered by Mr. Thomas of Roxboro. After studying both sites the Committee appointed to explore building possibilities recommended to the Executive Committee the acceptance of the Thomas lot. After this acton had been taken it was found that a bad odor prevalent in the area made this an undesirable location. The Building Committee which had been appointed then recommended to the Executive that action taken to accept the lot be rescinded. The Executive Committee met, voted to rescind the action, but it was later discovered that this vote was invalid due to lack of a quorum in the meeting. Therefore, the Building Committee now asks the association, in its Spring Session, to rescind this action. A motion was made by Mr. Huel Gentry, seconded by Rev. Benpamin Berry that the recommendation be adopted. The motion carried.

Mr. Young then reported that the Building Committee had done some further investigating. It had examined a house recently built on Gordon Street in Roxboro. Mr. Young stated that all the committee members and many pastors had inspected this home. He called on Rev. John Wesley, a member of the Building Committee, to describe the house. Mr. Wesley stated that the house was well-constructed, and that considering the landscaping already done, and other features, the house would be a good investment in his opinion. He expressed the further opinion that, considering everything, the association would not save a dime by building instead of buying. Mr. Young further described the house and the location.

Mr. Young reported that since it would be necessary to borrow some money for this project, whether we build or buy, he had made inquiries concerning this at both Roxboro banks, and at the Roxboro Building and Loan. He stated that The Peoples Bank had agreed to lend us the full amount needed, whereas the other concerns had agreed to lend only a part of the amount. He reported that the cost of fhe house on Gordon Street was originally $11,500, but that the owners, The Carver Agency, had agreed to sell to the association for $11,000.

Knowing that a lawyer would have to check the deed to any property acquired, and knowing also that further legal counsel would be needed in any such business transactions, Mr. Young reported that he had called upon Mr. Richard Long, attorney of Roxboro; for advice in several matters. He stated that he had asked Mr. Long if he could attend this business session and serve as parliamentarian to help us avoid confusion. He reported that it was Mr. Long's opinion, after studying the constitution of our association, that the executive committe did not have authority to borrow money or purchase property for the association, but that such matters would need to be considered in a regularly-schedule mass meeting of the association. This was the reason for presenting the matter in the Spring Session.

Mr. Long was presented to the association. His first suggestion to the group was that the associational constitution be revised to make clear the status of churches entering or leaving the fellowship of the association relative to property held by the association. This could save embarrassment and trouble in the future.

Then Mr. Long read a resolution which he had prepared for the association concerning the purchase of the Gordon Street house, and the borrowing of money for this purchase. (A copy of this resolution is attached to the minutes.)

The moderator asked for a motion concerning the proposed resolution. Mr. Elliott questioned whether the group was yet ready for a motion. Calvin Knight stated that he believed the proper procedure would be to have a motion for adoption, then allow ample time for discussion pro and con before taking a vote. The moderator declared that such a motion was in order. Mr. Knight moved that the resolution be adopted. Rev. John Wesley seconded the motion. Mr. Johnson raised a question as to whether this recommendation could not be changed to give the executive committee authority to purchase another house if these plans should not materialize. No action was taken on this question. Mrs. Johnson suggested that a clause be added to the recommendation giving the executive committee authority to designate the use of the house if ever it was unoccupied by a missionary. No action was taken on this suggestion.

Rev. John Scalf arose to state his agreement with the last clause of the proposed resolution. Mr. Scalf also urged that any opposition to the adoption of the resolution be presented in the discussion period. He reminded the group of the hymn which it had sung earlier, "Blest Be The Tie", and urged that all our discussions be in the spirit of that hymn.

Mr. Johnson stated that the Ca-Vel Church would cooperate in the proposed project, if adopted.

Mr. Elliott asked whether there was any question as to the presence of a quorum in this meeting. Mr. Long replied that according to his interpretation of our constitution a quorum was present.

Mr. Huel Gentry spoke in favor of adopting the resolution.

A question was raised by Mr. Scalf as to whether any plans were made for making payment on the proposed loan. Mr. Young stated that the Peoples Bank had said, through its official, Mr. James Brooks, that any reasonable plan adopted by the association would be satisfactory with the bank.

A vote on the proposed resolution was called for. The resolution was adopted without any negative votes, three messengers abstaining from voting.

Rev. W. I. Johnson offered the following resolution:

Be it resolved by the Beulah Baptist Association now in session, that should the action authorized by the Association fail to materialize for any reason, that the executive committee of the association be authorized to proceed immediately to make and carry to completion other plans for a permanent home for the missionary.

Mr. Huel Gentry offered a second to the resolution, and it was adopted by a large majority.

Mr. Young then proposed that two additional trustees be elected by the association so that there would be no further delay in the event the Peoples Bank should require more signatures on a note. He recommended the election of R. K. Young and Huel Gentry. Upon motion by Mr. Scalf, seconded by Mr. Berry, these were elected.

25. Mr. Cumbee offered his resignation as Chairman of the Program Committee for the association, stating that he held other offices in the association and would like to be relieved of some of the responsibility. A motion to accept this resignation was made by Mr. Wesley, seconded by Mr. W. R. Wade, and passed unanimously.

26. Mr. Cumbee then nominated Rev. Benjamin Berry to succeed him as Program Chairman. After a second by Mr. Huel Gentry, Mr. Berry was elected unanimously.

27. The group sang the hymn, "God Be With You 'til We Meet Again", and the closing prayer was led by Rev. Roy Beals, a visitor who is preaching in revival services at the Longhurst Church.

28. The meeting was adjourned.

RESOLUTION

"Resolved': That the Association authorize and direct its trustees to purchase from W. Gordon Carver the house and lot at the corner of Gordon Street and Carver Street in Roxboro for the sum of Eleven thousand and 00/100 Dollars ($11,000) and to borrow the said sum of Eleven thousand and 00/100 Dollars ($11,000) from the Peoples Bank in Roxboro executing as security for this loan a deed of trust on the property so purchased and further to execute a promissory note pledging the full faith and credit of the Association to the repayment of said sum at the rate of not less than one thousand and 00/00 Dollars ($1,000.00) per year plus interest.

And be it further resolved that the said residence be used exclusively as a residence for the missionary of the Association."

I certify that at the regular meeting of the Beulah Baptist Association held on March 27, 1956 at the Mill Creek Baptist Church the above resolution was introduced by Calvin Knight, seconded by John M. Wesley and passed by a majority of the members present.

34. The Rev. John Scalf called attention to the Sunday School Report and moved its adoption. Mr. E. H. Perkins offered a second to the motion. Mr. Scalf stated that the Sunday School organization was incomplete, and that a completed list of officers would be given the clerk before the report goes into the Minutes. The motion passed. Mr. Scalf presented the Rev. Jack Bagwell, Associate in the Sunday School work in the state.

35. At the request of the moderator, Mr. Cumbee spoke briefly about the achievements and weaknessed of the associational V. B. S. program.

36. A period for miscellaneous business was spent in the following matters:

(1) The clerk reported on registration for the session as follows, 53 messengers present; 145 visitors present; 21 pastors present; a total of 219.

(2) The resoultion introduced the previous day by Mr. Kesterson (see Tuesday's proceedings) was read by the clerk. Mr. Kesterson moved its adoption, and Mr. Scalf seconded the motion. After a question was raised by the parliamentarian, the Rev. W. I. Johnson, concerning the procedure in revising the constitution, Mr. Elliott offered a substitute motion, namely, that a committee be appointed to study the constitution, and that any necessary changes be brought to the Spring Session as information, and acted upon in the Fall Session. This motion received a second from Mr. Cumbee, and passed. The moderator appointed Mr. Elliott, Mr. Cumbee and Mr. Knight to serve on this committee.

(3) The Report of the Nominating Committee was presented

by Mr. E. H. Perkins. The moderator requested Mr. H. D. Young to preside, inasmuch as he (Mr. Yarbrough) was one of the nominees. The Rev. Benjamin Berry pointed out that Mr. Gentry was ineligible to succeed himself as chorister according to the constitution. Mr. Cumbee verified this statement, reading from the constitution. Mr. Kesterson suggested that there be a nomination for chorister from the floor. Mr. Knight nominated the Rev. Mr. Berry as chorister. Mr. Cumbee moved the adoption of the report. 44. The Rev. L. G. Elliott, chairman of the Missions Committee, called attention to the report of his committee and read and explained some recommendations of the Associational Missionary which had been approved by the Executive Committee in its last meeting. Those recommendations were:

(1) That the heads of the various phases of our associational work, such as the S. S. Supt., B. T. U. Director, Brotherhood President, etc., be appointed by the Executive Committee by the 15th or not later than the 30th of July. The reasons for this are:

a. He will have time to enlist his workers.
b. He will have time to plan his program for the coming year.
c. A new man will have time to become familiar with the work.

(2) That the Vacation Bible School work be brought into the Sunday School organization.

(3) That the heads of the different organizations and their co-

workers be listed in the Minutes.

(4) Stewardship Committee be elected.

(5) That the Executive Committee and the Missions Committee meet quarterly and that the time and place be put in the Associational Calendar.

Mr. Elliott also suggested that the association consider the possibility of electing a Chairman of the Executive Committee, other than the moderator. Young led the memorial prayer, which was also the benediction.

MISSIONS COMMITTEE REPORT

The constitution of the Beulah Baptist Association provides for and demands that the missions committee be composed of four members, two of whom shall be laymen and two pastors. This committee is charged with the responsibility and privilege of working directly with the associational missionary in promoting the total program of the association.

So far as we have been able to do so, we have done just that during the past year. The committee, especially the chairman, has worked closely with the missionary in setting goals, boundaries, policies, and the mechanics for expediting the work. There is so much detail work in connection with this phase of the program which defies definition in words or figures. However, a few items are mentioned for your information and consideration.

We were responsible for interviewing Rev. Hassell Lamm and recommending him to the executive committee as our missionary. The details of finding a place for him to live was our responsibility.

Working with others. too numerous to name, we took the initiative in the difficult task of providing a permanent home for the missionary, resulting in the purchase of a home on Gordon Street in Roxboro.

We planned and sponsored an empressive service of dedication of the missionary's home on Thursday, April 19, 1956 at 7:30 P. M., with General Secretary M. A. Huggins as speaker. In connection with this service of dedication we sponsored a pantry shower for the missionary family.

A program of work for the missionary was defined and presented to the executive committee for adoption.

We have been deeply concerned about and interested in the financial program of the association. To this end we have worked with the finance committee in drafting a budget for the coming year and supporting the "Beulah Parsonage Day" in an effort to raise $4,000.00 to apply on the debt of the missionary's home.

We have partially surveyed an area in the western section of the association adjacent to the Prospect Hill community for a mission Sunday School. This matter is still under consideration.

We recommend and approve the items suggested by the missionary at the last meeting of the executive committee for adoption by the association in annual session.

Respectfully submitted,
L. G. Elliott, Chairman

REPORT ON EVANGELISM

The Beulah Association, accepting the recommendation of its Evangelistic Committee, promoted a Simultaneous Revival in the Spring. A large number of the churches in the Association participated in this effort. 181 conversions and a large number of rededications were reported in the Association during the year.

Last year Southern Baptist baptized 416,167, which was one baptized for every twenty church members. North Carolina Baptists baptized 35,607, which was one baptism for every twenty-two members.

There are now more than 40,000,000 living in the area of the Southern Baptist Convention who are not affiliated with any church.

The Department of Surveys and Statistice reports that 4,799 churches reported no baptisms in 1955. These facts should challenge us to a greater concern for the lost about us and to a renewed determination to win them to our Master.

It is estimated that there are 2,000,000 lost people in North Carolina, all of whom must be won to Jesus Christ in our generation or perish forever. To approximate doing this we must win far more people to Christ in the days ahead than we have in the past.

Surely the fields are "white unto harvest." May the Lord of the harvest grant us hearts of compassion and evangelistic zeal so that we may bring the lost to a saving knowledge of Jesus Christ. God is always ready to save men. Are we ready to bring them to Him?

Hugh Ross Williams

REPORT ON HOME, STATE AND FOREIGN MISSIONS

HOME MISSIONS

The 1956 Report of the Home Mission Board indicated that 1955 was a year of "unprecedented growth and achievent". Special emphasis was placed on evangelism. As a result of such emphasis the greatest number of baptisms in the history of the Convention was netted during this year.

The Board's income for the year was $3,134,340.86. Church loans were made to 237 churches and surveys made with approval for loans to be consummated later. At the end of the year 604 loans in the sum of $5,826,970.03 were outstanding.

At the close of 1955 there were 1,493 missionaries (including 388 summer student missionaries), a gain of 151 in personnel; 37,475 professions of faith; 105,426 sermons and addresses by missionaries; 4,423 dedications for special service; 725 new missions started; 410 new churches constituted; and 430 Southern Baptist chaplains in service.

Advancement in 1956. Major emphasis in the "4-Year Conquest for Christ" for 1956 is on church extension, with a goal of 2,666 new churches. Surveys reveal that there is specific need for 10,000 new churches now. New churches and new meetinghouses in which to worship mean more workers, more converts and more money for the promotion of world missions. The Board is girding its forces in preparation for the Convention's emphasis in 1957 on World Mission Year.

STATE MISSIONS

State Missions is the missionary effort on the part of North Carolina Baptist to reach the unsaved for Christ, and teach, enlist, and train the saved in giving, living, and serving through the churches and throughout the world.

Our people need to be taught and trained. Therefore, three of the most significant phases of our State Missions work are pomoted through the Sunday School Training Union, and Rural Church Depatments. Already 2,200 Vacation Bible Schools have been reported for 1955 — giving $29,000 to the Cooperative Program. Over 5,700 of our Baptist people attended Training Union weeks at Caswell, Fruitland and Ridgecrest this summer.

Over 60% of the people in North Carolina are lost — and need a Savior. State Missions provides a Department of Evangelism that seeks to inspire pastors and churches to evangelize their communities. Since the organization of this Department, batisms have averaged 8,000 a year more.

A growing population demands new and stronger churches. State Missions provides a necessary and significant ministry through aid on the purchase of sites for new churches and some one hundred or more salaries for pastors. During the past year approximately $110,000 was invested in this work.

Other areas of need that constantly challenge the resources of State Missions are The Allied Church League, the Silent People, the Department of Pastoral Care, the Pastor's Schools and the Assemblies.

What are the sources of support whereby State Missions can function effectively and fruitfully in all these phases of work? Here they are:

(1) Cooperative Program,	$264,000	if goal are met
(2) Sunday School Board,	$20,000	
(3) Home Mission Board,	$2,000	
(4) W. M. U. Week of Prayer,	$75,000	(Goal)
	$361,000	

(5) Offering through the Sunday School October 28 — hoped for $89,000.

The State Mission budget to meet minimum needs is $450,000.

FOREIGN MISSIONS

"What happens to missions around the world depends directly upon what happens to missions in the local church," Elmer S. West, Jr., Secretary for Missionary Personnel, told the Foreign Mission Board at its April meeting.

Mr. West estimated that it will take 125 missionary appointments each year for eight more years to reach the Advance Program goal of 1,750 missionaries. With 52 missionaries appointed the first five months, he expects to reach the goal of 125 in 1956. The Board has 1,058 active missionaries as of June 1, 1956.

Of 500 new missionaries requested by Missions in the various areas. missionary preachers top the list. Twenty-six nurses, many doctors and technicians have been requested for service. The need for missionary teachers is continually growing.

The Foreign Mission Board reports that two new hospitals were dedicated during the year — a four-story, 100-bed hospital in Japan, and Wallace Memorial Hospital in Korea. Land has been purchased for hospitals in Mexico and Indonesia.

A new seminary was opened during the year in Southern Rhodesia with a classroom building completed and a chapel under construction. Construction on a seminary building in Korea is in progress, and land has been purchased in the Bahama Islands for a Bible Institute. Seminaries in Formosa, Philippines, and Thailand graduated their first classes in 1955.

The total income of the Foreign Mission Board during 1955 was $11,287,775.72 of that, $5,311,630.83 came from the Cooperative program. Receipts from the Lottie Moon offering, May 1, 1955 to May 1, 1956, totaled $4,628,691.03.

REPORT ON THE BAPTIST ORPHANAGE

THE NEEDS ARE GREAT

From the time when the first child was admitted to the Baptist Orphanage in 1885, more than 6,000 children have been admitted. In 1955 there were 824 applications received. 137 of these were admitted to some phase of our program. To the other 687 the answer had to be no.

In 1955 there were 58% more applications received than in 1950. Last year the Baptist Orphanage cared for 736 children. This was 23 more children than those cared for in 1954. This increase was possible through foster home care and by an increase in the Thanksgiving Offering.

TYPES OF CARE

The Baptist Orphanage has four major types of services: (1) Institutional care in Mills Home and Kennedy Home, (2) Mothers Aid to children who remain with their own mothers, (3) Foster Home Care to children who are kept in good Christian families, and (4) Family Counseling to families whose children are in the care of the orphanage.

PLAN OF SUPPORT

The Baptist Orphanage received about 10% of its support through the Cooperative Program in 1955. There is continuing need for added support from the churches. The need for an increased offering at Thanksgiving is great. The amout of the Thanksgiving Offering this year will determine the expansion of the Orphanage next year.

BUILDING PROGRAM

During the past year a new church building and a new parsonage have been completed at Kennedy Home will be let this fall. These projects are financed by special gifts or bequests.

CHARITY AND CHILDREN

The CHARITY AND CHILDREN is making a great contribution to our Baptist life in North Carolina. More than 51,000 copies of CHARITY AND CHILDREN are mailed out each week.

Respectfully submitted,
Paul Kesterson

REPORT OF N. C. BAPTIST HOMES FOR AGING

The Homes are in their sixth, and greatest year of operation.

Construction of the Administation and Dormitory Building began in February. It should be completed by the end of this year, and ready for occupancy by February 1, 1957.

North Carolina Baptists have good reason to be proud of this new building, which, when completed and equipped, will add one-half million dollars to the total value of the Homes. What is more encouraging, there is reason to believe that the total cost of the new building will be paid for by the time it is occupied, if our 3,200 Baptist churches will respond with a generous Special Day offering on the third Sunday of February, 1957.

The added facilities of the new building will make it possible to care for 100 residents — 20 at Resthaven, 36 at Albemarle Home, and 44 in the new building. Of this number, less than 10 will be part-time helpers. Morever, a greater ministry to our aging residents will be possible because of the extra facilities in the new building. Among those will be ample space for craft shops, sun parlors, library, infirmary, and other additional features. In fact, the new building was planned and is being constructed to provide a well-rounded program with the most up-to-date facilities.

The Special Day offering this year, to date, is $88,400.03, including personal and corporation gifts. This amount will be increased by churches late in reporting their gifts. It is encouraging to know that the number of churches responding is increasing each year.

Resthaven and the Albermarle Home have been filled to capacity. When a vacancy occurs, which is rare, there is always a waiting list.

Effort was made in Winston Salem during June and July to raise $100,000 for the new building. In addition to the money raised, the response on the part of a large number of business men to help with the campaign was most inspiring. The aroused interest in the program of the Homes will bring increasing results for years to come.

There has been a larger number of building memorial gifts. They ranged from $300 to $3,000 - $300 to furnish, $1,000 to endow, and $3,000 to pay cost of constructing a room.

A trustee, Mr. Don G. Matthews of Hamilton, gave, in addition to $3,000 to construct a room in the new building, $1,378 to pay cost of excavating a lake on the grounds of the new building.

Your Homes are putting forth their best efforts to render a ministry of security, comfort, congeniality, and Christian love to our residents.

North Carolina Baptists should keep in mind that their special offering and the share of the Nine Year Program received by the Homes help to make this ministry possible to all who come to the Homes, and, especially, to a large number who could not come but for such help.

There are some rooms left to be memorialized. Also, a limited number of cottages may be built on the Park Road site. If interested, contact James M. Hayes, general superintendent, N. C. Baptist Homes, Kentucky Avenue, Winston-Salem, N. C.

"Cast me not off in the time of old age; forsake me not when my strength faileth." (Psalm 71:9).

P. S. — A Homes representative was elected last year in nearly all of our Associations. Please see that one is elected in your Association this year. Thanks.

Respectfully submitted,
John Wesley

BAPTIST HOSPITAL REPORT

The Great Physician continues to heal many that are sick today through the facilities of our Baptist Hospital at Winston Salem. The Hospital is the property of North Carolina Baptists and is the concrete expression of their desire to help people find wholeness of life through the healing ministry.

Superior training is provided for nurses, doctors, technicians, pastors and Christian worker by the Hospital and the Bowman Gray School of Medicine. The Department of Pastoral Care gives Christian counseling to patients, students, hospital staff and personnel and hundred of other people across the state, and teaches courses in pastoral counseling for pastors and ministerial students.

Our Hospital is not only larger than it has ever been, but has the best facilities and staff to serve people that it has ever had. Recenfly three new type X-ray machine, costing over $30,000, were installed, and a small concrete building is now under construction to house a cobalt machine, costing over $75,000, which is safer and much more effective in the treatment of certain types of cancer than any Xray machine now being used. No other North Carolina hospital has equipment equal to these new machines. We now have the best X-ray department in the South, and the doctor who heads this department is one of the Outstanding radiologists in America. Regular services are now being held in the beautiful new chapel opened in June. We now have a fine specialist for testing and advising those who have defective hearing, and a highly skilled plastic surgeon is joining our staff this fall. The most urgently new facilities are a new nurses' home, in order that the school of nursing may be enlarged, and additional parking space.

The year 1955 was the best in service our Baptist Hospital has ever had. Our churches gave the largest Mother's Day offering they have ever made, and the Hospital was able to serve more sick people than ever before. More than 115,000 days of bed-patient care were rendered to almost 15,000 sick people, and more than 100,000 visits were made to the clinics and offices of the medical staff. Free services amounted to almost half a million dollars in addition to free doctors' care. We are grateful for the opportunity to share in this great work, and for the support of the churches in this association.

Costs in all hospitals have increased steadily and are continuing to increase. The high quality of medical service provided by our Baptist Hospital cannot be made available without great cost. All who can possible do so should carry hospital insurance with a reliable company. Those of us who can pay for our medical care must do so. Then we need to give generously through our Mother's Day offering to help care for those who cannot care for themselves.

Respectfully submitted,
Charles O. Jenkins

REPORT ON CHRISTIAN LITERATURE

As Paul wrote nearly 2,000 years ago he knew that God's people must read to strengthen their faith, to increase their knowledge, to open their vision, to inspire their minds. Christian literature is dedicated to the furtherance of the Gospel and the whole work of the Lord through His people and His churches. Like an evil flood the swelling tide of today's literature has come to deceive all who will buy, read and absorb the insidious poison. Much of it is dressed in fine covers and attractive print that it may lure the heedless person to take and read. We must stem this tide with a solid array of well-printed, sound Christian periodicals, books, and other good literature to meet every age and interest.

We are missing the opportunity of a great ministry when we allow our leaders to become so busy with pressing needs of the day that they do not take time to put down on the printed page some of the great truths God has revealed to them. There is great need for more thoughtful Christian writin. We cannot overestimate the power of the printed page. The printed word gets into many places where the spoken word cannot go. Baptists ought to make much use of Christian literature. Much of it comes from Baptist presses. It needs to be read, promoted, and used widely by our people in their homes and churches if the whole program of Christ is to be fully carried out in Baptist unity and strength. No other method can reach so many, so completely, so constantly, so cheaply and so successfully as through use of the Christian press. Baptists seek to meet this challenge through use of the Christian press. Baptists seek to meet this challenge through publication of its state paper, The Biblical Recorder.

In 1830 when the Baptist State Convention of North Carolina was organized the main purpose was "the promotion of missions, education, social service, and the distribution of sound religious literature." Shortly afterward in 1883 the Biblical Recorder was founded to help carry out the high aim and purpose of our Baptist forefathers. For 123 years now the Recorder has borne the message of Baptist life and progress in our state. It ought to be in every home in Noth Carolina.

Our orphanage paper, Charity and Children, is published every week and carries news of interest of the work being done over the state and especially in relation to the work of the orphanage. It is their method of keeping in touch with the churches. It may be had by sending a very small suscription fee to Mills Home in Thomasville.

Let us make use of our own publications and help to get them into every home possible that we may extend our ministry and that men may come to know Jesus as Lord through our efforts.

REPORT ON CHRISTIAN EDUCATION

In general, the Baptist program of Christian education includes the teaching ministry of the Christian home, the local church with its varied programs, the Baptist schools and colleges supported by the Conventions within the various states, and our Southwide seminaries.

For the purpose of our immediate consideration, it should be noted that the impact of the present tidal wave of youth is resulting in ever-growing needs for expansion in all areas of Christian education. The presence of these children in greater numbers in our homes constitutes a new opportunity and a challenge for Christian parents. It is not surprising that practically all our local Baptist churches are expanding their teaching facilities to meet these growing demands upon them. Southern Baptists are now anticipating the expansion of seminary facilities to provide for one or more additional seminaries for the training of the 5,885 students enrolled during the past year as well as the thousands of others seeking admission. In our Baptist colleges in the Southern Baptist Convention territory there were enrolled more than 55,000 young people during the last college year.

Here in North Carolina in our seven Baptist colleges-namely, Wake Forest, Meredith, Mars Hill, Gardner-Webb, Campbell, Wingate and Chowan-we had a total enrollment of 5,921 students last year, and more than this number have enrolled this year. Recognizing the ever-growing need for additional schools and colleges for the training of Baptist youth, our leaders in eastern North Carolina are expressing deep concern for a more effective Baptist witness through the establishment of one or more new colleges.

Each of the seven colleges now in operation is engaged in expanding its plant facilities in poth housing and class rooms to meet the ever-growing needs. Wake Forest College on May 21, officially ended 122 years on the campus at Wake Forest. The college has now moved. to its beautiful new campus with enlarged facilities and possibilities at Winston-Salem. Southeastern Seminary now has possession of the entire Wake Forest campus and is making great progress. Great foundations and corporations are manifesting unusual interest not only in these Baptist colleges but in all other church-related colleges in the land. Our North Carolina Baptist colleges are not being overlooked because of their own efforts and the efforts of our Baptist Stafe Convention to provide and support better colleges.

North Carolina is second only to Texas in the number of students enrolled in her Baptist colleges. It is reliably predicted that within a brief period of twelve to fifteen years the present college population of 50,000 in North Carolina will be doubled, which means that instead of 18,000 Baptist young people in college in our state, as at pesent, we shall have 35 to 40,000. Thus, our Baptist people must not be willing to slacken their efforts to keep step with other Protestant denominations in providing a well-trained Christian leadership for the world.

About 20% of the students enrolled in our seven Baptist colleges are preparing themselves for some full-time church vocation. In addition, a majority of the young women graduating from Meredith College are prepared to become teachers in public schools of North Carolina, and a large number of the graduates of Wake Forest enter the teaching profession. When we add to this number those that are being trained in such professions as medicine, law and business, we realize that graduates of our Baptist colleges are carrying the Christian Witness of our denomination not only through our churches but through the many channels of our modern society.

These colleges are supported and operated primarily for the training of Baptist young people. We can best express our interest in them, first, by encouraging the young people in our church graduating from high school to enroll in one of these seven Baptist colleges, and, in the second place, by continuing to provide financial support through our stewardship of money.

REPORT ON VACATION BIBLE SCHOOLS

Your Associate Superintendent wishes to report that Beulah Association held thirty-two Vacation Bible Schools out of a possible total of thirty-three. A percentage of 97%. One church, Beulah, did not hold a school.

The thirty-two churches in the main averaged five days per a school, two and one-half hours per a day. With one church not reporting an enrollment the total number enrolled came to 2,433. Average attendance, for twenty-nine churches reporting such, was 1,818. Eight churches reported baptisms resulting from the school with a total of twenty-four baptisms. Three schools—Theresa, Yanceyvile, and Longhurst - reported Grade A schools, with Longhurst reporting the only standard or 1,000 per cent school.

There are weak spots in our Vacation Bible School program. They are: 1. Failure of our churches to recognize the value of a ten day school. 2. Failure of the principal and or pastor to report a school to the Associational Superintendent. 3. Failure to plan the program far enough in advance to adequately prepare for the school. 4. Failure of principal and general secretary to keep adequate and complete records. These are weaknesses that can be corrected and we will attempt to correct them another year.

Let us determine to have thirty-three schools in 1957 and be 100% in Beulah Association.

REPORT ON AMERICAN BIBLE SOCIETY

A Chinese college student, during World War II when Bibles were scarce in this country, made this earnest request: "We students want to know Jesus. We must have this book." Another thoughtful Chinese student, talking with his missionary teacher, said: "Your English Bible speaks to my head, but my Chinese Bible speaks to my heart."

The words of those Chinese students express two missionary principle which are true in all lands:

(1) People must have the Bible because it presents Jesus Christ, the one hope of men and nations;

(2) Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the missionary's chief tool. He uses it in every form of mission work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave and keep on speaking to a man's heart.

The American Bible Society aids in Bible translation, publishes the Scripture without note or comment and distributes them without profit, usually below cost. For the Blind it supplies Scriptures in raised-letter systems and on Talking Book records. The Bible Society serves every form of Southern Baptist mission work around the World.

During 1955 the American Bible Society helped to publish Bibles in Russia by giving to Russian Baptist leaders mats made from our printing plates., They are using them to print 50,000 Russian Bibles.

The Society helped the Japan Bible Society publish the full Bible in colloquial Japanese, the every-day language easily understood by all the people. This opens the Book to many millions of new readers and is stimulating interest in Bible reading.

The Society donated 1,397,100 Scripture volumes for distribution by Chaplains to our Armed Forces, providing a vital link between the home churches and the men in service.

The Society distributed throughout the world almost 15 million volumes of Scriptures.

Please send gifts to the Baptist State office marked "for the American Bible Society."

Remember to read, heed and obey the Bible.

REPORT ON PUBLIC MORALS

As the writer of this report began gathering facts for this report there came to hand a recent report from the Director of the F. B. I. which revealed some interesting facts. In our nation last year a major crime was committed every five minutes. An automobile was stolen every three minutes; a theft was committed every thirty seconds. The alarming fact revealed was that fifty percent of the crimes were committed by young people eighteen years of age or younger. It has been pointed out before by the F. B. I. that no young person has ever been arrested for a major crime who attended Sunday School regularly. Therefore as Christians we must strive to enlist the young folk of our communities in Sunday School. When one comes in contact with the vital teachings of Christ and begins to make them a part of his life, worldly things lose their importance.

Now is the time for Christians to assert themselves concerning the truths of Christ. Society, itself, is just as strong as each member. If a chain has a weak link, the whole chain loses its full effectiveness. So it is with the Christian life. As a Christian we must seek the truth discern through observation the facts, and practice our principles to the best of our ability.

As this report is being prepared the Allied Church League is making a determined effort to secure names on the petitions which call upon the Legislature to enact a bill to provide for a state-wide referendum on manufacture and sale of beverage alchol in North Carolina. The prospects for a referendum in 1957 session of the General Assembly seem brighter than ever before. The month of November has been set aside in our Beulah Association to secure signers for these petitions. Conditions in North Carolina are favorable to a referendum at this time. Figures released by the Department of Motor Vehicles indicate that twenty-five percent of the fatalities on the highway of the state resulted from drinking. The report of the State Board of Public Welfare reveals that in June, 1956 there were 11,215 persons confined in the county jails in North Carolina and of this number 5,083, almost fifty percent, were charged with violations involving alcohol.

May we as Christian take our stand in the light of the truth revealed to us and live day by day that others might see Christ living in us. We must get back to the people with a program of education on all moral issues, and civic responsibilities.

T. C. Williams, Jr., Chairman
Committee on Public Morals

STEWARDSHIP REPORT

The past years has been one of the association's best years. It was begun in debt, but ended in a much more pleasant fashion.

The change in our financial situation seemed due to several factors. The leadership of our association seemed capable of instilling enthusiasm for the associational work in all segments of our membership. The calling of a new missionary seemed to give impetus to the desire to contribute.

The same spirit of cooperation prevailed over the entire associational work as noteworthy advances were made in many areas of our work. The following records are compiled from the associational letters for the past year:

NUMERICAL ACHIEVEMENTS (31 churches reported): No. of churches in association, 33; total membership, 7,304; baptisms, 274; Sunday School enrollment, 5,965; V. B. S. enrollment, 2,651; Training Union enrollment, 865; W. M. U. enrollment, (with auxiliaries), 1,591; Brotherhood enrollment, 122; Tithers, 793.

FINANCIAL ACHIEVEMENTS: Local Expenditures, $240,966; Associational Missions, $3,691; Other missions, $35,039; Per capita Gifts to Missions, $532; Total Expenditures all causes, $288,696; Per capita giving all causes, $39.66.

SUNDAY SCHOOL REPORT

The Bible teaches, "The entrance of Thy Word giveth light," and that "The Scripture which are able to make thee wise unto salvation."; hence, the importance of the Bible teaching ministry of the Sunday School.

The Sunday School have proven themselves to be a great teaching, evangelistic, enlistment and financial agency of the churches. We rejoice in the growth and service of the Sunday School in our association This year we have reported 32 Sunday Schools, with an enrollment of 5,965, an increase of 3.8% over last year. There were 274 baptisms; 32 Vacation Bible Schools; and an active associational Sunday School organization.

The State S. S. Dept. report 3,215 Sunday Schools; enrollment, 724,463. 2,700 Vacation Bible Schools in 1955, and 32,500 training awards earned.

Fourteen churches in our association met their suggested goal for the year on TIME, the most we have ever had to do so: Others met their goal BUT not in time to be deposited for the year closing September 30th, 1956. The books are closed at twelve o'clock noon, on the last day of the month of September each year and unless the check are received in time to be deposited, they cannot be credited for that year.

This has been the best year yet for the association from a financial standpoint, for every church except one contributed to the program and more monthly contribution than ever before. You will note from the above statement, with all bills paid, the year ended with a cash balance. Congratulations to all.

Mr. Hassell Lamm, our Missionary, joined the association in 1956 and of course that is requiring from all churches, the pledges on time, in order that we meet our obligations to him. Surely the good work he is doing, we want to do our best for him and for our Master.
